Upper Falls M.E. Church Observes Anniversary

Program of Addresses and Pageantry in Progress

The Methodist Episcopal Church of Newton Upper Falls is carrying out an elaborate program in connection with the celebration of the one hundredth anniversary of the founding of the church. The exercises began last Sunday evening with Young People's Night when Professor Fred Winslow Adams of Boston University School of Theology delivered the principal address.

Bishop Francis J. McConnell, once pastor of the church and now President of the Federal Council of Church of Christ in America, will speak on Sunday morning. On Sunday evening Bishop Charles Wesley Burns will speak. On Tuesday afternoon the Pastor and his family will be at home to all present and past members of the church and to former pastors and their families. On Tuesday evening at 7:30 the formal Home Coming service will be held. Friday and Saturday evenings of next week, there will be given an elaborate pageant depicting the 100 years of the history of the church. The celebration will close Sunday, November 13, when Rev. L. O. Hartman, Editor of Zion's Herald, will be the morning speaker and Rev. Chas. S. Otto, Local District Superintendent, the evening speaker.

The following are the episodes of the Pageant to be given and their dramatic personae:

Episode 1. Corner Stone is Laid: Otis Pettee, Mr. Oscar E. Nutter, Rufus Ellis, Mr. John Coward; Newell Ellis, Mr. William C. Willard; Frederick Cabot, Mr. Lester H. Hilton; Ichabod Mason, Mr. Samuel F. Oldfield.

Episode 2. The Stone is laid in faith: Marshall Rice, Mr. Kenneth Newcomb; Mary Rice, Miss Carrie Jowett; Jonas Fogg, Mr. William Wildman; William Palmer, Mr. Joseph Shaw; Warren Dewing, Mr. Karl Nutter; Michael McIntosh, Charles Kent; Rice Girl, Jean Tennant; Rice Boy, Mark Shedd.

Episode 3. A Milestone: Mrs. Holmes, Miss Gertrude Locke; Mrs. Livermore, Miss Olive Duval; Dorcas Smith, Miss Doris Brown; Jonas Fogg, Mr. William Wildman; Rev. Spaulding, Mr. Warren Hilton.

Episode 4. A Stone is laid in wartime: Rev. Pentecost, Mr. Donald Burns; Mr. Lamson, Mr. Joseph Shaw; Mr. Calvin Bailey, Mr. Edward Wildman; Mr. Hollis Bailey, Mr. John McManis; Mr. Charles Randall, Mr. Everett Morse; Mr. George Randall, Mr. Arthur Hartshorn; Julia Has-

Luce To Deliver Principal Speech At Dedication

Governor Ely, Mayor Weeks, Will Also Speak

The principal address at the dedication of Newton's new City Hall and War Memorial on Armistice Day, Nov. 11th, will be delivered by Congressman Robert Luce, Mr. Luce, who was originally selected as one of the speakers, now takes first place in the program since the withdrawal of U. S. Senator George H. Moses of New Hampshire. The Massachusetts Congressman, who represents the new 9th district, is one of the finest orators in the Congress. His address delivered in the fall of 1931 commemorating the 150th anniversary of the surrender of Cornwallis at Yorktown is generally classed as one of the greatest memorial addresses delivered in this generation.

Definite plans for the program were approved yesterday by Mayor Sinclair Weeks. Gold star mothers and fathers with invited guests and present and past City officials will be seated inside the building in Memorial Hall and the Aldermanic Chamber, while 16 large amplifiers placed outside will carry the program to the thousands seated on all sides in stands and chairs outside the building.

Two college presidents will offer prayer, the invocation by the Rev. Everett C. Herrick, President of Andover-Newton Theological School, and the benediction by the Rev. Louis J. Gallagher, S.J., President of Boston College.

Speakers, besides Congressman Luce, will be Governor Joseph B. Ely, Mayor Weeks and high ranking officers of the U. S. Army, Navy and Marine Corps.

At the conclusion of the Dedication exercises the City Hall and War Memorial will be open for inspection and the customary practice of keeping to the right throughout the entire building will be followed. The inspection in City Hall proper will be under the direction of Frank M. Grant, City Clerk, with Ellsworth W. Poole, Charles Mahoney and William Leonard assisting; the War Memorial inspection will be in charge of Frank Gaw, with J. Edward Theriault, Clifford S. J. White and R. John Henderson assisting.

A detachment of fifty Boy Scouts will be assigned to act as guides, who will stand in the middle of the corridors—twenty-four on the first floor, sixteen on the second floor, five in the basement and one at the emergency door leading from the Aldermanic Chamber to the War Memorial, which

First Get-Together of Newton Girl Scout Leaders Is Great Success—Seventy Attend Affair

Numerous Speakers at Gathering at Newton Highlands—Mrs. W. S. Redfield, Commissioner for Newton, Presides

Approximately seventy Council members, committee members, and leaders attended the recent meeting of Newton Girl Scout Leaders at the Newton Highlands Episcopal church and enjoyed an interesting day's program.

Bugle and Drum Corps; Mrs. George Willard Smith spoke about Community Service; Mrs. George Redfield presented the Responsibility of the Council to Captains and Girls; Mrs. G. M. Angier spoke of our responsibilities, as Girl Scouts, to the Community; Mrs. Leslie Warren made us all realize

ing Miss Adelaide Ball to act in the Color Guard for Mrs. Edey at this meeting.

Miss Caroline Freeman and Miss Sally Stickney spent the week-end at Cedar Hill attending a conference of the Local Directors for New England. Eighty-one girls enjoyed the New-

Mrs. Arthur W. Lane opened the meeting with information regarding the Community Chest. Mrs. Walton S. Redfield, Commissioner for Newton Girl Scouts, next introduced Mrs. Gilbert Tapley of Winchester, Chairman of Brownies in the Metropolitan Division. The speakers who followed were: Mrs. Grosvenor D. W. Marcy, Chairman of the Court of Awards who outlined the procedure of this Committee; Miss Olive Webster reported for the Publicity Committee and the

necessity of a mental check up in the Captains' responsibilities to the Council and girls; and Miss Caroline L. Freeman, Local Director, gave special announcements at the morning and afternoon sessions.

This has indeed been a busy week for Newton leaders. Thirty representatives of the Girl Scout organization were present at the Statler Friday, to greet Mrs. Frederick Edey, President of the National Organization. Newton was fortunate in hav-

ton Centre Get-together at Cedar Hill last Saturday. After a busy day of fun, Mrs. Grosvenor D. W. Marcy, Chairman of the Court of Awards, awarded Merit Badges to the various girls.

The Publicity Committee is delighted at the splendid co-operation that the Captains and Troop Committees have shown in putting over the window displays in each village. If you have the time, take in your neighboring villages.

To Raise \$375,000 For Agencies In Community Chest

Campaign In Behalf of Fifteen Agencies Begins Nov. 17

Fifteen social and character-forming agencies of Newton, members of the Newton Community Chest, will open a campaign on November 17 to raise \$375,000 to carry the work of the agencies from October 1, 1932 to December 31, 1933. The announcement of the quota of the campaign was made last night at the dinner of the Preliminary Gifts Committee of the campaign, at the Brae Burn Club.

At that time, Henry J. Nichols, chairman of the committee, presided at the gathering, and almost the entire meeting was given over to the plans for the campaign, which was to start work this morning, in order to cover its list of potential givers before the actual opening of the first annual campaign of the Newton Community Chest.

The \$375,000 is distributed as follows: Stone Institute and Newton Home for Aged People, \$1,000; Newton Hospital Aid Association, \$1,500; West Newton Community Centre, \$3,500; Newton Circle, \$3,750; Stearns School Centre, \$4,000; Girl Scouts, Newton Council, \$7,000; All Newton Music School, \$7,100; Boy Scouts, Norumbega Council, \$11,000; Newton District Nursing Association, \$11,000; Newton Y. M. C. A., \$14,500; Newton Welfare Bureau, \$20,000; Newton Catholic Welfare Committee, \$30,000; Newton Hospital, \$65,000; and Mayor's Relief Committee, \$125,000. Expenses of the Newton Central Council and the Community Chest operating expenses amount to \$22,000, and the fund for emergency and contingencies is \$48,650, bringing the grand total to \$375,000.

The Newton Community Chest Call, Newton's newest newspaper, which it is planned to have reach every house in Newton, will make its first appearance tomorrow. Save for the fact that it will have but two issues this year, November 5 and 19, it will resemble to a marked degree a regular daily paper. It will be distributed tomorrow by the Boy Scouts of Newton, and every family should have its copy before dark.

The Newton Community Chest Call will among other things contain stories of twelve of the fifteen agencies and the activities, several editorials and over a dozen pictures. It will reprint by permission a column written by Walter Lippman, famed column-writer, and also carry a story by the Newton Community Chest roving reporter. It is planned to carry all the news of the members of the Newton Community Chest, but three were added to the list too late for the paper. Their stories will appear in the issue for November 19.

Newton Voters Show Interest In Coming Election

Republicans Confident of Their Usual Large Majority

The fact that 5800 persons registered as voters in this city between July 1st and the closing of registration on October 19th proves that interest in the coming election is as keen in Newton as in the country at large. The crucial conditions which have existed during the past three years have made, of necessity, the great majority of people serious minded and greater interest is being manifested in public affairs. Both major political parties have displayed considerable activity during the past few weeks. The attendance at both Republican and Democratic rallies has suffered because of the opportunities which are presented to listen to the leaders of both parties by means of radio broadcasts.

Newton, always one of the Republican strongholds of Massachusetts will, undoubtedly give a substantial majority to President Hoover, and in all probability to most, if not all, of the Republican candidates, if the expressions of opinion heard throughout the city are any criterion. Four years ago Hoover received 18,074 votes in Newton and Smith 10,438. Allen received 17,831 votes for Governor, and Cole 10,050. It is doubtful if Governor Ely can cut materially into a similar majority for Youngman in view of the energetic campaign which the latter has waged. In 1928 State Senator Arthur W. Hollis of Newton received 17,923 votes in this city, and his opponent, Mr. Carey 8301 votes. Mr. Hollis should receive a comparable majority this year.

In the Representative contests the election of all four Republican candidates in both districts seems assured. In 1928 in the 4th Middlesex District, comprising Wards 1, 2, 3, and 7 of Newton, William B. Baker received 7608 votes and Rupert C. Thompson 7405 votes. The Democratic candidate, James P. Gallagher, with a wide acquaintanceship among Republicans of the city, received 5994 votes. This year Mr. Baker and Warren K. Brimblecom, the Republican candidates should at least obtain equal majorities over their Democratic opponents, James T. Flynn and Daniel J. O'Connell. In the 5th Middlesex District Leverett Saltonstall, Speaker of the House of Representatives will receive his usual large vote. The other Republican candidate, Clarence S. Luitweller is the target of a vigorous campaign which is being conducted by Edward O. Proctor of Newton Centre, the Democratic candidate. Mr. Proctor expects to obtain many Republican votes. He has mailed to the voters in the 5th District a circular in which he attacks Mr. Luitweller's stand on the prohibition issue and his opposition to a sales tax on cigarettes and beverages, as well as

CHRISTIAN SCIENCE

"Adam and Fallen Man" is the sub-
ject of the Lesson-Sermon which will
be read in all Churches of Christ,
Scientist, on Sunday, November 6.

The Golden Text is: "That which
is born of the flesh is flesh; and that
which is born of the Spirit is spirit"
(John 3:6).

Among the citations which comprise
the Lesson-Sermon is the following
from the Bible: "But there went up a
mist from the earth, and watered the
whole face of the ground. And the
Lord God formed man of the dust of
the ground, and breathed into his
nostrils the breath of life; and man
became a living soul" (Genesis 2:6-7).

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "Jehovah de-
clared the ground was accursed; and
from this ground, or matter, sprang
Adam, notwithstanding God had
blessed the earth 'for man's sake'.
From this it follows that Adam was
not the ideal man for whom the earth
was blessed. The ideal man was re-
vealed in due time, and was known as
Christ Jesus" (p. 338).

—Mrs. Harold Wead of Hull Street,
has just returned from a four months'
visit in California.

—Prof. B. R. Buckingham and fam-
ily of Harvard street, have moved to
Belmont.

—Richard A. Spencer of Walker
street, came up from Yale for the
week-end.

—Mr. and Mrs. Jacob N. Goldberg
moved this week from 72 Austin st.,
to Woodrow avenue.

—Mr. and Mrs. C. E. Thying of 87
Austin street gave a dinner party on
Sunday to several Providence friends.

—Mr. Philip M. Address, a fresh-
man at the University of Vermont, has
been pledged to the Lambda Iota Frater-
nity.

—The Dramateurs are presenting
"Wappin' Wharf" Thursday and Fri-
day evenings of this week in the New
Church.

—Mr. and Mrs. Henry W. Webster
of 216 Lowell avenue have concluded
a visit with their parents in Balti-
more, Md.

—Mr. and Mrs. Boyd Hayden of 68
Brooks avenue entertained Mr. and
Mrs. Harold Cutter of Springfield over
the week-end.

—Miss Louise Kimball of Brook-
side avenue, took part in the annual
junior play, "The Holy Crocodile",
at Mount Holyoke College recently.

—Mrs. Frank L. McCool of West
Barrington, R. I., formerly of Walker
street, is visiting in Santa Barbara,
San Diego, Los Angeles and other
places in California.

—The Woman's Association of the
Methodist Church will serve a dinner
on Thursday evening of next week.
The annual meeting of the church will
follow the dinner.

—Mr. R. E. McInnis of Newtonville
avenue who has undergone two opera-
tions in the Newton Hospital in the
past few weeks has returned home
and is making a satisfactory recovery.

—Mr. and Mrs. Walter H. Sears,
who have been living at 10 Proctor
street, will occupy the house at 27
Brooks avenue which is being vacated
by the Rev. John Spiers and fam-
ily.

—Mrs. Peppler and her daughter,
Miss Peppler, who have been the guests
of their daughter and sister, Mrs. M. S.
Porter of 426 Lowell avenue for two
months, have returned to their home
in Baltimore.

—Mr. Leonard R. Clinton of Lin-
wood avenue and Mr. Clinton W. Ty-
lee, of West Newton, both alumni of
Amherst College, will go down to the
inauguration of President Stanley
Davis, the new president, on Armis-
tice Day.

—Mr. and Mrs. Otto Albert Bach-
mann, of Atlanta, Ga., formerly of
Newtonville, have announced the mar-
riage of their daughter, Miss Elva
Gertrude Bachmann, to Mr. John M.
Steadman of Ocala, Fla., at Atlanta,
Monday, October 24.

—Miss Elizabeth A. Malm, adver-
tising manager of Microcosm, "the
little world" of the senior class at
Simmons, heads the committee in
charge of the annual Microcosm
dance to be held at Hotel Somerset
tomorrow evening. Miss Eleanor Bol-
ster of Lowell avenue is a member of
her committee.

—Mrs. William E. Leonard of 51
Brooks avenue has concluded a visit
with her daughter, Miss Veda Leonard,
who holds the responsible position of
house director in the Episcopal Eye,
Ear and Throat Hospital in Washing-
ton, D. C. Miss Leonard graduated from
the Newton High School in 1924 and
from the Framingham Normal in 1928.

AUBURNDALE HOUSE BURNED

The family of Peter Meredith, 7
Robin Hood road, Auburndale were
forced out of their home at 5:40 Tues-
day morning by a fire which caused
considerable damage to the house.
The fire department was notified by
a still alarm.

HE MADE GOOD ON HIS PROMISES

Four years ago Herbert Hoover promised to work for agricultural relief and provide a farm cooperative marketing organization that would enable the farmers to market their own production.

That promise was kept and today there are thousands of farm cooperatives functioning successfully, and from which the farmer is profiting and will continue to profit much more in the future.

He promised tariff protection for farm products and kept that promise and the farmer is receiving from eight to eighteen cents a bushel more for wheat of the same grade than are the neighboring farmers across the Canadian border. That applies also to corn, to live stock and other farm products. While American prices are too low they are higher than the prices on the same products in any other exporting country.

He promised protection for American industry and American wage-earners, and he kept that promise when he secured the passage of reasonable tariff schedules that are not exorbitant but prevent the dumping of merchandise made by cheap labor in impoverished Europe.

He promised reduction in the general operating costs of government. While extraordinary conditions have called for extraordinary expenditures to meet them, the regular operating costs have been reduced by half a billion dollars a year. He did that despite the continued opposition of a Democratic House of Representatives led by Democratic Vice-Presidential Candidate Garner.

He has continuously requested the Congress for authority to work out a reorganization of governmental departments, the elimination of those not essential to the welfare of the people, or that duplicate the work of other departments. A Democratic House of Representatives, led by Democratic Vice-Presidential Candidate Garner, has persistently refused such authority.

President Hoover has kept every promise he made the American people when he received their votes four years ago, and—

In addition to keeping his promises he has supplied a superb leadership for the nation during the most serious financial and industrial depression since the close of the Civil war; has met the situation squarely; has planned boldly but wisely for national recovery, and has set us again on a safe road to better conditions.

Knowing the re-election of Herbert Hoover means better prices for farm products, more jobs for the unemployed, less cost of government, quicker financial and industrial recovery, we urge the people of this community to cast their votes for a proven leader—

Hartford, Conn.

—Mr. Arthur Lowe and family have
moved from Allerton road, to Hal-
cyon road, Newton Centre.

—Lydia Partridge Whiting Chap-
ter D. A. R. held its annual bridge
party at the Workshop on Columbus
street, Wednesday afternoon.

—At the Congregational Church
next Sunday the sacrament of the
Lord's Supper will be celebrated at
the morning service of worship.

—Norman H. Jack, son of Mr. and
Mrs. George Jack of Terrace avenue,
has been announced as an honor stu-
dent for his sophomore year at Wesle-
yan University.

—Joan Drew and Lester Davis were
the leaders of the discussion held by
the Young Peoples' League last Sun-
day evening. The topic was, "What
makes for a Thrill?"

—Many attended the meeting of the
Women's Christian Temperance Union
held in the Newton Highlands Congre-
gational Church Thursday afternoon.
Mrs. Ina J. Knowles spoke on "High
Lights" of the National Convention at
Seattle. Mrs. Oscar Martin was host-
ess.

—The Parish Players of Newton
Highlands will present J. K. Jerome's
four act play, "Fanny and the Servant
Problem" or "The New Lady Bantock"
on Tuesday and Wednesday evenings
November 15 and 16 in St. Paul's Par-
ish House. The feature parts will be
played by Miss Louise Hawks, Edgar
S. Swall and Wm. Newby. Arthur R.
Logan is directing the play.

W. Newton Hero Gets Award of Carnegie Medal

Donald H. Pallett of Southgate Park,
West Newton was awarded a Carnegie
medal last week for the bravery he
displayed on September 10, 1931 in
attempting to rescue a young woman
at the West Newton railroad station.
Miss Marie Riley of Putnam street
was waiting to board a train for Bos-
ton. As the train approached she
fainted and fell in front of the loco-
motive. Pallett jumped, onto the
track and attempted to drag the
woman to safety. Miss Riley re-
ceived fatal injuries and Pallett was
severely injured.

VAUDEVILLE AT THE PARAMOUNT

On next Tuesday evening, Election
Night, Manager J. N. Snider has ar-
ranged a big program which will run
from 7:45 until after midnight, at
which time high class vaudeville will
be seen on the stage in addition to
the regular double feature picture pro-
gram. Private wire service will bring
features from all over the United
States on the national election and
the state will also be covered for the
governorship election. The features
to be seen on the evening will be Mar-
lene Dietrich in "Blonde Venus" also
"White Zombie" with Bela Lugosi.
For the last half of the week, Laurel
and Hardy will be seen in "Pack Up
Your Troubles," and Joel McCrea in
"Most Dangerous Game."

ond Church at their meeting in the
Parish House of the Church on Wed-
nesday November 7. Sewing at the
Lunch at one.

—On Monday evening, November 7,
Dr. Edwin P. Booth will deliver his
lecture, "Moses—The Majesty Of The
Moral Law", in the Parish House of
the Second Church, at which those
interested in Religious Education are
cordially invited.

—Mr. Carl Forbes, Vice-President
of the Co-Op Club of the Second
Church, conducted the service on last
Sunday evening. The discussion was
selected from Dr. Sidney A. Weston's
new book "The Prophets and Prob-
lems of Life." The subject of the meet-
ing being, "Danger Spots in American
Life—Liquor and Narcotics."

West Newton

—Mr. and Mrs. Francis J. Burrage of
12 Fairfax street have returned to
their West Newton residence after
spending the Summer at Duxbury.

—Miss Kathelene Andrews, daugh-
ter of Mr. and Mrs. Herbert M. An-
drews of 103 Prince street, is attend-
ing Mt. Holyoke College in South
Hadley.

—The Lincoln Park Baptist Church
is launching a Loyalty to campaign
which is working for the attendance
of the entire membership at church
this month.

—Mr. and Mrs. Carl E. Pickhardt of
302 Highland avenue, gave a "Tea"
during the past week in honor of
their son Mr. Fowler Pickhardt whose
recent engagement to Miss Elizabeth
Marshall was announced.

—Reverend Hilda L. Ives, Secre-
tary of the Town and Country Depart-
ment of the Massachusetts Federation
of Churches, will speak before the
Women's guild of the Second Church
at their next meeting on November 9.

—Mr. and Mrs. Frederick E. War-
ing of 29 Davis avenue celebrated
their forty-sixth wedding anniversary
on Oct. 21. Owing to Mr. Waring's
illness the celebration was a quiet
one but they were well remembered
by their many friends.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

COMING EVENTS

Newton Community Club

Three most interesting events are in store for members and friends of the Newton Community Club during the coming week. First is the delightful Bridge Party on Monday afternoon, the 7th, from 2 to 5 o'clock, for which Mrs. Henry I. Harriman is opening her home, 825 Centre street. This social event is arranged to augment the philanthropic and scholarship funds of the Club, and is under the able management of Mrs. Emmart Lucrose, a director, from whom tickets at 75 cents may be obtained, telephone Cen. New. 4054. Prizes and refreshments will be additional features of the party.

An Open Meeting that gives opportunity for business men and women, and for students to become informed on matters regarding situations and conditions in the Far East is offered by the progress committee of the Club under the chairmanship of Mrs. Wallace Wales, for Wednesday, the 9th, at 8 o'clock, at the Underwood school hall, when Dr. Lothrop Stoddard will speak on this topic. Dr. Stoddard has not only attained international prominence because of his knowledge of world events and conditions, but he presents this knowledge with such power and personality that he holds an audience in keenest interest and attention. His lecture before the regular meeting of the Club on Thursday afternoon, October 27th, and his first open lecture on the evening of November 2nd were eagerly attended, and proved that this coming event has in store of value.

The next regular Club meeting to be held on Thursday afternoon, November 10th, at 2:30 o'clock, offers entertainment in a play, "Will-O'-The-Wisp," with members of the Club taking the parts. Amateur performances always have interest, and dramatic entertainment at this time serves excellently as a foil to the weightier topics that have been claiming attention in the lectures of the past week. Mrs. George Pratt Maxim is the Dramatic chairman presenting and coaching the play.

Shakespeare Club

The Shakespeare Club will meet on Saturday, November 5th, at 2:30 p. m., at the home of Miss Ethel Hall, 139 Winchester street.

The work for the afternoon will be Acts III and IV of "Winter's Tale," in charge of Mrs. Donald McLean.

Waban Woman's Club

The first regular meeting of the Waban Woman's Club, which will be held on Monday afternoon, November 7th, will be in charge of Mrs. Robert T. Bushnell, chairman of the Drama committee. She will present Mrs. Susan Bartlett, who will read the play, "The Twilight Hour of Yang Knei Fel." Mrs. Bartlett will wear Chinese costumes brought from Peking, where she was formerly instructor in English and Public Speaking at the University of China.

Louise MacLennan, Soprano, will entertain with a group of songs. Following the program there will be a social hour and reception to new members, who are all cordially invited to attend. Tea will be served by the Social committee, of which Mrs. Rudolph Burroughs and Mrs. Walter E. Newbert are the hostesses for the afternoon.

Newton Centre Woman's Club

The Dramatic Committee of the Newton Centre Woman's Club, of which Mrs. James Mitchell is chairman, will hold the first of a series of seven Play Readings on Monday afternoon, November 7th, at 2 p. m. A most entertaining afternoon will be spent with Winifred M. Douglas, a well-known local professional, who recently played at the Plymouth Theatre. She has the past summer been one of the cast at the Cape Playhouse, Dennis, and is now broadcasting from WYAC on their Garnetville program. On Monday the program will be a resume of the new plays, followed by a one-act play entitled, "The White Silhouette."

The tea hostesses for the afternoon are Mrs. Montague P. Ford and Mrs. Thomas H. Peterson. These meetings are open to the community, except that a silver offering will be taken as one enters.

On Wednesday afternoon, November 9th at 2:30 o'clock the Art committee will open an exhibition of Prints, of Exteriors and Interiors of old and historic houses, which exhibit will be continued to November 18th, daily from 2 to 5 o'clock. An early American setting of pewter and maple will give a delightful atmosphere. Tea will be served from 3:30 to 5 p. m. Mrs. Charles K. Badger is chairman of the Art committee and Mrs. William C. Noetzel is vice-chairman.

Auburndale Woman's Club

On Presidents' Day, Tuesday, November 8th, a rare treat is promised to members and guests of the Auburndale Woman's Club, to which seventy-five club presidents have been invited. A reception will be held at 2 o'clock. Club members will have the pleasure of hearing the following honored guests as speakers: Mrs. Frank H. Bennett, president of the State Federation; Mrs. Thomas J. Walker, first vice-president; Mrs. John H. Kimball, second vice-president; Mrs. Seldon E. James, director of the Twelfth District; and Mrs. Samuel N. Braman, president of the Newton Federation.

Mrs. Austin Fisher, chairman of the day, has planned the entertainment, a colorful pageant "So This is America," in which lovely costumes representative of the different nations which have contributed to the American Melting Pot will be worn by

those taking the parts, and music representative of those nations will be rendered. Tea will be served by the Hospitality committee.

Newtonville Woman's Club

An open meeting at the Club House has been arranged for Tuesday, the 8th, at 2:30 o'clock, by the American House committee, of which Mrs. Edward O. Woodward is chairman. Club members and guests are invited to attend a demonstration in sandwich-making, given through the courtesy of the Continental Baking Company. Sandwiches suitable for bridge parties and teas will be made and served.

The Hospitality committee, continuing the splendid work of last year, the sewing of garments for the Newton Hospital, will meet at the Hospital on Thursday, at 11 a. m., and sew until 4 p. m., stopping at noon for a lunch which each member furnishes. The afternoon sewing will be supervised by Mrs. Ernest J. Gibson, Mrs. Henry J. Baringer, chairman, urges anyone interested in this philanthropic work to join with the committee at the Hospital.

The Education committee, in addition to the French and German Classes which are now in process of organization, is offering a Course in Spanish. Mr. Ernest J. Gibson, who the telephone is N. N. 2277-J, will be glad to enroll anyone for any of the courses.

Club members who are unable to attend meetings may arrange for transportation to and from the Club, through the courtesy of the Volunteer committee. Mrs. George M. Harlow, chairman, will be pleased to communicate with any such members.

Social Science Club

The Annual Tea of the Social Science Club will be held at the home of Mrs. Frank A. Day, Jr., of 170 Sargent street, on November 9th, from 3:30 to 5:30 o'clock.

Newton Centre Junior Woman's Club

The Newton Centre Junior Woman's Club has started the year's work with unusual enthusiasm and interest. The officers are: President, Martha P. Wight; vice-president, Carolyn C. Raye; recording secretary, Marjorie D. Gould; corresponding secretary, Dorothy D. Perrin; and treasurer, Katherine Swenarton. The president and her board are presenting an excellent and varied program. Each month money for some worthy charity is raised by a dessert bridge, held at the home of a member. The November bridge will be given by Miss Carolyn Raye, at her home on Lake avenue.

At the next meeting, November 9th, Mrs. John F. Capron, the president of the Newton Centre Woman's Club, will speak to the girls of her Seattle trip. Members of the Senior Club are invited and urged to come to this meeting.

West Newton Women's Educational Club

The Mothercraft and Child Welfare division of the Club will hold its next meeting on Thursday, November 10th, at 2:30 p. m., in the Levi F. Warren Junior High School. Mrs. May Dickenson Kimball, who is the founder of Mothercraft, will be the speaker, and a moving picture which was made under her personal supervision will be shown.

The chairman of the division, Mrs. Roy A. Stinson, cordially invites any who may be interested, whether members of the Club or not, to this meeting. A small admission charge of ten cents will be made to non-members. Students, however, will be admitted free.

State Federation

RADIO. "What Is Good in Pictures" is to be the worthwhile discussion for the broadcast on Saturday morning, the 12th, by Mrs. Oscar A. Belskell, State Federation of Motion Pictures, over WBZ, during the half hour from 11:30 to 12 o'clock. Mrs. Carl L. Schrader, director for Massachusetts in the General Federation, will speak on "The Value of Organization." Music will be furnished by Adell Phillips Holden, Lyric Soprano, of Ashland, and G. Townsend Coward, Tenor of the Shubert Quartet.

The program for Saturday, the 5th, has already been announced.

PRESS CONFERENCE. Mrs. Reuben Gleason, Jr., State chairman of Press and Publicity, has arranged a meeting to be held at State Federation Headquarters, 687 Boylston street, Boston, on Monday afternoon, the 7th, beginning at 1:30 o'clock which should be of great value to club press chairmen and to all interested in publicity of club activities. It is announced that well-known newspaper women will speak.

RECENT EVENTS

Newtonville Woman's Club

The Club House on Washington park was the scene of a very social and friendly Bridge Party, given under the direction of the Educational committee of the Newtonville Woman's Club, on Friday afternoon, October 21st.

This Bridge, an annual event, is always looked forward to by members of the Club and their friends, for it is through this medium that the Educational committee is enabled to carry on its philanthropic work of donating a Scholarship, each year, to a deserving Newtonville girl.

Preceding the Bridge, a Food Sale was held, and the members in charge were gratified with the results of the sale, since this feature was a new departure, and added greatly to the general fund.

About thirty-five tables were in play, and an added attraction to those playing Contract was the assistance so

graciously given by Mrs. F. Spencer Arend, an authority on Bridge. This being a dessert bridge, refreshments were served to the guests early in the afternoon, before the playing commenced. The committee gratefully acknowledges the courtesy extended to the Club by the Maxwell House Coffee Company and by H. P. Hood Sons for their generous donations of coffee and cream; and also to Mr. Ruane for the beautiful bouquets presented by him.

Under the direction of Mrs. Frederick L. Edmonds and the members of the Educational committee, this party was one of the outstanding events of the early Club Year.

Inclement weather failed to prevent a large audience from assembling at the Newtonville Woman's Club House, on Tuesday afternoon, November 1st. Mrs. Herbert F. Blair, president, in greeting and welcoming the members to their first regular meeting in the new Club House, pointed out that because of this new Club home, there will be many activities, in which Club members will be asked to share, and urged everyone, so far as possible, to support the projects of the committees responsible for its maintenance.

The afternoon's entertainment was arranged jointly by Mrs. William H. Fish, chairman of the Music committee, and Mrs. R. Charles Thompson, chairman of the Program committee. A group of three delightful and extremely well-rendered duets by Bernice Keach Ripley, Soprano, and Ethel Keach Ferrin, Contralto, accompanied by Mrs. Isabelle Scribner, opened the program, these selections being "My True Love Hath My Heart," by Marziales; "The Prayer," from Hansel and Gretel, by Humperdink; and "To the Dance," by Denza.

With these lovely songs as a background, Dr. Earl B. Marlatt carried the audience, in fancy, away from these days of prosaic realism and hard facts to the realm of romance and mysticism, when he spoke on "New England Troubadours." Himself a winner of the Golden Rose, the highest award bestowed by the Society of Poets, he gave brief sketches of his fellow-troubadours, reading typical poems; speaking with deep affection of Katherine Lee Bates, Joseph Auslander, Nancy Byrd Turner, referring to the spirit of chivalry and romance which poets keep alive in this modern world—and Robert Frost, present holder of the Golden Flower.

In conclusion he gave an interesting description of the details concerning the writing of his own prize poem "May Morning," which he read.

The program was concluded with the reading of the Constitution and By-laws which have undergone a slight change, since the Club is now recognized as an incorporated body.

The Club House on Washington park was recently the scene of a very social and friendly Bridge Party, given under the direction of the Educational committee of the Newtonville Woman's Club.

This Bridge, an annual event, is always looked forward to by members of the Club and their friends, for it is through this medium that the Educational committee is enabled to carry on its philanthropic work of donating a Scholarship, each year, to a deserving Newtonville girl.

Preceding the Bridge, a Food Sale was held, and the members in charge were gratified with the results, since this feature was a new departure. About thirty-five tables were in play, and an added attraction to those playing Contract was the assistance so graciously given by Mrs. F. Spencer Arend, an authority on Bridge. This being a dessert bridge, refreshments were served to the guests early in the afternoon, before the playing commenced. The committee gratefully acknowledged the courtesy extended to the Club by the Maxwell House Coffee Company and by H. P. Hood Sons for their generous donations of coffee and cream; and also to Mr. Ruane for the beautiful bouquets presented by him.

Newton Centre Woman's Club

The Newton Centre Woman's Club held its opening meeting on Friday, October 23rd, the stage of the auditorium being attractively decorated with sprays of colorful autumn foliage. The event of the afternoon was a most interesting report of the 21st General Federation Biennial held in Seattle last June, given by the president, Mrs. John F. Capron. She spoke of the realization of the meaning of the Federation, and of the fact that the sun never sets on the splendid work done by the 74 Federated Clubs. Among other things, Mrs. Capron told of the honors accorded Massachusetts at the Convention of the election of Grace Morrison Poole as president of the General Federation; of the award of the first art prize; our State; of Massachusetts having first place in gifts to the Foundation; of sending the second largest number of delegates, and of the splendid singing delegation from the Bay State; and, finally, of our own Mrs. Gulesian's song, "The Victory March," which was conceded to be the most popular of all the songs heard at the Convention. Mrs. Capron also gave a vivid and delightful picture of the many activities which took place. Those present had a rare treat, as well, in the musical program which followed. Countess Electra Rosanka, of operatic fame, sang a number of beautiful arias and songs, including some recent compositions by Mrs. Gulesian.

Mr. John Metz, Violinist, of Newton Centre, accompanied by Miss Stern, played with great artistry three numbers, including an exquisite Concerto by Mendelssohn. Another enjoyable part of the program was Mrs. Gulesian's playing of two piano numbers.

Tea was served following the program.

Chamber Commerce Discusses Carrying Credit Service

Would Be Done In Connection With Merchants' Credit Bureau

A meeting of the Mercantile Group of the Newton Chamber of Commerce, was held at the Unitarian Parish House, Newton Centre, October 27 under the direction of Mr. Fred D. Bond, Chairman of the Mercantile Division of the Chamber.

The object of the meeting was to determine the advisability of the Chamber carrying a membership in the Merchants' Credit Bureau of Boston which is a non-profit organization owned and operated by a group of the larger stores of Boston. An affiliation of this nature would mean that the merchants of Newton who are members of the Chamber could enjoy the same advantages as the Boston merchants as regards credit reports, without the necessity of paying the initial membership fee.

Among those present at this meeting was Mr. Charles F. Sheldon, Manager of the Merchants' Credit Bureau who gave a complete outline of the function of the bureau, also Mr. Louis T. McMahon, Credit Manager of William Filene's Sons Company, who gave a comprehensive picture of the service rendered by the Bureau.

Colonial Concert Received With Enthusiasm

A Colonial Concert, sponsored by the Senior Choir of St. Paul's Church, was given in the Parish House Friday evening, October 28, with every seat taken. The stage was furnished as a lovely old fashioned drawing room and the Parish House was beautifully decorated with autumn leaves and chrysanthemums.

The program was opened by a string quartet consisting of Emory Leonard, 1st violin; Ruth Wenning, 2nd violin; Sigmund Romaskiewicz, viola and Dorothy Doe, cello, and a trumpet solo by Mary Patten.

Other soloists were Mrs. John Worcester, Omar Campbell, and Mrs. Carlton Blanchard. Readings were given by Eleanor McMillen. The Colonial Ensemble represented eighteen voices. The entire cast were in beautiful Colonial costumes and their artistic work was appreciated by an enthusiastic audience.

NEWTON WOMEN INTERESTED IN CHILDREN'S PLAYS

Mrs. S. Hardy Mitchell of Newton Centre is Chairman of the Executive Committee of Boston University Women's Council which will produce six plays for children at Jordan Hall, Boston, this season. Other Newton women on the committee are Mrs. John Brown of Auburndale, Mrs. Albert E. Evans of Newton, Mrs. Ernest Cobb of Upper Falls, Mrs. Russell Burnett of Waban, and Mrs. Wilton E. Harding of West Newton. Mr. and Mrs. Henry I. Harriman are among the sponsors.

The plays which will be given on Saturdays at 10:15 a. m., and 2:15 p. m., are as follows: Nov. 5, "Snow White"; Dec. 10, "Sara Crew"; Jan. 7, "Huckleberry Finn"; Feb. 4, "Sleeping Beauty"; March 11, "Rebecca of Sunnybrook Farm"; and April 8, "Pinocchio." The plays will be produced under the direction of Clara Tree, Mayor of the Children's Theatre in New York, whose work in producing a similar series of plays in Boston last year was enthusiastically received.

FOURTEEN NEWTON BOYS AT WESLEYAN

Fourteen boys from the Newtons contribute this year to the largest registration in the history of Wesleyan University at Middletown. The names of the students follow:

Newton: Donald B. Bischoff, '34; William A. Swett, '34; Fred A. Wing, '34; Robert L. Hall, '36.

Newton Centre: Galen A. Bloom, '34; Raymond F. Brooks, '34; Richard L. Dannel, '36; George S. Warren, '36.

Newtonville: Harry T. Lodge, '33; James A. Jones, Jr., '36; William R. Jones, '36.

Newton Highlands: Donald H. Briggs, '34; Winthrop T. Lewis, '34; Harold C. Banks, '36.

MAKING SENTIMENT PAY

In these days of doubt and fear, it is gratifying to find someone who has sufficient faith in the future in general and human sentiment in particular.

Rosen Brothers Inc., who have just opened three new greeting card shops in Boston, in addition to their old established store at 9 Bromfield street, feel that sentiment is still the ruling force in our lives, transcending depressions and presidential elections.

Mr. D. Rosen, president of Rosen Brothers Inc., says, "Our business is unlike any other. The commodities we sell are good cheer, friendship, and sympathetic thoughts. You can talk all you want about the hardness of the new generation—at heart they are all as sentimental as the mid-Victorians."

Rosen Brothers Inc. is also operating a large greeting card establishment at 86 Nassau street, New York City, within a stone's throw from Wall street.

Belief in the Stars

"Siderism" is the theory that the fate of mortals and worldly events is influenced by the stars. The word is taken from the Latin "sidus," meaning star.

"Dry" States

Eastern California, southern Nevada, and western Arizona receive less rainfall than any other section in the United States.

Village Players To Present "As Husbands Go"

Will Present Well Studied Performance Nov. 8, 9, and 10

The Village Players production of "As Husbands Go" will be open on Election Night at the Unitarian Parish Playhouse and the election returns will be announced by Mrs. Ellis Spear, Jr. There will be three performances, Nov. 8, 9, and 10.

Mrs. Sydney L. Sholley

Attractive and colorful settings for this vivacious comedy have been designed by Mr. and Mrs. William C. Noetzel and are being executed in the workshop by a group of members working under them. The cast has been chosen from the experienced players of Newton and is being coached by H. M. Tomlinson. One interesting feature of the program will be the announcement of the prize-winning play.

The Executive Board of this organization is as follows: Mrs. Frank A. Mason, President; Mrs. Hope Thaxter Spencer, Vice-President; Mrs. James Hunter Orr, Secretary; Mrs. Frank L. Richardson, Treasurer; Mrs. Charles P. Powers, Mrs. Edward A. Andrews, Mrs. Wesley Dyne, and Miss Estelle G. Marsh. The Board of Advisors includes: Prof. Robert E. Rogers, Prof. Henry G. Pearson, Edward F. Frost, Frank L. Richardson, Edward E. Whiting, E. Irving Locke, Ernest Herman, Ernest Cobb, Samuel Thurber, and Roger Wheeler.

LYDIA PARTRIDGE WHITING CHAPTER, D. A. R.

The first meeting of the season of the Lydia Partridge Whiting Chapter, D. A. R., was at the home of Mrs. Charles Everett Beam, Pine Crest road, Newton Centre, and was largely attended.

After the business hour the meeting was in the hands of the Americanism and Approved Schools Committee, Mrs. Edmond S. Rice, Chairman.

The speaker of the afternoon was Mr. Arthur Grigorian of Persia and he had the closest attention of his audience as he told of his own life while an American refugee for two and one-half years, in the valley of the Euphrates River. His impressions of America before and after coming here were told in the most entertaining and charming manner.

Mr. Elmer E. Ellsworth, principal of the Franklin School, West Newton, spoke briefly on the splendid work being done in Newton schools along Americanization lines, particularly for the foreign born mothers' classes, conducted by Mr. Seaver.

Mrs. Florence Roberts Ringer of West Newton entertained most delightfully by giving dramatic and character sketches written by her in collaboration with Mrs. Esmond S. Rice, the chairman. Her numbers, given in costume, were perfect pictures of the Irish, Italian and German emigrant women, thus fitting into the spirit of the afternoon.

CLAFLIN GUARD VETERANS

The annual meeting of the Claflin Guard Veterans Association was held at the Brae Burn Country Club on Wednesday evening, October 19th. Twenty-two attended the banquet which was presided over by J. Weston Allen. The following were guest speakers: Commander H. G. Patrick of the Boston Navy Yard; Col. William S. Bowen, Rear Admiral Louis M. Nulton, and Col. Walter S. Grant. Mayor Weeks also spoke, making a plea for prudence in the expenditure of public funds.

At the business meeting the following officers were re-elected for the coming year: J. Weston Allen, president; Richard Cunningham, secretary; and Edwin O. Childs, treasurer.

NEWTON WOMEN INTERESTED IN SMITH CLUB

Mrs. Quincy W. Wales of Sylvan avenue, West Newton, heads the list of officers of the Boston Association of Smith College Alumnae, as president. Mrs. Roy R. Merchant of Sewall avenue, West Newton, is corresponding secretary. Mrs. William B. Marquis, Ridge road, Waban, treasurer, and Mrs. C. Clark Macomber, Magnolia avenue, Newton, director for Newton. The first meeting of the club was held this afternoon at the College Club, Boston. S. Ralph Harlow, Professor of Religion and Biblical Literature at Smith College spoke on "Experiments in Thinking."

SPANISH WAR VETERANS

All veterans of the Spanish War, whether members of Camp No. 10, or not, are cordially invited to parade Armistice Day, November 11th, in connection with the dedication exercises of the War Memorial at Commonwealth avenue and Homer street, Newton Centre. The parade forms at 9:30 a. m. on Washington street, Newton Corner, near Engine 1 house.

Aldermen Meet

The last regular meeting of the Board of Aldermen held in the old City hall took place on Monday night. The absentees were Aldermen Farrell and Harter. Several matters of import came before the meeting, including motions to appropriate \$10,200 for work at the water reservation in Needham and equipment in connection therewith; \$12,000 for office equipment for the new typing and billing department at City Hall.

Alderman Ball, chairman of the Finance Committee, explained that the appropriation of \$10,200 is to carry on work at the water reservation on the Needham side of the Charles River. It is proposed to excavate two infiltration bowls in the land recently acquired in this area, purchase pumps and other equipment for pumping the water from the river into the bowls, and lay pipelines to carry the additional supply to the pumping station supply line. Ball stated that it is expected the new bowls will add between 2,000,000 and 3,000,000 gallons of water daily to the supply and that the amount of \$10,200 is based on the supposition that the excavating of the two bowls will be done by a contractor using a large steam shovel. This part of the job is estimated to cost about \$2200. Of the remaining \$8000, Ball said about \$1000 will be required for labor in laying the pipes, this work to be done by city employees, and the other \$7000 for equipment and pipes. He said that if the city uses its own steam shovel and does the excavating, the cost would be about \$800 more. He informed his colleagues that it had been considered doing the work of excavating by hand labor, but this method is impractical, because it would cost double, and hand shovels would have to be purchased.

Alderman Sproat asked for a detailed list of the expenditures in the estimate of \$8000 for the equipment and labor and was furnished it after Ball had conferred with Water Commissioner Ellis. Sproat referred to the fact that 150 men had recently been laid off by the city and that with the equipment and supervision available all digging and other work should be done, as far as possible by city employees, even if it costs 50% more. He said that many of the city laborers recently discharged from work are about to apply to the city for aid.

Alderman Ball replied that it would not be much good to appropriate the \$10,200 if the work will be done by hand labor. Alderman Sproat stated that this is not an emergency matter, the city has now an ample water supply, and he suggested that the matter be held over until the next meeting, so that the Aldermen can confer with Mayor Weeks on the matter. Ball answered this suggestion by stating that a steam shovel will do the work of 100 laborers working by hand. He said Mayor Weeks has studied this problem thoroughly and because of the tremendous difference in cost, recommends that the excavating be done by steam shovel. He also said that Water Commissioner Ellis desired the work to start at once so that the bowls will be excavated and the pipes laid before the frost gets into the ground.

President Collins commented that Aldermen Ball and Sproat were not far apart in their views in the matter, except that Sproat wants the city shovel used. He said the Mayor, the special committee on Water Supply, and the Finance Committee of the Aldermen had carefully considered the points raised by Alderman Sproat, and that the city may do the excavating with its own shovel. He stated that Mayor Weeks knows the unemployment problem and the demands faced by the Welfare Department of the city. Alderman Grebenstein asked for the cost of the work if the excavating is done by hand labor. Alderman Murray answered that Commissioner Ellis said the cost will be about \$22,000 for the whole project (about \$12,000 more than if the digging is done by steam shovel). Alderman Ball said that Water Commissioner Ellis felt put out because the Aldermen did not make the appropriation at the previous meeting of the board.

Alderman Temperley asked for information regarding the erection of a pump house; one of the items included in the project at the water reservation. Temperley stated that he is a member of the committee on Public Buildings and did not know of the details of this proposed structure. Alderman Ball replied that this is not a building; just a small brick shed to house the pump which will force the water from the river into the bowl. Alderman Temperley insisted on his prerogative as a member of the Public Buildings committee to receive more information on this matter. So, a recess was declared at 8:55 to allow the committee to hold a meeting. Asked by President Collins how long the committee would require, Alderman Gallagher, its chairman, answered "just a minute." The committee conferred for 40 minutes and then returned with the decision that the matter should be held over until the next meeting of the Board. In the meantime it will probably be also decided whether, or not, a contractor shall excavate the bowls, or the city will do this work with its own shovel. It is more than probable that the excavating will not be done by hand labor.

The Aldermen amended the traffic ordinances so that parking of automobiles is now prohibited on Kimball terrace, Newtonville, between the hours of 8 a. m. and 3 p. m. on school days. This action was taken at the request of the School Committee. At the request of Alderman Temperley the City Clerk read a protest signed by hundreds of Newton Upper Falls and Newton Highlands residents. This protest states:

"We, the undersigned, as residents of Newton Upper Falls and Newton Highlands, do hereby respectfully petition His Honor the Mayor and the Board of Aldermen of the City of Newton, for the installation of temporary lighting on Boylston street.

Aldermen Vote \$12,000 To Buy Billing Machines

Expected to Save \$8,000 in Salaries

At the meeting of the Aldermen on Monday night the sum of \$12,000 was appropriated to purchase six new billing machines for the recently established billing department at City Hall; also to defray the cost of exchanging old typewriters and adding machines for new machines. Alderman Ball stated that this expenditure would not be so large if the city resorted to hiring a couple of complicated machines whenever the may be needed, but it is believed that this method would be less practical and possibly more expensive in the long run.

He said that accurate figures to show just how much the city will save by installing this new feature at City Hall, are not available, but it is expected that the establishment of the billing and stenographic department will eventually save the city money by eliminating temporary clerks. It is also expected to produce more efficiency and turn work out more rapidly.

The cost of this innovation at City Hall to date has been \$5500 for the fee of the expert installing the system, plus the \$12,000 appropriated on Monday. In addition it has necessitated the appointment of an assistant City Comptroller at a salary of \$2400 per annum. Assuming that the new system works out as expected, it has been estimated that it will save the city between \$8000 and \$10,000 yearly in salaries.

School Department Returns \$11,000 To City Treasury

Represents 10 Years' Profits From School Cafeterias

At the meeting of the Board of Aldermen on Monday night Alderman Ball, as chairman of the Finance Committee announced that \$11,000 had been turned over to the City Treasurer by the School Department. This sum represents the profits from the conduct of cafeterias at the High School and junior high schools during the past 10 years. It has not been the policy of the School Department to run the cafeterias at a profit; neither were they to be conducted at a loss which would have to be paid by the taxpayers. The amount turned over, nevertheless, accumulated, despite attempts to have the cafeterias break even. The School Department requested that half of this sum be expended for improvements at the cafeterias in the Day and Warren Schools. Among other improvements needed at these buildings is a bettering of acoustical conditions. When the children gather now in the cafeterias to eat the food is so noisy, wracking, and it is desired to take measures to lessen the din. The School Department also requested that the other half of the \$11,000 be used as a revolving fund for cafeteria expenses; the city to pay bills and receive the income from this branch of school activity.

Heretofore the cafeteria in each school has been managed by the staff of that school and financed independently. Under the new system all the cafeterias will be managed by the School Department, and instead of being conducted as individual units, will be under centralized control.

between Chestnut and Woodward streets. This section is so dark that it is even unsafe to travel with the aid of lanterns or flash-lights, and it is fine field for burglary and hold-up.

"Boulders, rocks, deep holes in the ground and unsafe entrances to the homes make the street dangerous to use even in daylight, and in the total darkness which we have at present, the residents are risking serious personal injury.

"For the past two months we have patiently groped our way about in the hope that we would soon have lights. With the approach of winter and its storms the residents are faced with even greater danger in the way of falls and broken bones.

"The undersigned, therefore, feel that the safety of themselves and their homes demands that steps be taken immediately toward adequate lighting of this street."

Mr. Temperley said the conditions stated in the protest are not exaggerated and he asked the Aldermen to visit the locality and see the situation for themselves. He commented that the contractor laying the water main for the city is not doing any more than he has to in providing for the convenience of residents along Boylston street.

Appropriations made by the Aldermen included: Street department, construction of Greenlaw avenue, \$3746; purchase of equipment for Billing and Typing Department at City Hall, \$12,000; drain in private land near Waltham street, \$833; private land near Winchester street, \$2938; drain in private land near Cherry street and Upham road, \$884; sewer in Manor house road, \$297; temporary clerk, Water Department, \$240.

The re-appointment of Charles A. Mahoney as a member of the Retirement Board for a 3 year term was confirmed. A common victualer license was granted to Bertha Lowell at 2330 Washington street, Lower Falls.

President Collins told the members of the Board that the next meeting will be on November 7th. This will be the final meeting at the old city hall and will take the form of a farewell and "old home" affair. The only routine business will be on the matter of appropriation of the \$10,200 for the work at the water reservation. The remainder of this meeting will be devoted to an address by Arthur W. Blakemore and reminiscences of other former Mayors and Aldermen.

Police News

Harold R. Smith of 60 Otis street, Newtonville was fined \$5 in the Newton court on Tuesday for not STOPPING his car before entering a through street.

In the Newton court last Friday Mrs. Hulda Foster of Needham was fined \$25 for driving a car so as to endanger the lives and safety of the public. Traffic Officer Clancy testified that on October 10th, while directing school pupils across Centre street at Beacon street, he signalled the Foster woman to stop her car, but she continued on and hit him in the back. He was off duty for sometime following.

Joseph Frankina of Waltham who was found guilty in the Newton court of operating a big still at Brookline street, Oak Hill some months ago, and who was sentenced to serve 6 months in prison and fined \$300, escaped the prison penalty when tried in the Middlesex Superior Court at Cambridge before Judge Butterworth last Friday. Frankina merely had to pay the fine.

John P. Ford of Blendford road, Brighton was given a suspended sentence of 6 months in prison by Judge Bacon in the Newton court on Monday. Nora O'Keefe of Moreland street, Newton Centre testified that Ford had forced his attentions on her and threatened to kill her unless she resumed her friendship with him. The girl had kept company with him for 2 years, but recently severed her friendship with him.

COMMUNITY CHEST TO RAISE \$375,000

(Continued from Page 1)

Tribute is paid in the paper to the generosity of Newton citizens in helping plan the first annual campaign, and a special paragraph is devoted to the newspapers for the way in which they have donated news-space to the plans for the Newton Community Chest.

More than a dozen speaking dates have been arranged for members of the Newton Community Chest Speakers Committee, most of them within the next seven days. Mrs. Virginia M. Hutchinson of Newton Highlands, chairman of the committee, announced this morning. The schedule follows:

Friday, Nov. 4, West Newton Women's Educational Club, 2:30. Mrs. Ellis Spear, Jr.; Sunday, Nov. 6, Newton M. E. Church, 7:30. Edwin O. Childs; Monday, Nov. 7, Waban Women's Club, 2:30. Edwin O. Childs; Mothers' Club of West Newton, at home of Mrs. William Lloyd Garrison, 3:00. Mrs. Ellis Spear, Jr.; same day, Dinner of Zwedenborgian Church, 2:30. Mrs. Edwin P. Gibbs; same day, Newtonville Baptist Church, 2:30. Mrs. Herbert F. Blair; and Thursday, Nov. 10, Newton Community Club, 2:30. Leon B. Rogers, President Newton Community Chest, Inc.

Also: Tuesday, Nov. 8, Group of the Women's Association of Lincoln Park Baptist Church, West Newton. Mrs. Edwin F. Gibbs; same day, Woman's Association of the Newton Congregational Church, Mrs. Grosvenor Calkins; Wednesday, Nov. 9, Woman's Guild of Second Church, West Newton, Mrs. Sidney E. Thomas; same day, Woman's Association of the Auburndale Congregational Church, Mrs. Grosvenor Calkins.

UPPER FALLS CHURCH OBSERVES ANNIVERSARY

(Continued from Page 1)

keil, Mrs. Walter Martin; Mrs. Howe, Mrs. C. A. Chadwick; Mrs. Longfellow, Mrs. Susan Newcomb; Mr. Conant, Mr. Frank Probert; Mr. Wilcox, Mr. Charles Batey; Mr. Thomas Rice, Mr. Frederick Newcomb; Joey, David Batey; First Knitting Woman, Mrs. Susan Scott; Second Knitting Woman, Mrs. G. V. Shedd; Young lady, Miss Lucy Batey; Soldier, Mr. Charles Kent.

Episode 5. The Women lay a Stone: Rev. Mr. Pomfret, Mrs. James Tully; Mrs. Pomfret, Mrs. James Tully; Pedlar, Mr. Everett Morse; Pamela, Mrs. Samuel Oldfield; Luella Wright, Mrs. Clarence Alden; C. Flagg, Mr. Gardiner Duvall; Julia Bailey, Mrs. Walter Martin; Sarah Grover, Miss Marcia Myers; Mr. Spaulding, Mr. Arthur Hartshorn; Three Boys, Calvin Shedd, Paul Newey, Frederick Batey.

Episode 6. A Capstone: Mr. Messenger, Mr. A. P. Hartshorn; Mrs. Messenger, Mrs. William Kestle; First Woman, Mrs. Susan Scott; Second Woman, Mrs. Noyes Meara; Mr. Booth; Mrs. Booth, Mrs. Coria Stata; Rev. Mr. Pomfret, Mrs. James Tully; Mrs. Pomfret, Mrs. James Tully; Solima Townsend, Miss Priscilla Allen.

The pageant has been written by Evelyn Grant Hornsey who is also the Director. Albert D. Frasier is the Musical Director and Frank D. Mordo is the Technical Director. Mrs. Thos. E. Lees, Samuel Oldfield and Mrs. James McNeally are the members of the Production Committee.

ELIGIBLE FOR PROMOTION

Major Bernard N. Gortinkle of Chestnut Hill, secretary of the Newton Civic Society and treasurer of the Chestnut Hill Improvement Society has been notified that he has been placed on the eligible list of the National Guard as Lieutenant Colonel in the Judge Advocate General's Department.

The Major received his certificate of captaincy for a similar rank from the United States Army War Department several years ago.

Noted Harpist at Newton Methodist Church Sun. Eve.

First of Series of Outstanding Musical Services

The Newton Methodist Episcopal Church, corner Centre and Wesley streets, Rev. Harry Belmont Hill, Pastor, will begin a series of outstanding musical services this coming Sunday evening at 7:30 o'clock. In this service a noted harpist, Miss Artiss de Volt, will play a group of numbers, including, "Legende" by Holy; "Kamennol Ostrowby" by Rubenstein; "Consolation" by Mendelssohn; "To a Wild Rose" by MacDowell, and "Larghetto" by Thomas. Miss de Volt has given recitals in America and Europe and has been acclaimed by the press of both countries. Only last week she gave a program at the Fine Arts Theatre of Boston and she was praised enthusiastically by the critics. Philip Hale, of Boston Herald, said, "The harpist last night plucked

Miss Artiss de Volt

from the strings pleasing and often brilliant sounds." Miss de Volt is a graduate of the New England Conservatory of Music, a pupil of the eminent composer, Alfred Hely. Last year she studied in Vienna, Austria. She is on the faculty of Boston University School of Music. Mr. Hill will preach a book sermon based upon Charles Dickens' masterpiece, "A Tale of Two Cities."

The program for the following Sunday evenings in November will be as follows: November 13, James R. Houghton: New England's leading Baritone. Book Sermon: "The Hound of Heaven" by Francis Thompson, November 20, Marjorie Posselt, gifted violinist. Known as "Marge" to radio fans, being with the Neapolitan Dutch Girls. Book Sermon: "Romola" by George Eliot. November 27, the Mansfield Singers, Boston's Best Negro Quartet. Book Sermon: "Dr. Jekyll and Mr. Hyde" by Robert Louis Stevenson.

SECOND CHURCH SCHOOL TEACHERS TO CALL ON PARENTS

Tuesday, November 15th has been set aside by the Committee of Religious Education of the Second Church in Newton, West Newton for the annual Teachers' Calling Night. Mr. Frank H. Grebe, the director of religious education of the Second Church, has begun plans for this annual event when the teachers of the church school will call in the homes of their respective pupils. In past years Teachers' Calling Night has been a very successful enterprise for the development of a greater degree of co-operation between the home and the church school. When the teacher calls in the home of his pupil, it is possible for the teacher and the parents of the pupil to discuss the educational standards, the methods of preparation, and the objectives of the church school as well as the mutual problems existing in the home or the church.

The director of religious education urges all parents of the church school pupils of the Second Church in Newton, West Newton, to reserve the evening of November 15th, and to remain at home in order to receive the church school teachers.

DR. BOOTH TO LECTURE ON "MOSES"

Dr. Edwin P. Booth of Boston University will lecture in the Parish House next Monday evening, November 7th, at 8:00 o'clock on "Moses—The Majesty of the Moral Law." This will be the third in the series on "Personalities of the Old Testament." Dr. Booth in his two previous lectures of this series spoke to approximately two hundred people on each Monday evening. In describing in advance the character of Moses, Dr. Booth has said, "Strong and sensitive, Moses brought the basic structure of our entire moral civilization. He welded slave-free, nomadic tribes into an enduring people."

This series of lectures is free to the public. It is an unusual opportunity to hear a gifted speaker lecture on the great actors who stride across the stage of our early times. Mr. Carl E. Pickhardt, chairman of the committee of religious education of the Second Church in Newton, West Newton, invites all persons who are interested in this subject to hear Dr. Booth next Monday evening.

REV. HITCHEN TO LECTURE ON MASEFIELD

On Sunday evening, November 6th at eight p. m., in the First Unitarian Church at West Newton, Rev. Herbert Hitchen will give a lecture on the works and philosophy of England's great dramatist and poet Laureate, John Masefield. An Englishman himself and a profound student of literature, Mr. Hitchen has an intimate knowledge and appreciation of the deep significance of Masefield's work and a rare ability to bring the poet's great human message to his hearers. The lecture will be preceded by an organ recital commencing at 7:30 p. m. by William Ellis Weston. The public is cordially invited.

Local Red Cross Chapter Holds Annual Meeting

Re-Elects Officers and Hears Interesting Reports

At the Annual Meeting of the Newton Chapter, American Red Cross, held Wednesday, October 26th at Chapter Headquarters the following officers were re-elected: Chairman, Mr. Donald Angier; vice-chairman, Mr. Thomas Gorham; treasurer, Mr. Joseph B. Jamieson, Jr.; secretary, Mrs. James Dunlop.

Committee Chairmen elected were: Emergency, Henry H. Kendall; Jr. Red Cross, Miss Calista Roy; Roll Call, Mrs. George M. Angier; Production, Mrs. George M. Angier; Life Saving, Charles R. Cabot; Home Service, William H. Rice; Braille, Mrs. George W. Rechel; Bedford Hospital and Gray Ladies, Mrs. Henry L. Johnson; For Filling Vacancies, Mrs. James Dunlop; Motor Corps, Mrs. Joel M. Barnes.

Branch Chairmen elected were: Newton, Miss Dorothy L. Simpson; Newtonville, Mrs. Wallace C. Boyden; West Newton, Mrs. Joseph N. Lovell; Auburndale, Mrs. John F. Brown; Waban, Mrs. George W. Southern; Newton Centre, Mrs. Henry T. Patch; Newton Highlands, Mrs. Louis H. Marshall; Upper Falls, Miss Ethel W. Sabin.

The death of Mr. Charles E. Kelsey, Chairman of the Emergency Committee, and many years connected closely with the Chapter, was noted with deep regret; also of Mrs. William H. Lucas, Director of the Newtonville Branch.

The Chairman reported that 5 carloads of flour had been obtained through the Red Cross and distributed to the needy in Newton through the Welfare Agencies and that 9800 yards of cotton cloth obtained in the same way, is being made into garments throughout the city, these garments to be distributed through the Welfare Agencies.

It was also reported that the Needham Branch of the Newton Red Cross applied last spring for release from Newton in order to form a separate Chapter; this was obtained from Newton and from Washington and Needham is no longer a Branch of Newton.

The Chairman of the Nominating Committee, Mr. William H. Rice, reported the nomination of the following Directors: Donald Angier, Mrs. George M. Angier, Mrs. Joel M. Barnes, Mrs. Wallace C. Boyden, Mrs. John F. Brown, Charles R. Cabot, Mrs. Morton E. Cobb, Mrs. James Dunlop, Mrs. Arthur C. Farley, Thomas Gorham, Frank B. Hopewell, Joseph B. Jamieson, Jr., Mrs. Henry L. Johnson, Dr. Egon E. Kattwinkel, Henry H. Kendall, Rose Loring, Mrs. Joseph N. Lovell, Mrs. Louis H. Marshall, Mrs. Marcus Morton, George Lincoln Parker, Mrs. Henry T. Patch, Mrs. George W. Rechel, William H. Rice, Charles E. Riley, Leon B. Rogers, Calista Roy, Ethel W. Sabin, Mrs. Fred S. Sawyer, Dorothy L. Simpson, Mrs. George W. Southern, Mrs. Vernon B. Swett, Sinclair Weeks, Mrs. C. J. A. Wilson.

This year is perhaps the most vital year for the Production Committee of the Newton Chapter of the Red Cross since the war.

This committee of 9 energetic and competent workers (representing each of the Newton villages) has called upon individuals, churches and organizations in Newton for assistance in sewing, sorting, packing, etc., and volunteers have responded with enthusiasm.

The committee is carrying through the following program:

For soldiers and sailors in active service (Canal Zone, etc.)—108 Christmas bags (sometimes these Christmas bags containing several small articles which are the only gifts that these men have on Christmas Day).

For Charlestown Navy Yard sailors—books, magazines, puzzles, and playing cards.

For Bedford Hospital, Bedford, Massachusetts, inmates (veterans who are mental cases)—knitted garments, woolen gloves, cigarettes, etc. The Newton Chapter maintains in good condition furnishings of one of the ward recreation rooms of this hospital.

For Newton needy—5 carloads of government flour which have been distributed through the Mayor's Relief Committee, Newton Welfare Bureau, etc. It has cost the National Red Cross one-half million dollars to handle this distribution throughout the country.

For Newton needy—9800 yards of government cotton cloth which are being converted into garments that will be distributed through the Newton Welfare Bureau and other Newton agencies. These garments should be sufficient to provide for 500 needy Newton families during the winter.

For Newton needy—ready-made garments sufficient for 500 families (hosiery, underwear, trousers, overalls, jumpers, etc.) have been requested from the National Headquarters of the Red Cross in Washington. These will be distributed through the Newton Welfare Bureau and other Newton agencies.

In addition to the above there is the usual amount of sock knitting, sweater-knitting, layette making, etc., which goes on as a background to the outstanding work.

The production work of the Newton Chapter this year is a conspicuous example of the peace-time significance of the Red Cross.

DOG BITES NEWTON CENTRE WOMAN

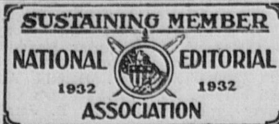

Mrs. Elizabeth Benton of 23 Stafford road, Newton Centre tried to separate two dogs which were fighting near her home on Saturday. One of the dogs, owned by Melville Shine of 22 Stafford road, bit Mrs. Benton on her right hand. The animal was examined by Dr. Boutelle.

THE CANDIDATES

Tuesday is election day. Newton is a Republican stronghold of the state and of the county. It is a practical certainty that the Republican ticket will carry the city by a considerable margin. We fail to see any reason why this margin should not be fully as large as that of four years ago, when President Hoover carried the city by a vote of over 18,000 to 10,000 odd for Smith. We appeal to the newly registered voters to re-elect President Hoover. The continuance of his program against the economic upheaval is the paramount issue. This program has begun to show results. An interruption in it or the uncertainty in many lines of business which must of necessity follow the changing of administration policies at such a time cannot help but retard this progress. A setback of business would affect many.

We would also point out to the voters of Newton that we have candidates on the State ticket whose abilities are recognized. We wish to refer particularly to Secretary of State Frederic W. Cook and Attorney General Joseph Warner and Francis Prescott, candidate for State Treasurer. In Sec. Cook we have one of the ablest men ever to fill that office. Sec. Cook was largely responsible for the change in the ballot which goes into effect Tuesday, whereby voters will mark their ballot beside the names of the Presidential and Vice-Presidential candidates of their choice, instead of having to search for the list of presidential electors of their party. This is but one of the many practical ideas that Sec. Cook has set forth and put into practice to the benefit of the entire Commonwealth.

Attorney General Warner has proved himself another state official who can be trusted implicitly with the duties of his office. Like Sec. Cook he has the respect of everyone, regardless of party affiliations.

Francis Prescott, the Republican candidate for Treasurer, is a native of Newton. His nomination in the Republican primaries by an overwhelming majority is a tribute to a career of public and party service of note. He has had a wide experience as Selectman, Representative, and Senator—as chairman of the Republican State Committee and as President of the Grafton Savings Bank, member of the investment committee of Simmons College and as trustee of various private trusts. The care of the public funds can be entrusted to Mr. Prescott, who by training and instinct, will place the safety of these funds above every consideration.

Congressman Robert Luce is the candidate for Congressman from the new ninth Congressional District. Before the primaries we urged his renomination because of the valued aid he has given the administration during a lengthy service in the National House of Representatives. We reiterate our assertion that he should be re-elected.

Newton has another outstanding Republican on the ballot which will be tendered to voters in the Fifth Middlesex Representative District in Speaker of the House Leverett Saltonstall. Speaker Saltonstall is qualified today for a place at the head of the State ticket. Before many years it is possible that such an honor may come to him. Republicans undoubtedly recognize this possibility and we trust will re-elect Mr. Saltonstall by a large majority. In order that he may also be retained as Speaker of the House the voters of Newton in both the fourth and fifth Middlesex districts should re-elect Republican candidates who will support their House leader on Republican policies. All are qualified. Mr. Luitwieler, a candidate for re-election in the fifth district with Mr. Saltonstall, has proved himself a capable Representative and should be returned. Rep. William B. Baker has been a member of the important Ways and Means Committee and his close application to his duties has brought him high commendation. Warren K. Brimblecom, who was nominated with Mr. Baker, as Republican candidate for Representative from the fourth district, has the qualifications to serve the city and district capably.

Senator Arthur Hollis has served the city and senatorial district for the past four years faithfully and should be re-elected.

THE REFERENDA

At the election next Tuesday voters will be asked to express their opinions on several questions on the ballot as referenda. As in previous years one who reads these questions as they appear is often misled into voting opposite from the manner in which he feels he should. At best these referenda are confusing and we trust that before many months some change to enable their clarification may be authorized.

The first of these referenda deals with the defining and legalizing of the practicing of chiropractic. There are many details to this proposed law which was disapproved by an overwhelming majority in the House of Representatives and by an appreciable majority in the Senate when it was before the State Legislature last year. Chief of the objections to it is the fact that it will permit the licensing of a chiropractor on graduation from a chiropractic school without the necessity of also having a degree from a standard medical school. It is consequently looked upon as a lowering of medical standards and we believe should be defeated by a vote of NO.

The second law proposed by initiative petition is popularly referred to as the pre-primary law which provides an additional method of nominating candidates for nomination at the State primaries in September by members of political parties. It also provides for the holding of the state conventions of political parties before June 15th of years in which a state election is held instead of after the September primaries as at present. In order to elect delegates to such conventions party primaries are established to be held the last Tuesday in April. In presidential years such primaries will coincide with the presidential primaries, thus making but one additional primary to be established. At these primaries, in addition to the election of delegates to the state conventions, district members of state committees, and members of ward and town committees will also be elected. At the state conventions the new law authorizes the endorsement of candidates for nominations at the state primaries in September. The name of such an endorsed candidate will be placed first on the ballot and marked with the party endorsement in addition to the eight-word statement now authorized. It will give such a candidate the edge on the field. Such an endorsement is expected to carry considerable influence among

the voters and permit them to vote for a candidate who is regarded as the party standard bearer. In cases where there are a number of contestants for any particular nomination in the field this "stamp of approval" gives the voter who has no means of knowing the qualifications of all the candidates an idea of which candidate is considered the one to be elected, by the party. It does not, however, prevent any person who so desires from becoming a candidate for a party nomination. The law was approved by a slight margin in the Senate and disapproved in the House by a vote of 138-62. We believe the measure should be approved and urge Newton voters to vote YES.

The third referenda provides for the ratification by the General Court of a proposed amendment to the Constitution of the United States abolishing the so-called "Lame Duck" session of Congress and providing for a change in the expiration of the terms of the President, Vice-President, Senators and Representatives in Congress. Under our present laws Congress convenes in December following a Presidential election and consequently some members of such a Congress whose terms do not expire until the close of the session and who have been defeated for re-election are placed in an uncertain position from their own viewpoint as well as from that of the administration. The proposed amendment does away with this session of Congress by providing for its assembly at least once a year on the 3rd day of January and the change in the expiration of the terms of Congressmen is such that newly elected Congressmen will take office in January following their election. The terms of the President and Vice President are changed to end on January 20th when inauguration will be held, when such an Amendment as proposed has been ratified by three-fourths of the several states within seven years from the date of its submission, instead of on March 4th as at present. This change will reduce the time of uncertainty which follows any change in administration from a period of four months to one of but little more than two months. We urge the voters of Newton to vote YES on this question.

Voters of Wards 1, 2, 3 and 7, which comprise the 4th Middlesex Representative District, will be asked to vote on a question of public policy regarding the question of part pay for the unemployed through a system of unemployment insurance. The voters will be asked to instruct their Representatives in this district whether or not they shall vote for such a measure. The question is rather misleading. It is easily possible that one might favor the principle of unemployment insurance but be rightfully opposed to certain methods of putting such a principle into effect. Undoubtedly there will be many measures before the coming session of the Legislature dealing with this question. It is conceivable that state control of such a system might be desirable. It is just as conceivable that a system of unemployment insurance might place a burden upon the industries of our state which would permit industries of other states having no such unemployment insurance to come into Massachusetts and compete with them to the disadvantage of home industries. Such a situation should not be tolerated. While the principle of unemployment insurance is a goal toward which to strive we believe our Representatives are competent to handle the situation. We urge the voters not to handicap them by instructing them to vote for something which may lead them into a wilderness. Vote NO.

Issues of The Coming Election

Mrs. Richard Field of Boston was the afternoon speaker at the monthly Church Day of the Newtonville Methodist Episcopal Church on Wednesday, using as her subject "Issues of the Election." Mrs. Field who is a graduate of Bryn Mawr College is vice president of the Boston League of Women Voters and a member of the Child Welfare Bureau. She opened her address by saying she hoped that her talk would be entirely non-partisan and that no one would be able to guess her own party. She succeeded in making her talk non-partisan but aroused suspicions as to her favorite party.

The speaker dwelt on three main issues of the campaign, the economic, the international relations and the basic principles of government. In the economic issue she placed the problems of reduction of government expenditures by the consolidation of bureaus, unemployment, ownership of public utilities, the tariff, and farm relief. She believes that a wider distribution of necessities should be made, and stated that Mr. Thomas is the only candidate who has touched on the subject.

Speaking on international relations, Mrs. Field mentioned the League of Nations, the World Court and the war debt. Prohibition she classed as the basic principle of government in the present campaign. She summed up by the statement that Mr. Hoover believes that wealth at the top will seep down while Mr. Roosevelt thinks of the "forgotten man" by advocating more public constructions and a shorter day thus giving work to more men. Mr. Thomas believes in production not for profit but for benefit to all classes.

The women met at 10:00 a. m. to make boys' pajamas for the Red Cross. Luncheon was served by Mrs. Lawrence W. C. Enig and her group. Mrs. Ernest P. Radtke, president of the Association, conducted the Executive Board meeting when reports were given by the officers and committee chairmen. Mrs. W. T. Taylor, president of the Woman's Bible Class, reported an average attendance of 53 for October and three new members. Mrs. Carl L. Swan, chairman of the Social Service Committee, said that twelve girls' dresses were made for the Red Cross at the October meeting and Mrs. Carl H. Stange, chairman of the Courtesy Committee, reported that 52 calls had been made and six bouquets and one spray had been sent since the last meeting. Mrs. Elena Spaulding, chairman of the House Committee, reported that the kitchen had been redecorated, and Mrs. Warren K. Brimblecom, chairman of the Finance Committee, said that five group meetings had been held during the month. The Program Committee with Mrs. Carl S. Ell as chairman is planning to give a play later with Mrs. Louis A. Wilson in charge.

Chestnut Hill Improvement Soc. Holds Meeting

The first fall meeting of the Chestnut Hill Improvement Society, held Wednesday evening at the Philomatheia Club, Chestnut Hill, was very well attended. An extended discussion of the traffic situation at the Lake Street Terminal of the Boston Elevated was held, with the members voting unanimously to recommend the installation of a signal system to the officials of the city. The recent numerous collisions and accidents in the area of the terminal were cited as the basis of the recommendation. Oscar M. Jacob, vice-president of the Municipal Signal & Supply Co. of Boston, demonstrated an electrical apparatus for the simplifying of the traffic and pedestrian problem at that point. Recommendation of street and other betterments in the Chestnut Hill section also was made and plans outlined for a January social. William E. Soule, president of the Society, presided.

Columbus Day Essay Prizes Are Awarded

First Prize Goes To Alice M. McConville

On Tuesday evening, November 1, 1932, Newton Council, No. 167, Knights of Columbus, distributed prizes of gold to the successful candidates in the Columbus Day Essay Contest, which was open to all Senior and Junior High School pupils of Newton. The winning essay, on "What Columbus Day Means to Me," was considered the best interpretation of the significance of Columbus Day, taken as an historic event which critically affected the trend of future civilization.

The first prize of fifteen dollars in gold was awarded to Alice M. McConville, 56 Norwood avenue, Newton Centre, a Senior in the Sacred Heart High School, Newton Centre.

The second prize of ten dollars in gold was awarded to Irene Martin, 185 Chapel street, Newton, a pupil of the High School of Our Lady, Newton, tenth grade.

The third prize of five dollars in gold was awarded to Mary Burke, Cummings road, Newton Centre, an eleventh grade pupil of the Sacred Heart High School.

A special prize of five dollars in gold was awarded to Helen Pickard, 12 Dalton road, Newton Centre, a Senior in the Sacred Heart High School. This extra prize was awarded to Miss Pickard because of the excellence of her English composition, which was refreshing in its originality and beautiful in its artistic design.

Honorable mention was granted to the following contestants:

Elizabeth L. Monahan, 21 Lexington street, West Newton, a Senior in the Sacred Heart School.

John Shields, West street, Newton, grade eleven, High School of Our Lady.

Francis Farragher, 17 Emerson street, Newton, grade eleven, High School of Our Lady.

James Grimes, 42 North street, Newton Centre, grade twelve, High School of Our Lady.

Noel Jeanette Allen, 131 Rowe street, Auburndale, grade eight, Warren Junior High School.

Frances E. McConville, 56 Norwood avenue, Newton Centre, grade eight, Sacred Heart School.

The best essays, submitted by grades, were as follows:

Grade 12, Alice M. McConville, 56 Norwood avenue, Newton Centre, Sacred Heart High School.

Grade 11, Mary Burke, Cummings road, Newton Centre, Sacred Heart High School.

Grade 10, Irene Martin, 185 Chapel street, Newton, High School of Our Lady.

Grade 9, John Mahoney, 49 Jackson road, Newton, High School of Our Lady.

Grade 8, Noel Jeanette Allen, 131 Rowe street, Auburndale, Warren Junior High School.

Grade 7, Eleanor K. Murphy, 185 Hammond street, Chestnut Hill, Sacred Heart High School.

LUCE TO DELIVER SPEECH

(Continued from Page 1)

will be closed at all times on account of the narrowness of the passage between the Aldermanic Chamber and the War Memorial. These Boy Scouts will be furnished with small cards giving the locations of various departments so that all questions may be answered by them.

The Mayor's Suite will be thrown open to the general public on that day, with entrance at the Large Committee Room on the southern wing, passage through the stenographic public office to the Mayor's Office. An additional Boy Scout detail will be located in this suite.

The Heads of Departments will have sufficient people in their respective departments to answer questions and become general advisors as to the routine of their departments on this afternoon. Some historical and beneficial statistical information with reference to the particular departments will be distributed behind the counters in any of the offices of the City Hall.

It has been further provided in the event that the traffic becomes too much for the Boy Scouts, a detail of veterans in uniforms with badges, will be provided to handle the people at all times.

Commr. Stuart Presented Clock

Street Commissioner George E. Stuart was agreeably surprised on Monday morning when he started his duties at his office in the new City Hall. In addition to a number of floral tributes from various groups of his subordinates, he was presented by his office force and division heads with a 17 jewel Waltham clock enclosed in an attractive pig-skin case. Accompanying this gift was a card from the donors attesting their appreciation of the kindness which Mr. Stuart has manifested to his subordinates.

SOCIAL SERVICE PROGRAM

A Social Service Program has been arranged for the Woman's Association of Central Congregational Church, Newtonville, at 2:30 P. M., November 9. Special guest speakers will be Miss Bertha Allen, Superintendent of the Newton Hospital; Mrs. Cella Wellman, Probation Officer of the Newton District Court; Miss Annis Sturgis, in charge of special classes in the Newton schools; and Mrs. Steven Wilson of the Boston Y. W. C. A. Mrs. Edwin P. Crawe will be hostesses for the afternoon. The women's societies of neighbor churches have been invited to share in this meeting.

Recent Deaths

TIMOTHY SHEA

Mr. Timothy Shea of 49 Worcester street, Newton Upper Falls, died at the Peter Bent Brigham Hospital on Thursday, Oct. 27th, after an operation.

Mr. Shea was born in Ireland about seventy-five years ago. He came to Newton Upper Falls when a young man and engaged in the manufacture of glue and gelatine with his brothers, Daniel and John, now deceased. The plant was located on the Wellesley side of the banks of the Charles River.

When the Commonwealth decided to add that section of the river between Upper Falls and Lower Falls and the adjoining land to the Park System, the business was abandoned and Mr. Shea was engaged by W. H. slow Bros. and Smith Co. of Norwood in the capacity of superintendent and remained in this position for ten years, returning to Upper Falls in 1907.

He is survived by four sons, Daniel, Thomas and William of Upper Falls, Timothy of Rutherford, N. J., and two daughters, Mrs. David Galloway of Wellesley and Mrs. Charles O'Malley of West Roxbury.

Funeral services were held from his late home on Saturday at 8 a. m., followed by a Solemn High Mass at the Mary Immaculate of Lourdes Church at Upper Falls. Rev. Father Donovan was celebrant assisted by Rev. Father Kerrigan as sub-deacon. Interment was in Needham Cemetery in the family lot.

MISS MARIA L. BRACKETT

Miss Maria Louisa Brackett died Friday, October 28 at the Stone Institute for Aged People at 277 Elliot street, Upper Falls where she had resided for the past fourteen years.

Miss Brackett was the daughter of Charles and Lucy (Gay) Brackett of Waverley avenue, Newton. She was the youngest of nine children.

She was a graduate of Bridgewater Normal School and as a young woman taught school in Brewster, Mass. Later she was a copyist of deeds at the Cambridge Superior Court. Miss Brackett was a member of the First Congregational Church for over seventy years.

Funeral services were held Sunday at 2 p. m. from the Stone Institute. Rev. Edward McCarthy Noyes, pastor emeritus of the First Congregational Church, Newton Centre, officiated. Burial was in the family lot at Newton Cemetery.

MRS. HELEN L. HIGGINS

Mrs. Helen L. Higgins of 80 Jewett street, Newton, wife of Joseph P. Higgins, died on October 30. She was born in Boston and had been a resident of Newton for 15 years. She was a member of the Catholic Women's Guild of Dorchester. Her funeral service was held Wednesday morning at the Church of Our Lady and burial was in Holyhood Cemetery. She is survived by her husband; a daughter, Mrs. Robert Garrity of Newton Highlands; two sons, Eugene of Newton and Leo of Quincy; a sister, Miss Mary Wells of Jewett street, Newton; and a brother, John Wells of Winthrop.

SUSAN L. GOODRIDGE

Susan L. Goodridge of 55 Prescott street, Newtonville died on October 27th in her 87th year. She was born at Newton Centre, the daughter of P. V. and Mary (Currant) Goodridge. For many years Miss Goodridge was employed at the Registry of Deeds at East Cambridge. Her funeral service was held last Friday afternoon at her late home. Rev. E. M. Noyes, pastor emeritus of the First Church, Newton Centre officiated. Miss Goodridge had been a member of this church. Burial was in Newton Cemetery. She is survived by a niece, Mrs. Augustus L. Wakefield, with whom she resided.

Car Hits Child
On Adams Street
And Speeds Away

Last Friday afternoon as Francis Kelly, 7, of 8 Pearl street was crossing Adams street, Newton upon leaving the parochial school nearby, he was struck by an automobile and injured about the head. The child's mother witnessed the accident. The driver of the car which hit the boy sped away and was chased for some distance by a woman in another car. The registration number on the car showed that it was the property of John P. Doherty, 16 Auburn court, Malden. A summons was issued for Doherty's appearance in the Newton court. He was arraigned in court on Monday and held in \$300 bail for trial on November 10.

Bigelow Junior H. S.

At the Assembly, Friday, Myron Burns, Thelma Cutter, Richard Weber, Therese Thomas, and John Ryan, who represented our school at the Junior Red Cross conference in Brookline the week before, gave reports of the meeting.

Newton had more delegates at this meeting than any other town or city represented. Addresses, reports, a short original play, an historical pageant, and an exhibition Council meeting completed an interesting and helpful day. Our delegates urged the school boys and girls to bring in clothing, magazines, games, toys, fruit, and vegetables to be sent to the local chapter for distribution.

October 21st, Captain Percy R. Creed spoke at Assembly on George Washington, and advised the pupils to follow his example in city planning and a better social order. We were much pleased when four pupils from the Weeks Junior High School played to us to show what progress can be made in one year's practice on band instruments. Ten of our members have started under Mr. Spaulding's instruction.

Y. M. C. A.

Mrs. Harold B. Cranshaw of West Newton is chairman of the committee of the International Institute of the Boston Y. W. C. A., which is holding its annual Swiss Bazaar at the activities center, 190 Beacon street, on Thursday, November the tenth. Mrs. Alexander P. Maynard of Newton Centre is also a member of the committee.

The fascinating people, with their picturesque costumes and folk songs, will make Switzerland very real to those who drop in for lunch, afternoon tea, or supper, or just informal during the Bazaar hours, which will be from eleven o'clock in the morning to nine in the evening. A 33-pound Swiss cheese will be among the novel features of the Bazaar.

MRS. MATILDA SWANSON

Mrs. Matilda Swanson of 49 Rockland place, Newton Upper Falls died on Thursday, October 27. Mrs. Swanson was born in Boros, Sweden and has resided in Upper Falls for the past eight years.

She is survived by a son, Mr. Henry Swanson, a daughter, Miss Eleanor Swanson of Upper Falls and a sister, Mrs. Olivia Everts of Lansse, Penn. Funeral services were held at her late home on Saturday, October 29 at 2 p. m. Rev. Mr. Ludvig Pherson of West Hartford, Conn., officiating. Burial was in Newton Cemetery.

JAMES J. SWEENEY

James J. Sweeney of 35 Middle street, Newton died on November 1st at the Newton Hospital of pneumonia. He was born in Newton 46 years ago, the son of the late William and Julia Sweeney. He was for many years in the employ of the Boston & Albany railroad as a brakeman. He is survived by his widow, Mrs. Bessie R. Sweeney; one son; and two brothers, John Sweeney of Readville and Patrick Sweeney of Newton. His funeral service was held yesterday at the Church of Our Lady and burial was in Calvary Cemetery.

JOHN DONOGHUE

John Donoghue of 86 Jassett street, Nonantum died on October 30. He was born in Ireland 64 years ago and had been a resident of Newton for 39 years. He was a retired city employee and a member of Middlesex Court, M. C. O. F. His funeral service was held Wednesday morning at the Church of Our Lady. Burial was at Natick. He is survived by his widow, Mrs. Katherine Donoghue.

Weeks Junior High

The Student Council has elected a Health Committee consisting of two representatives from each grade, who are members of the Council. This committee will function in carrying out a program for the school under the supervision of the Faculty Health Committee. Its duties will cover a consideration of sanitation and safety within and without the school. A group in charge of publicity will consider the best methods of presenting a program to improve the health standards of the student body.

The aim of the assembly on Wednesday was to present to the pupils the objectives of some of the clubs, especially those added to the list of clubs this year. The following introduced the work of their respective groups: John Rourke, Railroad; Marie Phelan, Red Cross; Helen Aronson, Travel; John Tomb, Debating; Edwin McKillop, Collectors; Sam Hudson, Campcraft; Betsey Liming, Puzzle; Douglas Tilley, Aviation. Musical selections were given by the Band and the Harmonica Club.

During the past week many ninth grade pupils have endeavored to reveal their abilities as political managers and speakers in connection with class elections. Several enthusiastic rallies have been held in the school auditorium by the four parties, namely: Weeks Advancement Party, Grand Old Knights of Politics, Weeks Political Leaders, and the Progressive Party. On Friday, as the result of the election of a mixed slate, the following officers were chosen: President, William Bradley; Vice President, Elizabeth Tobin; Secretary, Jean Nathanson; Treasurer, Thomas Scott.

On Saturday morning a few members of the Bird Club accepted an invitation from the Senior Bird Club of the Children's Museum to join the members on a hike through the Sargent estate in Jamaica Plain. The group had an opportunity to observe many species of birds, including yellowbellied sapsucker, mallard duck, herring gull, and throated sparrow. A phoebe's nest was brought back to add to the club's collection.

At the regional conference of the American National Red Cross, which was held at the Brookline Country Club on October 24, the school was represented by Natalie Salter, Phyllis Wades, Meredith Waterman, Selma Rudy, Marie Phelan, and Carolyn Harigan. The program of the Red Cross for meeting the needs of the times was presented to the representatives through addresses, group talks, and pageantry.

Parents' Day will be held on the third Tuesday instead of the second Tuesday of every month.

Day Jr. High School

Attention is called to Open Night at the Day Junior High on Wednesday, November 9th, from seven to nine o'clock. It is earnestly hoped that parents will take advantage of this opportunity to visit the school, make the acquaintance of the teachers and profit by the addresses of Mr. John Lund, superintendent of schools, and of Dr. Payson Smith, Commissioner of Education.

The week of October 24 to 28 was devoted to the Junior Red Cross drive for membership. The following rooms have reported 100%: 9th grade rooms, 9, 21, 28th grade rooms, 11, 18, 25; 7th grade rooms, 10 and 27.

Representatives to the Junior Red Cross regional conference at Brookline were Principal Burkhardt, Fred Fairfield, Richard Mansfield, James Campbell, Donald Burns, Barbara Clarke, Winona Starbird, Ruth Carter and Florence Aches. Mr. Burkhardt addressed the assembly on the subject of drives. Richard Mansfield and Fred Fairfield, who represented Newton at the national Red Cross conference in Washington last spring, told the juniors something about that conference.

The weekly news broadcasts given over the school radio by student announcers are now in progress. They take place during the home room period on Tuesdays. They are in charge of the following committee: Margaret Clark, Wilbur Emig, William Krause, Aldridge Hunt, and Fred Fairfield. A faculty advisory committee, composed of Mr. Alden Reed, Miss Helen Fales, Miss Mabel Manning and Mr. Ernest Gustavsen, attend to the mechanical details of the broadcast.

On Monday, October 31, the faculty enjoyed their annual party, this time an exciting treasure hunt. The regular assembly on Wednesday was devoted to story-telling by Mr. John J. Cronan who is always a welcome guest at the F. A. Day.

AUTO ACCIDENTS

A taxi cab driven by Philip McHugh of Cherry street, West Newton and a car driven by Arlene Olson of 227 Derby street, West Newton collided on Tuesday morning at the intersection of Webster and Cherry streets, West Newton. McHugh's car then ran into the traffic sign at this location. He had a couple of teeth knocked out.

Martin Boyle of 12 Gardner street, Newton was found unconscious on Monday afternoon at Washington Park, Newtonville in the truck he was driving for the Suburban Laundry Company of Nonantum. The truck had crashed into a tree opposite 28 Washington Park. Boyle was discovered by Michael Napolitano of 276 Adams street, who was driving by in another truck. The police were notified and Boyle was taken to the Newton Hospital. When he recovered consciousness he said he had been forced off the road and hit the tree when another automobile crowded him.

Newest Nobscot Cabins Dedicated

On Sunday afternoon last the cabins of Troops 5 and 21, Newton Nobscot, were dedicated at the Nobscot Reservation. At three o'clock, Chairman James Reynolds of Troop 21's Committee called a gathering of about 250 people to order and started the program with a welcome to the parents and friends, a hearty statement of thanks to Rev. Fr. Curtin of the Sacred Heart Parish for his fine cooperation both in making the Troop and cabin possible; to Mr. Robert Vachon and his men for their fine work in planning and constructing the cabin; and to Mr. Patrick Lehan, Scoutmaster, for bringing the Troop to such a high state of efficiency.

He introduced Father Curtin, who spoke of the effectiveness of Boy Scouting and why he had not only endorsed it but had worked actively for its success. He complimented the officers and Scouts of the Troop and praised the cabin in high terms. The flag was then raised by Miss Peggy Lehan, daughter of the Scoutmaster, while Assistant Scoutmaster Joseph Murphy played "To the Colors". All were in salute during this and following the singing of the National Anthem, accompanied by the Sacred Heart School Band.

Rev. Father Curtin then blessed the cabin with an appropriate ceremony. Mr. Reynolds then introduced Scoutmaster Lehan, who thanked Fr. Curtin for his co-operation and the men who made the cabin and Troop possible and who were helping him carry on the work. He then introduced Mr. John M. Bierer, President of Norumbega Council, to whom he presented the cabin keys. Mr. Bierer congratulated the Troop on its work and expressed the Council's appreciation to Rev. Fr. Curtin for his active co-operation, and turned the keys over to him, with a certificate of occupancy. Father Curtin accepted with thanks.

Mr. Reynolds next introduced Mr. L. A. Bruce, Jr., Scout Executive of Norumbega Council, who spoke of the international aspect of Scouting, which exists throughout the world, stating that Nobscot Reservation welcomes Scouts from all over the world. He also told of Mr. Lehan's work and what it means, urging parents to support him actively to the fullest extent.

Senior Patrol Leader McConville of Troop 21 expressed the thanks of the Scouts of the Troop for the cabin and for the support of the men and assured all that the Scouts would hold up their end in return.

This was followed by singing Cardinal O'Connell's hymn "The Cross and the Flag." Following this refreshment were served to a crowd which had grown to nearly 300 people. Thus Troop 21 is started off on its camping program.

At 3:30 p. m. the bugler of Troop 5 sounded assembly and the dedication of that Troop's cabin began. The Troop was formed and Scoutmaster Emery welcomed the friends and parents there. Mr. Noble, Chairman of the Troop Committee, was introduced. He told of the Troop's first cabin in the Ohio, the Council's original Reservation; the burning of 5's first cabin at Nobscot, which was lost in the big fire on May 4th, 1930. As the cabin is called the Clark Alvord Memorial cabin, Mr. Noble told why it was named, citing the generosity of that war hero's parents in donating the original cabin possible and that the second cabin was also likewise named.

Junior Assistant Scoutmaster Bolton Wilder presented the keys to the cabin to Mr. Bierer, President of the Council, who congratulated the Troop on its new cabin and on the fact that the burning of their first cabin had been discouraged. He also asked co-operation of the parents in carrying out the Troop's outdoor program, the important part of Scouting. Mr. Bierer then returned the keys to Scout Wilder with a certificate of occupancy.

Mr. James Melcher New Scouter

Scout Commissioner Marcy has appointed Mr. James B. Melcher as District Commissioner of the Squanto District, which comprises Newton, Nonantum and Newtonville, with troops 1, 3, 6, 11 and 22. He will work with Scoutmasters and Troop Committees of that District in furthering Scouting.

Births

CITY OF NEWTON
MASSACHUSETTS

CITY CLERK'S OFFICE, October 19, 1932.
Notice is hereby given of the following order (No. 88570) adopted by the Board of Aldermen on October 17, 1932, and approved by the Mayor on October 19, 1932, relative to the
STATE AND PRESIDENTIAL ELECTION
TUESDAY, NOVEMBER 8, 1932.

ORDERED (No. 88570)
That the citizens of this city, qualified to vote in the several precincts in which they are entitled to vote at the several voting places designated for the purpose of the election, on Tuesday, the eighth day of November, next, to give in their votes for Electors of President and Vice President, Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Congressman, Third District, Councillor Third District, Senator First Middlesex District, Two Representatives in General Court Fourth Middlesex District, Two Representatives in General Court Fifth Middlesex District, Two County Commissioners Middlesex County, Sheriff Middlesex County, to give in their votes "Yes" or "No" upon questions which will appear upon the ballot on the following matters, viz:

Question No. 1: Law Proposed by Initiative Petition. Shall the proposed law which defines and legalizes the practice of chiropractic, establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualifications and compensation of its members, and its powers and duties, provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters referred thereto, be approved?
Question No. 2: Law Proposed by Initiative Petition. Shall the proposed law which provides for an additional method of determining candidates for nomination at the state primaries in September, by members of political parties, for those parties to be filled by all the voters of the Commonwealth at a state election, be approved?
Question No. 3: Is it desirable that the proposed amendment to the Constitution of the United States relative to term of President and Vice President, Senators and Representatives, be ratified by the General Court?

ARTICLE
Section 1. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 2. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 3. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 4. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 5. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 6. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 7. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 8. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 9. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 10. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 11. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 12. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 13. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 14. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 15. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 16. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 17. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 18. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 19. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 20. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

Section 21. The term of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives shall end on the 23d day of January, of the years in which such terms would have ended had the said amendment not been adopted, and the terms of their successors shall then begin.

CITY OF NEWTON
MASS.

The Planning Board acting as a Board of Survey will give a public hearing at City Hall, Newton Centre, Mass., Tuesday, November 15, 1932 at 7:45 o'clock P. M. for the consideration of the following plan:
1. Plan of proposed development of land of Barry Bernstein et al, Proposed Street from Irving Street to Francis Street, Newton Centre, Winebaum and Wexler C.E's, November 1, 1932.

WILLIAM P. MORSE, Clerk.
Nov. 4-11

MORTGAGEE'S SALE

By virtue and in execution of the power of sale contained in a certain mortgage given by Premier Investment Company to Revere Trust Company, dated June 26th, 1928, and recorded with Middlesex South District Deeds, Book 5245, Page 594, of which mortgage the undersigned is present holder, I, the undersigned, do hereby give notice that for the purpose of foreclosing the same will be sold at public auction upon the premises described in said mortgage, to-wit: Lot 17, situated in the City of Newton, in the County of Middlesex, State of Massachusetts, and being bounded and described as follows: Southwesterly by Ireland Road three hundred twenty-five (325) feet; Northwesterly by land of owners unknown ninety-two (92) feet; easterly by land of owners unknown three hundred one (301) feet; Southeastwesterly by land of owners unknown (30) feet; Containing together 28,775 square feet of land according to said mortgage, to-wit: Ireland Road 325 feet; Northwesterly by land of owners unknown ninety-two (92) feet; easterly by land of owners unknown three hundred one (301) feet; Southeastwesterly by land of owners unknown (30) feet; Containing together 28,775 square feet of land according to said mortgage, to-wit: Ireland Road 325 feet; Northwesterly by land of owners unknown ninety-two (92) feet; easterly by land of owners unknown three hundred one (301) feet; Southeastwesterly by land of owners unknown (30) feet; Containing together 28,775 square feet of land according to said mortgage, to-wit: Ireland Road 325 feet; WOMEN'S CLUBS

(Continued from Page 4)

West Newton Woman's Educational Club

"Presidents' Day", October 28th, for the Educational Club proved a very pleasant occasion. In the evening line were the guests of honor: Mrs. Frank P. Bennett, president of the State Federation; Mrs. Seldon E. James, Twelfth District director; Mrs. Samuel N. Braman, president of the Newton Federation; and Mrs. George Phipps, founder of the Newton Federation; and officers of the Hostess Club, Mrs. D. Earle Brackett, president; Mrs. Edgar F. Hay, first vice-president; Mrs. Roy A. Stinson, secretary; Mrs. Sidney B. Sargent, treasurer; and Mrs. Malcom A. Warren, auditor.

Mrs. Brackett graciously extended greetings and welcome and presented the honor guests who responded. A loving ovation was accorded Mrs. Phipps when Mrs. Braman requested her to rise.

Mrs. Bennett, speaking briefly, enumerated the many advantages which every woman receives from club membership, and she urged every club to give support to the National Economy League.

The program chairman, Mrs. Harry S. Wells, announced the entertainment which was made up entirely of Club talent: solos and duets by Mrs. George N. Abbott and Miss Marion Gurney, accompanied by Mrs. Hazel Swanson; violin selections by Miss Irene Forte, accompanied by Mrs. G. Howard Frost; and readings by Mrs. E. A. Dockstadter.

The tea room was pleasantly decorated with autumn foliage and fall blooms, and the dainty little bouquets worn by each guest added to the festive atmosphere.

The Hospitality committee, of which Mrs. Raymond R. Forte is chairman, served tea, and presiding at the tea table were four of the past presidents of the Club: Mrs. George W. St. Amant, Mrs. Harry S. Wells, Mrs. Joseph A. McDonald, and Mrs. John R. McLean.

Mrs. Louise Filene, of 32 Holden road, was hostess for the delightful luncheon and meeting of the American Home division of the Club, on

CAN IT BE THIS LADY IS
GIVING THIS GENTLEMAN

"a Piece of her Mind"

Poor dear—he settled into the only comfortable chair that has a good reading lamp and neglected to get up when his wife appeared.

It's so easy, and costs so little, to have plenty of well distributed light. In the kitchen so you can work without dodging about in irritating shadows. In the living room so one can read in quiet peace—stretched out on the sofa, or ensconced in any of the "soft" chairs. Or perhaps the hallway light is a bit glaring, or the dining-room fixtures uninviting?

We have a suggestion! Ask your local Edison Shop to send out one of our Home Lighting Specialists. . . These are obliging young women, who will tell you, just for the asking, what to do—from a lighting standpoint—to make your home perfectly delightful.

Thursday, October 27th. She was assisted by a committee which included Mrs. Charles E. Quinn, Mrs. Francis E. Nowers, Mrs. George D. Thomas, and Mrs. William D. Keefe, chairman.

After luncheon, Imeric-toasts, one to each member of the Class, were read by Mrs. Edgar P. Hay; and Mrs. Alfred E. Thayer, chairman of the division, gave her report of the previous meeting in rhyme. Both received hilarious and hearty applause.

The speaker of the afternoon, Miss Beatrice Clapp, from the Home Service division of the Edison Electric Illuminating Company, introduced by Mrs. Thayer, made her subject, "Home Lighting", particularly interesting by the use of an electric house box, showing the various rooms of a house with different lighting treatments.

A pleasing conclusion to the program was the reading of some original verses by Mrs. B. Howard Lester, on "The Last Flowers".

Shakespeare Club

The Shakespeare Club of Newton Highlands held its first meeting of the season Saturday last, at the home of Mrs. H. E. Durgin, in Norwell.

The members motored down through the hospitality of those having automobiles.

The Annual Meeting was held with Mrs. Durgin, June 4th, on the spacious grounds of her estate and luncheon was served under beautiful green shade trees whose foliage at this meeting was transformed into ruby orange, topaz, garnet, gold—Nature's robes of glory—an interesting contrast of two phases of loveliness.

The first two acts of "Winter's Tale" were considered as the program of the meeting, in charge of Mrs. Durgin, who dwelt upon the setting of the play, its teeming wealth of wisdom, the dainty and dainty beauty of its poetry, and the contrasting characters of the principal persons of the play.

Newton Highlands Woman's Club

Professor J. Anton de Haas, William Ziegler Professor of International Relations at Harvard Business School, opened his lecture on "If We Are Progressing Toward Peace" at the regular meeting of the Club Tuesday, November 1st, at 2 p. m., in the Congregational Parish House, by saying Peace is not a negative accomplishment, and we can prepare for it by removing the causes of war; by making it difficult and unprofitable to go to war, and by doing away with the instruments of war. He stated that the World is marking time until our election November 8th, and that November 14th, the day Japan replies to the report of the delegates from the League of Nations to Manchuria, will go down in history as one of the most important dates affecting the whole world. Professor de Haas told how tariffs influenced the economic condition of all countries and the payments of the World War debts, and in closing said no nation on earth holds the position of the United States, and if we are willing to assume leadership the World is ready to follow.

Mrs. Alexander I. Peckham, chairman of the Legislative committee, gave a very instructive resume of the referendum before the voters November 8th, and Mrs. Arthur W. Lane, of Auburndale, chairman of the Community Service committee of the Newton Federation, explained the community chest.

Tea and a social hour followed the meeting.

The Hospitality committee of the Club, Mrs. Odie C. Mackay, chairman, gave a very delightful Tea at the Workshop, Friday afternoon, October 28th, at 2 o'clock, to all Club members. Margaret Cummings Mason presided. "The Fountain," by Charles Morgan, and an opportunity was given to the guests to renew and strengthen old friendships.

DATES OF NEXT MEETINGS AND ACTIVITIES

ONE THING AND
ANOTHER

By L. D. G. Bentley

Whether you like it or not, be prepared next Wednesday morning to answer that inevitable query, "How'd the election suit you?"

Oddments

Possibly no impression of the past week stands out more completely than that of the timidity displayed by gatherings of Americans when expected to sing "Star Spangled Banner" and "America". I noticed this at the dedication of the bronze statue to Henry Cabot Lodge. The singing was led by a brilliant and accomplished young woman. But she was of foreign parentage and for all I know, foreign born. The musician knew the patriotic airs of United States perfectly. They, too, or most of them, were of foreign birth or extraction. Why the disinclination of native born Americans to sing the inspirational songs of their own country? Or is it the noble man in whose memory it was wrought. Fourteen years before he was willing to acknowledge he had done his best. And how we today rush things through, slap-dash, thinking we are clever and speedy.

And now a lesson in patience. So greatly needed these days, eh, what? St. Gaudens, famous among the world's sculptors, created that everlasting achievement—the bas-relief bronze on Beacon st. across from the State House—the memorial to Robert Gould Shaw. It was fourteen years after he received the commission that he finished his work. All the time he was striving to produce something that satisfied his sense of the artistic and did justice, as he saw it, to the noble man in whose memory it was wrought. Fourteen years before he was willing to acknowledge he had done his best. And how we today rush things through, slap-dash, thinking we are clever and speedy.

Dancing—or Something

It isn't often that I wave aside an interesting book. One reason is that occasions are more or less rare when they are proffered. People as a rule don't run around offering books free. That is, I seldom meet them. Now and then you'll encounter a friend who says, "I've got a great book and I'm going to let you read it. Be sure you bring it back."

I don't know if any string was attached to the opportunity to read "How to Tap Dance" because I didn't press the matter. Obviously here is a volume that one should peruse with a purpose. One must be prompted either by a yearning to be an expert tap dancer or a desire to possess, the secret of those who so lightly and entertainingly tap their way through the world.

There was a single moment in which my interest rose to the extent of turning the first page. I read the subtitle, "A few things dancing will do for you." Thereupon I placed the book on the table. Dancing has done for me all that it can—all that I want. To begin at the beginning, "I went to dancing school" in a black suit, short pants, of course, wide white collar that came down outside my jacket, and a bowtie. I never really mastered the art of trying a line in these days. Always had to have somebody do it for me. Black stockings and pumps—they call them dancing shoes now, I think—and my ensemble was complete.

Somehow or other complete happiness was not to be had in such a way. I was terribly conscious of being all "dolled up." Not until I gazed with deep admiration at my dainty little dancing partner did I cease to feel embarrassed on that account. When she and I started off, though, my mind was entirely on my feet. They seemed to be the heaviest of feet I had known. I thought of pictures of Holland where young and old wore wooden shoes. Only mine seemed as if made of iron.

Eager that the sweet person who had recklessly consented to dance with me should have her task made as easy as possible, I strove to trip the light fantastic. But I was more fantastic than light. It seemed as if there were holes and hurdles in every part of the floor and that I should avoid as many as possible. Perspiration gathered, pretty white collar wilted, my partner frowned and then, thank fortune, the music stopped. That was one dance, the others were exactly like it.

But then the fashion in dancing changed after I grew up. Everything that seemed confusion and effort became simple. Not that I acquired skill, but the new dances were so different. Most anybody could get away with it.

What had been a mysterious art had shifted into a sort of push and shove done with barbaric rhythm. No trouble at all, merely keep moving—no matter where. Heavy-footed men who never could have performed the waltz, mazurka, glide, minuet or Portland fancy, were pictures of manly grace. Huh! My time had arrived.

Getting into the old tuxedo was a delight. I could tie a bow tie with one hand and hold the telephone receiver with the other. Dread of making a spectacle of myself on the ballroom floor had vanished. But—and here comes the confession—I have never felt that I was really dancing.

Good Eating Anyway

"It's pumpkin pie and not pumpkin, and don't you forget and show your ignorance."

The speaker was a counter man at a cafeteria and he was addressing a colleague in a white coat. The latter had just repeated an order for a slice of pastry made with the well-known gourdlike fruit of a cucurbitaceous vine.

"Aw, quit that stuff!" came the retort. "Pumpkin is good enough for me, and when people ask for it they're going to get it if we have any to sell." I was present when this incident transpired and wondered if I had heard right. Bostonians have a reputation of insistence on proper pronunciation, but I had never encountered it in a cafeteria. I knew

the place boasted of pure food, but not of pure speech.

I saw the second man was still nettled at the admonition and was not surprised when he growled, "Since when did they start to call it 'pumpkin'?" He divided the word, accenting the first syllable.

"It's always been that only most people are so dumb they don't know it," the first man sneered.

"Well, I never heard it. And now it is going to sound when you say 'Good old pumpkin pie like mother tried to make'."

The last wisecrack was overwhelming. I moved off with my tray on which, among other things, was a piece of that kind of pie.

Legal Notice

COMMONWEALTH OF MASSACHUSETTS

At the District Court of Newton, in the County of Middlesex, holden at said Newton, on the first day of November 1932.

Robinson Automotive Corporation
vs.
Leo Ellis

This is a petition to enforce a lien for storage of a motor vehicle amounting to Fifty-Eight Dollars and No Cents, alleged to be due the Petitioner from the Respondent on the twenty-eighth day of October 1932, as set forth in the petition of the day.

And it appearing to the Court, by the suggestion of the Petitioner that no personal service of said petition can be made upon the Respondent.

It is ordered by the Court, here, that the Petitioner give notice to the Respondent of the pendency of this action, and to appear before said Court, to be held at Newton, in said County, on Saturday, the third day of December 1932, next, at nine of the clock in the forenoon, to answer the same, by causing an attested copy of this Order to be published in the Newton Graphic, a newspaper published in Newton, in said County, once a week, three weeks successively, the last publication to be at least seven days before the said Saturday, the third day of December 1932, next, and by sending by registered mail to the said Respondent addressed to his last known address, a true and attested copy of this Order; and that said action be continued until notice shall be given to said Respondent, agreeably to this Order.

GRACE R. BOSTWICK,
Assistant Clerk,
District Court of Newton.

A True Copy. Attest:
GRACE R. BOSTWICK,
Assistant Clerk,
District Court of Newton.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. District Court of Newton

Robinson Automotive Corporation
vs.
Leo Ellis

Now comes the Robinson Automotive Corporation of Newton, Mass., and says that since November 1, 1931 it has had in storage a 1927 Willys Knight, Motor No. 51469, Serial No. 54132, Model 56, belonging to one Leo Ellis, whose last known address is (No. unknown) Auburndale, Mass., and who has failed to provide for the payment of the sum of \$59.90 per month to be paid for said storage; that at said time the said car was in the possession of the said Robinson Automotive Corporation and that the said Robinson Automotive Corporation desires to sell said automobile in payment of the said sum of \$59.90 per month, and asks this Court for an order of sale.

ROBINSON AUTOMOTIVE CORPORATION
By its Attorney,
J. FREDERICK OAKES.

A True Copy. Attest:
GRACE R. BOSTWICK,
Assistant Clerk,
District Court of Newton.

Thomas J. Brennan of Somerville, Democratic.

George C. McMenimen of Cambridge, Democratic.
Walter C. Wardwell of Cambridge, Republican.

SHERIFF. Vote for One.
Middlesex County.
John R. Fairbairn of Cambridge, Republican.
Stephen C. Garrity of Lowell, Democratic.

Question No. 1.
LAW PROPOSED BY INITIATIVE PETITION.

Shall the proposed law which defines and legalizes the practice of chiropractic; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualifications and compensation of its members; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors; regulates their practice, and defines the mode, subjects of and fees for examination; and other matters related thereto, which are chiefly as follows:

That the practice of the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine.

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given by a public high school or shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to its duties, and that they pay to the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the title "Chiropractic Practitioner", the letters "D.C.", or any title or letters indicating engagement in such practice, or for buying or selling fraudulently obtained any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor.

which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative, be approved?

YES NO

Question No. 2.
LAW PROPOSED BY INITIATIVE PETITION.

Shall the proposed law which provides for an additional method of nominating candidates for nomination at the state primaries in September by members of political parties, for those offices to be filled by all the votes of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination,

at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of the party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the state primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

Such conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifty hundred votes, and only the preceding state election in such ward or town for the political party candidate for governor or state senator, number now fixed by the state committee of each party (not less than one from each ward or town) and members designated by existing law.

The time, for notice to the State Secretary, of the holding of such conventions, their determination to hold primaries by ward, precinct or groups of precincts, to be held on the last Tuesday in March, is as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged in alphabetical order of the name of the ward or town, and then by the name of the delegate, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, and any member by the remaining members of the delegation; and statement of filing of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by state districts, and order of business at said conventions defined.

Yoting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates, unless any member of such group objects.

The number of members at large of a state committee, to be fixed by the state convention of a party instead of by the state

MORTGAGEE'S SALE OF REAL ESTATE

tue and in execution of the
contained in a certain

virtue and in execution of the Power
 in a certain mortgage given by
 Richard J. Clark, Treasurer of the
 Middlesex South District Deeds,
 Book 191, Page 312, which mortgage
 undersigned is the present holder,
 each of the conditions of said mort-
 gage, the first of which, to wit, that
 the same will be sold at Public Auction

 gage and singular the premises de-
 ded in said mortgage, namely a cer-
 tain quantity of land, to wit, a cer-
 tain situate in Newton in Middlesex
 in Massachusetts and being Lots
 101 and 102, the title to which is set
 down on a plan of lots made by A. L.
 dated December 20, 1910 recorded
 in the Middlesex South District Deeds,
 Book 190 as Taft Avenue and of
 Plans 190 as Taft Avenue and bounded
 as follows:
 easterly by Taft Avenue ninety-
 five and 6/10 (95.6) feet;
 westerly on a ten-foot cor-
 ner one hundred twenty-one and 8/10
 feet;
 easterly on Lot 121 on said plan
 forty and 2/10 (40.2) feet;
 southerly on a ten-foot corner by part
 of Lot 122 and by Lot 64 on said
 plan one hundred ten (110) feet;
 and easterly by a line of said Arthur J.
 Clark had the right to convey of all
 the lands and ways shown on said plan in
 and to which the title is set down
 on said plan and subject to all
 the rights of all of said lot owners to
 the use and enjoyment of the same
 by and through the said Arthur J.
 Clark. Being the same premises con-
 veyed to said Arthur J. Richard by Mau-
 requette by deed recorded in Book
 191 and by Daniel C. Flynn
 recorded with said Deeds in Book
 192. Said premises will be sold
 at and at unpaid taxes and other
 charges and assessments.

Commonwealth of Massachusetts
 Essex, ss. Probate Court
 In and for the County of Essex, ss. of and between the
 heirs and assigns of the late John C. Salomonson, deceased,
 and all other persons interested in the estate
 of said deceased,
 vs.
 Maurice W. Salomonson
 Defendant.
 WHEREAS, a certain instrument pur-
 porting to be the last will and testa-
 ment of said deceased has been presented to
 said Court, for probate, by Isabelle W.
 Salomonson, who claims to be the ex-
 ecutrix named therein, and to whom an ad-
 ministration may be issued to her, the ex-
 ecutrix therein named, without giving a
 bond, and for other official purposes,
 and she is hereby cited to appear at a
 session of said Court to be held at New-
 ton, County of Middlesex, on the
 fifth day of November A.D. 1932, at
 ten o'clock in the forenoon, to show
 cause why she should not be appointed
 executrix, you have, why the same should not
 be granted.
 And the said petitioner is hereby directed
 to give public notice thereof, by publish-
 ing this citation once in each week, for
 three consecutive weeks, in the New-
 Bedford Evening Express, a newspaper published in New-
 Bedford, the last publication to be on day
 preceding the day of said session, and to
 mail, by registered mail, postage pre-
 paid, or delivering a copy of this
 citation to all persons known to be in-
 terested in the estate, seven days at least before
 said session.
 Witness my hand and the seal of said Court,
 this 10th day of October, 1932.
 John C. Leggat, Esquire, First
 Justice of said Court, this fifth day
 of October in the year one thousand nine
 hundred and thirty-two.

late of Morse, distant 100 (60-98) feet South.

and the heirs-at-law, next of kin and
 other persons interested in the estate
 of said deceased.

Clara C. Dunn
 of Newton in said County, deceased.
 WHEREAS, a certain instrument pur-
 porting to be the last will and testament
 of said deceased has been presented to
 said Court, for probate, by Mary E. Dunn
 claims that letters testamentary may
 be granted to her, and she has been ad-
 vanced, without giving a surety on her
 al bond.

Therefore, she hereby cited to appear at a
 said Court to be held at Cambridge,
 said County of Middlesex, on the
 said day of _____, at _____
 o'clock in the forenoon, to show
 cause, if any you have, why the same
 should be granted.

And said petitioner is hereby directed
 to publish notice thereof, by publi-
 cation in the New York Herald Tribune
 for successive weeks, in the Newton
 News, a newspaper published in said
 County, the last publication to be one day
 before said Court, and by mail-
 ing to each of the persons interested
 in said estate, seven days at least before
 said Court.

In witness, John C. Leggat, Esquire, First
 Justice of said Court, this twenty-first day
 of _____, in the year of our one thousand nine
 hundred and thirty-two.

SARAH HULL CHAPTER D. R. BEGINS ACTIVE SEASON

Sarah Hull Chapter, Daughters of the Revolution, enjoyed their first meeting of the season last Wednesday afternoon, when Mrs. Ralph C. Emery opened her old colonial home for the event. A large number of guests were entertained by the members. Following the customary salute to the flag, there was the pleasing innovation of having the musicians play "America The Beautiful".

The corresponding secretary, Mrs. Robert J. Estabrook, read letters of appreciation thanks for gifts of money, from various organizations, including Pine Mountain School of Kentucky, and Mrs. Anna C. M. Tilghast for immigration work at her station. She also read a letter from Mayor Sinclair Weeks, of Newton, inviting the Chapter to participate in the dedication of the new City Hall on November 11th.

Mrs. Walter C. Whitney, Vice-Regent, reported on the financial success of the rummage sale held last May, and Mr. Marietta P. Reid reported on the presentation of gold pieces to the winners in the High School and Junior High Schools of the city in patriotic contests sponsored annually by the chapter. Mary Louise Eddy was awarded the prize for the high school student in the senior class having the highest average for last year in American History, and those who won the prizes for the best essay written on the subject "How Can I Make My City A Better Place In Which To Live" were Antoinette Meyer, first, and Austin Baker, second, in the Frank A. Day Junior High School; Russell Werby, first, and Betty Marvin, second, in the John A. Weeks Junior High School; and Marion Wells, first, and Philip Gates, second, in the Levi Warren Junior High School.

The regent reviewed some of the events of the six months vacation period since the members had met, paying tribute to three valued members who had died in that time: Miss Helen L. Wells, Mrs. Warren F. Gregory, and Mrs. Stephen Holmes.

The Chapter appointed Miss Gertrude Ensign, Mrs. George G. Webster, and Mrs. Ralph C.

The tree was an old one having been planted by the late Wilfred Wetherbee when he was a boy.

Friday afternoon.
—Walter A. Beedle of Browne street, Brookline, formerly of Breemore road, Newton, died on Nov. 1st. He was in his 67th year. He was a native of Ohio and for 32 years had been associated with the Ivers & Pond Piano Company.

—Francis D. Navien, 14, son of Thomas A. Navien of the Massachusetts Wharf Coal Company, was hit and fatally injured at Waltham yesterday by a car driven by Frederick N. Foss of South Sudbury. The boy died at the Waltham Hospital several hours after he was struck.

—More than forty men of the Channing Church held a get-together dinner with Rev. Mr. Cole, the new minister who is supplying the pulpit for the winter, on Tuesday evening. Mr. Cole spoke on "Liberal Religion of the Future." Plans for the winter were also discussed.

—Mrs. Charlotte B. Winchester entertained over fifty guests at a musical-ale last Tuesday afternoon at her home on Pembroke street. Madame Ronimus of Brookline sang, as did Dorothy Peterson Raynor of New York, well known dramatic soprano.

—Mrs. Joseph P. Doody, of Fort Wayne, Ind., composer and pianist, was among the guests.

Week Day Church School Enrolls 108

One hundred and eight boys and girls from five different churches were registered in the Newtonville Week Day Church School held Tuesday afternoon in the Newtonville M. E. Church, under the auspices of the Newtonville Council of Religious Education. This is the largest enrollment in the history of the school. All teachers have taken college work in the field of education and are capable of bringing to the boys and girls the best material available.

Many requests have come to the Directors of the School for a kindergarten class. Mr. L. W. Bruemmer, president of the Newtonville Council, hopes that when the second semester of the school opens on January 3 in the Central Congregational Church, provision for the younger children will be made. The school is under the joint leadership of Messrs. Koubler and Johnson, directors of religious education in the Central and Methodist Churches.

Rotary Club

Dr. William E. Gardner of the staff of Trinity Church in Boston, was the guest speaker at the regular meeting of the Rotary Club on Monday at the Woodland Golf Club. Dr. Gardner spent several months in Rome the past summer where he was in charge of the congregation of the three English speaking churches there. He gave an interesting picture of the Mussolini regime in Italy and characterized it as the greatest experiment ever tried in government. It has been in power for just a decade and it has come into a new place in the world.

Dr. Gardner discussed several of the important issues in Italy, namely education, recreation, industry and Mussolini.

Fine Riley Home Damaged by Fire

The magnificent residence of Charles E. Riley at 93 Bellevue street, Newton, on the summit of Mount Ida, was seriously damaged by fire on Sunday afternoon. The fire started above a fireplace in one of the rooms on the first floor and was apparently caused by a chimney defect. It worked up inside the wall of the house and broke out on the second floor and attic. The damage amounted to several thousands of dollars. When the fire was discovered a telephone call was sent to fire alarm headquarters and an alarm was sounded on Box 19 at 1:56.

VESPERS AT CENTRAL CHURCH

A Community Vespers will be given at Central Church, Newton, next Sunday at 4 p. m. Miss Gladys Avery, Soprano; Mrs. Kenneth Hastings, Violin; Mrs. Watson Baker, Cello; Mrs. Payson Allen, Pianist; Miss Lillian West, Organist are the musicians. The public is cordially invited.

Recent Weddings

VAN LAW-GORDON

Miss Elizabeth Alice Gordon, daughter of Mr. and Mrs. Charles B. Gordon of 126 Summer street, Newton Centre, was married to Jesse Mead Van Law of Lima, Peru on Saturday evening, October twenty-ninth at eight o'clock in the First Church in Newton, Newton Centre, Rev. Dwight Bradley performed the ceremony. The bride was given in marriage by her father, D. Ralph McLean, organist, played the wedding music.

The bride wore a gown of white gold thread lace cut on simple lines with a train of lace and a tulle veil which fell from a cap of lace. Mrs. Allan Miles Cate of Needham, sister of the bride was the matron of honor. She wore chartreuse triple sheer crepe with matching capelet trimmed with ostrich feathers. The other attendants were Mrs. Harry B. Milner and Miss Florence Bagby, both of Newton Centre, Mrs. F. Kimball White of New Bedford and Miss Janice L. McEntee of Brookline, New York. They wore long flowing gowns each of a different color, one in apple green, one in ciel blue, one in chalk peach and the other in citron yellow, and all carried pompon Chrysanthemums in varied shades.

Edward Tanner of New York was the best man. The ushers were John Pratt of Newton Centre, Allen Miles Cate of Needham, Edward Scheiderhelm of Chicago, Ill., and Parker H. Smith of Brookline.

Following the ceremony a reception was held at the Brae Burn Country Club.

Mr. and Mrs. Van Law left for New York where they will sail on the S. S. Santa Clara for Cristobal and from there they will fly to Lima, Peru where they will make their home at "Panagra."

The bride is a graduate of the Connecticut College for Women, class of 1928. The groom is a graduate of Cornell University, class of 1927. He is the son of Mr. and Mrs. Carlos Whittey Van Law of Evanston, Ill., formerly of Newton Centre. He is now engaged as a traffic engineer for Pan-American Airways, Inc., in Peru.

STEARNS—NOYES

The marriage of Miss Pamela Libby Noyes to Mr. Charles Liscomb Stearns took place on October twenty-second at the home of the bride's parents, Mr. and Mrs. Gilbert Haven, of Chestnut Hill. Dr. Ashley Noyes Leavitt of Brookline officiated at the ceremony which was attended only by the immediate families of the bride and groom and a few close friends.

Acting as matron of honor for Miss Noyes was Mrs. E. Peter Stames of Waban. Mr. Lawrence E. Stiles of Brookline was the best man.

The couple will make their home at 143 Oakdale road, Newton Highlands and will be at home to their friends after December the first.

The bride is a graduate of Newton High School class of 1926 and was a graduate from the Garland School in Boston in 1928.

Mr. Stearns was graduated from the Huntington School and was a member of the class of '29 at Bowdoin College. He belongs to the Theta Delta Chi Fraternity.

DAVIS-WING

Miss A. Millicent Wing, of 82 Oxford road, Newton Centre, was married Oct. 29th at her parents' summer home at Sheepscot, Maine, to A. Gordon Davis, of Falmouth, Mass., and Meriden, Conn. The beautiful old Colonial house was decorated with evergreens and white chrysanthemums, and open fires added to the good cheer. Miss Wing wore her mother's wedding dress. The young couple were attended by Mr. and Mrs. Winthrop Davis, of Lynn. Miss Wing is a graduate of Skidmore College, and Mr. Davis of Brown. After the wedding trip they will be at home to their friends in Meriden, Conn., where Mr. Davis is connected with the International Silver Corporation.

MUNSEY—GILES

Miss Elsie Elizabeth Giles, daughter of Mr. and Mrs. John Giles of Chestnut street, Upper Falls, was married to Henry Munsey, Jr., son of Mr. and Mrs. William H. Munsey of Warren street, Needham, were united in marriage at the parsonage of the First M. E. Church, Upper Falls, by the pastor, Rev. G. Vaughn Shedd, on Tuesday, October 24th, at 4 p. m. The bride was attended by her sister Miss Dorothy Giles of Upper Falls, and William Cassidy of Needham was the best man.

Mr. and Mrs. Munsey will reside on Green street, Needham.

SINFONIETTA WILL PRESENT ATTRACTIVE PROGRAM

The program of the Boston Sinfonietta which is to be given under the direction of Arthur Fiedler at the Stearns School on Sunday afternoon, November 13, will be very attractive to lovers of good music. Mrs. Bernice Fishler Butler has been engaged as soloist and will render selections from Mozart, Rachmanninoff and Handel. The symphony selections will include 104 D Major by Haydn and selections from Delibes, Bolzoni, Grenados and Webber.

MISTOOK COP FOR GASOLINE STATION ATTENDANT

Byron Gay of New York City who writes lyrics was arrested early Wednesday morning at Newton Centre square by Patrolman McCormick. McCormick was standing near a filling station on Beacon street when Gay drove a car up and asked the policeman to pour some water in the radiator. He was arrested charged with driving while under the influence of liquor. He was arraigned in the Newton court on Wednesday and his case was continued.

Rioter Who Asked For Separate Trial Gets Two Months

Larry Visco, 19, of 258 Nevada street, Newtonville, was tried in the Newton court yesterday for his part in the riot of the unemployed at City Hall, West Newton, on October 26. Visco was one of the eleven arrested on the morning of the riot. The other 10 defendants were tried the following morning. They were all represented by one lawyer. Visco was represented by another lawyer who asked that his client's trial be continued as he had some witnesses who were not present in court at that time.

In court yesterday Richard Citrone, 16, of Adams street testified that he and Visco were not with the unemployed marchers, but reached the scene when the riot started. Visco denied that he had taken part in the affair, or that he had hit a policeman. Patrolman Charles Jenkins testified that when he started to arrest Alice Ward, the leader of the riot, young Visco hit him and attempted to rescue Miss Ward. Captain Seaver, Patrolman Cody and Special Officer Mullen of the Newton police testified that Visco was one of the crowd which caused the trouble at City Hall and that Visco was the first to be arrested.

Judge Bacon sentenced Visco to 2 months in prison, and offered to suspend this sentence, but Visco took an appeal. Visco was also fined \$10.

Veteran M. and B. Employee Stricken On Bus at Newton

John O. Crosby of 168 Russell street, Waltham, an employee of the Middlesex & Boston Street Railway for over 30 years, was stricken Tuesday afternoon while operating a bus on the Bemis line. Mr. Crosby had stopped the bus at Hall's Corner, Waltham and was about to take a fare from a passenger when he had a cerebral hemorrhage. Charles Cashman, another veteran employee of the company, who had been relieved by Mr. Crosby a couple of minutes before, was on the bus and observed the condition of his fellow worker. Crosby was removed to his home and died yesterday. He was 62 years of age. He had for many years worked on the Bemis line and because of his courtesy was quite popular with the patrons of this route.

GOLDEN WEDDING

Mr. and Mrs. Charles Gordon Whitcomb of 299 Tremont street, Newton, celebrated their golden wedding anniversary with a reception at their home recently. About forty guests were present including members of the immediate family. A delegation of prominent Odd Fellows came to pay tribute to Mr. Whitcomb's service in the Grand Lodge, I.O.O.F., of Massachusetts, of which he is past grand marshal. A delegation of members of Puritan Lodge, I.O.O.F., and Amara Rebekah Lodge of Braintree, presented Mr. and Mrs. Whitcomb with a purse of gold. Mrs. Ethel Allen of South Braintree made the presentation speech and also read an original poem. The couple received many congratulatory messages.

ATTENTION TO ALL S. W. VETERANS

That are not members of the Thomas Burnett Camp No. 10, U. S. V. V. of Newton, Mass., are invited to participate with us in reference to the dedication of our new City Hall and War Memorial Building on Nov. 11th, 1932. All veterans will meet at 9 a. m. in rear of Hovey street, Newton, Mass. in rear of Massed Colors and members of the Legion of Valor.

YOUNG GIRL COMMITS SUICIDE AT NEWTON

The police ambulance was summoned Wednesday morning shortly after 7 o'clock to the home of Bernard Pullman, 12 Merton street, Newton, to take Marie Salomonia, 19, to the Newton Hospital. The girl had drunk some powerful nicotine solution with suicidal intent. She died at the hospital at 8:45. She was a State Ward and had come to the Pullman home to work as a domestic.

BOWEN BANCROFT SMITH

Bowen Bancroft Smith, formerly of Hovey street, Newton died on October 28th at his late home in Tuxedo Park, New York. He was the son of the late P. Bancroft Smith of Newton and graduated from Massachusetts Institute of Technology in 1890. He practiced architecture for 30 years, retiring 3 years ago. He was a charter member of the Society of Beaux Arts Architects, and a member of the Union League Club of New York. He survived by his widow, Mrs. Ella H. Smith, and a son, B. Hunt Smith of South Orange, New Jersey.

About Town

By Edw. H. Powers

It is a distinct loss to the City of Newton to lose the services of William F. Chase of Temple street, who for the past 3 years has been Alderman-at-Large from Ward 3. Mr. Chase, a life-long resident of West Newton, is a man of high ideals; a man who by ability and perseverance has achieved success in his chosen field of business. He has given freely of his time in civic and philanthropic activities in Newton. Since becoming a member of the Newton Board of Aldermen, he has, on several occasions, displayed a moral courage that a majority of members on the present Board might well emulate. His decision not to run for another term will be learned with regret by those who know him, and particularly by those who have had opportunity to observe his service as an Alderman.

An old resident of Newton told us yesterday that he had visited the new City Hall to pay his respects to City Treasurer Newhall and congratulate him on at last having adequate quarters for the important city department he heads. But, the old citizen, upon observing the cramped space allotted to the offices of the City Treasurer and Collector, extended sympathy instead of congratulations. Probably no department at City Hall has more citizens calling on its office than this department. No department was in more crowded quarters at the old city hall. It is puzzling to try and understand why it was again so limited in office space at the new building; especially when other departments which require much less space have been accorded offices with spacious areas.

We have been requested to give some information regarding the 4th and 5th Representative Districts of Middlesex County. The 4th District includes Wards 1, 2, 3 and 7 of this city. These Wards comprise the villages of Newton Corner, Newtonville, West Newton and Nonantum. The 5th District includes Wards 4, 5 and 6, the villages of Auburndale, Newton Lower Falls, Eliot, Waban, Newton, Upper Falls, Newton Highlands, Newton Centre, Oak Hill and Chestnut Hill. The Republican candidates in the 4th District are William B. Baker and Warren K. Brimblecom. The Democratic candidates are Daniel O'Connell and James Flynn. In the 5th District the Republican candidates are Leverett Saltonstall and Clarence S. Luitwiler. The Democratic candidate is Edward O. Proctor.

The Boston Herald, usually strongly partisan Republican, cannot be accused of unfairness towards Governor or Ely.

It has been the cry for the past three years to censure any citizen heard talking pessimistically about this country's present condition. If our policy were applied to some of our prominent political candidates whose utterances during the campaign have largely consisted of dire predictions concerning the future of the U. S. A., these calamity cries would be hung and quartered.

INTEREST IN ELECTION HIGH

(Continued from Page 1)

his advocacy of a head tax on women. Despite Mr. Proctor's activity, it is quite probable that he will be able to defeat Mr. Luitwiler.

The Republicans have been working from headquarters at 350 Centre street, Newton and 1247 Centre street, Newton Centre and a large number of workers are giving their services. The Democrats have headquarters at 294 Washington street, Newton Corner.

The Republican City Committee is mailing out many thousands of post-cards to voters in Newton urging them to vote the straight Republican ticket. At 1 o'clock on Wednesday a long procession of automobiles started from Newtonville for Boston as a "Hoover Motor Parade." The cars were all operated by women and the parade was sponsored by the Women's Division of the Engineers' National Hoover Committee. The Women's Republican Club of Massachusetts, the Republican State Committee and other Republican organizations. In charge of the parade was Mrs. Galen Cleveland of Newtonville, who was assisted by Mrs. Thomas Nixon Carver, Mrs. Holcomb Brown, Mrs. Henry Wentworth and Mrs. Horace T. Mann. William R. Ferry of Bellevue street, Newton who withdrew his name from the official ballot following the revelations before the Ballot Commission that a certain Democratic politician (without Mr. Ferry's knowledge) had used unethical tactics to use Mr. Ferry's candidacy to injure the Republican candidate for Governor, will run as a Prohibition candidate for Governor on stickers.

Legion To Attend Memorial Mass

Newton Post, No. 48, American Legion, will attend a Memorial Mass at the Mary Immaculate of Lourdes Church, Newton Upper Falls, on Sunday, Nov. 6, 1932. Rev. Fr. Donovan will officiate at the services.

The members of Newton Post will meet at 9:15 on Sunday morning in Newton Highlands square and preceded by the sixty-piece Newton Post No. 48, American Legion Band, will parade to the church in Newton Upper Falls. Commander Harold D. Ames will be the Chief Marshal of the parade. Ovid F. Avantaggio will be Adjutant, and Past Commander Francis J. Barry will be Chief of Staff. Newton Post Band will be in charge of Manager Daniel P. Murphy, with Thomas Cummings as Drum Major.

In the evening the Legionnaires will journey to Providence to attend services at the church of Rev. Herbert E. MacCombie, former Chaplain of Newton Post.

Two Girls Hit By Automobiles Wednesday Night

Helen Murphy, 19, of 59 Eliot street, Newton Highlands was hit on Wednesday night about 9 at Newton Corner by a car driven by Frederick Graves of 294 Highland avenue, West Newton. She was removed to the Newton Hospital in the police ambulance. The girl was crossing Washington street when the accident occurred.

Helen Worden, 10, of 1921 Commonwealth avenue, Auburndale was hit by a car at 6 o'clock Wednesday evening as she was crossing Auburn street. She received an injury to her knee. Patrick Bianchi of Framingham, driver of the car, stated that the girl ran from behind another automobile.

Newton Man Loses \$35,000 in Kansas

Edmund Aronson of Mandalay road, Chestnut Hill, was robbed of diamonds valued at \$35,000 at Wichita, Kansas, on Wednesday. Aronson, who is in the diamond business, was on a trip through the West and left the jewels in a bag in his room at a hotel when he went to lunch. When he returned to the room the bag had been stolen. Insurance against loss of these diamonds had expired two weeks previously.

NEW HARDWARE CONCERN OPENS

Mr. Alexander Davidson, Jr., under the firm name Davidson Hardware Company, has taken over the stock of the late William L. Ellis of Walnut street, Newtonville, and will conduct the business at its old location.

Mr. Davidson has had wide experience in the hardware business, both wholesale and retail. For the past six years he has been connected with a prominent hardware concern and has resided in Newtonville for the past 12 years. A cordial welcome is extended to the community to visit the store.

Newton Aldermen Hold Final Meeting At Old City Hall

Four Former Mayors and Over Sixty Ex-Aldermen Attend Farewell Session

The final meeting of the Board of Aldermen to be held in the old City Hall at West Newton occurred on Monday night. In addition to Mayor Weeks and the present Board of Aldermen, four former Mayors and 60 past members of Boards of Aldermen were present. The ex-Mayors in attendance were Henry E. Bothfeld of Sherborn, who was Mayor back in 1895; Judge Alonzo R. Weed of Newton who was Mayor in 1904 and 1905; Charles E. Hatfield of West Newton who was Mayor from 1910 to 1914, and Edwin O. Childs of Nonantum who was Mayor from 1914 to 1930.

The following is a list of the ex-Aldermen and Common Councilmen who attended, and the year in which they became members of the City Govern-

ment: Allen, 1915; Blakemore, 1910; Bartlett, 1913; Ball, 1921; Albert P. Carter, 1902; Hubert L. Carter, 1917; C. D. Cabot, 1904; Harry D. Cabot, 1912; Condrin, 1907; Crosby, 1924; Cole, 1916; Cook, 1918; Bailey, 1896; Barber, 1902; Bacon, 1907; Barker, 1910; Blanchard, 1913; Bentley, 1916; Bliss, 1925; Calkins, 1911; Doherty, 1905; Ellis, 1903; Pitts, 1923; Harri-man, 1915; Hickey 1920; Hinkley, 1925; Lyons, 1907; Earle, 1922; Heard, 1910; Hollis, 1916; Heathcote, 1919; Holt, 1918; Lowell, 1897; Leahy, 1924; McCarthy, 1916; Murphy, 1911; Melcher, 1921; Mansfield, 1930; Nichols, 1918; Madden, 1918; Nagle, 1897; O'Connell, 1923; Parker, 1923; Norton, 1923; Pratt, 1920; Prior, 1928; Powers, 1928; Richardson, 1913; Stone, 1895; Smith, 1922; Tolman, 1893; Webster, 1902; Weston, 1904; Winslow, 1913; Whidden, 1917; Walton, 1924; Woodcock, 1928; White, 1904; Wagner, 1914; Young, 1920.

The meeting was called to order at 8:15 by President Collins of the 1932 Board of Aldermen who requested the ex-Mayors to sit on the platform together with Mayor Weeks. The few routine matters before the Board were then acted upon. Appropriations made included the following—Water Department for excavating filtration bowls at Needham reservation and equipping with pumps, etc., \$10,200; Playground Department, emergency work for unemployed at Cold Spring playground, \$2000, at Edmunds Park, \$2500; Welfare Department, aid of poor outside City Infirmary, \$5000, care of sick-poor, \$1500, old age assistance, \$1200.

Three jurors were drawn to serve at sessions of the Superior Court in December. The names drawn were Ernest C. Hillard, 13 Ware street; Ralph C. Morse, 188 Derby street, West Newton; Henry L. Hardy, 22 Randlett park.

President Collins said that Newton has always been proud of the fine type of men who served on her city government. He then turned the meeting over to ex-Alderman George W. Pratt of Newton Centre. Mr. Pratt (Continued on Page 3)

Mayor Weeks Issues Red Cross Proclamation

"There is one world wide humanitarian organization which is entitled to full public support under all conditions and I therefore, again urge all citizens of Newton to continue the support they have given annually to the American Red Cross.

"In times of distress and disaster, this organization works unceasingly to relieve suffering and in my opinion there was never more need for co-operating in the work that the Red Cross is called on to do here and abroad.

"Join the Newton Chapter. Registration begins this year on Armistice Day, November 11th, and members will be enrolled until Thanksgiving Day. "The Red Cross is America's greatest expression of public sympathy. Every citizen of Newton should be a member." (Signed) SINCLAIR WEEKS, Mayor, City of Newton.

New City Hall and Memorial Will Be Dedicated Today; Big Military Parade at 9:45 A.M.

Governor Ely, Congressman Luce and Other Notables Will Assist in Dedictory Exercises

The dedication of the new City Hall and War Memorial, a long anticipated event in Newton, will take place this morning with a program to open with an Armistice Day parade. The parade, which will include the local military and affiliated organizations, as well as a number of bands, infantry, marines, cavalry and other detachments will start at 9:45 A. M. from a point on Washington street,

review of the invited guests. A grandstand has been erected on the reservation on the avenue near the intersection of Beaumont avenue, facing the entrance to the War Memorial. The chief marshal, Brigadier General Daniel Needham, and his staff will turn left into Homer street where they will dismount and review the parade. The various units will proceed under orders with the

invited guests who will be present include the Gold Star mothers and fathers, present and past city officials and representatives of various civic organizations. Due to the limited seating capacity of the Memorial Hall and Aldermanic Chamber amplifiers have been erected outside the building in order that the public may have a part in the exercises. At the conclusion of the ceremonies

NEWTON'S NEW CITY HALL AND WAR MEMORIAL

near the fire station at Newton Corner.

The route of the parade is Washington st. to Newtonville sq. turning left on Walnut st. and proceeding to Commonwealth ave. where it will halt. The band of the First Corps Cadets will leave its position and proceed to the entrance of the War Memorial where brief memorial ceremonies will be held at 11 o'clock. These ceremonies will include Taps, a 21-gun salute and the bugle call—"To The Colors." The band will play the Star Spangled Banner while the flags are being raised. The band will then return to its position and the march of the parade will be resumed along Commonwealth avenue, passing in

front of the new building. At the dedicatory ceremonies of the city hall and war memorial which will be held inside of the new building Congressman Robert Luce will be the speaker. Others will be Governor Ely, Mayor Weeks and high ranking officers of the U. S. Army, Navy and Marine Corps. Rev. Everett C. Herick, president of the Andover-Newton Theological School, will deliver the invocation and Rev. Louis J. Gallagher, S.J., president of Boston College, will offer the benediction.

Veteran units participating in the memorial exercises. Units of the Army and National Guard will proceed to Clafin Field for mess. From 10:00 to 10:30 the 26th Division Air Service will fly over the new building.

the city hall will be open for public inspection with a number of boy scouts acting as guides.

Following the services city officials will be tendered a luncheon at the Brae Burn Clubs as guests of the city.

A program of veteran activities is planned for the afternoon on Clafin Field. At the Dickinson Stadium there will be a band and drum corps contest in which many musical organizations from many cities in the State will compete for valuable prizes.

In the evening the annual Armistice Day Ball will take place at the State Armory, West Newton. It will be one of the most elaborate parties of its kind with several unusual features being planned.

Injured In Auto Crashes

Cars driven by John McLaughlin of 11 Washington terrace, Newtonville, and Frank McNamara of Marlboro street, Newton, collided Monday night at the intersection of Beacon and Walnut streets, Newton High-

lands. McLaughlin received a cut on his head and a shoulder injury. He was taken to the Newton Hospital. This collision occurred at 7.25.

About 6.45 at the same intersection, which has a wide-open view from all approaches, a collision occurred between cars operated by Clarence Hill of Wellesley and Samuel Feinstein of Framingham. It was reported that in this accident Laura Hill of Wellesley was injured.

Petition Again For Gas Station

The Standard Oil Company of New York, through its attorney, Herbert Parker of Lancaster, has entered another petition asking to be permitted to alter the property at 552-564 Commonwealth avenue, Newton Centre so that it may be used as a large outdoor gasoline filling station. Some weeks ago the Board of Aldermen refused a similar petition from this company.

Auto Hits Woman

A car driven by Alice Dickerman of 85 Parker street, Newton Centre, hit Margaret Fanning of 31 Auburn street, West Newton, on Parker street, Newton Centre, last Friday evening. Mrs. Dickerman reported that she did not see Miss Fanning and her first knowledge that the car had hit anyone was when some object hit the windshield. The object was one of Miss Fanning's shoes. Miss Fanning was taken to her home by Mrs. Dickerman and treated by Dr. Brady. She received a shoulder injury.

Compliments TO THE CITY OF NEWTON On The Dedication of its NEW CITY HALL AND WAR MEMORIAL

As you inspect the New City Hall and War Memorial, may we call your attention to the Finish Hardware we supplied on the doors of this Beautiful Building. Notice the appropriate Colonial Design, Brass and Wrought Iron Locks in the Aldermanic Chamber and Mayor's Office. The gracefully patterned Brass Door Knobs and Escutcheons throughout the building are characteristic of this Architectural Period. Observe how perfectly and smoothly the improved hinges swing and control the doors.

After careful study and cooperation with the Architects, each piece of hardware was selected to meet its particular mechanical requirement and be of design to harmonize with its surroundings.

We supplied throughout the building YALE locks of maximum security involving a highly developed masterkey system of the greatest convenience.

Newton Gives Hoover Larger Majority Than In Election of 1928

94 Per Cent of Registered Voters Go To Polls—City Maintains Its Republican Loyalty

One of the few places to withstand the Democratic onslaught on Tuesday was Newton. It gave large majorities to all Republican candidates; it even increased the majority for President Hoover over that he received here in 1928. While the number of votes cast was larger than in 1928, the percentage of registered voters who went to the polls was smaller. In 1928, out of 29,952 voters, 28,798 went to the polls; a percentage of 96. On last Tuesday 30,192 ballots were cast, showing that 94% of the registered voters in the city performed their civic duty.

President Hoover received 19,892 votes in the city on Tuesday as against 9514 polled for Roosevelt. Thus the President was given a majority here of 10,378 over his successful opponent. In 1928 Hoover had a majority in Newton of 7638 over Smith. Governor Ely ran ahead of his ticket in the city, receiving 11,975 votes; Youngman received 17,248. Congressman Luce was given a large majority here, and he needed it to offset the votes obtained by Deitrick in other parts of the new 9th District. Luce failed to carry his home city, Waltham by 277 votes and he ran over 3500 behind Deitrick in Cambridge, lost Watertown by over 1000 and was 6397 behind in Ward 22, Boston. Brookline, Wellesley and Weston majorities aided the Newton vote. State Senator Arthur W. Hollis again proved his popularity by getting the second highest vote cast for any candidate. His total was 20,040 as compared with 7981 cast for his opponent, Hutch. The Republican candidates for Representatives to the Legislature all won easily, as was expected. Despite an energetic campaign, Edward O. Proctor failed to run close to Clarence S. Luitweiler in the 5th Middlesex District.

In the contest for Lieutenant Governor, Newton gave Caspar Bacon a lead of more than 10,000 over Swift. Bacon polled 19,776 and Swift 9342. For Secretary of State Fred W. Cook received 19,631 votes and J. F. Buckley 9094. For State Treasurer Francis Prescott, the Republican nominee and a former Newton man, polled 18,584. The Democratic candidate, C. F. Hurley, polled 10,215. For State Auditor, Alonzo Cook, the candidate who regularly captures the Republican nomination, was given 15,588 votes and his opponent, Francis X. Hurley received 12,457. Attorney General Joseph Warner polled 19,627 votes and the Democratic candidate, J. F. Buckley received 8933.

In the contest for councillor of the 3rd District between Mrs. Esther Andrews of Brookline and Mrs. Jessie Brooks of Cambridge Mrs. Andrews received 18,860 votes and the Cambridge woman 9314.

In the votes on the referendum Newton citizens displayed good judgment in polling a large majority against the proposed law which would permit chiropractors to practice in this State. They also gave a big majority in favor of changing the primary law, and they went strongly for the elimination of "Lame Ducks." In the 4th Middlesex District a majority was cast against instructing the Representatives to vote for unemployment insurance.

An interesting sidelight of the vote in Newton was the fact that William R. Perry of this city who ran on stickers as the Prohibition candidate for Governor, received 10 votes.

The veteran sheriff John Fairbairn was top man on the ballot. He received 20,070 votes in Newton. The other county candidates all received big majorities here.

It is probable that the polling hours in Newton will be changed. Because of the lateness of closing, 8 o'clock, it is likely that the closing hour will be changed to 7, which is amply late (Continued on Page 4)

WARNING

CITIZENS OF NEWTON

The State Law provides that solicitors for funds for charitable purposes must obtain permits from the local Department of Public Welfare. The only permit so issued in Newton is to the Newton Community Chest, Inc. The drive for funds will begin on Wednesday, November 16th. The solicitors for this fund, who are donating their services, are all public spirited men and women, who are known in the sections in which they are to solicit. They will have proper credentials and a supply of the standard pledge cards as adopted by the Community Chest.

Beware of fraudulent collectors. If you are in doubt telephone to West Newton 0897.

SPORT NOTES
Powers Leads Green Scorers
Wilbur Powers, Newton Centre youth starting on the Dartmouth varsity football team, is high scorer for the Green with five touchdowns for a total of 30 points. He is followed by Sammy Fishman of Malden with 24 points. In contrast to recent years when the Green has had a single individual among the high scorers of the East this season the Green has none as its total points have been split up among fifteen players.

THE WEEK IN NEWTON SPORTS

NEWTON CLINCHES LEAGUE TITLE BY DEFEATING RINDGE

Newton High practically clinched the Suburban league title by defeating Rindge Tech 20-7 in a thrilling game at the Dickinson stadium last Saturday. The first half of the game was about as nip-and-tuck an affair as one could imagine. Captain Huston of Newton put Rindge on the defensive early in the first session with a wellplaced punt to the 10-yard line and a few moments later Rindge recovered a Newton fumble near midfield and the picture changed. With Captain Vito Ananis of Rindge leading the attack the visitors began a march which led to a touchdown. Donabed scoring on a reverse play from the 11-yard line. Ananis tossed a pass to Chet Smith for the point just as the period ended.

Newton was not discouraged and retaliated with a courageous drive which the visitors could not resist. Huston, York and McCarthy alternated in tackle slants, sweeps, and line plays to pick up five yards or more at a clip. Four consecutive first downs put the ball on the Rindge six yard line. Huston cut the distance in two and McCarthy carried to the 1 yard line. With Herbert opening a hole Huston went over for the score. Kevorkian attempted a place kick which went astray and Rindge still led, 7 to 6.

Rindge came back with another march which seemed destined to result in another touchdown as interference with a pass by a Newton back gave Rindge the ball on the Newton 3 yard stripe. It was fourth down, however, and Rindge elected to try for a placement goal. Ananis made the attempt with quarterback Stobo holding the ball. Bill Cusumano, Charlie Thompson and a couple of other Newton linemen were on top of Ananis like a flash to block the ball which bounced back towards midfield. "Red" McCarthy led the pack after the oval as it bounded along and scooping it up set sail for the Rindge goal line 60 yards away. Stobo was the only Rindge lad near the Newton back and with a pretty block Finberg cut him down and McCarthy was unimpeded on his run. Huston dropped the goal for the point after to give Newton a 13 to 7 lead.

Following the kick which Rindge received Ananis got through the Newton line on a tackle play and into the clear. Palmer York, Newton's sprinter, had the speed to overhaul the visitors captain and pulled him down on the 18-yard line. Newton again led, 13 to 7. Huston aided Rindge in getting down within a few yards of the Newton goal. Newton stiffened and on fourth down a hard pass from centre bounded off Ananis' chest and rolled outside the field of play. Thus ended the half.

The second half was practically all Newton with ball being continually kept in Rindge territory. Receiving the kickoff opening the third period Newton assured itself of victory with an irresistible march of 65 yards. The feature was a short pass from Huston to York which shook the latter free for a 30-yard run to the Rindge 11 yard line. Huston and McCarthy alternated to reach the goal McCarthy going over from the 1 foot line. Huston added the point by drop kick. Rindge appeared reconciled to defeat and failed to make any headway with its attack for the rest of the game. Newton threatened again in the closing minutes when Walter Rich recovered a free lateral on the Rindge 13-yard line. Three downs gained eight yards and a pass over the goal was barely completed on the final play of the game.

First Period
Captain Huston kicked off to Pozorycki, Rindge fullback, who ran the ball back 22 yards to his 30-yard stripe. Donabed took the ball from Captain Ananis on the old Statue of Liberty play on a sweep across the end and Palmer York ran the Rindge halfback out of bounds. The gain was just 10 yards. A lateral from Dergay to Ananis and a line play by the latter which McCarthy halted gained but 5 yards and Rindge kicked. Huston received the ball on his 35-yard line and ran it back 10 yards before being tackled. On the next play Rindge drew a five yard penalty for offside play. A Huston to Miller pass was incomplete and as Huston could get but three yards on the next play he kicked to the Rindge 10-yard stripe where Art Murphy downed Donabed before he could get started. McCarthy attempted a forward pass as a surprise play which acted as a boomerang when McCarthy intercepted the ball on the 20-yard line and ran it back 4 yards. An outside play was wasted and Huston and York could gain but five yards in two plays. A backward pass from Huston to York and an end sweep was stopped for no gain and Rindge took the ball on downs on their 10-yard marker. Dergay picked up four yards and Ananis but one on tackle plays and a punt was in order. The pass from centre was low and Pozorycki fumbled to recover on his 2-yard line. The next attempt to kick was successful and Huston ran it back a few yards to the Rindge 30 before being stopped. Roscio of Rindge recovered a Newton fumble on the Rindge 35-yard line. Ananis swept around his right end for a 12 yard gain. Two plays failed to gain and Ananis kicked, the ball going outside on the Newton 40-yard line. McCarthy fumbled and Rindge recovered again. Three plays gained about seven yards and then Ananis was off on a long run down the sideline. York outran the Rindge star to push him outside on the 12-yard line, after a 30-yard gain. On second down Donabed on a reverse play outran the Newton secondary on a jaunt around left end over the goal line

for a touchdown. Ananis tossed a pass to Smith for the point on the final play of the period.

Second Period

Francis kicked off for Newton and Ananis ran it back to his 35-yard stripe. A lateral with Ananis carrying gained 5 yards but on the next play Kinrade got through to the line and a 2-yd. loss. Pozorycki kicked to York on the Newton 43-yard line and Newton showed its courage by launching a drive. A Huston to McCarthy pass gained 16 yards. Huston hit left tackle for 6 and a Huston to York criss-cross added three more. Huston on a spinner made it first down on the 30-yard line. In two line plays McCarthy gained 7 yards. Huston made it first down again with another 5 yard tackle slant and another first down. The Huston to York criss-cross made 5 yards more and McCarthy plowed his way for 7 yards and a first down on the 6 yard line. Huston hit the line for 4 yards and McCarthy 3 to bring the ball within a foot of the goal. Huston went over behind Hebert. Kevorkian missed the point after and Rindge had a 7 to 6 lead. Francis kicked off and Pozorycki ran it back to his 35 yard line. Ananis, Dergay, and Donabed began to click and four consecutive first downs brought the ball to the Newton 11 yard line. The feature of the advance was a 17 yard gain on a pass from Ananis to Dergay. Newton held for two plays and then Ananis tossed another pass. Interference on the Newton 8 yard line gave Rindge the ball at the point of interference and they had one down left. Standing on his 18-yard line Ananis attempted the place-kick which Cusumano and other Newton linemen blocked and which McCarthy turned into a Newton touchdown as described. Huston dropped the ball to set the score at Newton 13 to 7. Rindge kicked off and McCarthy began another march which Newton could not resist. On the first play after the kickoff Ananis slipped through his right tackle and was off down the sideline with a clear field ahead again. Once more York overhauled him and dragged him down on the Newton 18-yard line. Kevorkian nailed Dergay for a 3-yard loss but a 15-yard penalty against Newton put the ball on the 7 yard line. Kinrade held Ananis for no gain and Huston stopped Dergay at 2 yards, picking the Rindge back up on his shoulders and carrying him back three or four steps. Cusumano stopped Stobo on the 2-yard line and McCarthy ran from centre hit Ananis on the chest and bounded into the end zone and off the side of the field for a touchdown. This play ended the half.

Third Period

Ananis kicked off and McCarthy ran the ball back 15 yards to the 35-yard line. A criss-cross with York carrying gained three yards and then York ran left end for 9 and a first down. McCarthy picked up 4 yards and Huston 5 on a spinner. McCarthy plunged for 3 yards and a first down on the Rindge 13-yard stripe. Two plays, on an incomplete pass McCarthy to Huston to York, failed to gain. Huston then tossed a flat pass to York and the latter swept right end for a 30-yard gain to the Rindge 11-yard line. York had a clear field as Cusumano blocked Ananis out of the picture but in trying to slip step the pair York and McCarthy alternated in three plays which carried to the 1 foot line where it was first down and a touchdown was almost certain. Huston was stopped inches from the goal but McCarthy then went through for the touchdown and Huston dropped the ball. McCarthy kicked and Donabed was brought down on the 26-yard line. The Rindge team seemed tired and failing to gain Pozorycki kicked to Huston at midfield. Dergay intercepted a Huston pass to give Rindge the ball again on the Rindge 40-yard mark. On a lateral which went wrong Bevan recovered to give the ball back to Newton. McCarthy, York and Huston picked up a first down in four plays to the Rindge 27. McCarthy made a gain on the next play but was guilty of hurdling and Newton was penalized 15 yards. Dergay of Rindge recovered a Newton fumble on the Rindge 43 yard line. Failing to gain Rindge kicked to Huston on the Newton 40. Huston ran it back 10 yards and McCarthy York pass was incomplete to end the period.

Fourth Period

Huston kicked to Stobo on the Rindge 28-yard line where the Rindge quarterback fumbled and recovered. Wyche fumbled and recovered for a loss of 3 yards and on the next play McCarthy intercepted a Rindge pass and Huston ran it back 10 yards to the Newton 36. Three plays gained but 6 yards and Huston kicked to Stobo on the Rindge 28 with a 16-yard runback bringing it back to the 44-yard line. A five yard penalty set Rindge back and Stobo kicked to Huston on the Newton 30-yard stripe. A few plays later Huston kicked again and Rindge was back on its 40-yard line. McCarthy intercepted a Rindge pass at midfield. Kulesza and McCarthy gained four yards in three plays and then a pass from centre sailed over Huston's head. The Newton captain recovered for an 8-yard loss but it was Rindge's ball on downs at midfield. Conway intercepted a Rindge pass to give Newton the ball again. McCarthy, Kulesza and York gained eight yards and Huston kicked with Weldo running the ball on the Rindge 13-yard line. Rindge attempted a lateral and when the ball hit the ground Rich recovered to give Newton the ball on the 13-yard line. A Huston to York pass was good for six yards and Huston picked up two more. Kulesza was stopped for no gain on an end run and a Huston to McCarthy pass was incomplete in the end zone for the final play of the game. Newton 20 Rindge 7.

NEWTON SEEMS ASSURED OF LEAGUE TITLE

That the Newton high school football team will win the 1932 Suburban league title seems assured from its 20 to 7 victory over Rindge Tech last Saturday. But two games remain to be played before the league schedule has been completed. They are the Newton-Brookline game at the Dickinson Stadium and the Somerville-Rindge game at Rindge on Thanksgiving Day, Newton having won its three games to date, and having no ties to mar its league record. Somerville has lost one game, that to Newton, and must defeat Rindge to have even an outside chance of tying Newton. In the event that Somerville defeated Rindge it would take a defeat for Newton at the hands of Brookline to bring about a tie between Newton and Somerville. Should Rindge defeat Somerville the outcome of the Newton-Brookline game would have no bearing on the championship. A tie game between Newton and Brookline would also leave Newton with the championship. Consequently with but the one outside chance for Somerville to work into a tie through a win over Rindge and a defeat for Newton by Brookline, the championship is considered as good as determined as Brookline has not only failed to win a league game in its three starts, but it has also failed to score a point. Rindge defeated the Wealthy Towners by a score of 24 to 0, Somerville by 28 to 0, and Latin by 6 to 0.

In recent years Newton's nearest claim to a Suburban league title came in 1926 when Everett was obliged to forfeit three games because of the ineligibility of one of its stars, Dimott, who was overage. The championship was then expected to fall to Newton's lot but after apparently winning it was found that a Newton third string player, who had played but a total of one minute in the Newton games, was ineligible because he was not taking enough credits in his studies. The championship finally came to rest in the lap of the Cambridge Latin team. Last year Newton tied for second with Somerville winning the crown for the third consecutive year.

SPORT NOTES

Jarrel Places Twice
Dick Jarrel, former Newton High runner, now at M. I. T., placed in two events in the handicap track meet at Tech last Saturday. He won one of the two 220-yard races and second in the half-mile race. He is a prospective member of the indoor varsity mile relay.

Get Bridgton Letters
John McCarthy of Newton and Bradford Dyer of Abundance were awarded football letters at Bridgton Academy on Monday morning at the chapel exercises there. Dyer also is on the student honor roll for the first half of the fall term while McCarthy and James Sutcliffe, another Newton youth at the Academy, received honorable mention.

Harris Eliminated
Norman Harris, Newton '29, basketball star and tennis player, was eliminated in the quarter-finals of the M. I. T. tournament in which he was seeded number 5. Harris, now a Tech student, has been playing at number two on the Cabot Tennis Club team the past season.

In Harvard Tourney
Oscar Jarrell, N. H. S. '31, who was number two player on the school tennis team and this past season number 4 on the Cabot Tennis Club team, was put out in the semi-finals of the Harvard Class B tennis tournament.

Johnson Does Well
Stanley Johnson, 1932 outdoor track captain and star at Newton High, is now a freshman at M. I. T. where his father is trainer of the Tech track team. In the class meet Johnson won the 120-yard low hurdles, placed second in the 60-yd. high hurdles, and won the broad jump.

Local Youths Place
In the annual New England intercollegiate cross-country race at Franklin Park last Monday local youths placed for their respective colleges. Fred Burton of Bowdoin placed 11th; Charles Hall of M. I. T. placed 12th; George Lamb of North-eastern placed 16th; David Morris, captain of the Bowdoin harriers, placed 17th; and Donald Bowen of Tufts 38th.

On Brown Freshman Team
Perry Elrod and Norman Appleby are playing in the backfield of the Brown freshman team. Charlie Butler, another local athlete in the yearling class at Brown, is ineligible for football not having passed off a condition. It is expected that he will be available for freshman hockey.

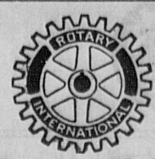

On New Hampshire Freshman
Fred Schipper, former Newton high football captain, is playing center for the New Hampshire freshman team.

At Tilton Academy
Tom Molloy, former Newton football and track athlete, is playing left tackle for the Tilton Academy eleven.

Country Day Ties
Country Day and Roxbury Latin School football teams battled to a scoreless tie last week Friday at the latter's field and as a result the private school football championship is undecided. The game saw-sawed back and forth with each team penetrating to the opposing 25 or 30 yard line only to lose the ball on downs.

Gleason May Start
It is practically a certainty that Francis Gleason, Newton youth, and former Country Day School athlete, will start at right halfback for the Harvard varsity in the Holy Cross game tomorrow.

OLD RIVALS TO BATTLE AT WALTHAM IN ANNUAL GRIDFEST

Rotary Club

Newton and Waltham high school football teams will stage their annual fracas Saturday afternoon at the Waltham athletic field on Bacon street at 2 o'clock. Newton by virtue of its successive triumphs over Quincy, Somerville, Melrose and Rindge, will be a pre-game favorite. Newton's season record to date includes five victories, one tie and one loss while Waltham has won four games, tied one and lost two. The Watch City lost a 13 to 10 game to Somerville which in turn lost to Newton by a 6 to 0 score. Waltham also lost to the strong Haverhill outfit 7 to 0. Last Saturday Coach Leary's eleven was held to a 6 to 6 tie at Medford. The Waltham victories have been chalked up at the expense of Providence Central, Lynn English and Watertown. Newton has scored a total of 102 points against 26 for its seven opponents, less than one touchdown each. Waltham has chalked up 79 points to 37 for its combined opponents.

Regardless of comparative scores of the two outfits the game is sure to be closely fought. The intense rivalry between the two schools always has inspired the underdog while the favorite has often experienced too much confidence. Coming to facts and figures the Newton team has an edge in weight. From tackle to tackle the orange and black line has almost a twenty pound per man advantage. Most of this is due to the presence of Alexander Kevorkian, 195 pounds, and Al Hebert, 190 pounds, at left tackle and right guard, respectively. They will oppose Bauman, 155 pounds, at right tackle and Schwartz, 160 pounds, at left guard for Waltham. The only positions in the line where Newton will be outweighed are at center and at one end. Charlie Thompson is due to start at center against Waltham because of the last year's starting center for the Rindge encounter. It is improbable that Francis will see any action before the Brookline game. George Ellis, Waltham centre, has a 152 to 150 pound edge on Thompson. At left end Ed Grethe, 135 pounds, will start against Anderson of Waltham who tips the scales at 150. From end to end Waltham has no starting player lighter than 150 pounds and none heavier than 164 pounds.

In the backfield Newton has but a slight weight advantage with a 155 pound average against a 151 pound average for the Waltham ball-carriers. Blekatis of Waltham is the heaviest in either backfield with his 168 pounds while Falzone, Waltham fullback, is the lightest. He weighs but 144 pounds.

The greatest advantage Newton has lies in the fact that for four or five weeks running the Newton team has been together as a unit with but one or two exceptions. Waltham has been considerably shaken up by Coach Leary in an effort to develop a more sustained offence. One of the outstanding Waltham weaknesses is in its passing attack. Last week in the Medford game Waltham attempted 15 passes and completed but three of them. The remaining twelve were mostly incomplete with one or two being intercepted by Medford. Newton, in Captain Warren Huston, has an excellent passer with McCarthy, able ability on the receiving end. Tomorrow's game will undoubtedly depend largely upon Waltham's efforts to shake Blekatis loose while Newton will be a constant threat with Huston and York threatening every minute.

A review of the past meetings of the two teams reveals the fact that it will be the 26th game since the first contest in 1904. The games have been annual with the exception of 1918 and in 1926 and 1927. In the 25 games already played Waltham has an edge of 12 wins against 8 for Newton with 5 ties being played. Nine of Waltham's victories, however, were won until 1914 when the orange and black held the Watch City to a tie. Two other tie games followed and in 1917 Newton chalked up its first victory over a Waltham eleven. The victory acted as a tonic for Newton in 1918 and 1919 when it scored in 1919 and 1921. In 1922 Waltham got back on the winning path, but not for long, as the following year a 7 to 7 tie resulted. Newton won in 1924 and 1925 with the latter game resulting in the breaking off of athletic relations for two years. In 1927 and 1928 Waltham had Bill Pennington who personally accounted for smashing victories over Newton. In 1930 a thrilling game resulted in a 7 to 0 verdict for Newton. Last year Newton also won, 19 to 6, in a game which started off with both teams scoring in the first seven or eight plays. Thus, in the past twelve games Newton has won eight and Waltham three with one tie.

Waltham has a marked advantage in the number of players who took part in last year's contest being on deck for tomorrow's affair. These players are Blekatis, Collura, Juskin, Falzone, Van Wart and Harrigan. Kevorkian and Huston are the only two Newton players who took part in last year's affair.

The probable starting line-ups, weights, and numbers:

Newton	Waltham
14 Grethe	135 E.
31 Kevorkian	195 T.
19 Bevan	165 G.
7 Thompson	150 C.
36 Hebert	190 G.
21 Houghton	175 T.
28 Murphy	158 Q.B.
30 Huston	160 Q.B.
12 York	155 H.B.
3 McCarthy	150 H.B.
15 Whitney	155 F.B.
53 Anderson	150 E.
15 Bauman	155 T.
55 Collura	156 G.
22 Ellis	152 C.
60 Schwartz	160 G.
51 Juskin	164 T.
50 Parker	152 E.
59 Strickland	156 Q.B.
3 Harrigan	138 H.B.
64 Blekatis	168 H.B.
67 Falzone	144 F.B.

Congressman Robert Luce was the guest speaker at the regular meeting of the Newton Rotary Club on Monday at the Woodland Golf Club. Wives of many of the members were also guests and the interest with which the address of Mr. Luce was received was marked by the close attention they gave him. President Walter McCammon introduced Mr. Luce.

Mr. Luce began his remarks with the statement that it was not the occasion for a political campaign speech and that he would review the happenings of the past few years in order that the outcome of the election on Tuesday might be better understood. The paramount issue of the recent campaign was whether the Federal government has or has not taken enough steps towards the recovery from the depression and whether or not a change in the administration could do more. The origin of the depression he traced to the World War. At that time all activities were speeded up in order that those at home could produce enough to take care of the sixty million who were engaged in the war. The United States geared itself up to the greatest activity of any nation in history. We fed a considerable part of Europe and when the war ceased we continued to produce for European consumption until countries there could take care of themselves. Thus it came about that soon we were producing more than we could consume ourselves and a resultant shutting down of many factories was inevitable. It is significant that eleven countries felt the depression before we did.

A depression is always followed by political calamity. In the past few years there have been a number of revolutions in various countries. Hostilities broke out in the Orient. The end of the German Republic is threatened and that nation may become Communist or return to a monarchy. Lately we are seeing a great deal of rioting in England. Mr. Luce also noted the part that soldiers have always played in such times for the sole purpose of terrifying the country. It has been so all through the ages and the situation in regard to the bonus army in Washington a few months ago is an ominous sign.

In 1929 the crash came. Many thought it would be short lived. No one at the time could foresee or had a plan to prevent what did occur. President Hoover called together leaders of industry and it was agreed that wages would be kept up as long as possible.

In 1931 we came to realize that it was more serious than at first imagined. Twenty countries became insolvent. All, entirely due to a fear and a lack of confidence.

Mr. Luce described actions of President Hoover in obtaining approval of a plan to postpone the payment of international debt payments in the summer of 1931. He told of the formation of the National Credit Corporation in October of the same year and of the efforts to keep the United States from going into a gold standard after a story, originating somewhere in France, had spread to all parts of the world that this was going to happen and which resulted in a new wave of fear. He described the Federal Farm Loan system and told of his efforts in obtaining passage of the Home Loan Bank Bill.

Mr. Luce also told of the Christmas recess of Congress last winter while millions were clamoring for help and of the formation of the Reconstruction Finance Corporation when gold standard was abandoned. He told of the confusion in the House of Representatives and stated that Speaker Garner was trying to drive a team of wild horses which no man could control. He continued with a description of the defeat of the sales tax, of the passage of a bill calling for but \$40,000,000 reduction in appropriations instead of \$200,000,000 reduction the President had sought.

With a million employees on the governmental payroll, each striving to retain his job, great pressure was brought to bear to prevent consolidation of departments and bureaus. Every president has attempted some such program but none has ever succeeded. Now we must make a common sacrifice—the coming winter is going to be the worst in history. Some progress has been made towards reducing expenditures but not enough.

The President looks upon the Home Loan Bank bill as one of great benefit. The home is the basis of American civilization. The home aids in cementing the citizen to the community.

In concluding Mr. Luce stated that 95% of the legislation enacted is non-partisan and would be enacted regardless of which party is in control. But, the importance of the remaining 5% should not be minimized. It contains the great principles upon which the parties differ. President Hoover believes the wisest course is that of lending money to be repaid. The Democratic principle is to give the money with no intent of its being repaid, resulting in a burden upon the taxpayers. Mr. Luce made a forecast of the future to the effect that there will be a revival of the "money" question. Following the depression after the Civil War there was the formation of the "greenback" party. In the nineties the "free silver" movement came into being. Already proponents of the silver basis are organized. Inside of four years we shall have another controversy over money. Prepare yourself for the fight that is coming over inflation. Mr. Luce appropriately closed his address quoting "Eve of Election" by John Greenleaf Whittier.

Community Chest Campaign Opens Wednesday Night

Plans Laid for Enthusiastic Mass Meeting

The campaign to fill the Newton Community Chest will be formally opened with a mass meeting Wednesday night, November 16. The meeting will be held in the High School Auditorium, Walnut street, Newtonville and the hour will be eight o'clock.

The committee in charge, consisting of Edward Hutchinson, L. A. Bruce, Raymond A. Green, and A. H. Stafford, are planning to make the meeting enthusiastic and interesting. The following speakers are expected to appear: Gov. Ely, Mayor Weeks, Paul F. Baude, Campaign General Chairman; Mrs. Saltonstall, Associate General Chairman; and Leon B. Rogers, President of the Newton Community Chest.

The Auditorium will be decorated with banners and posters. Many of the posters on exhibition will have been made in the public and parochial schools of the city. There will be appropriate music, and the Eagle Scout Circle and Sea Scouts of the Norumbega Council will usher.

An effort is being made by the Committee to have the entire audience seated by eight o'clock, so that the meeting may get under way immediately and generate that spontaneity of action which will assure the immediate success of the campaign which has set as its goal \$275,000.

The first edition of "The Newton Community Chest Call," dated last Saturday and distributed to practically every house in the city by the Boy Scouts, caused much comment. It carried full information about the Community Chest, with stories about the agencies and a tabulated arrangement of the various agencies. The call for the fifteen months from October 1, 1932 to the end of 1933. There were also a number of interesting and pointed editorials.

The campaign plans are progressing most favorably. The huge army of workers gradually takes shape with each village assembling its quota of workers. An Industrial Committee and a Municipal Committee have been added to the other committees to take care of mercantile houses and other corporations in the city, as well as the many workers in the city departments.

An added impetus to the campaign will be the short motion picture trailer shown at the Paramount Theatre in Newton the week of November 20. It will make a direct appeal with the plea to "Give to Help Newton." The huge motogram signs of the "Edison" Electric Illuminating Co. of Boston, overlooking the Back Bay, and of the Chevrolet Company on Beacon Hill, will also carry Community Chest messages during the campaign.

A red and white button bearing the inscription: "Charter Member—Newton Community Chest" will be given to every subscriber, and this is to be known as "Newton's Badge of Honor." The campaign committee will request everyone who receives one to wear it during the period of the campaign, and thus show that he or she has made a gift to the Community Chest.

TO PRESENT "THE WIZARD OF OZ"

The Lend-a-Hand Masque, dramatic club of the Newtons, announces for its forthcoming production "The Wizard of Oz," to be presented on Saturday afternoon, Dec. 3rd, at the Newton High School auditorium. The purpose of the Lend-a-Hand Masque is to "lend a hand" to a Newton high school girl toward a college scholarship.

Miss Ruth Perkins of West Newton will play the role of the Scare Crow, a weird, fantastic creature who accompanies Dorothy on her thrilling adventures. Miss Perkins, an amateur actress of distinction, is also a member of the Players and the Brookline Amateurs. Miss Muriel Pearce, of Newton Centre, will play the part of Dorothy, the little girl who gets blown away by a Kansas cyclone. Miss Pearce has been a popular member of the Lend-a-Hand Masque for several years and has appeared in numerous amateur theatricals in and around the Newtons. The part of the Tin Woodman has been assigned to Miss Harriet Mills, of Brookline, who, in addition to her clever characterization of that stiff tin gentleman, is painting the scenery for the play. Other roles that are sure to delight the young audience of "The Wizard of Oz" are those of the Cowardly Lion, Toto (the Dog), the Witch, the Fairy, and the Wizard himself. Mrs. Eunice Braaten is directing the play.

"The Wizard of Oz" is the fifth annual production of the Lend-a-Hand Masque, which is successor to the old Lend-a-Hand Dramatic Club, known throughout the Newtons for the past twenty-five years for its splendid amateur dramatics. Mrs. J. C. Fuller is president of the Masque.

NEWTON CENTRE GIRL ADMITTED TO BAR

Miss Katherine Rand of Newton Centre was admitted to the Massachusetts State bar on November 2. She will practice with her father, Waldron H. Rand, Jr., of the firm of Rand and Merdon, from Mount Holyoke in 1928 and from Boston University Law School this year.

Y. M. C. A.

Henry Pierce, coach of the Y. M. C. A. Track Team, has entered a team of five men in the Annual Cross Country Run of the Y. M. C. A.'s of Massachusetts and Rhode Island to be held Saturday afternoon in Fall River. The Run will start and finish at the Fall River Y. M. C. A., and it will be five miles long. Newton's entrants are Arthur Jacobs, Warren K. Lewis, Jr., Arthur Linthwaite, Donald Olson, and Dr. Lawrence B. Perlmutter.

Girl Scouts

All Year Around Camping Program

Feeling that the outdoor camping and contact with nature are of such value to the girls, the Camp Committee has been hard at work to make this possible throughout the winter except for the severe months.

As one drives by, smoke can be seen curling upward and the passer-by, had they been able to look in, would have seen happy girls cooking their supper around their own fire and later might have heard the echoes of "Taps" which will have closed another day.

There have been eighty-five girls and twenty-five leaders that have been able to take advantage of this important side of the program and it is hoped that more will have fun of including this in their plans for the months to come.

West Newton, Newton Centre, and Newton Highlands are very fortunate in having their own cabins, each snug and with its own little fireplace. During the summer it is used by a good many girls from these villages while they are at Camp.

In case you didn't see your neighboring village's window display, we are mentioning the outstanding features of each one. Newton's window catches your eye as you drive by on Centre street and we think that it is splendid publicity for Girl Scouts.

Auburndale's window makes you realize the breadth of Scouting with their international display. Nonantum, Newtonville, and Newton Upper Falls were splendid for their exhibit of craft done by the girls. An interesting feature in West Newton's display was a knot board and Newton Highlands demonstrated a novel way of teaching flag history with their totem poles. Waban showed great advancement in Scout uniform from the old brown one to the present-day green.

Newton Centre depicted the ambition of every Girl Scout with their Golden Eaglet setting. We appreciate the co-operation of the stores and the library that have made our display possible, and we wish to take this opportunity of expressing our gratitude.

A notice has been sent to Newton Headquarters of a course given by Miss Agnes Maynard, English Guider and leading trainer of England, who was chosen as the first head of training at the Girl Scout and Girl Guide World Champs in Switzerland last September. It will be given in the Denison Room (second floor), at 143 Newbury street, Boston. The dates of the course are November 14, 15 and 16 from 7-9 P. M. The course is limited to 40 so that those who wish it should apply to Miss Helen Potter, 143 Newbury street, Boston, at once. There will be a small registration fee.

SEMI-ANNUAL RUMMAGE SALE

The Semi-Annual Rummage Sale of the West Newton Community Centre will be held Wednesday, November 16, in the Club House on the Eden avenue Playground, West Newton. The sale will open at 9:15 and will close shortly after 1:00 o'clock. The committee in charge includes Mrs. A. Shirley Ladd, Mrs. Edwin Pridmore and Mrs. Frederic J. Shepherd, Jr.

The two Rummage Sales which the West Newton Community Centre have each year are a part of the regular program of the Centre and are considered a very real piece of community service by those who patronize them. The money realized from the sales helps to carry on the extensive work of the Centre which includes a pre-school kindergarten, clubs and classes for boys and girls, clubs for older women, and many events open to the general public.

For those who are not familiar with the West Newton district, the Eden Avenue Playground is located in the rear of the Davis School Building on Waltham street and extends through to Eden avenue. By having the sale in the Club House, patrons will have an opportunity to see where the major part of the Centre's work is carried on.

The West Newton Community Centre is a member of the Newton Community Chest, Inc.

ARE SUPPORTING CLARE TREE MAJOR PLAYS

Several Newton families are among those supporting the second season of the Clare Tree Major series of six plays for children. They are as follows: Mrs. P. Brown, and Mrs. Russell Burnett of Newton; Mrs. Ernest Cobb, Newton Upper Falls; Mrs. John Thayer Cushing, Newtonville; Mrs. Joseph C. Fuller, Mrs. Albert Gallup, Mrs. C. E. Pickart, Mrs. Corbun Smith, and Mrs. Herbert M. Warren of West Newton; Mrs. Norman Wade, Newton Lower Falls.

The plays are under the auspices of Boston University Women's Council. The next production will be Sara Crew on Dec. 10.

TO RAZE OLD POLICE BUILDING AT WEST NEWTON

Next Monday a number of unemployed men will be given work tearing down the old police building which for the past year has been in close proximity to the old city hall structure at West Newton. Since the new police building was completed, the old structure to be demolished has been occupied by the Mayor's Relief Committee. This committee is now located in the old city hall. The building to be torn down was erected as a school house and was the first Pierce School. It was converted into a police headquarters and the district court house when the present Pierce School was built on Chestnut street.

"As Husbands Go" Well Presented

Players Prove Well Trained and Entertaining

A most finished and artistic production was the offering of the Village Players, on Tuesday evening, when the play, "As Husbands Go," a comedy in three acts, by Rachel Crothers, was presented at the Unifair Parish playhouse, in Newton Centre. The play was repeated on November 8th, 9th and 10th. The play was an evening's entertainment full of amusing situations and wholly satisfying in its genuine and intelligent simplicity. The very effective settings made a pleasing and attractive background for this bright and witty comedy.

Lucile Lingard was a very appealing character as played by Hazel Sholley. She endeared herself to the audience by her deep feeling and perfect ease. Ronald Derbyshire playing opposite Lucile was portrayed by William Parker whose ease of manner and poise gave a naturalness to his part. Emmie and Hippie supplied the lighter side and many humorous situations were created through the clever handling of their lines. Helen Brown as Emmie proved herself master of the situations and kept the audience on edge most of the time for fear she would reveal some of the secrets not ready to be told. Donald MacKay received many laughs as Hippie and the cafe scene was complete with Montague Ford as the Waiter.

Abundant sympathy was felt for Charles Lingard as Lucile's husband beautifully interpreted by Wesley Dynes. Wilbur, the young nephew, played by Brooks Dietz was most convincing. Peggy Sykes the sophisticated daughter of Emmie, typified a modern young woman whose devotion to her mother was shown when put to the test. Verna Dynes gave a very realistic and convincing picture as the modern daughter. Jake Canlands demonstrated a novel way of teaching flag history with their totem poles. Waban showed great advancement in Scout uniform from the old brown one to the present-day green. Newton Centre depicted the ambition of every Girl Scout with their Golden Eaglet setting. We appreciate the co-operation of the stores and the library that have made our display possible, and we wish to take this opportunity of expressing our gratitude.

Day Jr. High School

On Saturday, Nov. 5, the school was opened for the Fall meeting of the Massachusetts State Kindergarten Association. After a visit to the local kindergarten schools, the members were assembled by their president, Miss Frances Treddick. The Day orchestra furnished music and members of the school student patrol acted as ushers. Luncheon was served in the cafeteria under the direction of Miss Berner, with the help of students of the Wheelock Kindergarten School. There was an exhibition of toys in the auditorium.

Monday's homeroom period teemed with animation and vicarious election excitement, as the straw vote was taken on the presidential question. The returns were as follows: Hoover 334, Roosevelt 215, Thomas 19, Foster 1.

Two new spruce trees have been planted in front of the school, as a class memorial from the 1932 ninth grade. Miss Doran was in charge of the planting.

This week's broadcast over the F. A. Day radio included the answers given by Dean Lewis of the seventh grade; Henry Hayes of the eighth grade, and Yvonne Goethel of the ninth grade—the best answers on the question of how our president is elected. Next week's question will be "What is the Origin of the Red Cross Society" and What Does its Emblem Signify?"

The Junior Red Cross Club is sponsoring an offering of Thanksgiving baskets to needy families of Newton. Already some of the rooms have specified their desire to provide for a basket.

Those taking part in an impressive Armistice program were Peter Donovan, Barbara Collins, Richard Buck, Marjorie Ashenden, Philip Spear, Dominic Bartolomucci leading the Orchestra. Former Mayor Edwin O. Childs and Mr. A. H. Rangnow of the American Legion were the speakers. Mr. Childs spoke especially of the purposes of education—"to think straight; to see big things as big and little things as little." Sergeant Bangnow spoke of education. In this way both speakers tied up the significance of Armistice and Education Week.

For Education Week observance the school welcomed parents to an "open night" on Wednesday. Superintendent John Lund and Commissioner Payson Smith addressed the guests.

Discarded textbooks were distributed free to pupils who came for them in the library.

Bigelow Junior H. S.

On November fifth, twelve members of the Dramatic Club visited Emerson College of Oratory. They had the pleasure of seeing "The Wizard of Oz," by Elizabeth Goodspeed, acted by the students of the college. The club took a unanimous vote to attend the play to be given by the Newton High School faculty, "She Stoops to Conquer," on November 19th.

Monday evening, November 21, the parents and friends are invited to visit the school and become better acquainted with the work of the pupils. At seven-fifty there will be music in the assembly hall by the orchestra and singing by the Ninth Grade. Supt. John Lund, will address the parents, and later in the evening they will have opportunity to inspect some of the work of the pupils and confer with the teachers.

60 Ex-Aldermen At Final Meeting In Old City Hall

(Continued from Page 1)

proposed the reunion of the former Mayors and Aldermen to Mayor Weeks last August and he had served as chairman of the committee which arranged this meeting. He said it is a wholesome thing to have such a gathering and take account of stock to ascertain where Newton stands today as it transfers its seat of government from the old building which had served for nearly a century. To illustrate Newton's high standing as a municipality, Mr. Pratt stated that it has the lowest tax rate of any city in this State; its bonded debt is almost the lowest per capita of any city in the Commonwealth, its fire and police departments are excellently housed, probably no city in Massachusetts has such a generous playground area, its school plant has a national reputation, the water system has greatly improved the past few years, and the new city hall is the envy of all other cities.

Mr. Pratt continued by saying that Newton's former city government, as well as its present government have brought the city to this high place, in contrast to local governments throughout the country, which have largely fallen into disrepute. "Handsome results have come out of the shabby building," commented Mr. Pratt. He then presented Arthur W. Blakemore, a former President of the Board, who gave the following historical account of the old City Hall building:

"The location of the old City Hall was first granted for public purposes in 1764 by deed of Phineas Bond, Innholder, to a committee consisting of Thomas Miller, innholder, Jonathan Williams, yeoman, and Samuel Hastings, tanner, to erect a Meeting House and no other use, conveying a tract of land of about eight rods, and the consideration paid was two pounds, eight shillings, or about \$12 of our money.

"The West Parish Meeting House, from which this building grew, was built that same year on ground somewhat east of this building and was a plain rectangular two-story structure thirty feet by forty feet, containing a one-story porch on the side of the building facing the street with an ordinary pitch roof and no belfry tower. It had a bare floor and was furnished with plain wooden benches and was unpainted within and without. The building of pews was an individual enterprise by the members, pew spots being sold for five pounds, and the Meeting House was not filled with pews until 1804. For many years there was no settled minister but the school teacher was employed to preach or read a sermon, and this the West Parish was finally incorporated in 1778 although there were then only four houses in West Newton. This West Parish later became the Second Congregational Church.

"Three years later the first pastor was chosen, William Greenough, a truly remarkable character, who served the Parish for fifty years until 1831. At his installation in 1781 the Church was organized with a membership of twelve men and thirteen women, and the refreshment bill for this large company and their families at the installation contained the following items: 10 gallons wine, 1 gallon port, 4 dozen lemons, 3 gallons rum, and 3 papers of tobacco.

"In 1794 two porches each two stories high were added, one on the east and the other on the west end of the structure and in 1799 Edward Cushing presented a suitable stove for warming the Meeting House which must have been an improvement over the foot-stoves in use to that time by the hardy pious.

"In 1800 there were but eleven houses within the range of a mile from the present City Hall, and this community was called Squash End due to the fact that in the controversy over the Parish line, the line was surveyed across the middle of a large squash.

"In 1812 the Meeting House was moved back and twelve feet added to the end with a belfry but no bell, making the structure then forty-two feet by forty feet, and it may be significant that the present City Hall is forty-two feet wide across the front. Larger galleries and a richer pulpit were also added in 1812.

"1831 saw the termination of the ministry of Mr. Greenough and in this year the Church was turned around facing the street and furnished with more modern pews, its galleries removed, and a vestry was placed in the basement, and a bell was at last hung in the belfry and used first at the ordination of Dr. Gilbert as assistant minister in 1828.

"He writes that the community had at that time no doctor as the people were healthy and no lawyer for the people were peaceable and no liberally educated man and only one piano. The Church was lighted by fifty windows. The two end porches were removed and sold at this time, and the plan of the Church shows forty-nine pews prior to the changes of 1831. Dr. Gilbert says that when he stood in the pulpit he could not see the heads of those under the galleries and the benediction reached the hearer by an inverted parabola.

"The Town of Newton had up to this time no Town Hall but the Town Meetings had always been held in the First Parish Church on Centre Street near the old Cemetery, but in 1830 the Proprietors of this Church objected to this use. This objection raised the question of the location of a Town Hall which led to bitter and acrimonious controversy for nearly two years and caused heated animosities all over the Town of a character which we whose interest in public affairs is calm and unruffled can hardly understand.

"This dispute caused a determined effort to divide the Town into two parts creating a new Town of West

Newton and the Town Meeting actually voted to do this in 1841, but the vote was reconsidered almost immediately. The Lower Falls community attempted to be set off to Weston. Nonantum to Waltham and Oak Hill to Roxbury.

"In 1835 the Town actually built a Town House in Newton Centre which was, however, only used for three years.

"A Town Committee reporting in 1844 was sharply divided, the majority recommending the erection of a Town Hall in West Newton and the minority urged the geographical center of the Town at the corner of Valentine road and Homer street, which is practically the location of our beautiful new City Hall. A Committee of the General Court, to whom the dispute was referred having been dragged around the Town for three days, also recommended that the Town Hall be placed in the geographical center of the Town in the shaggy wilderness around Bullough's Pond.

"The completion of the Boston and Worcester Railroad as far as West Newton in 1834 caused the building up of the north side of the Town and gradually made the West Parish strong enough to overpower the East and the dispute was finally settled by a vote of the Town Meeting on November 24, 1847 authorizing the purchase of the old West Parish Church building for a Town Hall, and the conveyance to the Town was shortly afterwards made at the price of \$1800.

"The deed provided that the old Meeting House might remain where it then stood, which was in the old driveway between the present City Hall and the former Congregational Church, for two years after which it was to be removed and no building was ever to be erected within sixty feet of the west side of the new Meeting House, and that this space was to be always kept open for common use of the Church and the Town: that no building was ever to be erected at a less distance from Washington Street than the new Meeting House now stands and that a space of forty feet by the brook at the rear was reserved for the use of the Church Sheds.

"Mr. J. Cheever Fuller, now a spry young man of eighty-five, remembers the building when he first went to school there in 1856. The Town offices and Town Hall were on the lower floor, the public school on the second floor and the smaller pupils including Mr. Fuller in the cock loft.

"The Town Hall was used for many years before the War by the West Newton Athenaeum who were called "The Incendiaries and Radicals of West Newton," and they listened to impassioned addresses and passed resolutions looking towards the abolition of slavery and other radical doctrines of the time. They spent seven evenings debating the Fugitive Slave Law. They were addressed by the great intellectual leaders of the day and these walls have often resounded with the eloquence of Charles Sumner, Theodore Parker, Starr King and others.

"At that time there was a band stand on the corner of Cherry street where the City Hall now stands with a picket fence around it which was furiously abstracted and used for a bonfire one Fourth of July night by young Mr. Fuller and other radicals of his time.

"Later the provisions of the deed of 1848 were carried out and the Town Hall was moved to its present location on the corner of Cherry street and turned round once more. The Town became a City in 1873 and in 1874 the large sum of \$13,348.99 in addition to a large private donation, was spent in remodeling the Town Hall for City purposes, one of the items being furniture for the City Council room \$750. Probably at this time the building was raised by the building of the brick basement as it formerly sat below the street level. Under the first City charter the Government was bi-cameral the Council sitting in what is now the Assessors' Office, and the Board of Aldermen across the hall in what was the Mayor's Office. On this floor was a large hall for inaugurations and public meetings and in the basement was the Police Court created in 1876 and the brick cells for prisoners, and in the rear were the City Stables.

"When the present City Charter was obtained in 1897 the building was

remodeled again, the Police Court was moved out to the old school building, the cells were transformed into vaults for certain City records and the old Hall transformed into the present Aldermanic Chamber, which has been used for the deliberations of this Board since that time.

"It is a curious fact that although all these changes have transformed the original West Parish Meeting House from a structure of forty feet by thirty feet to one which is now over forty feet wide and nearly one hundred and fifty feet long, still some of the old timbers of the Meeting House of 1764 are still used in this building.

"We are tonight holding the last official meeting in this ancient hotch-pot, and the City activities have already been transferred to the handsome structure which the wisdom and foresight of the present City Government have prepared for public use, but still I believe the Mayor showed something more than sentiment in caring this meeting.

"Except for the brief use of a building in Newton Centre in the 1830's, this is the only Town Hall or City Hall ever possessed by this Community and throughout its existence the citizens of the day showed frugality and thrift in using to the utmost what they had. They were poor folks who never knew what a bond issue was. It took them twenty-five years to put a stove in their Meeting House and after they had erected a belfry they waited sixteen years before putting in a bell, but when they got it it was paid for. We today living in luxury may possibly reap some benefits by remembering the struggles of our prudent predecessors and keeping in mind the humble story of the old City Hall."

Following Mr. Blakemore's address, Street Commissioner George E. Stuart, dean of the department heads at City Hall gave a short talk in which he referred to many of the former department heads who served during the half century Mr. Stuart has been in the city's employ. He praised the character of the men who now head the 19 city departments and stated that Newton should be proud of them.

The next speaker on the program was Judge James A. Lowell of Chestnut Hill who was an Alderman 35 years ago. He said that one of the things that engaged the City Government at that time was the question of a new city hall. He commented that he never expected to live to see the proposed structure erected, so long as it was delayed. Judge Lowell referred to some of the men he had served with on the city government, including Mayors Cobb, Wilson and Weeks; City Clerk Isaac Kingsbury, Clerk of Committees John C. Brimblecom and City Messenger Wellington. He told of the transportation difficulties which the Aldermen of 35 years ago had to face. When meetings were over late at night he was taken to his home at Chestnut Hill in a hack, or at winter in a booby-hutch which before bringing him to Chestnut Hill had to carry other aldermen to Lower Falls, Upper Falls and Newton Centre.

Judge Lowell was followed by Thomas W. White, Fred M. Blanchard and Mayor Weeks. Their remarks will be printed in the GRAPHIC next week.

Idle Employees To Get Work

Twenty-five of the 150 Street Department employees laid off a few weeks ago will return to work next Monday. The construction of Greenlawn avenue and in constructing several drains near Waltham, Winchester and Cherry streets.

EX-FIREMEN AGAIN PULLS FALSE ALARMS

Michael O'Rourke of Chestnut street, Newton Upper Falls, who was resigned from the Newton Fire Department a couple of years ago when he became a drunk and pulled a false alarm, was again arrested last night after he had pulled Box 622 near his home. He waited at the Box until the fire apparatus and police arrived. He was arraigned in the Newton court today and his case was continued until Saturday.

THE PIONEER OIL BURNER

The introduction of the Pioneer Oil Burner in New England is being sponsored by the Pioneer Oil Burner Company of 1105 Commonwealth Avenue, Boston.

This Burner is known as the "Quality Oil Burner" and is manufactured by Scott-Newcomb Inc., St. Louis.

The Messrs. Lewis L. Scott and Edward C. Newcomb are two of the foremost engineering minds in the oil burner industry. In 1915 they introduced the first all electric oil burner to the world. These two men of genius possessed the foresight to see the great possibilities of domestic oil heat and with the courage of their convictions behind them they have produced a clean, automatic, economical and dependable heating unit of automatic heat.

The Burner is of rugged construction. The oil and air supply are independently controlled and the low velocity of air assures a type of fire that makes very little sound. The operation of the Pioneer is super-quiet and contains the automatic features of a quiet, direct connected pump, self priming and capable of lifting oil 20 feet. The Radio suppressors are of new type and design. There is a cut-off valve with seat immediately behind the atomizing nozzle.

The up-keep cost of the Pioneer Oil Burner, as well as the initial cost, is small. The oil consumed is No. 3 Domestic Fuel Oil which burns cleanly and very efficiently. The cost of this oil is about six and a half cents a gallon.

Mr. Thomas D. Russo, Chief Executive Officer of the C. & R. Construction Company of Boston, and a prominent engineer and contractor, is Treasurer of the Company. Mr. Jos. A. McDonald, 30 Eden avenue, West Newton, is sales representative for this territory. The dealer for Newton is, Walter E. Jewell, 17 Gilbert street, West Newton, Mass.

Mr. Jos. A. McDonald, Sales Representative, will find it a pleasure to explain to you the advantages of the Pioneer Oil Burner also any of the dealers mentioned above will be glad to outline the features of the world's most advantageous Burner—The Pioneer Oil Burner which gives you Automatic Heat at low cost.

AUTOMOBILE ACCIDENTS

Cars driven by Mrs. Bertha Thubert of 59 North street, Newtonville and Charles Doyle of Brown street, Waltham collided Saturday night at the intersection of Crafts street and Alameda road, Newtonville. Doyle's car overturned. He received cuts and bruises. His wife Myrtle Doyle received possible fractures of the hip and shoulder. She was treated by Dr. F. H. Paul and then taken to her home.

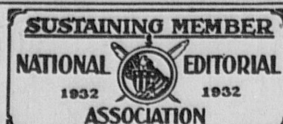

Paul McCarthy, 9, of 43 Williston road, Auburndale, was hit Saturday morning on Chestnut street, West Newton by a car driven by James Lewis of Wollaston. Lewis reported that the boy ran from between two parked cars and struck the right front fender of his car.

THE NATIONAL ELECTION

Some time prior to the national election on Tuesday it became apparent that one of two things would result. Either Franklin D. Roosevelt would be elected by a large majority or President Herbert Hoover would be re-elected by a small margin. We supported the President in the belief that his efforts to cope with the economic upheaval were bringing results and that the country should have the benefit of continuing these policies under the direction of their originator. We regret that the majority of persons in this country did not retain the same belief. However, in the Roosevelt victory we see no grounds for the possible demoralization of the country. Millions of people have placed their confidence in him and the entire Democratic party by placing upon them the responsibilities of both the administrative and legislative branches of the national government. The diligence with which President-elect Roosevelt surrounds himself with men of high character, who place country good above self, and there are many such in the Democratic party, will determine to a large degree the future of the country. These men, like the majority of individuals who determined the election, will, as patriots, do their utmost for the country.

President Hoover, it has turned out, is a victim of circumstances and it is apparent that regardless of who the President the past four years had been he would have been defeated. President Hoover will go down in history as one of the leading presidents in the history of the nation.

THE STATE ELECTION

The Roosevelt landslide reacted in Massachusetts to a considerable extent in re-electing Governor Ely and other office holders of his political faith who were elected two years ago. The sweep almost carried into office members of this same party who were opposing Republican candidates like Gaspar Bacon, Fred W. Cook and Joseph B. Warner. A thrilling finish by these candidates for their respective offices as Lieutenant Governor, Secretary of State and Attorney General retained these offices in the Republican ranks. Governor Ely was re-elected by the highest vote ever accorded a Democratic candidate in this state, which proved that many Republicans did not favor the candidacy of William S. Youngman. Many voters also did not favor the Republican candidates on the State ticket and re-elected Charles F. and Francis X. Hurley, present Democratic incumbents, to these offices. The Republican party in this state, while not receiving as severe a setback as it did nationally, was shaken to its very foundation. Undoubtedly the Grand Old Party must develop new leaders in Massachusetts if they are to recoup the losses sustained in the past two elections.

THE ELECTION LOCALLY

We are proud of Newton and Middlesex County. Newton again is the "banner Republican City of the County" by giving all Republican candidates a huge majority. While many cities and towns deserted the G. O. P. to varying degrees, Newton, like the Rock of Gibraltar, withstood every assault. We would also express at this time our sincere appreciation for the support given the writer, Warren K. Brimblecom, in electing him as one of the Representatives to the General Court from the 4th Middlesex District.

ZONTA CLUB

The Newton Zonta Club was privileged on Monday night in hearing Mrs. Celia Wellman, probation officer of Newton. Mrs. Wellman gave a very clear impression of what her work consists. Through her warmth of enthusiasm and genuine love for her boys and girls who have made mistakes in whom she takes an interest as vivid as though they were her own, we realize the value of what just one real friend may mean to those less fortunate.

Through new influences these boys and girls acquire a purpose in life and often become fine citizens.

COLTONS OBSERVE 25TH WEDDING ANNIVERSARY

Mr. and Mrs. Will W. Colton, of Bothfield road, Newton Centre, observed their 25th wedding anniversary on Saturday evening. About 50 friends from Newton and surrounding towns gathered to do them honor. The couple observed open house on Sunday afternoon also. Many telegrams of congratulation were received.

The Coltons have lived in the Newtons for the past 18 years. Mr. Colton was formerly Forest Commissioner of the city. He is now president of the Trumble Hospital of Brookline. Mrs. Colton was formerly Maria Ward of Malden.

Miss Thelma Colton, who received with her parents, is a graduate of Newton High School and the Vesper George School of Art.

AUTOS COLLIDE AT NEWTON CORNER

Cars driven by Kakarin Channissian of K street, South Boston and Gene Dilleville of Dexter road, Watertown collided at Watertown and Pearl streets, Nonantum on Monday morning. Minus Majarian of K street, South Boston claimed to have received back injuries.

THE VOTE IN NEWTON

(Continued from Page 1)

enough to afford all an opportunity to get to the polling places. Although nearly 200 volunteers assisted the regular precinct officers in counting the ballots, it was nearly 5 a. m. Wednesday when all the returns were received at City Hall.

The results of the vote in Newton evidenced the energetic work done by both Democrats and Republicans. The systematic campaign waged by the latter asserted itself in the increased majority given to President Hoover, as well as the large majorities received by the Republican candidates in general.

Mayor's Proclamation

All signs indicate the approach of another winter of even greater unemployment and suffering than we have heretofore experienced. These conditions we cannot avoid, but if the men and women of Newton will rally all along the front and help in this crisis, when called upon, we can surely ease the situation and make living conditions more tolerable for our more unfortunate fellow citizens.

A united front is necessary, and for the first time Newton can present such a front through the newly formed Community Chest. Combining most of the strength of the welfare and character-forming agencies of the city, the Chest offers to the people of Newton the chance to invest their money in a corporation whose sole aim is the bettering of Newton, and the eradication of human suffering.

I, therefore, as Mayor of Newton, call upon the people of the city, 70,000 strong, to mobilize to meet the emergency: First, by being ready to take up the task of workers in the Community Chest campaign from November 17 to 30; second, by spreading through the city the news of the approaching crisis and the means to be adopted to meet it; and third, by giving generously, conscientiously and wholeheartedly to the Newton Community Chest.

And I proclaim the two weeks, November 17-30, as Newton Community Chest Weeks, to be devoted to the cause of Newton and its Community Chest.

We pray that this may be the last winter of the depression. It lies within our hands and is our duty to see that no victims are claimed in the coming months from among the more mature of our citizens, or from the children—less able to take care of themselves. The Community Chest points the way to relief and safety!

ABOUT TOWN

By Edw. H. Powers

Dolly Gann had quite a social feud with Alice Roosevelt Longworth as to where each would sit at the swell social affairs in Washington. But, Dolly will have no controversy with Anna Roosevelt Roosevelt as to social priority during the coming administration. During the next four years Mrs. Gann must "go way back and sit down."

Thomas W. White, Collector of Internal Revenue, gave the ex-Mayors and ex-Aldermen something to talk about at the "Auld Lang Syne" meeting of the Aldermen at the old City Hall on Monday night. In the course of his remarks, Mr. White mentioned that he first became an Alderman in 1904, reentered the City Government as an Alderman in 1922 and he continued by saying, "I fully expect to reenter the City Government in some capacity in 1924." Mr. White has been mentioned as a Mayorality probability for many years. He has given due warning that his hat may be in the local ring next year.

The tremendous swing from the Republican landslide of 1928 to the Democratic avalanche of 1932 is nothing to marvel over. The world-wide depression, which has existed for several years, and which has seriously affected this country for the past three years was bound to react on the political party which has been in power. Mr. Hoover was unfortunate to be elected just prior to the period in which this nation became engulfed in the prevailing international maladjustment of economic affairs. His defeat will afford him relief from continuing to carry a burden of responsibility almost too great for any man to endure for a period of more than four years. Mr. Roosevelt will assume a task which will put a terrifically severe test on his mental and physical strength. He will need, and undoubtedly will receive the co-operation of capable men, irrespective of political affiliation. Neither he, nor the Congress of the United States can restore prosperity unless they receive the assistance of the people of this nation.

President Hoover in his speech at St. Louis on Nov. 4th clearly showed how the panicky spirit displayed by many people in this country has nearly caused chaotic results. Withdrawal of money from banks and its subsequent hoarding, refusal of persons who can afford to do so to spend money as they would normally, all have contributed to intensify the depression. It is this cowardice manifested by timid humans which has been a material factor in making bad matters worse.

We have the richest country in the world. It possesses an abundance of natural wealth. If its people show a proper amount of confidence and courage there is no good reason why prosperity cannot be regained in the near future. Of course, changes may have to be made in our economic structure to straighten out the tangle caused by machinery eliminating human labor, and by modern business methods and combines forcing armies of individual business men out of their former livelihoods. Radical changes have been necessary as civilization progressed in past centuries and they must be made in the future. The world does not stand still. It is experiencing growing pains.

Mrs. Franklin D. Roosevelt is quoted as saying she deeply regrets that next March she must give up her teaching position in New York. Well, one of the many thousands of unemployed teachers will be glad to get this job.

We listened on the radio to the monotonous reading of alleged speeches by candidates for National political honors. We heard insistent applause, given at such inopportune times that it caused us to believe a paid, or volunteer, clique was busy. And eventually we resorted to that relief which is the privilege of all radio listeners; we turned off.

The views from the new City Hall are quite attractive, except for the blot on the landscape caused by the billboards near the corner of Commonwealth Avenue and Walnut Street. It is to be regretted that State officials will not co-operate with our City Government in having this eyesore removed. Perhaps our Representatives in the Legislature may be able to assist.

ONE THING AND ANOTHER

By L. D. G. Bentley

The one big majority that always turns out after election are the "I told you so" boys.

Oddments

After a political campaign there are a lot of little things picked up here and there that interest us. One of those was the statement of a well known motion picture manager. He told me that the radio speeches, especially those the week or so before election, had cost him a lot of money. I asked him "how come?" and he replied, "They pulled such entertaining stuff that people stayed home to hear it. We couldn't expect to compete with that bunch of laughs."

Another funny slant — at least I guffawed when I heard it — was revealed to a group of men discussing the "big event." One of them was being chided for having supported a certain candidate. With considerable wrath he replied, "I voted for him because I read in the papers where he had been in trouble with a traffic cop. Nobody ever drove a car who didn't, and that means this guy is a human being."

Haven't had a chance to inspect the new City Hall since it was opened. Am anxious to hear why someone called the entrance corridor "Echo Bridge." If I have to shout to do it I shall probably never find out. As much as I like to hear my own voice I'm afraid I might get into trouble. Doesn't it surprise you to learn that the State Department of Labor and Industries has listed 58 manufacturing establishments in the city of Newton. The report says that last year the total value of all products manufactured was \$12,896,805 and the value of stock and materials used was \$5,194,114. Considerable business for "a purely residential city."

"Have a Seat, Please"

Somebody has to speak for the patrons of the Elevated. Not that it does any particular good or that I have a right to act as spokesman. Apart from that I'd like to say that the opening of the Kenmore Station is a satisfaction to us. The "us" is used in the editorial sense.

On the day it was first used I was rather keen for a glimpse of the interior. All along I had declined invitation from Boston city officials to make an inspection in advance of the opening. I wanted to see the finished job. As we were approaching the Commonwealth Avenue entrance I left my seat to inquire of the conductor as to the success of the extension.

"How do you find things under the new arrangement?" I asked. "They're better, of course."

"No sir," he replied, solemnly and respectfully, "they're worse."

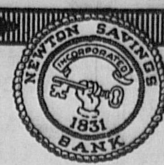

It must have been that he was alluding to the extra trip, which I understand, each conductor and motor-man is required to make under the new schedule. It may be that I am wrong but it now strikes me that this conductor was thinking only of his own welfare.

The new station is brighter and better — and these words are used advisedly and not in a flight of alteration — for two reasons. The lighting system is far more extensive and therefore more brilliant. The place is new and hasn't begun to show the dimness and wear and tear of the other stations.

It has been my custom to keep track of the running time at night and if my watch is to be depended upon we are now making speedier trips by several minutes in our homeward journeys at the peak hours. (Chorus of readers, "Well, what did you expect?") And now I've been wanting to say this for a long time. The correct name is Kenmore square and not Governor square. But try to get people to believe it.

Kind Words Mean Money

Nothing seems to have lessened our National spirit of enthusiastic greeting and I doubt if it will be in any way affected by the outcome of the election. We are a nation of greeters. I do not refer to the "Hello, old kid," the "Well, how's trick" or the more dignified "How do you do." What I have in mind is the mailing of greeting cards. Long ago they passed beyond pictures of Summer places, for-

On Armistice Day We Pay Tribute

As another anniversary of Armistice Day occurs, we pay tribute to the memory of those who gave their lives for a great cause. How we all hope that there may be no more war.

CHRISTIAN SCIENCE

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 13. The Golden Text is: "As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly." (1 Corinthians 15:48).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. . . . For this corruptible must put on incorruption, and this mortal must put on immortality." (1 Corinthians 15:50).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (p. 491).

MARTINS CELEBRATE 50TH ANNIVERSARY

Mr. and Mrs. Fay H. Martin of Wedgewood road, West Newton, observed on Nov. 7th their fiftieth wedding anniversary. They were the recipients of several golden gifts, also many cards and letters of congratulations.

A dinner was served to relatives and a few close friends. Among those present were Mrs. Martin's brother, Will J. Eaton, her sister, Miss Winifred A. Eaton, and her niece, Miss Ruth E. Eaton, all of Bellows Falls, Vermont; also a cousin, Mrs. James E. Louvon, Sr., of Dedham, Mass. Mr. and Mrs. Loren W. Penny of Newton Highlands, Mass., and Miss Mary A. Hill of Cohasset, Mass.

Now that you are home from your vacation, remember that the Newton Welfare Bureau families need furniture and wearable clothing.

Recent Deaths

RICHARD M. LYONS

Richard M. Lyons of 36 Wildwood avenue, West Newton died on November 8 at his home at 23 Otis street, Newtonville, the residence of her son and daughter, Mr. and Mrs. Edward K. Titus, after a brief illness of bronchial pneumonia, had been a resident of this city for the past three years. Previously she spent every winter here for about twelve years. Mrs. Lyons was a member of the First Presbyterian Church of Newton, and was a member of the City of Newton as foreman in the Sewer Department. He was a Past Chief Ranger of Middlesex Court, M. C. O. F. Past President of Div. 53, A. O. H.; Past President of Clan A. Gael of Massachusetts and a member of Newton Lodge of Elks.

He is survived by his widow, Mrs. Catherine Mooney Lyons; three sons, Rev. John Lyons, S. J. of Lenox, William Lyons of Wellesley Hills and Richard Lyons, Jr., of Bridgeport; five daughters, Sister Mary Ignatius of the Sisters of Mercy, of Worcester, Mrs. Julia Loughrea of Watertown, Mrs. Katherine Mullen of West Newton, Mrs. Helen Powers of Springfield and Elizabeth Lyons of West Newton; and a sister, Mrs. Mary Shea of Brookline.

His funeral service was held Monday morning at St. Bernard's church, West Newton. A solemn requiem mass was celebrated by Very Rev. James Kilroy, S. J., assisted by Rev. Terrence Connolly, S. J., of Boston College as deacon, and Rev. Thomas White, S. J., of Lenox, sub-deacon. Burial was in Calvary Cemetery.

FRANCIS D. NAVIEN

Funeral services for Francis D. Navien, 14, son of Thomas A. and Anne Hoey Navien of 150 Main street, Waltham, were held on Monday morning at St. Mary's Church, Waltham. A solemn requiem mass was celebrated by Rev. Joseph C. O'Brien, assisted by Rev. Waldo Hasenful, deacon; and Rev. Wm. Faulkner, sub-deacon. The body was met at the church entrance by classmates of the boy, who acted as an escort to the altar. The classmates of Charles and Paul Navien, brothers of the deceased, attended in a body. At the close of the mass the boys' and girls' choirs of St. Mary's High School rendered "The Miserere." The pallbearers were six classmates—Lawrence Loosen, Walter Aresnault, William Diskin, Peter Cushing, John Ryan, Ernest Frechette. There was a profusion of flowers and many spiritual bouquets. Burial was in Calvary Cemetery. The boy was fatally injured on November 3rd when hit by an automobile. His father has for many years been manager of the Massachusetts Wharf Coal Company in Newton.

DAVID A. BUCHANAN

David A. Buchanan of 1191 Washington street, West Newton died on October 30. He did landscape work in the Newtons for 20 years. His funeral service was held in the Fuller Chapel of the Second Church on November 1. Rev. Boynton Merrill, D.D., officiated. A service was also offered by members of the Newton Lodge, I. O. O. F., of which he was a member. Burial was in the Newton Cemetery. He is survived by his wife; a daughter, Margery; and 3 sons, David, Leslie, and Fred.

Gabb's Got Gumption

A Chinese newspaper man named Charley Gabb speaks more than a dozen languages. Who said "What's in a name?"—Portland Oregon Journal.

FRANCIS D. NAVIEN

Funeral services for Francis D. Navien, 14, son of Thomas A. and Anne Hoey Navien of 150 Main street, Waltham, were held on Monday morning at St. Mary's Church, Waltham. A solemn requiem mass was celebrated by Rev. Joseph C. O'Brien, assisted by Rev. Waldo Hasenful, deacon; and Rev. Wm. Faulkner, sub-deacon. The body was met at the church entrance by classmates of the boy, who acted as an escort to the altar. The classmates of Charles and Paul Navien, brothers of the deceased, attended in a body. At the close of the mass the boys' and girls' choirs of St. Mary's High School rendered "The Miserere." The pallbearers were six classmates—Lawrence Loosen, Walter Aresnault, William Diskin, Peter Cushing, John Ryan, Ernest Frechette. There was a profusion of flowers and many spiritual bouquets. Burial was in Calvary Cemetery. The boy was fatally injured on November 3rd when hit by an automobile. His father has for many years been manager of the Massachusetts Wharf Coal Company in Newton.

DAVID A. BUCHANAN

David A. Buchanan of 1191 Washington street, West Newton died on October 30. He did landscape work in the Newtons for 20 years. His funeral service was held in the Fuller Chapel of the Second Church on November 1. Rev. Boynton Merrill, D.D., officiated. A service was also offered by members of the Newton Lodge, I. O. O. F., of which he was a member. Burial was in the Newton Cemetery. He is survived by his wife; a daughter, Margery; and 3 sons, David, Leslie, and Fred.

Gabb's Got Gumption

A Chinese newspaper man named Charley Gabb speaks more than a dozen languages. Who said "What's in a name?"—Portland Oregon Journal.

BOSTON MONDAY CLUB

The Boston Monday Club on Nov. 7 met with Mrs. Beatrice Jerald, 4 Cloella terrace, Newtonville. At this meeting the club bid farewell to one of its members, Mrs. Irving Maxson, an ex-president of the club who left the next day for a five months' stay in Florida. Mrs. Maxson was the recipient of many gifts. A sum of ten dollars was turned over to the secretary and Mrs. Fox, a Rosinella member, who were instructed to buy suitable clothing for the family of nine which the club is clothing.

150 ATTEND CENTRAL CLUB DINNER

One hundred and fifty men attended the dinner of the Central Club of the Congregational Church of Newtonville on the evening of November 7. The dinner was served by the Ladies Aid Society under the direction of Mrs. George A. Keil.

After the dinner, the Club listened to a talk by Dr. I. Eugene Reid on "The Romance of the Human Body." This was followed by a musical treat, the Mansfield Singers, which was enjoyed by all.

NORUMBEGA DISTRICT COUNCIL
OF RELIGIOUS EDUCATION

The Executive Committee will meet next Tuesday evening, Nov. 15, at the Eliot Church to consider the possibility of issuing a bulletin on "Home Study Assignments," as a part of the campaign to secure more study of the Sunday School lessons in the home.

"The District policy in the matter of Temperance Education has been referred to the Board of Education and will be taken up at its next meeting.

The Assembly Period of the Training School last Monday evening was given over to a Bible game. Professor Dyer of Andover-Newton Theological School substituted in Prof. Guile's class on Psychology and illustrated his points by incidents from his mission experience in Burma.

Flowers and posters for the District Young People's Conference, Nov. 25-26, are out. The theme is to be "The Challenge of a Living Christ" or "Toward an Understanding of Jesus."

AMERICAN LEGION AUXILIARY
NEWTON UNIT NO. 48

The Executive Committee meeting will be held at the home of the President, Mrs. Frances E. Cannon, on Monday evening, Nov. 14, at 8 P. M. Mrs. Sidney Thomas will address the members on the "Community Chest."

The regular monthly meeting will be held in the War Memorial Building, Homer street, Newton Center, on Nov. 16th, at 8 P. M. Installation of officers will take place at this meeting which the public is invited to attend.

Mrs. Dorcas Roberts, vice chairman of Middlesex County Council, will install, assisted by the American Legion Auxiliary Drum and Bugle Corps of Newton Unit No. 48.

All members of the Auxiliary who wish to participate in the parade on Armistice Day are requested to meet at Walnut Park at 9:00 A. M. on Nov. 11th, in uniform if possible.

Tickets for the Armistice Ball to be held in the State Armory, West Newton, on the evening of Nov. 11th, are available to all Auxiliary members by contacting any of the members of the Executive Committee or calling for them at the home of the president, Mrs. Frances E. Cannon. Tel. N. N. 6219J. There is no admission fee for these tickets.

The Bugle and Drum Corps of the Auxiliary will make its first public appearance on Armistice Day.

Warren Jr. High

4H CLUB

Miss Elsie Mudgett of Concord assistant director of 4H Clubs, will visit Warrens 4H Handicraft Clubs on November 17th, and give demonstrations of work which is low in cost and practical and may be done by 4H members.

Health

Gordon Wentworth of the 9th grade has been appointed student health director. Cleanliness charts, under supervision of the room health inspectors, have been placed in the rooms.

Assembly

After the opening of the assembly the program was turned over to the Chairman of Home-Room 307, 11th presented a play, "Hallowe'en." The Elf Knight of Hallowe'en. The parts were taken by Charlotte Appelt, Virginia Ramsey, Jack Perkins, Edith O'Toole and Helen Hurley. Mary Scandale, Ellen O'Connell and Constance Brine were fairies with Ruth Keever as their Queen.

Boys' Athletics

On Monday the seventh grade soccer League came out in full force. They were divided into Reds and Grays and with the brilliant playing of McBeth, Rice, and Burns, the Reds finally won.

Wednesday the varsity soccer team played Bigelow on the latter's field. Although Warren won, 1-0, the game was rather slow compared with the game of a week ago with Weeks. Warren, so far, has won three games one, and lost none.

Friday soccer game was staged between the seventh grade and the junior varsity. The Seventh Grade won, 1-0.

Girls' Athletics

The Girls' Soccer Varsity has been recently selected. Those on the first team are:

D. Albano, center forward; M. Collins, right inside; V. Amesbury, right wing; N. Durbin, left inside; H. Shaw, left wing; B. Stephen, right half back; R. Fulton, center half back; M. Cavallo, left half back; R. Wheeler, right fullback; F. Creamer, left fullback; S. Cram, goal; Betty Stephen, captain.

On November fourth the Alumnae played the varsity on Warren's field. By hard fighting the Alumnae made two goals in the second quarter. The varsity scored a point in the third quarter. Both teams played a good game and the final score was 2-1 in favor of the Alumnae.

WOMEN'S CLUBS

Newton Upper Falls Woman's Club

On Monday evening, November 7th, the Newton Upper Falls Woman's Club observed President's Night in the Club Rooms in the Emerson School, the rooms being attractively decorated with oak leaves and flowers. The Club received as its guests the presidents and officers of the Clubs of the Twelfth District and was also fortunate in entertaining Mrs. Samuel N. Braman, president of the Newton Federation; Mrs. Seldon E. James, District director; and Mrs. Thomas J. Walker, State Federation vice-president, all three of whom addressed the meeting. Among the guests were representatives from twenty clubs, four of which were Junior Clubs.

Mr. Edward J. Brown, of the Newton Community Chest, spoke of the needs, hopes, and work of this project.

Miss Eleanor Walker, a reader, from Melrose, gave a one-act play, including two playlet plays and several short selections. Miss Walker held the interest of all, and her readings were much appreciated. Music was rendered by Le Chabre das Marimba Band. Refreshments were served, and the evening was happily spent midst the spirit of Club friendship.

Auburndale Woman's Club

On Presidents' Day, November 8th, at 8 o'clock the officers of the Auburndale Woman's Club received the visiting presidents. Club members had the pleasure of welcoming and hearing Mrs. Samuel N. Braman, president of the Newton Federation; Mrs. Seldon E. James, director of the Twelfth District; Mrs. Thomas J. Walker, first vice-president of the State Federation; and Mrs. Frank H. Bonett, president of the State Federation. Mrs. John H. Kimball second vice-president of the State Federation, sent a greeting in rhyme, as she was unable to be present.

Mrs. Austin Fisher, chairman of the day, deserves the credit for arranging the lovely program "So This is America." In which Club members participated. In the middle of an artistically-arranged stage was a huge cauldron representing a melting pot. First appeared an America Indian with an arrow poised to shoot, then came a Puritan maiden, Uncle Sam, and the Goddess of Liberty. Uncle Sam guided into the melting pot participants, dressed in beautiful native costumes, typical of the emigrating nations: France, Norway, Denmark, Germany, Sweden, Ireland, Japan, China, Hawaii, and Italy, while music representative of those countries was played. Mrs. Strabe Claggett sang a Norwegian song. Jeanne Budding danced as a Scotch lassie; Grace Gelinas as a Spanish maiden; and Marguerite Carley as a Dutch maiden.

Uncle Sam stirred the pot and the older generation came forth, followed by the Youth of the New Generation—the citizens of tomorrow.

Refreshments were served at the close of the program.

COMMONWEALTH COUNTRY CLUB

Among the Newton and Chestnut Hill clubs entertaining at the luncheon bridge given last Monday, Nov. 7, at the Commonwealth Country Club, Chestnut Hill, were Mmes. Edmund T. Keefe, J. W. F. Kennedy and D. T. McCarthy of Chestnut Hill, and Mmes. W. J. McDonald, of Newton Centre; Maurice E. Peters of West Newton, and A. A. Schaaf of Newton.

Still others noted in the gathering were Mmes. F. J. Blake, A. E. Knight, H. A. Collier, F. E. Butler, George H. Collier, and G. E. Wherle. Mrs. Robert Burns of Cambridge was also among those entertaining.

Drake To Run For Alderman In Ward Seven

Paul Harris Drake of 56 Pembroke street, Newton, has taken out nomination papers for Alderman-at-Large from Ward Seven.

In announcing his candidacy for the position, Mr. Drake has issued the following statement:

"At the suggestion of friends in the real estate field I have decided to make the run for Alderman-at-Large in my home ward. In so doing I am acting from a desire to serve our city in a particularly difficult and trying time.

"As a citizen of Newton who spends all of his days and nights in Newton attending strictly to local affairs of a business and professional nature, I believe I am qualified to represent my fellow tax-payers in our municipal government."

He was born in Stoughton 43 years ago, graduated from Oliver Ames High School at North Easton, attended Allegheny and Tufts Colleges and Meadville Theological School. He held Unitarian pastorates at Pembroke, Mass.; Saco, Maine and Christ Church, Dorchester; and pastored in the Universalist Churches at Beverly and Marlborough. In 1909 he married Pearl E. Pulsifer at Pembroke. He is the father of four children. He entered the real estate business in 1923 and has been a resident of Newton since 1928.

Whitney To Run For Alderman In Ward Six

Alfred H. Whitney of 6 Bracebridge road, Newton Centre, announced his candidacy for Ward Alderman in Ward 6. He says: "The thought of becoming a candidate was first broached to me the latter part of August when I was approached by a committee representing the 'Council of 50.' Realizing under present conditions the responsibility and demands that would be made on my time, if elected, I gave the matter serious consideration before allowing my name to be mentioned."

Mr. Whitney is Vice-President of the D. F. Munroe Company, paper and twine merchants of Boston. He was born in Burlington, Vt., and graduated from the High School there in the same class with Grace Goodhue, who later became Mrs. Calvin Coolidge. He is married and has one son. He has lived in Newton Centre for 12 years, and is a member of the First Church and the Newton Centre Improvement Association.

Newton Upper Falls

—Hemstitching done while you wait. Call Emma M. Menge, N. N. 1610-W.

—Miss Madeline C. Everett of High street is enjoying a pleasure trip to South America.

—Mrs. Lilla Robins, cousin of Mr. William Kestle and who has been the guest of Mr. and Mrs. Kestle for the past two weeks has returned to her home in Stone Creek, Conn.

A very beautiful Pageant reviewing the one hundred years of the history of the First M. E. Church will be given by members of the Parish on Thursday and Friday evenings of this week from 7:30 to 9:30 p. m.

—Rev. J. Francis McConnell, Bishop of the Methodist Episcopal Church of the New York Area, and thirty-five years ago pastor of the First M. E. Church, occupied his former pulpit on Sunday and spoke upon the topic "The Church's Relation to the Community."

LOUIS ROSS

Louis Ross, mining engineer, died yesterday at his home, 39 Moreland avenue, Newton Centre, at the age of 74. Mr. Ross was born in Bangor, Me., and was educated at the Boston English high school and abroad. He was noted principally for having brought to the attention of the mining world the mine of the present Chile Copper Company, in the republic of Chile.

His active work was chiefly in Mexico, where he spent 15 years.

He married Miss D. Isabelle Thompson of New York, who survives him, with two sons, Clyde P. Ross, M. I. T., 14, now of the United States geological survey at Washington, and Gilbert N. Ross, a decorated war veteran, of Newton Centre.

Mr. Ross was a member of the New York section American Institute of Mining Engineers and a former member of the Algonquin Club.

Successful Bargain Day At Newton Corner

Many Prizes Awarded By Newton Merchants

The merchants of Newton are well satisfied with the results of "Newton Corner Day" held last Thursday. Despite threatening weather a large volume of business was done and many persons took advantage of the bargains offered by the various stores. Consistently heavy trading during the day and evening brought the amount of sales made to one of the greatest in the business history of the section.

Friday evening at the Paramount Theater announcement of the prize winners was made by Hon. Edwin O. Childs. The prizes were donated by various merchants as noted below.

Mrs. A. J. Clarke, 230 Bellevue St., Newton. Sack of Flour. First National Stores.

Barloto Julian, 81 Moody street, Waltham. Basket of Groceries. Ford's Market.

Katherine McCarthy, 128 Jewett St., Newton. Lady's Dress. Park Lane Shop.

H. F. Frites, 212 Tremont St., Newton. Basket of Groceries. A. & P. Store.

Paul D. Littlefield, 98 Washington street, Newton. Electric Clock. Edison Electric Ill. Co.

Peter Mallinson, 39 School street, Newton. Sack of Flour. First National Store.

Mrs. Grace Burley, 32 Oakland St., Newton. \$3.30 Meal Ticket. George's Lunch.

Mrs. G. S. Avar, 25 Peabody street Newton. Sack of Flour. First National Store.

Mary R. Crouse, 14 Peabody St., Newton. 1 Sunnyfield Ham. Perry's Luncheonette.

B. Lockart, 3390 Washington St., Newton. 1 Sunnyfield Ham. A. & P. Store.

Miss Margaret Fagan, 16 Pearl St., Newton. 1 pair men's shoes. Briar Shoe Shop.

Sallie L. Monahan, 36 Bennington street, Newton. 1 Box Cigars. Brown Cigar Shop.

Mrs. Helen Stiles, 74 Charles River road, Watertown. Sack of Flour. First National Store.

Annie E. Fisher, 22 Wadsworth St., Allston. 2 Dresses Cleaned. Tip Top Cleaners.

Myrtle Gillespie, 28 Trapelo road, Belmont. Carton of Sunshine Cookies. Ford's Market.

Mrs. A. M. Evans, 73 Capitol St., Watertown. Girl's Gym Suit. Harry's Dept. Store.

James Farrington, 214 Bellevue St., Newton. Sack of Flour. Mohican Market.

D. A. Murphy, 165 Linwood Ave., Newtonville. 1 yr. Subscription to Newton Graphic, Newton Graphic.

J. J. Sullivan, 103 Los Angeles St., Newton. 2 Gent's Suits Cleaned. Tip Top Cleaners.

Mrs. A. M. Evans, 73 Capitol St., Watertown. 1 pipe set. Louis Aaron Cigar Shop.

Mrs. Joseph Carmody, 7 Crescent St., Newton. Sack of Flour. First National Store.

James Farrington, 214 Bellevue St., Newton. Desk Clock. C. L. Wilson, Jeweler.

J. Kagan, 5 Ballou Ave., Dorchester. Large Cake. Newton Woman's Exchange.

Mrs. E. C. Hilker, 10 Walker St., Newtonville. Sack of Flour. Mohican Market.

Florett Walden, 605 Sullivan St., Dorchester. 1 Box Waldorf Apples. Waldorf Lunch.

Henry Beck, 16 Pearl St., Newton. Electric Clock. Paramount Theatre.

M. Leahy, 29 Carleton St., Newton. Sack of Flour. First National Store.

Paul A. Reddam, 30 Newton St., Boston. Basket of Groceries. Newton Public Market.

Mrs. Quinn, 19 Lyons St., Watertown. Two Photos of Winner with Frames. Newton Glass Co.

Ruth Murphy, 16 Pearl Ct., Newton. Sack of Flour. Mohican Market.

Mrs. J. Clear, 15 Hovey St., Newton. Basket of Groceries. Ames Creamery.

Mrs. Peter Frechell, 31 Williams St., Newton. Child's Snow Suit. Singer's Dept. Store.

Mary Donovan, 24 Theurer Park, Watertown. Sack of Flour. First National Store.

Mary A. Croke, 51 Newtonville Ave., Newton. Electric Clock. Hubbard Drug Co.

Mrs. M. Callanan, 16 Boyd St., Newton. Ladies' Pocketbook. Blankenship Co.

Mrs. Fennell, 16 Gardner St., Newton. Mirror. Newton Glass Co.

Mrs. Francis Connors, 312 Centre St., Newton. Electric Cooker. Newton Corner Hardware Co.

Mrs. A. L. Babbitt, 29 Richardson St., Newton. Sack of Flour. First National Store.

Mrs. Young, 9 Russell Rd., Newton. Electric Percolator. Campbell Hardware Store.

D. J. Welch, 131 Crafts St., Newton. Mallory Hat. Newton Corner Men's Shop.

Mary T. Driscoll, 272 Centre St., Newton. 2 lbs. Chocolates. Roy Randall Candy Shop.

Maudie Ahearn, 115 Bellevue St., Newton. Sack of Flour. Mohican Market.

Mrs. Maddox, 334 Centre St., Newton. Lounging Chair. Kane Furniture Co.

Ann Giles, 127a Central St., Somerville. Pen and Pencil Set. Josslyn Stationer.

W. O'Brien, 209 Harvard St., Cambridge. Electric Clock. E. P. Leonard.

Eliz. Savoun, 269 Nevada St., Newtonville. Sack of Flour. Mohican Market.

M. J. Harrington, 2223 Washington St., Newton Lower Falls. Electric Heating Pad. Hudson Drug Co.

Nellie Claggett, Auburndale, 4 lb. Roast Stuffed Chicken. Imperial Cafeteria.

Junia Faucher, 77 Charlesbank Rd., Newton. Lady's Pocketbook. Small Shop.

About Town

By Edw. H. Powers

A GRAPHIC reader sent us the following items—

"I had occasion last week to walk up Jewett street late in the evening and I beheld a rare sight. It was not the Aurora Borealis in all its glittering glory; it was not such a rarity as the old-fashioned Newton patrolman pounding the pavement on foot. No! It was a parked automobile with the parking lights turned ON."

"And talking of rare sights on Jewett street;—did you ever stop to gaze at the well kept garden on the busiest of Newton streets? Washington street at the corner of Jewett street. A beautiful reminder to the youthful passer-by on Washington street of the reason why Newton was called in the past, with good reason, 'The Garden City of the Commonwealth.'"

Only 26 persons were killed in automobile accidents in Massachusetts last week. What else can be expected when automobiles are manufactured each year speedier than the preceding year; when the practice of "fixing" violations of automobile laws has become so common that a large percentage of drunken drivers, reckless drivers and speeders are not punished, when juries and judges evidence more sympathy for autoists who kill and maim than they evidence for the victims?

There was the horrible accident last Saturday evening on that way of death, the Newburyport turnpike. A car containing five youths, two 18 years old, two 19, and one 20, is driven wildly along the turnpike at a speed estimated between 70 and 80 miles an hour and rams into another car. The five luckless youths in this car are burned to death, and so is one of the occupants of the car rammed. According to press reports, an inspector of the Registry of Motor Vehicles states that one of the youths who was in the fatal car, said before he died, that the occupants had been drinking.

The steady increase in automobile fatalities on our highways calls attention to the absence of State policemen from State highways. In 1921 the State Police patrol was organized with 50 men. For some years following one could not motor along State highways without constantly meeting motorcycle officers of the State Police on patrol duty. They did excellent work and were a big factor in deterring reckless driving. But, for the past few years we have rarely observed State Police patrolling highways, although the force now numbers 360. They may have been assigned to other duties, but they certainly are not in evidence on the highways as they were in former years. We have inquired of other motorists to ascertain if they have made similar observations and have received affirmative answers. During the past summer we did notice several State policemen on highways on Cape Cod, but on a number of trips along the Newburyport turnpike, the Worcester turnpike and the Worcester Post road nary a member of the State Patrol did we see.

We have been informed (or misinformed) that a certain prominent citizen of Newton has given the opinion that 40 miles an hour is not an unreasonable speed at which to operate an automobile along Washington street between West Newton and Newton Corner. If this gentleman ever had the nerve-wracking experience of attempting to make a left turn onto Washington street during the heavier traffic periods of the day or night, or if he had to cross Washington street on foot during anytime of the day or evening, he would become convinced that 30 miles an hour is plenty fast enough for cars to travel on this thoroughfare.

Mary W. Ryan, 123 Oakleigh Rd., Newton. 4 lb. Cakes. Vendome Bakery.

Genevieve Hansen, 51 St. James St., Newtonville. Birdseye Food Products. Wilson Bros.

Ann MacDonald, 10 Far Point Rd., Dorchester. 1 Blanket. Parke Snow Co.

N. M. McWilliams, 296 Washington St., Newton. 1 pr. Children's Shoes. Walter McCammon Shoe Store.

Robert Barry, 22 School St., Newton. Basket of Groceries. John Dewey Market.

K. Pemillo, 61 Lincoln Rd., Newton. Girl's Hat. E. J. Cunningham Shop.

Miss E. Crocker, 15 Elmwood St., Newton. Silk Scarf. Fred St. Jean Tailor Shop.

M. J. Fennell, 47 Lewis St., Newton. Lady's Hat. Florence E. Rand.

Emma F. Mills, 28 Morse St., Newton. Bottle of Hair Tonic. Community Barbers.

Joseph Kelley, 26 Maple St., Newton. 2 lbs. Chocolates. Rollins Candy Shop.

Mrs. Nellie Waugh, 51 Brackett St., Brighton. Set of Dishes. Woolworth Co.

Marion Ellis, 283 Tremont St., Newton. Flashlight. Moore & Moore.

Mrs. Maddox, 334 Centre St., Newton. Gent's Pocket Knife. Moore & Moore.

Mrs. J. Fennell, 47 Lewis St., Newton. Lady's Hat. Florence E. Rand.

Emma F. Mills, 28 Morse St., Newton. Bottle of Hair Tonic. Community Barbers.

The Pioneer OIL BURNER

The Pioneer Oil Burner furnishes the ideal heat for your home. Its operation is super-quiet. Its construction is rugged. It burns low-grade oil . . . therefore economical.

Time-proven principles are combined in a new and improved mechanism to provide dependable and perfect automatic oil heat, on a high quality—low price basis.

A QUALITY OIL BURNER

12 outstanding achievements by Messrs. Scott and Newcomb—manufacturers of Pioneer Oil Burners.

- First to develop and apply electric ignition to automatic oil burners.
- First to use mechanical atomization of oil in domestic oil burners.
- First to develop small pressure atomizing nozzles for domestic oil burners.
- First to develop the thermal safety used in practically all domestic oil burners.
- First to utilize the method of stopping the burner by opening instead of closing the thermostat circuit.
- First to use high voltage transformer for electric ignition of oil.
- First to use a single pump for both lifting and atomizing oil in the case of sub-gravity installations.
- First to develop the oil cut-off valve.
- First to use a direct-to-motor connected pump with packless gland.
- First to develop a successful method of preventing the loss of prime in sub-gravity installations.
- First to develop a reliable safety device built integral with the burner.
- First to develop an electric oil pre-heater for domestic burners.

CONSTANT HEAT • UNIFORM TEMPERATURE

ABOUT TOWN

The airplane fatality at Randolph last Sunday in which three young persons were killed reminds one of the menace to lives and property which airplanes present. It was just luck that this airplane crashed onto vacant land instead of onto a dwelling. In other parts of this country airplanes have crashed onto buildings, killing occupants of the structures in addition to destroying the property. Just how many catastrophes must occur before airplanes will be compelled to be insured against personal liability and property damage, even as automobiles are now insured?

A Lecture on Christian Science

Entitled

Christian Science Universally Available

by

Bicknell Young, C.S.B., of Chicago, Illinois

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts

Capacity audiences attended the lecture on Christian Science given under the auspices of First Church of Christ, Scientist, of Newton, Thursday evening, November 3d, in the auditorium of the Newton Centre Woman's Club, Newton Centre Square, and Friday evening, November 4th, in the Church edifice, Walnut and Otis streets, Newtonville.

The lecturer was introduced at the Thursday evening lecture by Mr. William S. Whitman, First Reader of the church, and on Friday evening by Mrs. Helen P. Lawrence, Second Reader of the church. Mrs. Lawrence spoke as follows:

A familiar Bible story is that of Elisha, whose servant beheld "an host" compassing "the city both with horses and chariots." Elisha, discerning the facts, prayed, "Lord, open his eyes that he may see." The young man's eyes were opened and he saw that "the mountain was full of horses and chariots of fire round about Elisha." (II Kings 6:15-17.) Now in Psalms we read that "the chariots of God are . . . thousands of angels." (Ps. 68:17.)

In the year 1866, of all the world, Mary Baker Eddy alone saw the "horses and chariots of fire," the angel messages from God which would dispel all evil and reveal all good. Her life proved that her prayer for the world was: Open their eyes that they may see.

She wrote the Christian Science textbook. She established her church, The Mother Church, of which the Christian Science Board of Lectureship is an activity. Surely the work of this Board is motivated by the prayer: Open their eyes that they may see.

Perhaps some of us are beset by a host of marauding fears, suggestions of disease, of discontent, or of discouragement, which are aggressively claiming to occupy our mental horizon. Let us expect to have our eyes opened this evening, to awaken to a clearer consciousness of God's presence "round about."

The subject of the lecture this evening is "Christian Science Universally Available."

I am happy to introduce to you Mr. Bicknell Young of Chicago, Illinois, a member of the Christian Science Board of Lectureship. Friends, Mr. Young.

There has never been given to the world a more reassuring and cheering message than that expressed by the words, God is Mind. It is basic to all understanding and practice of Christian Science. It disposes of the great cloud of beliefs which has associated the word "God" with material concepts. It strengthens our religious convictions and comforts and sustains us with the naturalness of the divine Presence, and it awakens us to the recognition of divine possibilities in our everyday human existence.

At a time when uncertainty prevails and fear and indecision haunt the councils of the wisest and best among men and nations, the divine fact, God is Mind, reveals omnipresence, to dispel the darkness and to make the crooked straight and the "rough places plain."

Those words do not announce a mere theory. They express the primal, inevitable, divine Principle of all being and of all that the word "being" divinely signifies.

In the light of the statement, God is Mind, it is self-evident, though it may not at first seem to be so, that ideas which reveal God are divine and eternal. It is by means of such revealing ideas that Christian Science ennobles science and vitalizes religion. Mankind can in this way learn how to turn to God in the moment of fear or danger or difficulty with the same confidence that a little child feels in the arms of his parent.

Christian Science gives this confidence by explaining how human beings can receive divine help under all the trying circumstances of everyday life and living. It must be remembered, however, that this is the Science of the divine Mind. Therefore from the very outset it proves the value of right thinking to anyone who may care to test it, and by the same token, shows the baneful effects of wrong thinking. It thus brings to light the errors of our ways and awakens us to our individual responsibilities in overcoming them, as no other system has ever done.

In doing this it shows that fear is the one universal wretched heritage of a race that has defiled matter, and demands that such defilement cease in order that the day of salvation may be now, as St. Paul says that it is.

In the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 410), its author writes, "Christian scientific practice begins with Christ's keynote of harmony, 'Be not afraid!'" How shall we learn to obey this command? The answer in this, and in every instance where a question may arise, is to be found in the basic instruction which Christian Science affords. Every thought which comes to us must be tested. To use a beautiful figure of speech, every thought must be taken to the "throne of grace." If it cannot bear that light it is unworthy to be entertained.

That test immediately disposes of

fear, for it is not conceivable that the infinite One, the God who is Mind, could have any fear or could conceive of anything fearful within the range of His own infinite, infallible perfection. Anybody here to-day can remember this and can thereby find great freedom from what seems to be either personal or collective fear. Therefore, again and again and always Christian Science admonishes us, "Be not afraid," and shows us how to obey this admonition.

There is a certain divine naturalness in all this. The basic ideas which belong to this Science give it universal applicability. The science of thought is no longer a fantastic theory that excites alike ignorant and scholarly derision. No longer is it permissible to believe that we live in a world of matter exclusively.

Quite recently many representative physicians in the United States have expressed themselves to the effect that observation and experience in their profession show unmistakably that the functions and organs of the human body are deleteriously affected by the fretful and conflicting emotions of the human mind. This is equivalent to admitting that the habit of undisciplined mentality, and especially of egotistical and self-centered interests, tends to undermine health.

It is obvious, however, that while the recognition by the medical profession of the unhealthy influence of erroneous thought coincides up to a certain point with Christian Science doctrine, it is far from this Science in the actual practice which overcomes wrong thinking and all of its effects.

Uninstructed by Christian Science we find right and wrong inextricably mingled with our desires, ambitions, and our anticipations. No one can be sure that his thinking is right unless he learns by means of correct study and instruction that there is an immutable standard, and finds out what and where it is. The human heart has longed for this revelation. In the uncertainties and conflicts of human existence how often and how unwillingly have human beings cried out, "Oh, if there were something sure, something certain, something upon which we could place reliance!"

This unexpressed desire begins to be satisfied when one learns to differentiate between right and wrong thinking. In this connection the word "firmament" as used in the first chapter of Genesis is thus defined in the Christian Science textbook (p. 536): "Spiritual understanding; the scientific line of demarcation between Truth and error, between Spirit and so-called matter." This line of demarcation shows unmistakably that thinking needs to be subject to constant correction. True Christian Science practice is always right thinking. Such thinking is founded in divine Principle and operates as the law of divine Principle. It stands untrammelled and unimpaired in the vigor of this original relationship. Our thinking is right when tested by the law of universal good, and no thinking is right unless that thinking is invested with unlimited extension and universal influence.

Everybody including the thinker, "Thou shalt love thy neighbor as thyself" is not merely a Christian admonition but is the law of self-perpetuating divine Principle.

You will observe that when we say, God is Mind, we use the word "Mind" in its infinite meaning, not in any personal or finite sense. In fact, Christian Science shows that the tendency to personalize our redeemer and the way of redemption has not only darkened the religious sense of mankind but has tended to mislead the Christian world in the hours of greatest need. Nothing finite or personal could represent either our God or our redeemer. Divine ideas alone can meet such a divine requirement.

In this connection it may be remarked that the works of Jesus are as deeply significant as his words. We understand both just in the measure that we attain something of his sublime character. This is equally true of all that relates to him. There is no way of understanding him except in the way that he understood himself. His way was unquestionably the way of pure metaphysics. It bore no resemblance to matter or personality.

He said, "Verily, verily, I say unto you, He that believeth on me, the works that I do shall be also; and greater works than these shall he do; because I go unto my Father." Without distorting the meaning we might conclude that the words "greater works" here used may mean more universal works, and certain it is that today the conditions of the whole world demanding our most sincere and fervent prayers are being forced upon our attention, and we see that only as we go to the Father, that is to say, as we seek and find the oneness of Mind and Idea, and thereby prepare ourselves to receive divine help, shall we be able to do these greater or more universal works.

The conventional habits and acquired prejudices of material thinking unquestionably hamper us in this endeavor. Science as generally conceived of depends upon the intellect exclusively, yet here is forced upon our concept of science a moral factor, the idea of the power of Principle, divine Love, heretofore unrecognized, but which when put to the test in everyday life is found to be the chiefest among all. By means of it Jesus

illustrated divine power humanly, and thereby showed that divine power is always available to human beings, when they know how to avail themselves of it.

The way is simple but exacting, Jesus said, "Strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." In explaining this way, Mary Baker Eddy, the Discoverer and Founder of Christian Science, in her books, classifies in general terms all of the phenomena that come within the scope of human life and living. Disease, sin, and death, with all of their manifestations, as well as worry, lack, and anything and everything that in these days we may call depression, are classified as beliefs or errors. Therefore, Christian Science in healing disease as well as in saving peo-

ple from sin and sorrow and every other evil thing from which they need to be saved, deals not with matter, but with beliefs, primarily and exclusively.

The words and works of Jesus, when carefully considered, show that the power which he exercised was not personal. He did not claim that no one but himself could do such works. He exemplified the right way of healing for all of us. This way was and is scientific in that it is according to divine Principle and rule. Being scientific we may walk in it, and he urged his disciples to do so. It was not his personality that made him the Christ, noble and grand though that personality must have been. It was the true idea of God, the actual truth of being, steadfastly present as his thought or consciousness. This was the Christ, and is the Christ now.

This true idea of God may be and should be ever present with us, according to his words, "Lo, I am with you always, even unto the end of the world," meaning unquestionably even unto the extinction of sin, disease, and death.

This ever-present Saviour, this true idea of God in and as his consciousness, enabled him to overcome death and the grave. He spoke of himself as the Son of God, thereby unquestionably referring to his real selfhood, his spiritual oneness with God. This explains what real sonship is. When our understanding approximates the same standard of absolute Truth, it indicates the same sonship, our real selfhood.

In the twenty-first chapter of St. Luke's Gospel, Jesus prophetically depicts the error of sheer materialism in graphic figures of speech, which are quite as applicable to our time as they were to his: "Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken." The expression "for the powers of heaven shall be shaken" is particularly apt in view of the fact that the materialism which mankind has ignorantly invested with almost supreme power has indeed been shaken. The admonition and the promise, however, of all that he said on that occasion are to be found in the twenty-eighth verse: "And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

These words are absolute and unequivocal. They indicate unmistakably that we are individually required to take part in our own redemption and in the redemption of our fellow man.

Clinging to materiality and seeking to materialize simply accentuate the conditions that seem to trouble us individually and racially. The human need is apparent on every hand. Thinking of our troubles is not the way by which to overcome them. Thinking of our need will not meet our need. Material systems of healing and political nostrums of government have failed to make health prevalent or nations secure. Notwithstanding the great improvement in the mere mechanism of existence, there was never more uncertainty and fear, never more questioning and doubt, never more lack of faith in mere human expedients than to-day.

The average individual if asked whether he can do anything about such conditions or whether he possesses any power to aid mankind or even himself in such a predicament naturally answers, No; yet the rule is the same as it was two thousand years ago: "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you."

Method usually called mental. It is Christian, with none of the aspects whatsoever of paganism or magic. Every thought that accurately explains Christian Science, every thought that makes it correctly apprehensible, every thought that is employed in the true practice of this Science is of divine origin. The whole trend of this Science is to glorify God, good, and to enable mankind to lay hold upon the divine power and utilize it to meet the human need.

Now, if this is proved true, if this Science understood can invoke divine aid, then beyond all question anything that ought to be accomplished to bless and benefit us individually and racially is possible. That individual cases of disease are healed in thousands of instances is therefore not only a matter of great satisfaction and thankfulness on the part of those who are healed, but it is also of great encouragement to individuals, communities, governments, nations, and all mankind.

Why is this so? Simply because of the fact that Christian Science shows that everybody's belief about disease constitutes the so-called law of disease. In healing any specific case Christian Science treatment nullifies this false law. It is not conceivable that anything less powerful than omnipotence itself could thus destroy the malign influence of fears and beliefs with which humanity individually and collectively afflicts itself.

Let it be said, however, that while it is true that Christian Science Mind-healing may be demonstrated for one person by another, yet it is equally true that the full benefit of this Science is gained only by individual effort, and it must be seen that the prejudices and fears which sometimes cause one to hesitate to accept the one infinite Mind as the basis of thought and action are without foundation. One multiplication table is enough for everybody. One honesty is equally so. Everybody may have all of either or all of both, and none else be deprived of the same full measure of either or both. So it is with one infinite Mind.

I must, however, remind you that to test the truth of any statement for one's self requires something more than mere belief in it. Anyone, however slightly informed, would recognize this to be inevitably true of the science of arithmetic. It is equally true of the Science of Mind. Just as we employ whatever intelligence we may already possess in the science of arithmetic, so we must employ it in the Science of Mind.

Scientific Christianity is essential to the welfare of mankind. It is to be gained through the understanding of the inspired word of the Bible. "The eternal God is thy refuge, and underneath are the everlasting arms" is one of many passages which unmistakably declare the eternality and Immanence of Deity. We tried to believe those inspired and inspiring words of Holy Writ, but we had no idea that they were scientific in the sense of being humanly provable. We liked them and we had great reverence for them and this reverence constituted the greater part of our religion, but until Christian Science made them practical in everyday life all such Biblical sayings were regarded more or less as beautiful sentiments merely.

It ought to be readily admitted that an infinite creation, requiring an infinite creator, requires a science commensurate with both. Consequently this Science must rest upon and proceed from supreme intelligence. It is logically impossible that it should be otherwise. Furthermore, infinity means eternality, and eternality means never dying but ever living. Consequently infinity and everything that shows forth infinity is undying. To be

undying or ever living everything must be and is free from any destructive element. In the one infinite Mind or infinity no sin nor disease could ever have being, and if it were possible for any such destructive element to knock at the door of infinite divine consciousness that destructive element would immediately be dissipated into nothingness, because of the allness of infinity.

Therefore one of the most helpful statements of Christian Science is, "God is good." It is not new but the meaning of it is not fully understood until Christian Science is explained. This Science shows conclusively that infinity must be wholly good, that is to say, good as cause and good in effect. If schools of religion had been as truthful, and that means as scientific, as schools of mathematics,

placed before a unit could not change to somethingness the nothingness which one cipher placed before a unit signified.

We have need to overcome the belief that evil is large or great. It never has any actual existence. If you were to take the hand of truth and march through the endless corridors of infinity you would never find any evil. It is well for us to remember this, and that when evil appears to be large it is only just as many ciphers placed before a unit.

In view of all this, the duty of every thinking man and woman comes home to us with renewed force. It can be fulfilled with ever-growing and intensified joy. When we first consider this duty we are apt to believe that our poor thoughts are of little universal value, and this would be true of poor thoughts, but the thoughts which reveal God are of an entirely different character. They are not primarily human; they are inherently divine. Even our so-called human intelligence cannot be accounted for materially. All the research that has taken place and that has been carried on in the material world, from the lowest to the highest phenomena, has never revealed either intelligence or life in matter. The only way to account for the fact that we are living and thinking is to permit thought to exercise its divine prerogative and reveal its original being.

In ancient times, according to the Biblical record, inspiring and protective ideas sometimes appeared to be visualized to the patriarchs and the prophets. This was according to the tradition and belief of those primitive and inspired thinkers. The day of Science is our day, a different day, a period less primitive. Pure metaphysics alone can explain what would otherwise appear to be mysterious. The word "angels," as used in the Bible, has always had mysterious connotations. Science and Health (p. 531) defines that word thus: "God's thoughts passing to man; spiritual intuitions, pure and perfect." It is not the healing power of divine Principle brought to light in this hour one of these angels? If this be so, then everything depends upon our hospitality. St. Paul wrote, "And be not conformed to this world, but be ye transformed by the renewing of your mind." It takes new, active, and original thoughts to effect such a desirable transformation.

The seeming contact of Truth and error is never in the slightest agreement, but is always absolute repulsion. Death never becomes life; error never becomes truth; evil never becomes good; matter never becomes Spirit. In the demonstration of divine Principle, as taught in Christian Science, all evil, of whatever name or nature, is rejected as unreal.

Now this distinction between matter and Spirit, truth and error, made by Christian Science, and exclusively by Christian Science, has inevitably given rise to much comment and not a little opposition. Our critics in the intensity of their misunderstanding sometimes forget to exercise even ordinary judgment. They often choose to ignore the widely demonstrated facts that Christian Science is a scientific system of overcoming all evil, that it springs from divine power, and operates as the law of divine power, and that it does all this by giving us an understanding of Truth which enables us to deal with error fundamentally, rather than superficially. Now dealing with error fundamentally does not, in all reason, make Christian Science less wonderful, but rather more so. It is to be called Science. In order to be what it legitimately is, namely Christian Science, its propositions must necessarily be in accordance with the words and works of Jesus the Christ. They must be Christian in order to be true.

So it is, that just as in all demonstrable science, and notably in high mathematics, the propositions which constitute this science are not obviously true. They must be tested. Here the analogy ceases, however, for Christian Science is not only a discovery but a revelation. Its propositions are spiritually true and humanly redemptive. Diseases which were real to those who were suffering because of them, were unreal to the enlightened thought of Christ Jesus, and he proved them to be unreal by healing them, thus giving to the persons who believed diseases to be real the proof that they were actually unreal.

Why should anybody contend for the reality of disease since everybody is so glad to be free of it? The answer is all too obvious. The healing of disease is not clear that if there were no disease, disease would be unreal? Now since our desires have this common ground, why should not our intelligence be exercised according to our common desires and needs? The divine Principle, the one Mind, in all its infinitude, does not include or pride for any such thing as disease. Seeing that we are all thinking all of the time in one way or another, and granting that our thoughts have some influence in our own lives and possibly in the lives of other people, why should we not entertain those thoughts which are most likely to bless ourselves and others? The reasonableness of such a course must appeal to all people, whether or not they have as yet fully subscribed to the teachings of Christian Science.

Through all this it may be observed that Christian Science alone explains Christian Science. For ordinary systems of science or religion to attempt either to ignore or to explain the extraordinary healing and redemptive work of this Science is futile. The only result of such endeavors has been confusion.

It is cheering to observe a change in this respect. An attitude of disdain towards a system that has proved its *raison d'être* for nearly three quarters of a century is not ordinarily intelligent. It is therefore interesting

to note that those who formerly taunted Christian Science utterly have recently taken to writing books about it, and especially about the Discoverer and Founder of Christian Science. While much of what has been written and published in this way has been intentionally derogatory of her whom hundreds of thousands of Christian people look upon as the most inspired character that has appeared upon the stage of human experience since the first century of the Christian era, the effect has been to extend and increase the interest in the subject itself. This is exactly what has occurred throughout the history of this movement, and such signs and others of a similar nature show that Christian Science lives and thrives under opposition just as the word of Truth has always done and always will do.

The fact that we are human beings is in itself an acknowledgment of the need of divine help, and it is also a silent plea for mutual consideration and good manners. Every human being has some idiosyncrasies. Perhaps none of us would enjoy to have them placed under the magnifying glass of ill will, and in such an event we might at any rate have the cold comfort of knowing that the resultant exaggerated views were misrepresentations. Mrs. Eddy's ideals, her devotion to Principle, her life of unselfishness, and more especially her strength as her Christian character, all become objectionable traits when seen through the eyes of prejudice and interpreted with the pen of envy and malice.

It is both interesting and instructive to observe the utter failure of all such methods. The sale of the Christian Science textbook has appeared only often been increased by the publication of books which were intended to accomplish an entirely different purpose. Neither ignorant misunderstandings nor mischievous misinterpretations of Mrs. Eddy's character have affected her demonstrated achievements in the slightest degree. The healing power and influence of Christian Science, now recognized throughout the greater part of the civilized world, broadening and every day rising higher in the estimation of mankind, constitute an enduring monument to the Discoverer and Founder of Christian Science.

Because of this healing work, Christian Science churches and societies are now to be found not only in practically every country of Europe, and North America, but in the islands of the sea and in various places in Africa and Asia, and notably in Australasia, indicating unmistakably the widespread and ever-growing interest in a church "which should restate primitive Christianity and its lost element of healing," to quote the words of its Founder, Mary Baker Eddy (Manual of The Mother Church, p. 17).

The church services, consisting of reading from the Bible and the Christian Science textbook, are uniform throughout the world, and it is to be observed that the congregations commonly test the capacity of the commodious buildings in which the services are held. These churches and societies are branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The Christian Science Publishing Society, which is under the direction of The Mother Church, was established by Mrs. Eddy for the dissemination of Christian Science. It publishes *The Christian Science Journal*, *Christian Science Sentinel*, *Christian Science Quarterly*, containing the Lesson-Sermon used at the church services, *The Herald of Christian Science*, which is published in German, French, Scandinavian, Dutch, and Italian, and *The Christian Science Monitor*, an international daily newspaper which is known practically over the whole world.

The growing demand for these publications is such that to-day there is being erected in Boston a group of magnificent buildings of very large proportions, to provide adequate accommodations, as far as it is possible to do so at this time, for the publication of Christian Science literature.

Mary Baker Eddy discovered this Science. She was the first practitioner of this Science. Those who were benefited by her ministrations did not immediately understand her teachings. For years she had to stand alone, and she had to present and prove to mankind the value of original and revolutionary ideas concerning God and man. Gradually those who were healed and helped became adherents to her doctrine and many of them entered upon the practice of healing the sick by the method which she had discovered and which at first she alone taught.

I knew Mrs. Eddy only slightly, but in view of much that has been said of her by writers who never saw her and who really knew nothing about her, it may not be improper for me to speak of one particular interview which I was privileged to have with her and during which I could observe her closely.

Because of this I have more than once been asked to describe Mrs. Eddy. She was in all that constitutes personal appearance well worth describing, and yet I could not attempt to describe her because something greater than any human personality however attractive commanded one's exclusive attention in Mrs. Eddy's presence.

Although she kept in touch with contemporary affairs and was thoroughly alive to the circumstances and events of a changing world, still it could be observed that she looked out upon the world rather than out from it; and in the case of this particular interview the thought of her personality was lost in the unique eloquence (Continued on Page 13)

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

COMING EVENTS

Newton Federation

At the invitation of the West Newton Women's Educational Club the Newton Federation will hold its fall meeting on Monday, November 14th, at the Second Congregational Church, Highland street, West Newton. The morning session, beginning at 10:30, will be devoted to several Round Table Conferences, each in charge of an officer or chairman of the Federation. The presidents of the clubs forming the Federation will discuss their problems under the leadership of Mrs. Charles C. Willson, first vice-president. Mrs. Harry E. Moore, chairman of Finance, will meet with the financial officers and treasurers. Another vice-president of the Federation, Mrs. Edwin F. Gibbs, will have corresponding and recording secretaries in her group; and each active committee, with the exception of Social, will be represented by its chairman as follows: American Home, Mrs. Clarence H. Spilke; Civics (Community Service), Mrs. Arthur W. Liscow; Conservation of Natural Resources, Mrs. Waldo W. Walker; Education, Mrs. Maynard Hutchinson; Legislative (including International Relations), Mrs. Charles E. Valentine; Press and Publicity, Mrs. Robert S. Bowen; Public Health, Mrs. Clarence C. Smith; and Health Christmas Seals, Mrs. Charles A. Riley. As Mrs. Victor P. Ratzburg, chairman of the program committee, has charge of the arrangements for the day, her place in the Conference Room will be filled by Mrs. Wallace Wales, a member of that committee. Mrs. Frank H. Stewart, one of the directors, will be hostess to the chairmen of the Art committees of the clubs, there being no art committee in the Federation. It is hoped that there will be a good attendance at each of these group gatherings, as there is sure to be an excellent opportunity both to give and to receive considerable help in club work. Any Newton clubwoman particularly interested in the work of any of these divisions will be welcome at the conferences.

The Social committee meanwhile will be active in the preparation of the luncheon which will undoubtedly demonstrate their ability, this to be served at 12:30, with Mrs. C. H. Lippincott as chairman. Tickets are 50 cents. Reservations should be made, if possible by November 11th.

At 2 o'clock the afternoon session will convene, with a program of interest to everyone. This is the first meeting of the Federation wherein the recently-adopted system of voting will be used, i.e., the voting body to include the officers, directors, and chairmen of committees of the Federation, the presidents of the affiliated women's club, and the appointed delegates. The seating of these will be directed by the second vice-president, Mrs. J. Earle Parker, and the delegates are asked please to present their tickets for recognition.

Mrs. D. Earle Brackett, president of the Hostess Club, will welcome the guests; and the Federation president, Mrs. Samuel N. Braman, will recount her "Impressions of the Biennial." The musical treat for the afternoon will be a group of songs sung by Mrs. Wallace Wales. "How to Look at a Picture" is the title of Mr. Frank Grebe's talk, and Newton's new superintendent of schools, Mr. John Lund, will speak on "Children and the Depression." Mr. Lund will remain after the program, and all who wish may meet and greet him.

The Federation again this year is asking its members to knit sweaters for distribution by the Community Service committee, as was done last year. Miss Miriam Drury, 334 Franklin street, Newton, N. N. 3380-M, will undertake the providing of this wool at a very moderate price, and will issue directions for the knitting. The wool has been ordered and will probably be received in time for distribution at this meeting.

Newtonville Woman's Club

Mr. Howard Brenton MacDonald, recognized as one of the most entertaining of the Travel Lecturers, will address the Newtonville Woman's Club on Tuesday, November 15th, at 2:30 p. m., at the Club House.

Mr. MacDonald has traveled extensively, spending much of his time in the tropical countries, and he brings to this lecture "The Romance of the Caribbees," all the glamour of pirate stories and of the fascinating tales of the Indies. Further, he shows beautifully-colored slides illustrating his trips to both poles and his visits to sixty-five countries.

During the afternoon music will be furnished by Mr. John Wiggins, piano soloist.

Tea will be served by the Hospitality committee, and there will be an informal reception with the president and several other club officers in the receiving line.

At this meeting the annual contribution of jellies and old linen or cotton for the Newton Hospital will be received. This donation last year exceeded all hopes of the Hospital committee, and Mrs. Henry J. Baringer, chairman, will appreciate as generous a contribution, as the need this year is very urgent.

Those attending the Book Reviews by Alice Dixon Bond, are very enthusiastic. Mrs. Bond, from her wealth of literary knowledge, interprets the modern writers with a keen and delightful sense of humor that entertains while instructing her audience. Her second talk will be given on Wednesday, the 16th, at 10 a. m., at the Club House, and the book "Earth Horizon," by Mary Austin will be discussed. Course tickets for the re-

maining five lectures may be obtained for \$2. This feature sponsored by the Ways and Means committee for the purpose of raising funds for financing the new Club House, bespeaks the co-operation of all Club members. Others in the community also will be glad to learn that they may avail themselves of the opportunity to hear the lectures, all activities of the Ways and Means committee being offered to the public.

On this same date, the 16th, from 8 to 10 o'clock in the evening, the Club will hold an informal "Open House," with the members of the Maintenance committee acting as hostesses, a delightful occasion, when members may bring their husbands or guests to visit the Club House and to inspect the new venture that the women of the Newtonville Club have undertaken.

Christian Era Study Club

The Christian Era Study Club will hold a meeting on Monday, November 14th, at the home of Miss Susie C. Johnson, 84 Grove street, Auburndale. The program for the afternoon will consist of two papers; one by Miss Shepard on "Michael Pupin" and the other by Mrs. Alfred L. Billings on "Henry M. Stanley."

Newton Centre Woman's Club

The Newton Centre Woman's Club is one of eight prominent women's clubs which will compete in a contest of artistic table settings, to be held on November 15th, 16th, 17th and 18th at Jordan Marsh Company's new auditorium on the sixth floor, store for men.

Tables will be set for breakfast, luncheon, informal dinner, and formal dinner, and a prize of \$100 in gold will be the award for the table proving the most popular, on number of votes received.

Mrs. Charles K. Badger and Mrs. William C. Noetzel, chairman and vice chairman respectively of the Art committee of the Newton Centre Woman's Club, will arrange a breakfast table setting. Mrs. James H. Orr and Mrs. W. Cornell Appleton have charge of decorations for a luncheon table. An informal dinner-table setting will be decorated by Mrs. Frederick C. Ring and Mrs. Walter H. Dietz, and Mrs. Sarah R. Comer will plan a formal dinner arrangement.

Woman's Club of Newton Highlands

"Understanding Ourselves and Others" is the subject Mrs. T. Grafton Abbott has chosen to speak upon before the Club at the regular meeting to be held on Tuesday, November 15th, at 2:30 p. m., in the Congregational Parish House. Mrs. Abbott has been for years a Clinical Psychologist at the Judge Baker Foundation in Boston, and her lecture deals with new fields of Psychology, including the uses to which they may be put in daily life, and some of the dangers in personality development due to lack of discrimination in the application of these fundamental principles. The Club is fortunate in having another well-known speaker on the same program. Mr. John J. Cape, instructor in Economics at Boston University, College of Business Administration, will talk to the Club regarding "The National Economy League."

Social Science Club

Mrs. Sidney Peterson will present the first paper of the year to the Social Science Club on Wednesday, November 16th, at 10 o'clock in the Channing Church Parlor. Her subject will be "The Challenge to the Old Order in Germany." Mrs. Hayward P. Rolfe and Mrs. Nathan P. Cutler will act as hostesses.

Newton Highlands C. L. S. C.

Mrs. Emery W. Clark will entertain the Newton Highlands C. L. S. C. at her home, 138 Allerton road, on Monday, the 14th. Members should note the change in program, the subject of the afternoon's study to be "Frontier Literature," in charge of Mrs. Edward G. Swift and Mrs. William E. Leonard. Miss Mary E. Hyde and Mrs. William E. Leonard will present Current Events.

Auburndale Review Club

Mrs. William N. Teneny of 256 Woodland road, is hostess for the meeting of the Auburndale Review Club on Tuesday, the 15th.

The following book reviews will be given: "The Lady of Goda," by Ruth B. Finley, reviewed by Mrs. Frank F. Davidson; "When Antiques Were Young," reviewed by Mrs. Eugene U. Uford; and "Mexico, A Story of two Americas," by Stewart Chase, reviewed by Mrs. George A. Follett.

Boston Woman's Civics Club

The International Relations committee, Mrs. John A. Groves, of Newton Centre, chairman, will have charge of the next meeting of the Boston Woman's Civics Club, in the Sun Room of Hotel Brunswick, on Wednesday, November 16th, at 2:30 p. m. Mr. Edward D. Sherman will give an illustrated lecture and travelogue (motion pictures), entitled "Around the World in Sixty Minutes." Members are privileged to bring friends.

Community Service Club of West Newton

Following the successful Cornelia Otis Skinner recital of last year, the Community Service Club again will sponsor an evening of unusual talent, when, on November 30th, in the Newton High School Auditorium, a humorous debate by four well-known citizens of Newton will be presented:

Neal O'Hara, Edward E. Whiting, Guyas Williams, and Dr. Cecil W. Clark, will be the contestants on the subject Resolved: Are women People? Each of these men is outstanding in a particular field and their appearance at one time insures an evening of mirth and pleasure.

Equally distinguished in her own sphere, as a dramatic reader, is Hortense Creede Rallsback, who needs no introduction to a Newton audience who will give several highly entertaining monologues. Mrs. Rallsback delights by her inimitable impersonations.

Two more immediate events of this Club come during the next week. On Wednesday, the 16th, at 2:30 o'clock in the Parish House of Second Church, Mr. Rennie Smith will speak before the regular meeting on "My 1932 Estimate of Russia." Mr. Smith was recently a member of Parliament, and a leader of the British Labor Party, and besides this intimate knowledge of affairs, he spent the past summer in various European countries, studying their problems, and comes with this lecture straight from Russia.

On Friday, the 18th, at 10:30 a. m., in the Unitarian Parish House, Mrs. Claude U. Gilson will give the second in her series of lectures on Current Events. This Course is in charge of Mrs. Francis Newhall and information may be obtained by calling W. N. 3217.

State Federation

RADIO. Miss Alice Bradley, director of Miss Farmer's School of Cookery, will be the guest speaker for the American Home Department of the State Federation on Saturday, the 19th, over WBZ, her topic being "After Noon Teas." Mrs. Fred L. Piggeon, Education chairman of the General Federation will also speak, on "The Purpose of Education." Music will be given by Mrs. Margaret Edgar Richardson, Pianist, of Boston, and president of the Music Lovers' Club.

The program for the 12th has already been announced in this Column. The half-hour 11:30 to 12 noon is the time of the weekly broadcast.

ART LECTURE. The second of the series of four lectures on permanent and current exhibitions, to be held at the Boston Art Museum, under the auspices of the division of Art, will be held on Wednesday, the 16th, at 2 o'clock. Mrs. Roy C. Baker, chairman announces. Tickets for these three lectures may be secured for 75 cents or single lecture tickets at 35 cents. The proceeds will go to the Museum educational fund as a scholarship from the State Federation.

PRESS CONFERENCE. Monday afternoons in November are being featured as Press days by the State chairman, Mrs. Reuben Gleason, Jr., those interested as well as club press chairmen, being invited to State Federation Headquarters, 687 Boylston street, Boston, at 4:30 o'clock, to hear well-known newspaper women speak on press subjects. On the 14th, the second in the course Alice Williams, of the Boston Sunday Advertiser, will be the speaker, and Mrs. Charles L. Fuller, Radio director of the Federation, also will present information on her work, which she is handling so efficiently and entertainingly.

RECENT EVENTS

West Newton Women's Educational Club

"Reading as a Medicine" was the topic of Mrs. Herbert J. Gurney's lecture at the Open Meeting of the West Newton Women's Educational Club, on Friday, November 4th. As a past president of the Massachusetts State Federation, Mrs. Gurney was greeted as an old friend by many of the Club members and their guests, and the applause which she received at the close of her talk showed their appreciation of the instructive and amusing way in which she handled her subject.

Mrs. Fred W. Hart, chairman of the Division of Legislation in the State Federation, gave a timely discussion of the three referenda to be voted on at the coming election, and answered most helpfully the questions put to her.

The purpose and aims of the Community Chest were outlined, briefly, by Mrs. Ellis Spear, Jr., as she solicited interest and support of the project.

The Hospitality committee members were hostesses during the social hour, and Mrs. Raymond O. Littlefield and Mrs. Joseph A. Otis presided at the tea table. The beautiful roses which decorated the table were in tribute to the memory of Mrs. S. Elizabeth Lewis and were presented to the Club by her daughter.

Woman's Club of Newton Highlands

The first Drama Class of this season was given a very entertaining afternoon on Friday, November 4th, in the Club Workshop. Mrs. James Gove, in charge of the following cast, read "Another Language" by Rose Franken: Mrs. Raymond C. Stanley, Mrs. Clarence R. Hickox, Mrs. Arthur F. Brown, Mrs. Henry H. Skelton, Mrs. Ralph Thompson, Mrs. Earle Johnson, Mrs. Frederick S. Fairchild, Mrs. Theron B. Walker, Mrs. Charles L. Pierce, Mrs. Allingham and Mrs. Williams.

Presidents' Club of Massachusetts

Mrs. John W. Gould, of Worcester, president of the Presidents' Club the personnel of which is made up of past presidents of Massachusetts clubs of the State Federation of Women's Clubs, presided at the fall

(L. S.)
Robinson Automotive Corporation vs. Leo Ellis.

This is a petition to enforce a lien for storage of a motor vehicle amounting to Fifty-Eight Dollars and No Cents, alleged to be due to the Petitioner from the Respondent on the twenty-eighth day of October 1932, as set forth in the petition of that date.

And it appearing to the Court, by the suggestion of the Petitioner that no personal service of said petition can be made upon the Respondent.

It is ordered by the Court, here, that the Petitioner give notice to the Respondent of the pendency of this action, and to appear before said Court, to be held at Newton, in said County, on Saturday, the third day of December 1932, next, at nine of the clock in the forenoon, to answer the same, by causing an attested copy of this Order to be published in the Newton Graphic, a newspaper published in Newton, in said County, once a week, three weeks successively, the last publication to be at least seven days before the said Saturday, the third day of December 1932, and by sending by registered mail to the said Respondent addressed to his last known address, a true and attested copy of this Order, that said action be continued until notice shall be given to said Respondent, agreeably to this Order.

GRACE R. BOSTWICK,
Assistant Clerk.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. District Court of Newton

Robinson Automotive Corporation vs. Leo Ellis.

Now comes the Robinson Automotive Corporation, a Massachusetts corporation, and says that since November 7, 1931 it has had in storage at 1272 Willys Knight, Motor No. 54465, Serial No. 54132, Model 36, belonging to one Leo Ellis, whose last known address is (No. unknown) Abundance Avenue, Abundance, Mass., that it was agreed that the sum of \$50.00 per month was to be paid for said storage; that at the present time the said car is stored towards said storage, which now amounts to \$55.00, October 28, 1932.

WHEREAS the said corporation named Robinson Automotive Corporation desires to sell said automobile in payment of the amount due to it, and respectfully asks this Court for an order of sale.

ROBINSON AUTOMOTIVE CORPORATION, Plaintiff.

By its Attorney,
J. FREDERICK OAKES.

MORTGAGEE'S SALE

By virtue and in execution of the power of Sale contained in a certain mortgage given by George H. Kelley, Jr., and Sarah M. Kelley, his wife in her right, to Newton Mortgage Corporation, dated August 27, 1930, and recorded with Middlesex South District Deeds, Book 5453, Page 37, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction, on the premises described in said mortgage, on Tuesday, December 6, 1932, at ten o'clock in the forenoon, all and singular the premises described in said mortgage, to wit:

A certain parcel of land with the buildings thereon, and thereon, including all furnaces, heaters, ranges, mantels, gas and electric light fixtures, and all other fixtures of whatever kind or nature contained or hereinafter installed in said buildings, situated on Hammond Street in the City of Newton, in the County of Middlesex, shown as "Approximate Plan No. 1 of Land of Frank W. Smith, Newton, Mass., March 26, 1887, Arthur E. Gray, Landscape Engineer," recorded with Middlesex South District Deeds, Plan Book 103, Plan 33, said parcels being together bounded and described as follows:

Southwesterly by Hammond Street, one hundred twenty and 7/10 (120.7) feet more or less;

Southeasterly by a proposed road one hundred eighty and 1/2 (180.5) feet more or less;

Northeasterly by Lots 27 and 31 one hundred sixteen and 92/100 (116.92) feet more or less;

Northerly by the remaining portion of Lot 29 shown on said plan, being land formerly of George A. Morin et al. one hundred thirteen (113) feet more or less;

Containing thirteen thousand two hundred thirty (13,230) square feet more or less. Hereby conveying the same premises conveyed to Sarah M. Kelley by her husband, George H. Kelley, his wife, in her right to the East Cambridge Savings Bank, dated April 15, 1930 and recorded with said Middlesex South District Deeds.

These premises will be sold subject to any and all unpaid taxes, municipal liens and assessments, and tax sales, if any there be. A deposit of Five hundred (\$500) dollars in cash, to be made at the time of sale. Other terms and conditions will be announced at the sale.

JOHN R. STUART,
Assignee and Present Holder.

Christian Science Lecture

(Continued from Page 9)

with which she spoke of the grandeur of Divine Science and of the blessings which must accrue to mankind through the acceptance of this Science. She spoke much of the power and presence and immutable law of Love, and when an instance was mentioned wherein she had been as much wronged as it is possible for one person to be wronged by another, her spontaneous forgiveness was couched in the noblest terms of pure Christianity.

In Science and Health (p. 1) Mrs. Eddy writes: "Regardless of what another may say or think on this subject, I speak from experience. Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind."

It is the practical value of this Science which excites the curiosity of the average man or woman. This interest once awakened grows and flourishes by its own inherent relation to the permanency and reality of Truth. Thus the adoption of Christian Science, according to the alarmed forecasts of our critics, threatens to be universal. It is a part of the duty and privilege of a lecturer to accept the prophecy and dispel the alarm. When King Agrippa said to Paul, "Almost thou persuadest me to be a Christian," the apostle answered, "I would to God, that not only thou, but also all that hear me this day, were both almost, and altogether such as I am, except these bonds." So in our day the demonstrable understanding of Christianity holds out not merely a hope but the assurance that the power of God revealed, and thus made available, can meet the individual and universal needs of mankind with absolute certainty and supreme satisfaction.

Our needs often appear to be many and divergent, but they are actually few and identical. We have been led to believe that happiness depends upon circumstances and possessions, and humanity has quite generally accepted the old philosophical dogma that the object of life and living is the attainment of happiness, while the truth is that happiness is the essential nature of true being, the very essence of the one Mind, the divine Principle, announced in the words of St. John, "God is love." Let us then start with happiness instead of merely seeking it. Let us accept the admonitions of the Bible, "With joy shall ye draw water out of the wells of salvation," and, "Rejoice evermore." In so doing we shall find that Christian inspiration is sustained and corroborated by divine reason and unanswerable logic.

As step by step in entering upon this path of pure Science your thoughts begin to "acquaint themselves with God," as the Christian Science textbook (p. 107), paraphrasing the Bible, says that they should do, you will see that they also begin to take on the law and power of that divine acquaintanceship. It will become more joyously clear to you that Christian Science is demonstrating what is already and forever true and perfect and at hand.

You will see that all that means cause, basis, incentive, impulsion, plan, purpose, power, and law; all that means Life and the reality of Life, and the ability to sustain and perpetuate the law of health and Life, already exists and is divinely and immutably operative in our behalf when thoughts unerringly acquaint themselves with God, the one Mind, and just as unerringly reject the belief that there is any other mind or any necessity for any other mind.

On page 469 of the Christian Science textbook, Science and Health, the author writes, "There can be but one Mind, because there is but one God; and if mortals claimed no other Mind and accepted no other, sin would be unknown."

The healing influence and unction of this one infinite presence requires no medium other than itself and could have none. Necessarily, God acts by the directness of His own omnipresence and the immutability of His own law.

Accepting the ideas of the infinite Mind, Science requires that we reject the beliefs and fears and theories which constitute what are called mortal mind or the human mind. In this way alone can we avoid the adulteration of the practice of Christian Science, an adulteration which would inevitably ensue if we were erroneously led to believe that what is called the human mind, or mortal mind, could be a medium for the action of the divine Mind.

Prior to the advent of Christian Science, the basic proposition of this Science, "All is infinite Mind and its infinite manifestation" (Science and Health, p. 468), to be found in the paragraph called "the scientific statement of being," in the Christian Science textbook, was a proposition either wholly unknown or but dimly perceived even by the most enlightened, consequently the Science of Mind, revealed exclusively in divine ideas and dealing solely with thoughts and beliefs, was also unknown. It needs to be accepted more simply and tested in individual experience according to the directness of its method. This method may briefly be described as the affirmations of eternal spiritual Truth and the consequent rejection of evil of any name or nature whatsoever.

If one doubts the value of such a course and believes it unworthy to be called scientific let him persistently differentiate mentally between good and evil, cleaving to the one and rejecting the other, for a single day. By so doing one can prove for himself whether the simple but exacting method of Christian Science is really scientific. This necessity for correct thinking or for thinking at all sometimes seems to be discouraging for those who have supposed that Christianity was a mere system of belief and blind faith, and heaven a place to

be attained through death, but such a one may take heart. Sincerity opens the door to divine understanding.

Our real prayers are therefore praise rather than supplication, for Christian Science revealing the fact that God is Mind, the infinity of good, reveals the perfection that already is and always was and always will be. Nothing could be added to it, nothing taken from it. All of its details, all of its relationships are eternal and divinely harmonious. Let this be our understanding in regard to our homes, our churches, our country, our world.

Thus we may help in bringing to pass universally the real government of divine Principle. Speaking of this on page 565 of Science and Health Mrs. Eddy writes: "The impersonation of the spiritual idea had a brief history in the earthly life of our Master; but 'of his kingdom there shall be no end,' for Christ, God's idea, will eventually rule all nations and peoples—imperative, absolutely, finally—with divine Science."

DELIGHTFUL PARTY BY SARAH HULL CHAPTER, D. R.

Members and guests of Sarah Hull Chapter, D. R., enjoyed a delightful afternoon last Wednesday in the Hunnewell Club Parlors when the Chapter's annual bridge party was held. About twenty-five tables were in play and a prize was given for each table. The guests were met by the hostesses of the afternoon, Mrs. John F. Dunton, regent, and Emma Downing Coolidge, recording secretary. Mrs. Edgar M. Horne was general chairman of this successful affair, and she was assisted by Mrs. Ralph C. Emery, Mrs. Albert B. Hinkle, Jr., and Mrs. Willard L. Sampson. Mrs. Arthur D. Weston was in charge of refreshments, ice cream and dainty cakes, which were served late in the afternoon.

Candy and nuts arranged in pretty baskets of buff were sold by three attractively-gowned young girls, who carried their tempting wares on decorated trays to the various tables, the Misses Barbara Cox, Virginia McCarthy, and Jean Morrow. This feature of the party was in charge of Mrs. Charles E. Morrow, as chairman. Financially and socially the Party was most successful. The Chapter will not hold another meeting until the second Wednesday in December, the 14th.

MOTHERS' REST CLUB TO GIVE LUNCHEON

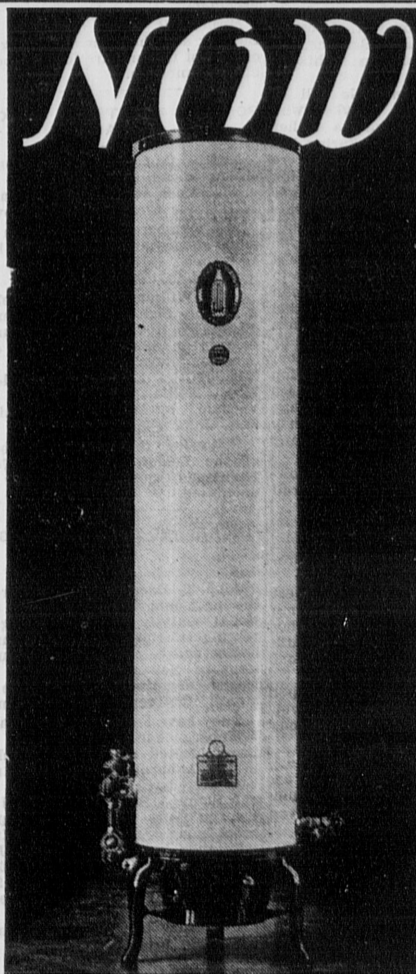

The Mother's Rest Club is giving a luncheon and book review at the Congregational Church Monday, November 14, to raise money for our annual gift to the Mothers' Rest Association.

Mrs. Ruth Wolfe Fuller of Waban will review the book "Not to be Repeated—the authors name is anonymous." The committee in charge of the luncheon consist of the following: Mrs. G. Horace Williams, Mrs. Harry Pearsall, Mrs. Hoyt Weston, Mrs. Arthur LeRoy Risley.

The following members acting as hostesses: Chairman, Mrs. Rodney Stratton, Mrs. Robert Muther, Mrs. Charles Valour, Mrs. H. N. Bowman, Mrs. Horace Hall, Mrs. L. N. Henry, Mrs. E. F. Rockwood, Mrs. J. F. Randolph, Mrs. Ernest Gearing, Mrs. George Willard Smith and Mrs. William Haskell.

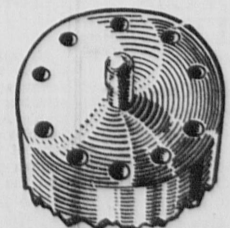

Tickets for the luncheon or book review may be procured from Mrs. G. Horace Williams, 944 Centre St., Newton Centre. Luncheon and book review \$1.00. Book review fifty cents.

Copies of the Christian Science lecture in this issue may be obtained at the Newton Graphic Office, 11 Centre Ave., Newton, Mass. Tel. New. No. 4354.

YOU CAN REACH FOR A FAUCET INSTEAD OF A MATCH

SCORES of Boston people are now saving money every day with Thermator, the amazing new low-priced gas water heater. And they're enjoying abundant, healthful, automatic hot water every day, too. Thermator works on an entirely new principle. Heat circulates through water instead of water through heat. It is built like a giant thermos bottle to secure maximum hot water results at lowest cost. Simple, durable, automatic, with a rugged Everdur copper boiler. Read below how easily you can own one.

This is an actual size illustration of the only burner in the new Thermator. It's as small as the simmering burner on your gas range!

LEND A HAND CLUB ANNUAL BRIDGE

On Monday, Dec. 5th, at 2 P. M. in the Copley Plaza the All Souls Lend A Hand Club, will hold its annual bridge. At 4 P. M. Filene's will present an attractive style show for which music will be furnished by Jimmie McHale's famous Hotel Bradford Cascades orchestra. Society matrons debutantes and Junior League members, as models in the newest gowns, will add charm to the affair, for which the club bridges have been noted.

Hostesses for small groups, a table with home made cake and candy, an unusual prize for each table will combine to make a fitting climax of forty years of social functions for the benefit of genteel people in need. Tickets may be obtained from the chairman, Mrs. Lester P. Jones, 60 Atholstone road, Centre, or Mrs. Donald M. Hill, 15 Madison avenue, Newtonville.

"NEW LADY BANTOCK" BY PARISH PLAYERS

The Parish Players of Saint Paul's Episcopal Church, Newton Highlands, will give Jerome K. Jerome's comedy "The New Lady Bantock" in the Parish House on the nights of Nov. 15 and 16.

The leading feminine role will be taken by Miss Louise Hawkes who made an outstanding success of her parts in several plays during her course at Centenary Institute where she graduated last year. The leading male part will be taken by Edgar Swail. Mr. Swail has had a wide dramatic experience in modern amateur theatricals.

The supporting cast is composed of Mr. John Haughey, Mrs. Benjamin Mason, Mrs. Carlton Blanchard, John Allen, William Newby, Mrs. Ethel Odell and other players of experience. The producing staff is headed by Arthur Logan, the Players' director; Jessie Graham, Chairman Production Committee; Edgar Swail, Business Manager; Emery Leonard, Stage Manager; Sumner Smith, Property Manager; Graydon Smith, Electrician; Sewall Logan, Make-Up Artist.

Director Logan received the following letter from Mr. Prince H. Tirrell of South Weymouth:

"The Parish Players,"
Newton Highlands,
I note by THE GRAPHIC your proposed play.

Some fifteen years ago Mr. Albert R. Thayer of Boston painted for me a Lady Bantock for use in the play which we then gave. It was full-length, Guinevere style, about three by five feet.

If you people are stuck for a proper picture I would be glad to lend you mine which has served in numerous plays since its first appearance.

P. H. TIRRELL

CENTRAL CHURCH WOMAN'S ASSOCIATION

Mr. Buel Trowbridge, Director of Religious Work at Phillips Academy, Andover, spoke on "International Understanding and Friendship" at the Woman's Association of Central Church on Nov. 2. He gave a graphic picture of the unrest of students in European countries, especially Germany, and the rapid growth of nationalism.

The International Student Service, of which Mr. Trowbridge is the American head, tries to unite student groups studying in this country and to get all the living issues before them, training them to think in terms of international pictures. By sending picked key students to Europe to attend 8-day student conferences, Mr. Trowbridge thinks they can be trained in internationalism, as in this way they can learn more about conditions than tourists can ordinarily learn in years.

The regular business meeting of the Association was held after Mr. Trowbridge's address. Mrs. Randolph McNeill led a short devotional service. Mrs. Denatur, the President, asked Mrs. Herbert Blair, President of the Newtonville Woman's Club, to

tell about the Community Chest campaign. Mrs. A. D. Salinger made announcements about the elections, and gave the voting places for the five precincts.

Mrs. F. R. Clark and Mrs. A. H. Burdick and their committees were in charge of the preparation and serving of the luncheon.

POST NO. 48 ATTENDS MEMORIAL MASS.

Members of the Newton Post No. 48, American Legion attended a Memorial Mass at the Mary Immaculate of Lourdes Church Sunday, Nov. 6.

The members met in Newton Highlands square and accompanied by the sixty-piece Newton Post Band, marched to the Church.

Rev. William Kerrigan celebrated a solemn high mass of requiem, assisted by Rev. Daniel P. Dunn as deacon, and Father O'Connor, of the Working Boys' Home who is chaplain of the Legion, as sub-deacon. Mrs. Nellie Murray sang "Ave Verum," by Millard accompanied by Mrs. John Flood, organist.

Following the mass the members of the Legion marched to Newton Highlands square where they were dismissed.

INCREASED DEMAND FOR GOOD HOMES

John T. Burns & Sons report that the past month has seen an exceptional activity in the leasing and renting of the better grade modern homes and estates in the various sections of Newton. Among the many leases negotiated during the past month they report the following:

They have leased for Mrs. Maybelle Weinberg her English type brick home located at 244 Woodland road in the Auburndale district. In Waban they have leased for the Andover Savings Bank to Martin J. Mullin the Cape Cod colonial type ten room home. In the Chestnut Hill district they have leased for J. J. Curry to Arthur E. O'Neill the English type brick home located at 419 Beacon street adjoining the Liggett Estate. In Chestnut Hill they have also leased for Mrs. Augustus Beatty her brick colonial ten room home.

At 231 Ward street, corner of Fellsmere road, they have leased the brick colonial nine room home, together with two car garage and 10,000 square feet of land, for Dr. Harry A. Marx of New York to Mrs. Catherine A. Leinbach. At 194 Commonwealth avenue, Chestnut Hill, they have leased for Jennie Elizabeth Clark to Isadore Zarakov the colonial nine room home. At 8 Lancaster road, Newton, they have leased for Ivan Hamm his new English type brick eight room home. In this same district they have leased for Horace W. Cole the brick English type eight room home located at 8 Jameson Rd. Mrs. J. W. Brown of Honolulu has leased the property furnished. At 1669 Washington street, West Newton, they have leased for the Somerville National Bank to Hobart Young the new brick English type home. This is but a partial list of the many properties rented by the Burns agency during the past month.

WOMEN'S CLUBS

(Continued from Page 4)

meeting, on November 7th, at the Hotel Vendome, Boston, at 2 p. m. The program included a reception to new officers and to guests of honor, which included Mrs. Carl L. Schrader, General Federation director, and Mrs. Frederick E. Judd, Sixth District director.

The Variety Club of Boston furnished the program. Serving with Mrs. Gould were three local club women: Mrs. S. Hardy Mitchell, Mrs. George C. Taplin, and Mrs. Joseph A. Otis.

Tea was served under the direction of Mrs. Frederick D. Lawley.

DATES OF NEXT MEETINGS AND ACTIVITIES

Nov. 12. State Federation, Radio.

Nov. 19. Newton Highlands Woman's Club, Marionette Show.
Nov. 19. Shakespeare Club.

BIBLE CLASS HOLDS BOOK NIGHT

The Woman's Bible Class of the Newtonville Methodist Episcopal Church held a book social on Tuesday evening of last week when each guest, either in costume or with accessories, represented a well-known book. In the company were "The Prince of India," two "Daughters of India," and "A Daughter of the Samurai," all in Oriental costume. Others were "Our Mutual Friend" who was identified in a picture of one class teacher, Prof. W. J. Lowstutter, and "The Wives of the Cabbage Patch" whose costume left nothing to be desired. The beautiful head of cabbage which she carried left no further doubt as to her identity. A garden hoe carried with an air of ownership brought "Ivanhoe" also of the class. "The daring socks for her son's laundry bag which must be sent next day was the personification of "It is Never Too Late to Mend," and the last will and testament, recently written, of the pastor, Rev. Emig, was beyond a doubt "The New Testament." A burned out flash light was "The Light That Failed," and "The Mill on the Floss" was the picture of a mill attached to a bit of dental floss. One guest wore a small padlock on the top of her head, "Locke on the Human Understanding."

Mrs. A. H. Soden and Mrs. Paul V. Barker, who represented "Lavender and Old Lace" and "Jungles Preferred," tied for the prize for the best costumes, and Mrs. Robert E. Bruce received the prize for the greatest number of correct guesses on the books. A penny cafeteria in charge of Mrs. Walter E. Burt and Mrs. C. E. Thyng furnished the refreshments. The proceeds from the party will be used to purchase books for the reading course which is being carried on in the church.

HAROLD LLOYD AT PARAMOUNT

Harold Lloyd, the star of "Movie Crazy," who is coming to the Paramount Theatre, Newton, starting Thursday, Nov. 17, was born in Buchard, Neb. At the age of a few weeks he was posing before the camera of his father, the leading photographer of the town. When a high school boy his father was injured in an automobile accident, and the family decided to use the money to give Harold a start in a stage career.

The family moved to San Diego where Harold, while attending high school, joined a stock company where his duties were those of an assistant instructor. When the family moved to Hollywood, Harold got a number of small jobs in various studios. His first real position was with Hal Roache's comedy making company. Next came "Willie Work" and "Lonesome Luke" in which he was starred. Later he changed his make-up into the well known spectacles and his climb has been constant ever since.

He is five feet ten and a half inches tall, and has brown hair and blue eyes.

Anniversary Celebration Great Reunion

Upper Falls Methodist Centenary Memorable Event

The Newton Upper Falls Methodist Episcopal Church is completing a very interesting series of meetings and socials in commemoration of the 100th anniversary of the founding of the church. Old pastors and members of the church have been attending these meetings which took on the semblance of a great family reunion.

Especially interesting was the Home Coming Service held on Tuesday evening at which the following program was carried out: After prayer by Mr. H. E. Locke greetings were read from the following former pastors:

Rev. West, 1900 to 1903; Rev. Healy, 1903-1907; Rev. Carlyn, 1911-1913; former pastors' wives, Mrs. Adie R. Fellows, 1892-1897, Mrs. Adie S. Stephan, 1915-1918 and a former musical director, Miss Avis Wallace. Personal greetings were given by Rev. Fredrick D. Lawley, pastor, from 1913-1924, and Rev. Wm. Shaw, pastor from 1924-1928, followed with solos by Miss Ethel M. Small, former musical director of church, accompanied by Mr. Harold Slaney. A roll was then called of all the pastors who have served the church in the past century who have passed on. Greetings from former parsonage children, Mr. A. H. Herrick, Mrs. E. P. Herrick, and Mrs. Emma Galbraith Ewart followed by greetings from parsonage children present at the gathering. Rev. J. Manley Shaw of Providence, R. I., Professor Marshall L. Perrin of Wellesley, a guest, announced that he was christened at this church altar seventy-seven years ago.

Another interesting event in connection with the celebration was the "At Home" on Tuesday afternoon by the pastor and his family to all members and former members of the church.

Mrs. Shedd was assisted by the following hostesses: Mrs. A. D. Locke, Mrs. John Proctor, Mrs. T. E. Lees, Mrs. Joseph Shaw, and Mrs. Frank Proctor. Mrs. Hazel Lupien Sanderson, Mrs. Josephine Lupien Mitchell, Mrs. W. C. Willard, Mrs. C. E. Stata, Miss Alice Temperley and Miss Marian Shaw.

The celebration will be concluded on Sunday by a sermon in the morning by Bishop Burns and a sermon in the evening by District Superintendent Otto of Newton.

"COMMAND PERFORMANCE" NOVEMBER 16

"Command Performance" will be given by The Newton Dramatic Club on Wednesday evening, Nov. 16. It is an attractive widespread interest not only because of the romantic plot but also because of the excellence of the acting and the social importance of those who are taking part.

Especially interesting is the exquisite stage-setting of the palace scenes which are in charge of Mrs. Clarence Vose Burrage, assisted by Mrs. Wilder Wheelwright. Rare imported furniture and rich brocades will make the stage of the Newton Centre Woman's Club House a beautiful setting for the romantic story.

The dual role of Alexis and Peter will be played by Robert Currier, head of The Newton Conservatory. Miss Rosalind Harris plays the princess.

Music will be played by the Forte Trio. Among the list of patrons are Miss Rebekah Hobbs and Mrs. Sinclair Weeks.

ASSIST AT RECEPTION TO PRES. AND MRS. MARSH

The following people from the Newtons assisted in the reception to President and Mrs. Daniel L. Marsh of Boston University on Wednesday evening: Professor and Mrs. W. O. Warrington of Chestnut Hill, Prof. and Mrs. H. Augustine Smith of Waban, Mrs. Warren T. Powell of Newton Centre and Mrs. Howard M. LeSourd of Newton.

Police News

Two Newton Centre youths were in the Newton court last Friday charged with breaking and entering and with stealing an automobile. The pair was arrested the preceding night by a squad of police under Serg. Crowley. The police received a call from 100 Berkshire road, Newtonville telling that a couple of men were prowling around the garage. The police found in the garage Edward Drab of Parker street, Newton Centre, and Garnet Cress of Hurley place, Newton Centre, each 16. In their possession was found jewelry stolen from the home of Edward Hood, 55 Cedar street, Newton Centre. They also admitted having stolen, on the preceding Wednesday, an automobile owned by H. H. Kendall, which was parked on Cedar street. Their cases were continued until Monday.

Antonio Colabufalo of Walnut Hill road, Newton Highlands was in the Newton court on Friday charged with keeping an unlicensed dog. He told the judge that he had supposed the dog did not have to be licensed when it was kept tied, and that following the complaint against him, he had obtained a license for the canine. The case was placed on file.

In the Newton court last Friday Leo Flanagan of South Gate Park, West Newton was charged with assault and battery on Everett Keddy, a boarder at the home of Flanagan's wife on Gardner street, Newton. John Slattery of Everett street, Allston was charged with assaulting Keddy and also Mrs. Flanagan. Both were released under bail for trial on November 10. Flanagan's wife and five children reside on Gardner street, but he lives apart from them. According to his story, he and Slattery and a third man went to the house and Flanagan was forced jewelry stolen from the home of Edward Hood, 55 Cedar street, Newton Centre. They also admitted having stolen, on the preceding Wednesday, an automobile owned by H. H. Kendall, which was parked on Cedar street. Their cases were continued until Monday.

John Yovalais of 27 Abbot street, Upper Falls was fined \$5 in the Newton court last Friday for making a left turn in his car without giving a signal; he was also fined \$5 for driving without proper lights. Eva Bailing of Needham and Raymond Cook of Watertown each was fined \$5 for speeding. Autoists fined \$5 each for not STOPPING before entering a through way included: Charles Fernald, Weston; Wallace Watrous, Wellesley; Joseph Savignano, Needham; Richard Miller, 30 Grove street, Auburndale; James Zank, Weston.

PARENT-TEACHER'S ASSOCIATION

The first meeting of the Weeks Junior High School Parent-Teacher Association will be held November 18, 1932 at the school.

An extremely interesting program has been arranged. Mr. John Lund, Superintendent of Schools, will discuss "Character and the Schools." Mr. Frank F. Carr, Principal, will speak on "The Junior High School." Music will be furnished by the school band.

In addition to the program this first meeting is for the express purpose of having the parents meet the teachers who have charge of their children's home rooms. It is believed that if every parent would get better acquainted with the teachers who have direct charge of their children, a better understanding and a closer relationship would exist between them both of which would tend to increase the efficiency of our Junior High School system. We urge you therefore, to be present at this first meeting and to become an active member of the association.

NORUMBEGA C. E. ANNUAL MEETING

The annual meeting of the Norumbega District Christian Endeavor Union will be held at the Lincoln Park Baptist Church, West Newton, on Tuesday evening, November 15, at 7:30. At 8:00 a rally will be held which will include the following in its program:

Devotional Service lead by Rev. John Shade Franklin; Greetings from the United Society by "Mother Endeavor" Clark; Address by the Rev. Thos. S. Roy, Pastor of the First Baptist Church of Worcester; Music by the Misses Olive K. Burrison and Mabel Adams Bennett of the Lincoln Park Baptist Church.

The meeting will be in charge of Homer L. Welsh who urges all old time Endeavorers to be present for a great get-together rally.

JUNIOR RED CROSS ACTIVE

Credit should be given the boys and girls of the Newton schools for the excellent work they are doing in the City of Newton through the Junior Red Cross. During their Roll Call they collected enough money to enable them to carry on a very definite program of municipal relief.

These girls and boys provide eye glasses for students who need them and can not afford to buy them, milk lunches for those who are undernourished, and out of their funds they pay for tonsil and adenoid operations which are considered imperative. They give a bulk sum each year to the Welfare Bureau for use in sending children to summer camps. In addition to this work within the schools they make dolls for distribution among the poor. Christmas cards for distribution where they will give the most cheer, etc.

During the present depression crisis the girls in the various junior and senior high school classes are making dresses and underwear, under the guidance of the Production Committee of the Red Cross. These garments will be distributed among the needy of the city.

PHOTO SHOP TO OPEN

To those who are camera-minded news of the opening next Monday of the Newton Photo Shop at 92 Bowers street, Newtonville, will be received with interest. The Shop, is decorated along modernistic lines and carries the complete Eastman Kodak line of cameras, films, and accessories for both still and moving pictures. The owner and manager, Arthur P. Murray, has been a photographic research engineer with the Technicolor Motion Picture Corporation for the past five years. Mr. Murray is well versed in the technical aspects of black and white and color photography while with Technicolor and since his return from Hollywood he has been an amateur movie enthusiast and has taken himself both in this country and throughout Europe.

THANKSGIVING SALE AND SUPPER

The Annual Thanksgiving Sale of the Women's League of the Newtonville Swedenborgian Church will be held in the church parlors on Friday, November 18th from 2 to 6 p. m. Supper will be served at 6:30 p. m. Please notify Mrs. Irwin, N. N. 4095-W. The committees are as follows:

Candy Table: Mrs. E. D. Robb, chairman, Mrs. C. W. Carter, Mrs. Leo Bova, Miss Louise Trowbridge.
Supper Committee: Mrs. Irwin, chairman, Mrs. Tyler Holmes, Mrs. Walter Warren.

SAYS RETRENCHMENT IN EDUCATION DANGEROUS

In speaking before the annual convention of the Northwestern Ohio Teachers Association in Toledo on October 28, Dr. William T. Foster of Sargent street, Newton, said that retrenchment in education in the present crisis is dangerous. During his address entitled "Alice in Blunderland," he declared that education is the chief bulwark against extreme radicalism. Dr. Foster is connected with the Pollak Foundation for Economic Research.

COMMUNITY VESPER SERVICE

The Community Vesper Service at Central Congregational Church, Newtonville, on Sunday afternoon, met a real desire judging by the appreciative audience.

Miss Lillian West at the organ began the beautiful service with the lovely strains of "St. Anne's Fugue" from Bach and "Gavotte" from Gluck. "Alleluia" from Handel was sung by Miss Gladys Avery, a fine soprano artist, with a rare spirit of reverence. Mrs. Kenneth Hastings, violinist and Mrs. Watson Baker, cellist, gave great pleasure in the rendering of "Romance" by Glinka and "Andante" by Bargiel. The organ and piano together in "Adoration" by Gaul, with Mrs. Florence Allen as pianist, was especially appreciated. In "Andante Religioso" by Thome all four instruments were used. The service closed with the singing of "Agnus Dei" from Bizet by Miss Avery. Special thanks are due Miss West for the arrangement and successful rendition of this program.

Multitude of Visitors Inspect Civic Centre On Armistice Day

Attractions of New City Hall and War Memorial Cause
Expressions of Admiration

Following the dedicatory exercises at the City Hall and War Memorial on Armistice Day the building was opened to public inspection. Throughout the afternoon a steady stream of visitors, many from other communities as well as Newton citizens, passed through the new structure. City employees and Boy Scouts acted as guides in the city hall section of the building while Legionnaires acted in a similar capacity in the Memorial section.

The thousands who visited the building were impressed many times by the architecture and construction of the building. Situated on the triangle bounded by Commonwealth avenue and Homer and Walnut streets the location lent itself ideally to beautiful landscaping. The reflecting pools, driveways and approaches to the building made a most pleasing impression. The location on the triangle, however, presented an unusual architectural problem in requiring a building which should offer both dignity and interest on each facade.

The main doorway which faces Walnut street enters into an oval foyer finished in plain American marble. In the center of this entrance room on the floor is the seal of the City of Newton done in terrazzo and bronze. Access to the public offices on the first floor is had by corridors to the side and rear while stairways at each side lead to the second-floor offices. An information desk, telephone service, and public waiting space are also a part of the foyer.

Offices of the City Clerk, Street Department, Engineering Department, and Water Department are at the left and the Assessors', Treasurer's, Accounting and the new general billing and bookkeeping departments are at the right. The corridor to the rear leads to the War Museum and rooms

of the various military organizations. The stairways which lead to the second floor from the main foyer are of marble with ornamental wrought iron hand rails. In the central portion of the building on this floor is located the handsome Aldermanic Chamber. The room, of rectangular shape, with a coffered Colonial ceiling and high fluted columns, pilasters and cornices, is reminiscent of historical Independence Hall in Philadelphia. The aldermanic desks, president's rostrum, clerk's desk, press table and rails are of American walnut. Adjacent to the Aldermanic Chamber are retiring rooms, committee rooms, public hearing rooms, and lounges.

At the front of the building, directly opposite the main doorway to the Aldermanic Chamber, entrance to the Executive Suite is made. It is finished in country pine treated with acid so that it is the natural color of old wood. The suite consists of a large conference room, public ante-room, stenographer's room, private secretary's office and Executive chamber. Pictures of all of Newton's mayors, identically finished and framed, hang in the public ante-room. The Mayor's office is paneled in this specially treated pine with Colonial cove ceiling. A large fireplace is topped by a decorative map of Newton from the brush of John Lavallo, noted Boston painter. At the left of the fireplace is a panel doorway leading to a stairway and on the right is a similar doorway to a closet.

On the Homer street wing of the second floor the offices of the building department, playground department, sealer of weights and measures, and city messenger are located. On the Commonwealth avenue wing are the offices of the welfare, health and law departments. In these offices all architectural and wood trimmings have been eliminated in order to reduce to a minimum maintenance costs. Dividing partitions in many of the offices are of enameled steel and glass which can readily be relocated should occasion require. Flooring in all of the general offices are of asphalt-asbestos composition tile. Steel furniture has been installed wherever possible.

(Continued on page 6)

Dedication Ceremonies of New City Hall and War Memorial Attended By Many Thousands

Parade and Exercises Feature Armistice Day Program Which Will Be
Long Remembered Event in Local History

Newton's new City Hall and War Memorial building were dedicated last week Friday, Armistice Day, with an impressive program which will make the event one long to be remembered in local history. The parade, largest ever to be held in Newton, attracted many thousands of spectators along the route of march. The 11 o'clock memorial exercises and flag raising at the entrance to the War Memorial was witnessed by another several thousand. The culminating event of the main program, the dedicatory exercises inside the new building with practically every available seat in Memorial Hall and the Aldermanic Chamber taken, to say nothing of the thousands of temporary seats placed in the various areas surrounding the building was attended by even more.

Shortly before ten o'clock the units of the parade which had been gathered on various streets in the vicinity of the fire station on Washington street, Newton Corner, began to move. Brigadier General Daniel, Needham was chief marshal, with Lieutenant Colonel Charles R. Cabot as chief of staff. In line were a company of the Thirtieth U. S. Infantry, a detachment of United States Marines, a battalion of the First Corps of Cadets, the First Battalion of the 101st Infantry, M. N. G., Battery B, 101st Field Artillery, M. N. G., which Mayor Weeks helped to organize and of which he was captain at the close of the World War; a squadron of the 110th Cavalry, M. N. G., the Ambulance Company of the 101st Medical Regiment, United States War Veterans and auxiliary units, American Legion posts from all sections of Massachusetts, with Newton Post No. 48 marching as a separate unit; Veterans of Foreign Wars, surviving members of Charles Ward Post No. 62, G. A. R., with the Women's Relief Corps, and various other military units. Hundreds of Boy Scouts and Girl Scouts were massed with their flags near the new building as the parade passed. One of the chief features of the parade was the massed colors carried by the Newton Post of the American Legion.

Ten airships of the U. S. Naval Air reserve force at Squantum and of the National Guard Air Force participated in the exercises flying over the buildings. The six silver ships in charge of Lieutenant Stonemetz, squadron leader, were flown by Lieuts. Baker, Sea, Marshall, Kerr and Crocker. The three yellow planes of the National Guard were flown by Col. Boutwell, Lieut. John Sherburne, Jr., and Lieut. Clyde Jakway.

Up on reaching the corner of Walnut street and Commonwealth avenue the parade halted. The band of the First Corps Cadets proceeded to the area in front of Memorial Hall where the flag raising was to be held. Bugles sounded taps and a three gun salute followed after which the American and Massachusetts flags were raised to the strains of the Star Spangled Banner. Mayor Sinclair Weeks raised the national flag and Mr. Roy V. Collins, president of the Board of Aldermen, that of the state. Following these exercises the officials returned to the reviewing stand and the parade resumed its march.

In the reviewing stand were Mayor Weeks, Lt. Gov. William S. Youngman, Congressman Robert Luce, and other civic officials including Attorney General Joseph E. Warner, acting Mayor Gallagher of Boston, and District Attorney Warren L. Bishop. The visiting military units continued on to Clifton field where they disbanded while local units proceeded to positions assigned to them in Memorial Hall and in the areas surrounding the building. Amplifiers had been erected that all might hear the speaking program which was to be held inside the Hall. Arrangements

had also been made to broadcast the ceremonies by radio with C. R. "Bob" Emery as the announcer.

Shortly after twelve o'clock the dedicatory exercises were opened with an invocation by Rev. Everett C. Herick, president of the Andover-Newton Theological School. Mayor Weeks delivered a short address the full text of which appears in another column. He then introduced Lt. Gov. William S. Youngman who spoke on behalf of the Commonwealth. Governor Ely did not attend the occasion having previously notified Mayor Weeks that he had an appointment at Amherst.

The principal address of the occasion delivered by Congressman Robert Luce will be found in detail in another column. Following the speaking program the exercises closed with the playing of the Star Spangled Banner by the First Corps Cadets Band and a benediction by Rev. Louis J. Gallagher, S.J., President of Boston College.

Invited guests and a number of city officials were guests of the city at an informal luncheon at the Brae Burn Country Club.

During the afternoon the Sousa Memorial Band contest was held at the Dickinson Stadium in Newtonville with bands from Natick and Hyde Park winning the major awards. The first prize of \$100 in the contests for bands was won by the Edward P. Clark Post, A. L. Band of Natick with second prize going to the Arlington Post, A. L. Band. In the bugle and drum corps contest the \$50 first prize was awarded to the Cecil W. Fogg Post, A. L., of Hyde Park and second prize of \$25 was awarded to the Dedham Post, A. L. The judges were Lt. W. E. Fox, Capt. Joseph E. Lally, Capt. George F. Henrikus, Capt. Geo. LeCain and Capt. Oscar H. Bahlin. Nine units participated in the contest which attracted several thousands of spectators.

The day's events were brought to a close by the annual Armistice Day Ball of the Newton Post, A. L., at the State Armory which was attended by city officials and high ranking officers of the Army and Navy. The Grand March was led by Mayor and Mrs. Weeks.

Open Community Chest Drive With Big Mass Meeting

Nearly \$100,000 Reported In
Preliminary Gifts

With over one-fourth of the \$375,000 objective already raised, and one of its villages over its quota of preliminary gifts, the first annual campaign for the Newton Community Chest is well advanced.

(Continued on Page 6)

Planning Board Urges Restriction of Garages and Filling Stations

Amendment to Zoning Ordinance Opposed By Owners of
Properties Which Would Be Affected

Vigorous protests were made at the meeting of the Board of Aldermen on Monday night against the amendment proposed to Chapter XXXII of Newton's zoning ordinance. This amendment has been offered by the Newton Planning Board. It provides that "No gasoline filling station or vehicle service station or service building shall be placed within 500 feet of any park, playground or land upon which a church, school or public building owned by the city is located, and that such structures and buildings as now exist within such limitation shall not be enlarged or extended."

Albert T. Stuart led the opposition against this proposed amendment. He presented a petition signed by a majority of owners of this class of property and asserted that the petition is the most unjust proposition to come before the Aldermen in years. He said the 500 feet restricting clause would affect 90 per cent of the business zones in the city, including all of the Newton Centre, Newton Highlands, West Newton, Upper Falls, Lower Falls and Newton Highlands business zones, and 85 per cent of such zones at Newton Corner and Newtonville. He argued that the entire automotive industry in the city will be adversely affected because if it can't extend its buildings to meet the demands of increased business, when such occurs the properties will depreciate. According to Mr. Stuart only five filling stations in the Newtons have modern lubricating facilities and he said all filling stations must be provided with such facilities in the next few years. He read figures to show that the assessed valuation of properties in the Newtons used for filling stations, public garages and repair shops was \$1,189,250 before they were used for such purposes, and today these same properties are assessed for \$2,383,650.

Mr. Stuart questioned the legality of the proposed amendment, and expressed the opinion that the Planning Board has gone too far. He said the business zones in the Newtons have already been developed around schools and churches, and because of this fact the proposed amendment is not practical or sensible.

James P. Gallagher, speaking as President of the Newton Chamber of Commerce said that he was authorized by the directors of that organization to protest against that part of the proposed amendment which would prohibit the enlarging or extending of existing filling stations and service buildings. He said the Chamber of Commerce does not object to the first part of the amendment, restricting new stations and garages.

Allan McIntosh who owns the property at 90 Winchester street, Newton Highlands where the Colonial Filling Station is located, and who resides next door to this station was another objector. He said the State took 10 feet of his land when Winchester street was widened two years ago, bringing the only State highway in this city (at that time) to 1 1/2 feet of his door. He said that he leased the filling station several years ago and he is getting \$200 monthly for rent, which is his means of livelihood. The lease expires in 2 1/2 years and it is his plan to move his buildings back so as to afford proper approach to the station. The proposed amendment would prevent this and render his property of little value.

Robert Burns of the real estate firm of John T. Burns & Sons said the proposed amendment is very unfair when it proposes to prohibit any filling stations or garages within 500 feet of any church or public land or building. He also questioned the legality of the amendment and contended that the Planning Board has not the right, according to the zoning ordinance, to create new zones, but can only suggest modifications of existing zones. He said filling stations have eliminated blind corners and safeguarded traffic conditions.

Former Alderman Richard Leahy said he has been a resident of West Newton for about 50 years, and it would be unfair to pass an amendment which would deprive him of the proper use and extension of a business property in which he has invested.

THE WEEK IN NEWTON SPORTS

WALTHAM HOLDS OFF NEWTON THREATS IN SCORELESS TIE

Newton and Waltham high schools football teams waged their 26th annual battle last Saturday and when the smoke had cleared away neither team had scored. Newton threatened several times and failed to produce the scoring punch largely because of the strong defense the Watch City team put on with its back to the wall. Play was almost continually in Waltham territory with the exception of a few moments in the first period and again in the fourth session.

Despite the unsuccessful efforts to score the game advanced many thrills and kept the supporters of both outfits on the anxious seats. One play in particular left many fans guessing as to its status. Newton had penetrated to the Waltham 10-yard stripe where the Leary coached line held and Captain Huston of Newton attempted a field goal to give Newton a score. The try was low and as it bounded into the end zone it was picked up by Captain Blekatis who immediately found himself surrounded by Newton tacklers. With thoughts of a safety being allowed the Newton team he was nonplussed momentarily until he finally tossed the ball onto the gridiron where several Newton men pounced on it on the two-foot line. Some Newton fans visioned the possibility of its being Newton's ball for a first down at that point but the entire play was futile and unnecessary as the play became an automatic touchback the moment the ball was kicked across the goal line. Waltham then put the ball in play on its 20-yard line.

Another Newton threat had previously halted a Newton attempt to score. A short Waltham kick by Falzone had given Newton the ball on the Waltham 42-yard line and Captain Huston had gotten the Newton offense clicking. The advance reached the 10-yard line where Waltham stiffened. Blekatis came in fast to spill York on an end run for a five-yard loss and two other line plays gained but slight yardage. A pass was grounded in the end zone to give Waltham the ball on downs.

The Newton defense was sorely tried late in the game when Waltham threatened. George Ellis, Waltham center, intercepted a Newton pass on the Garden City's 30-yard stripe to give Waltham its last chance. A spinner and two tackle plays made it first down on the 19. Another line play and an offside penalty against Newton put the ball on the Newton 12 with two yards to go in three plays for a first down. Both were offside on the next play, a Blekatis reverse gained nothing, Falzone was tossed for a 3-yard loss and Bob Whitney, whose defensive tackling was one of the day's features, and a long pass was grounded in the end zone.

Outstanding in the Newton team's game was the kicking of Captain Huston. Repeatedly he kept Waltham away when his team could not gain itself. On several occasions he got away quick kicks which surprised the Waltham team and set them back inside their 10-yard stripe. Huston's ball carrying was also a feature although his mates could not quite shake him loose for the long run that would have meant a score. For Waltham the outstanding player was Alphonse Collura who was continually breaking up the Newton attack, either nailing the runner himself or spilling enough interference so that the runner was stopped with but slight gain. Collura, however, failed to achieve one ambition, to block a Huston kick. Huston has never had a kick blocked in the three years he has played on Newton's teams. On the other hand Collura has recently achieved some distinction of blocking kicks in two consecutive games and hoped to make it a third last Saturday.

Newton had the edge in first downs, chalking up 8 to Waltham's 4. Newton also had the edge on backward passes, completing 5 for a total of 31 yards whereas Waltham failed to complete one of its three. Newton attempted 13 of which six were incomplete and two were intercepted. One of the three Waltham passes was intercepted.

Newton won the toss and chose to defend the west goal. Huston kicked off to Falzone, the latter running back to the 25 where he slipped and fell. Falzone kicked and Huston ran it back 14 yards before Parker tackled. York made 5 yards which was off on the next play by a Newton offside. Collura broke through to nail Whitney for a loss. Huston kicked off to the Waltham 9-yard line. Falzone immediately kicked back. Three incomplete passes and the resulting penalty offset a 9-yard gain at tackle play by McCarthy. Waltham finally taking the ball on downs. Harrigan fumbled and McCarthy recovered for Newton. Whitney fumbled and Ellis recovered for Waltham and the ball had moved but a few yards to the Waltham 29. Falzone made 10 yards at tackle for a first down. Failing to gain Falzone kicked with Anderson downing the ball on the Newton 7-yard line. Huston kicked off to midfield. Falzone kicked and Huston ran the ball back 15 yards to the Newton 27. Huston made a quick kick from close formation and the ball sailed over the Waltham safety player's head to the 28-yard line where it raked outside. An offside penalty set Waltham back 5 yards and Falzone kicked. Huston ran the ball back 6 yards to midfield to end the period.

Second Period
 Ellis nearly intercepted a Huston pass. He would have gone places had he hung onto the ball as he had a clear field ahead. Schwartz, whose play at guard was one of the Wal-

tham features of the day, nailed York for a slight loss. McCarthy gained a yard on a plunge. Huston then tossed a flat pass to York who ran the end for a total gain of 13 yards and a first down before he was forced outside at the 32-yard line. Waltham took the ball on downs a few plays later as the Newton attack stalled. Falzone's short kick went outside at the Waltham 40-yard stripe and Newton began to move steadily forward. York gained 9 yards and McCarthy six more on an end run to bring the ball inside of the Watch City's 25-yard line. Huston passed to Whitney for a 15-yard gain and another first down on the 10-yard line. Here Blekatis came up fast to smear York behind the line of scrimmage for a 5-yard loss. Two line plays gained back this loss and on fourth down Huston tried a pass which was grounded in the end zone for a touchback. Waltham put the ball in play on its 20-yard line and Falzone kicked just beyond midfield. A Huston to McCarthy underhand pass and two line plunges gained 12 yards and a first down. Newton was penalized five yards for offside play and another pass was ruled incomplete because of interference but it was a yard or two. Forced to kick, Huston placed the ball on the Waltham 10-yard line where Thompson downed it. Blekatis gained 7 yards in two rushes and Falzone kicked to his 43-yard line to end the half.

Third Period
 Strickland kicked off to York with the latter running back 15 yards to his 30-yard stripe. Huston made nine yards and McCarthy and McCarthy cut through tackle for 13 and a first down beyond midfield. A reverse play with a lateral to Huston on the end of it gained but few yards and as both were offside the ball was called back. With the advance halted, Huston kicked to Blekatis who was downed in his tracks on the 7-yard line. Falzone immediately kicked back and Huston ran it back 9 yards to the Waltham 29-yard line. York got loose on an end run of 17 yards to the 12-yard line and Newton was again making a threat to score. Huston picked up three yards at left tackle. McCarthy was stopped for no gain by Collura and Huston also could not get beyond the line of scrimmage. Standing just inside his 20-yard line, Huston attempted a drop kick which landed in the end zone for a touchback, as described. Waltham failed to gain and Falzone kicked. A few plays later Huston caught Waltham by surprise with a quick kick which rolled outside at the three-yard line. Falzone kicked off to danger and York ran the ball back to the Waltham 30-yard stripe to keep Waltham on the defensive. Harrigan intercepted a Huston pass and was downed after a short run back on the same white line from which the ball had been put in play. Short plunges ate up the ground slowly to give Waltham two first downs and bringing the ball past midfield in Waltham's possession for the first time in the game as the period closed.

Fourth Period
 Harrigan gained a few yards on two plays and Waltham tried its first pass which was grounded. Falzone then kicked, Huston running the ball back 15 yards to the 22-yard line. Ellis stopped a play at center and McCarthy could gain but two yards. Huston got away a long kick which Kevorkian downed on the Waltham 33-yard line. Waltham gained 8 yards in two plays before Falzone kicked. Huston made another pretty run back for 20 yards to his 40-yard line. A Huston pass was knocked into the air and Ellis intercepted it. He was downed on the Newton 30-yard line and Waltham began a march. A first down was made in three line plays on the Newton 19 and the Garden City boys called for time out. Another line play back by Falzone and an offside penalty against Newton put the ball on the 12-yard line with two yards to go for a first down. Newton stiffened and on fourth down a pass was grounded to give Newton the ball on downs on their 15-yard line. Huston kicked and Blekatis made a 20-yard run back to the Newton 30-yard line. Falzone tried another pass which nestled in Huston's arms for an interception on the Newton 21. There was time for but one play for a few yards as the game ended.

NEWTON-BROOKLINE GAME BRINGS 1932 SEASON TO CLOSE

The annual climatic football game of the Newton schedule will be staged next week Thursday morning at the Dickinson Stadium, Newtonville, when Brookline visits the gridiron there in an attempt to upset the Orange and Black outfit. The task is regarded as quite difficult inasmuch as the Newton team has a commanding lead in the Suburban League circuit, has lost but one game on its 1932 schedule, has tied such teams as Everett and Waltham, and has hung up a total of 102 points to 26 for its eight opponents. Brookline, on the other hand, has lost all of its games this season, starting late and having played but five games this year. Until last Friday when Brookline was defeated by Boston College High by a 20 to 7 score the Wealthy Towners had failed to chalk up a solitary point. In its five games Brookline's opponents have totaled 109 points. Three of the Brookline losses were hung up by members of the Suburban League circuit, Rindge, Cambridge Latin and Somerville, all of whom were on the short end of the score in the games with Newton.

Consequently Newton is heavily favored to annex its first league title in ten years, and the possibility of averaging the 38 to 7 defeat at the hands of Brookline in 1930 when the Dickinson Stadium was dedicated is not remote. The Wealthy Towners have been somewhat strengthened, however, in the last couple of weeks, by the return of six players on the veteran class who were ineligible earlier in the season. This strength was manifested last week in producing the solitary Brookline score of the year against B. C. High. Whether or not Coach Fitzgerald can bring his team along defensively to the point where it can stand off the Newton offense with its fast running backs, Huston, York and McCarthy, is the outstanding question.

Like most games between football teams in which rivalry is deep-seated, past performances often count for naught. Brookline and Newton are rivals in every sense of the word. Athletic relations on the gridiron date back to 1894 without interruption except for three years beginning in 1896. Since 1899 the teams have met annually. With Newton a heavy favorite this year it is conceivable that Brookline may play over its head, in which case an overconfident Newton aggression might find itself up against a different proposition than anticipated. The Newton squad is in excellent shape and a possibility of the team's going state is remote, but, of course, not impossible. For several weeks past the team has been moving along quite smoothly until it met a strong defensive aggression in the Waltham outfit and the going got more difficult. The Newton team continued to function nicely but not too such advantage as against its previous opponents. Coach Sanborn is confident that his team will keep moving smoothly, and, backed with the incentive to be the next Newton team to defeat a Brookline outfit on the new field, will come through.

Next Thursday's contest will be the 36th meeting of the two schools on the gridiron in a series in which Newton has a marked advantage. In the 35 games Newton has won 19, Brookline 11, and 5 have resulted in ties. Four of these tie games were scoreless and the other, in 1915, was 6 to 6. Newton has totaled 331 points for its total, against 178 for Brookline. Newton holds the high scoring mark with a 44 to 0 victory in 1917, followed by a 39 to 7 victory in 1918 and a 34 to 0 victory in 1919. Brookline's greatest margin was in 1915, when it defeated Newton 17 to 0. The year of the 38 to 7 game, which later Brookline forfeited because of the use of a fourth string player in the last minute of the game who was found to be ineligible. In but one other game, a 22 to 0 Brookline win in 1895, has a Brookline outfit tallied more than 16 points.

Another interesting fact revealed by a review of the series is the fact that never have two tie games been played in successive years. Brookline has won three of the games in years following the games and Newton but one. This year it should be Newton's turn.

Coach Sanborn will probably make but one or two changes in the starting line-up for the game with Brookline as the lineup which he has started in the past several games has been working nicely as a unit. It is likely, however, that Bill Cusumano and "Red" Finberg will start at the ends in place of Eddie Grethe and Art Murphy. Murphy has become scholastically ineligible, giving Finberg his chance. Cusumano, a senior who never came out for football until this year, has come along fast and would have started the Waltham game but for an infected face. The other one possible change, unless an unexpected injury in scrimmage occurs, will be at guard, where Al Hebert may get the call over Walter Rich. Tom Kinraide, who has played a guard position most of the season, was out of the Waltham game with arthritis and has turned in his suit. Dick Francis, who injured a knee in the Rindge game, is also through for the season.

A number of those taking the field against Brookline next week will be playing their final schoolboy game as they are members of the senior class and will graduate next June. Captain Warren Huston and Palmer York are the backfield members who will be closing their careers in Orange and Black uniforms, while in the line Alexander Kevorkian, Charlie Houghan, Cusumano and Bevan are winding up.

Coach Sanborn has used a number of other players when conditions permitted who are seniors. This group includes Eddie Grethe, Bill Conway and Charlie Wheldon, James Forbes, Charlie Thatcher and a few others. Four of the probable starting players will be available next year to provide a nucleus for the 1933 eleven. Francis McCarthy and Bob Whitney in the backfield, and Thompson and Finberg in the line comprise this quartet. Other players on the squad who will not start but have seen more or less action and who are expected to return next year are Rich, Teddy Johnson, Louis Miller, "Babe" Feola, Charlie Flagg, Mascia and John Kulesza.

FIELD HOCKEY TEAM TIES WALTHAM —LOSES TO BROOKLINE

Waltham held Newton to a 0-0 score Monday, November 14, at Dickinson Stadium, Newton held the edge throughout the entire game. In the second half Elizabeth Quirk, right wing, twice dribbled her way down the field through the opponents, only to have her goal shots go wild. The backs, Fletcher and Gustafsen, played very well in breaking up the Waltham combinations. Captain Barbara Phinney showed her adeptness in her passing and dribbling. She was by far the outstanding player on the Newton team. The combination of Glynn and Fletcher worked very well only to be stopped by Waltham's backs. The work of the Waltham's goalie, Furbush, was very praiseworthy in the way that she stopped Quirk and Harrington's shots. In the second team, Arend, Walley, Harvey and Tylee were most conspicuous.

Brookline, always playing their best against Newton, rose to the occasion to down a fighting orange and black juggernaut 2-0 Wednesday, Nov. 16. Newton's B team won 1-0. In both games there was no scoring during the first half. However in the second half Quirk and Phinney and Wing went down the field in marvelous co-ordination. Captain Barbara Phinney outgassed the goalie by drawing her out and shot for the corner but there was a penalty on advancing and Brookline received a free shot. Glynn, who was taking the place of Frayer, dribbled the ball the length of the field, passed to Mildram whose shot went wild. Brookline's cohort, displaying clever passing, chalked up a tally from Taylor's stick. After the half, Quirk made a solo fight but Lady Misfortune made her presence and thus another penalty prevented a goal. This seemed to dampen Newton's spirits for Mulvihill of Brookline drove the white ball through the lights. After Fletcher made a nice save after a bullying in front of Newton's goal the Newton forces went again down the field but the game ended. Captain Phinney again showed her eminence as center by her passing, dribbling and all-around playman-ship. Brookline's passing and shots were exact and harder hit. Newton's teamwork and follow up shots were not clicking.

Barbara Walley in the second half drove a hard corner shot into the net for Newton's team B victory.

YOUNG PEOPLE'S INTER-CHURCH CONFERENCE

Newton young people are interested in the coming Young People's Conference for the churches of Newton, Waltham, Watertown and Needham. This is an annual event which takes place this year on November 25 and 26 in the Waltham Congregational Church.

The theme of the Conference is "The Challenge of a Living Christ," or "Toward an Understanding of Jesus." This program will challenge to high personal ideals of living. The principal speaker is Dr. Edwin P. Booth, of Boston University, who is noted for his keen thinking, his vivid word-pictures, and his ability to help others to see with him the significance of personal religious values. He will speak on these topics, "The Jesus of History," "Jesus and the Rules of Life," "Jesus and the Heights of Christian Experience."

A short drama entitled "Brother Sun" will be included in the Conference program. This drama, for which there is historical basis, portrays the meeting of St. Francis with the Sultan of Turkey, about the year 1217 A. D., during the Crusades. Those wishing to know more about the Conference may consult Mr. David Felt, chairman of publicity, W. N. 1586, or Miss Constance Felt, president, W. N. 2187.

NEWTON STUDENTS ACTIVE AT BOSTON UNIVERSITY

Three girls from Newton are active in the work of Gamma Delta, women's organization at Boston University's college of liberal arts, which is celebrating its fifty-first year of existence with a banquet to be held in the club room on November 16. Dorothy E. Hunter is chairman of the committee on decorations. Eleanor G. Wilson is sophomore cheer-leader, and Marion Tapper is alumnae cheer-leader.

Charles O. Monahan is a member of the committee in charge of the reception and dance in honor of the B. U. football team and coaching staff to be held Saturday, Nov. 19, in the Hotel Brunswick. The affair is sponsored by the all-University Student Council of which Monahan is president.

vide a nucleus for the 1933 eleven. Francis McCarthy and Bob Whitney in the backfield, and Thompson and Finberg in the line comprise this quartet. Other players on the squad who will not start but have seen more or less action and who are expected to return next year are Rich, Teddy Johnson, Louis Miller, "Babe" Feola, Charlie Flagg, Mascia and John Kulesza.

MANY NEWTON BOYS ARE ACTIVE IN VARIOUS SCHOOLS

Milt Green is playing class football at Cornell. Donald Baker and Jack Malley are playing on the dormitory football teams at Harvard. Wally Fullerton, former Newton high, Penn State track star, is taking graduate courses at Tech. Tom Malloy played right tackle for Tilton against the New Hampshire freshman.

Harold Lodge, former Newton swimming captain, has been playing right halfback for Wesleyan this season. In the Bowdoin-Wesleyan game he received a shoulder injury. Stan Johnson continues to dominate the Tech track meets. Last Saturday he won the 150-yd. hurdles in 17 seconds and the broad jump with a leap of 21 ft. 4 in. Dick Jarrell placed in the 440 and 220 in the same meet. Richard Alden won the 880 by a comfortable margin. Oscar Jarrell is entered in the Harvard Squash tournament and team tryouts. Walter Bell played at quarterback for the B. U. freshman in part of the game against the Tufts yearlings. Murray McCabe played right guard in the hard-fought Coast Guard Academy-Mass. State title which the latter won 20 to 13. Bob McCabe plays right tackle on the West Point plebe eleven.

Jack Hendrick played left end in the All Class game at Exeter Academy. Bob Lawrence saw service as center in the Belmont Hill-Brooks school game. George Lamb, number one Northeastern cross-country runner, will run against Mass. State tomorrow. Bill Quigley is playing right halfback for the Northeastern sophomores. Don Bowen finished fourth in the Tufts freshman-sophomore cross-country race. Dan Harrington is still playing a rugged game at guard on the B. U. eleven. Last Saturday he broke up many Tufts plays with his clean-cut tackling. Jackson Skillings has been elected captain of the soccer team at Wilbraham Academy. He is also sports editor of the academy paper. Elliot Robinson of Lakewood road ran in the Williams cross-country run at Amherst last Saturday. Lang Powers was the only Newton youth to earn a Dartmouth football letter this year. The wards were made this week. Gordon Linberg may become eligible to play in the Tufts line tomorrow, as the result of a ruling expected today by the college authorities.

SPORT NOTES

Only Freshman on Team

Anne Cummings, Newton girl and a freshman at William and Mary College, is the only first year girl to make the varsity girls' hockey team at the Virginia college.

Country Day Wins

Country Day School defeated Browne & Nichols on Wednesday, 18 to 7 at Cabot field. Bill Schmidt scored the first touchdown on a 20-yard left end run. In the second period he scored again after the ball had been rushed up the field. Browne & Nichols came back with a tally pass from Blackwood to Hayes to keep in the game. In the third period Country Day clinched the argument beyond doubt. Jenkins scored through the line from the three yard mark after the visitors had made a game stand to hold off the locals.

Fessenden in Tie

Fessenden school's football team played a 6 to 6 tie with Middlesex School fourth team on Wednesday at Concord. Middlesex scored first with a line-back in the second period. McPherson tied the game up with an end run in the third period.

Hunnell Takes Two

The Hunnwell Club bowling team took two points out of three in its match with the Maugus Club on Wednesday night at the matches which were rolled on the Waban Club alleys. In the other match Waban lost two to Arlington and won but one. Harry Dexter led the Hunnwell team with a 246 on his first string.

Learnard Coaches Goalies

Ted Learnard of Newton, goal tender at Dartmouth in 1923 and later with the University Club team, gave instructions in a special session for goalie candidates for the B. U. varsity hockey team Wednesday at the Arena.

City Club Wins

The City Club defeated the Newton Town Team last Sunday at West Newton, 12 to 0. The City Club scored in the second period when Barry recovered a blocked kick behind the goal-line. The second tally came late in the fourth period when Houlihan intercepted a pass and romped 55 yards. The Towners are anxious to meet the City Club again at Upper Falls claiming that they not only had to play the City Club but members of the Waltham City Club team. Considerable feeling was also manifest at some of the rulings of the referee.

AUTOMOBILE STOLEN

A car owned by Bennett Leland of Springfield was stolen from in front of 254 Tremont street, Newton, on Friday afternoon. It was found abandoned that night in Brookline.

Troop 15, Auburndale, Mr. E. Graham Bates, Chairman of the Troop Committee, and Mr. Arthur L. Shaw, Scoutmaster, recently had a most successful Father, Son and Mother afternoon and evening at the Troop's cabin at Nobscot Reservation. About 60 people were present. In the afternoon, fathers and sons worked on the Troop's fire lane area clearing it for protection from that direction against fire from the outside. All cooked dinner over the open fires and in the evening there was a Campfire. One hundred and fifty Scouts were on duty at the Newton City Hall and in the Memorial Building on Armistice Day, Nov. 11th. About 400 Scouts and Scouters assembled on Lowell avenue in the morning, with Vice Commodore M. H. Harris as Adjutant of the parade and marched, preceded by the Girl Scouts, to the Memorial Building and witnessed the dedication ceremonies.

An addition 150 Scouts were on duty in and around the City Hall and Memorial Building, under the Rover Scout Crew of Newton, headed by Richard Schroeder, Rover Mate, and Mr. Bradford Gove, Rover Second, on request of various organizations and officials.

During the day the Boy Scouts performed the following duties in connection with the ceremonies: Helped usher in the grand stands, handled large part of outside policing and ushering in outside seats; provided guard and traffic police details in the museum and hall of flags; helped handle internal traffic and did guard duty in the City Hall; helped clear City Hall, by request, at 12:30; served as aides to officials; served as aides to G. A. R. and Legion of Honor men; helped handle seating arrangements and ushers at ceremony in Aldermanic Chamber; set up press section; handled various first aid cases; gave out programs at doors of City Hall and did numerous other jobs as asked.

For further community service, of a quiet, without-blare-of-trumpets nature, the Scouts distributed about 17,000 Newton Community Chest Calls. They are also going to distribute about 16,000 Red Cross fliers, calling for memberships in the Annual Roll Call.

Nobscot Reservation

Every week-end sees many cabins at the Nobscot Reservation in use. Saturday evenings there is a general campfire with stunts and singing.

Every Sunday morning, the Rover Crew conducts a Scouts' Own Church Service in the Legion Club.

Chief Randlett of the Newton Fire Department has very kindly loaned the Reservation a discarded fire bell which has been placed on the Legion Cabin and is used for summoning Scouts and Scouters to Divine Service.

RED CROSS

During the past year the American Red Cross rendered aid in 62 domestic disasters.

The principal disasters were caused by drought, flood, forest fire, tornado, snowstorm and mine explosion.

The Red Cross gave various types of aid including canteen service, food, clothing, shelter, and medical aid, and such rehabilitation aid as was necessary to enable a family to regain its status in the community.

Under the heading of disaster relief comes also the work that is being done for the unemployed by the Red Cross.

RED CROSS—"DISASTER RELIEF IS GOOD BUSINESS"

By Henry I. Harriman, President, Chamber of Commerce of the United States

Disaster relief, as administered in this country, is good business. The American Red Cross is experienced, efficient and capable. The severe tests of recent months have further added to the reputation of the organization for honesty, idealism, courage and capability. There has been no shrinking from responsibility. Widespread distress has been alleviated at a minimum of overhead. Dollars have been made to usefulness.

This is the kind of an organization that thoughtful men and women will gladly support. This year the appeal of the annual Red Cross Roll Call is particularly compelling, for the relief work must continue on perhaps an even larger scale.

Cordial co-operation has long been the rule between the American Red Cross and the Chamber of Commerce of the United States. I bespeak for the 1932 Red Cross Roll Call the hearty helpfulness of business men everywhere.—Red Cross Courier.

WINS VILLAGE PLAYERS PRIZE

Mrs. Mark A. Lawton of Glasmere street, Newton, has been awarded first prize by the Village Players for her play, "The Kind Robber." Mrs. Lawton who is now in Europe will return after Thanksgiving and will direct the production of the play which will be given in January. Miss Priscilla Ordway of Newton Centre was given honorable mention for her play "Onions" which will be given in December. The judges were Prof. Robert E. Rogers, Theodore Johnson, Mrs. Carl Schrader and Mrs. Frank A. Mason.

ALLEN SCHOOL, WEST NEWTON

Bruce Simonds gave a delightful recital on Thursday, before the students and friends of the school. Mr. Simonds is at the head of the Fale Musical School.

OVER THANKSGIVING—

Waban's Debbie Holmes home from Smith With friend from Illinois
—Newton Centre's John Bishop and Henry Howard from Andover
—Sy Phillips from Exeter
—Doris Linscott down from Wheaton for day
—Julia Harvey from Vassar
—Don Robbins from Dartmouth
—With last year's Tabor roommate from Denver, Colorado
—Betty DeBard down from Bennington Jr. College in Bennington, Vermont
—And Stuart home from Harvard
—Ann Patrick from Smith
—Helen Ellis with New Jersey friend down from Bradford Jr. College
—Newtonville's Eddie Campbell from Bowdoin
—Bob Gladwin home from Suffield School in Connecticut
—Waban's Ellen Weston and Newton Centre's Carolyn Raye to New York for the holiday

HERE AND THERE

Waban's Geordy Roberts recovering from an appendicitis operation. Spyglass sees Dinnie Holmes as tackle on Harvard's one hundred and fifty pound team. Saturday was a big day for the Gleason twins. Birthday greetings Don and Sid. Better late than never. Hope the two West Newtonites have completely recovered from their smash. We hear Debbie Holmes made Smith's freshman crew. Good luck. Irving Sible had a party not long ago. How about it, 73 Vista avenue? First Braeburn Assembly to be Thanksgiving night. Spyglass sees many gay dinner parties beforehand. The new food shop in Waban is pretty smooth. What say you, Lib Young? The Harvard-Yale game due to be exciting. Many Newtonites go New Haven-ward. Here's hoping Harvard wins, Hamie.

Here's looking at you!
NATALIE NORTH.

Salvation Army Drive Starts December 1st

Ask Newton to Raise \$5,000
of \$150,000 Total

With all the towns in the Metropolitan area solicited in connection with the Greater Boston Annual Maintenance Appeal of the Salvation Army for \$150,000, the annual Newton appeal for \$5,000, postponed while the Community Chest Drive is in progress, will be opened Thursday, Dec. 1, according to an announcement from Col. Joseph Atkinson, commanding the New England Forces of the Army. "The people of Newton have never yet failed us in our annual appeal," said Col. Atkinson, "and I am sure that they will prove no exception this year, all the other smaller towns having contributed generously to our appeal and in many instances going well over the quota."

The Newton Salvation Army drive, generally in progress at this time of the year, was purposely postponed in order that the local Community Chest Drive, which the Army is not included in, might go on unhampered.

Warren Jr. High

Assembly

This week, the Assembly at the Warren Junior High School was devoted to Armistice Day. After the opening of the Governor's Proclamation was read by Katherine Herrington, following which Betty Stockwell recited a poem, "Flinders Field." Two songs, "Comrades Good Night" and "Tenting Tonight" were sung by the boys' chorus. "What Makes a Nation" was then given by Elizabeth Benson. Everybody joined in singing "Keep the Home Fires Burning" and "The Home Road." The guest speaker for the occasion was Mr. Cronin, a representative of the American Legion.

Student Council Meeting

In Room 13 the members of the Student Council met on Monday. The subject of class dues, pins and gifts was brought before the meeting. It was decided that beginning with October 10 cents a month would be paid for class dues which would amount to 90 cents rather than the customary \$1.00.

Another object of the meeting was the Athletic Association. The officers will consist of a president, two vice presidents, and three secretaries and treasurer. The dues of ten cents will admit a member to all games played at Warren. This money will provide uniforms and other necessities for the teams. There was a brief discussion on cheer leaders.

Eighth Grade Congress Meeting

On Monday, October 24, the first eighth grade congress meeting was held in room 114. The purpose of the meeting was to discuss a chairman's duties, attitude, and manner toward his class. A spirited discussion of the number of cuts allowed each congress member followed. It was decided that one unnecessary cut from a congress meeting, would be allowed, with removal on second offense.

SPOKE IN TAUNTON

Professor A. P. Gilles of Newton-Andover Theological School and Rev. Dwight L. Bradley of Newton Centre spoke before the Massachusetts Federation of Churches of Christ in America in Taunton on Tuesday. In the evening Rev. Boynton Merrill of West Newton represented Protestantism in a round table of religious. Rev. Vaughan Dabney of Newton-Andover was the Luncheon speaker on Wednesday.

ONE THING AND ANOTHER

By L. D. G. Bentley

Missing, but not mourned, is our old friend I. Quote from whom we heard so often in the campaign addresses on the radio.

Oddments

Another one of those instances that set to glittering the good people who spurn the name "Newton Corner." A resident of Belmont who spoke highly of our home town and said, in all earnestness and admiration, "I often drive through Newton Four Corners." It's been coming to us, dear friends. Sitting around and picking-out cabinet members for the President-elect is one of the principal occupations of many people. It's a man's task. Women have too much sense. Wherever men gather, clubs, lodges, eating places, train, trolley or the country store at the cross-roads—they're all chock full of advice. Too bad it can't be transmitted to Albany.

People who like peaceful and entertaining reading and who would obtain a full measure of delight in a tour of rural England, please listen. Read "Puppets in Yorkshire"—I found it in the Newton Free Library—and travel with a man of gifted pen who set up a Punch and Judy show on the village green in many a charming community. Best mental relaxation I've run across in a long time.

Received too late for publication last week from "You Know Me" was the following comment on the biggest news event of the past four years: "And the horde spake one to another, saying that which we feared has come upon us."

Gettin' to School

It may be that some youngsters are reluctant to go to school. If you watch as they leave their homes in the morning they seem cheerful enough and any who may be dragging their feet are scarcely noticeable. It has always been my opinion that the boys and girls who are not particularly studious enjoy school for the companionship and the good times. They hail with delight, however, a day off, particularly when it comes unexpectedly.

What started me on this line of thought was a lengthy document prepared by the State Registrar of Motor Vehicles' staff in compliance with the new law governing the use of school buses. It is important that there should be regulations and rules to insure the safety of the children. The whole idea fits the times. The entire public school system has been improved, even to transportation. Now then, what about the old days?

Hiking to school was part of the training of a great many leading Americans. We recall in the stories of some of the most illustrious that after having performed the chores around the farm they gathered up the few school books in their possession and hit a trail of several miles to the district school. What would have been thought in those times of a suggestion that a wagon be provided and pupils gathered up here and there to take the jaunt back and forth? It certainly would have knocked out one of the most interesting chapters in many a biography. Parents then were too busy with their own labors and people who performed the chores felt that marching off to school is almost the same as recreation. Walking considerable distances was not as appalling as it is at present regarded. If it happened that by some miracle of chance that a ride was provided the youngsters appreciated their good fortune. Do they now?

Rural communities furnish buses. In cities many young children are brought to school by their fathers or mothers in the family car. Older boys and girls are in many cases permitted to use their parents' auto. Not half as romantic. The youngsters who walk and who plan their trips in twos and threes with the same companions each day are getting the real thrill. Ask any old-timer.

Some children "take" to school. Others make an awful fuss about it. Where one home will reveal a boy or girl whose manner of departure is invariably quiet another will produce a child who tears around at the last minute, saying, "Hurry, hurry, mother, I'm late now. This latter encounter is of joy and sorrow to parents and frequently "almost late" and sometimes fails to get under the wire. Far be it from me to place the blame on the parents. Many fathers and mothers have plenty of other matters to occupy their attention. I guess it's a good deal explained by the character of the youngster. And how are you going to make over human nature?

Slippery Sentiments

Accidentally dropping a card case where autumn leaves were piled high at a street corner completely changed my notion of the beauties of this glorious season. It is not that I was overcome with violence but a blow was struck at my idealism and that is a tender spot with me. The marvelous sensation described by the poet who gazed from his casement window at the swirling leaves, swiftly, though regretfully, leaving the branches they had so brilliantly adorned had more than once surged through this aging brain. I conducted the spelling department, conducted the spelling match with Mrs. Alice Whalen and Harry M. Weber winning the prizes. At the conclusion of the bee Mr. C. Elliott Smith gave an exhibition of magic and sleight of hand that was greatly mystifying to his audience. Refreshments were served bringing to a close a delightful evening of fun and entertainment.

and likewise a hiding place. But still I claved. My wetted fingers soon became numb in the cold wind.

My courage waned and yet I burrowed on. The dampness had reached my ankles—the place you always catch cold first, I remembered—but I was not to be thwarted. On and deeper I ploughed, not pausing to lift my head. Suddenly I was seized with a conviction that I could accomplish more if I kicked the leaves about. At least it would warm my feet. Thereupon I began a sort of swaying movement, swinging my right leg to the left and my left leg to the right. Provoked beyond endurance I muttered imprecation, malediction and anathema. They did not relieve my feelings—no words had sufficient power.

In another moment I was conscious of a gentle touch on my shoulder. A young woman's sweet voice of sympathetic tone floated on the air. "Excuse me, but is this what you are hunting for?" She had found my little brown card case. It had been lying on the sidewalk all the time. I thanked her, cordially and eloquently for restoring not only my property but my faith in poets.

Smith To Run For Sch. Commr. In Ward One

Franklin E. Smith of 56 Fairmount avenue, Newton has consented to run for the office of School Committee member from Ward 1 to succeed Elliott B. Church who retires this year. Mr. Smith was born in Jamaica Plain on April 4, 1877. He moved to Newton, November 25, 1885 and has lived at 56 Fairmount avenue since that time. His father, S. Curtis Smith was master in the English High School, Boston for 37 years. Mr. Smith attended the Bigelow School at Newton Corner, the Boston Latin School for two years, and then the Newton High School. He graduated "cum laude" from Boston University Law School in 1899 and immediately thereafter passed the bar examination. He has practiced law in Boston ever since.

AN OLD FASHIONED SPELLING BEE

The Hunnewell Club was the scene of an old fashioned spelling bee on Wednesday evening which created great interest among the forty who participated. Mr. Samuel Thurber of the Newton High School English department, conducted the spelling match with Mrs. Alice Whalen and Harry M. Weber winning the prizes. At the conclusion of the bee Mr. C. Elliott Smith gave an exhibition of magic and sleight of hand that was greatly mystifying to his audience. Refreshments were served bringing to a close a delightful evening of fun and entertainment.

Down

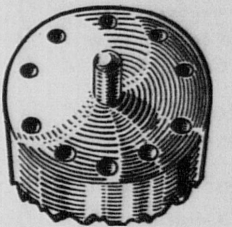

TUMBLES THE COST OF Automatic HOT WATER

YES—down, way down—by an amazing new gas water heater called Thermator. Abundant hot water simply by turning a faucet—at a new low cost. It's built like a giant thermos bottle and it works on an entirely new principle... heat circulates through water instead of water through heat. Completely automatic, too. Strong and dependable, with a boiler of Everdur copper. Read our offer below. Return the coupon and we'll show you, without obligation, how Thermator can save you money.

Special Offer

**\$15.00 ALLOWANCE FOR
YOUR OLD HEATER**
TWELVE MONTHS TO PAY
**NEW LOW GAS RATE FOR
USERS OF AUTOMATIC
GAS WATER HEATERS**
**AS LITTLE AS \$8.50 PUTS A
THERMATOR IN YOUR HOME**

This is an actual size illustration of the only burner in the new Thermator. It's as small as the simmering burner on your gas range!

Boston Consolidated Gas Company, 100 Arlington St., Boston, Mass.
Without obligating me, show me how to save money with Thermator.

State To Open Auto Course In Newton

Eight Weekly Lectures For
Women at Tech. H. S.

Girl Scouts

"What Every Woman Operator Should Know about an Automobile," a course of eight weekly lectures, will open in the Newton Technical High School, Walnut street at Elm road, Newtonville, Monday, Nov. 28, at 7:30 P. M., James A. Moyer, Director of the University Extension Division, State Department of Education, announced today.

The course is offered, because, as Mr. Moyer says, "The gas motor today is as much a part of a woman's life as the gas stove." The course will tell the woman driver exactly what she should know about her auto's insides, in language which she can understand. Technical matters for which she has no practical application will be omitted.

The class will meet on eight successive Monday nights under the instruction of Arthur Ashworth, practical automobile expert and instructor in State automobile courses for several years. Greater safety in driving, a fifty per cent increase in the satisfactory mileage of an automobile, and a considerable reduction of repair bills are the results to be expected from an intelligent use of the instruction in this course, Mr. Ashworth believes.

The instruction will include an illustrated, non-technical explanation of the various systems of an automobile, advice on how to make minor repairs, on when to take a car to the repair shop, and a graphic interpretation of the current Massachusetts road rules and regulations.

"Stripped of technical terminology," Mr. Ashworth says, "the basic principles underlying the operation of the family car are not mysterious. And furthermore, it is agreed that the difficulties experienced by women drivers are usually due to lack of information about mechanical parts."

Mr. Ashworth will stress safe driving. During the course he will discuss the chief causes of motor accidents today. "Most persons are surprised to learn that eighty per cent of all accidents occur on good highways, and that eighty per cent of these accidents occur in clear weather," states Mr. Ashworth.

A few of the safety questions which he will answer during the course are the following: What should be done when a front tire or a rear tire blows out? How should brakes be applied to give the maximum decelerating effect? When the car gets out of steering control, what should be done to bring it into control again? What should be done when the car starts to

Approximately 500 Girl Scouts lined up on Lowell avenue and marched to the dedication of the new City Hall and War Memorial. The girls greatly appreciated being included in the program.

Two Girls Scouts served as aides to the District Nurses at Newton Corner, and others were detailed at the Red Cross station, two at City Hall, two in the building, and two at Claf-in Field.

Newton Highland Girl Scouts are co-operating with Mrs. K. K. Carriek in the making of appessauce which will be sent to the Welfare Bureau for distribution.

While in Waban, the Girl Scouts are assisting Mrs. Angier in the cutting of Red Cross garments. Red Cross Posters have been distributed all over Newton by members of the troops.

The training course given at Newton Headquarters Thursday mornings is not only meeting the needs of Newton people but is interesting others in Wellesley, Watertown, Waltham and Brighton. The enrollment to date is thirty-six. The course is conducted as a Troop and take up Scout work from the applicant to the Golden Eagle. Rank tests and badge work may be reviewed and passed. At the same time, for those who would like it, council organization and committee work will be discussed.

Troop 27 in Newton Centre is celebrating its registration day on Dec. 1, with a formal awarding of Tenderfoot pins, Second Class Badges and Merit Badges. Mothers are being invited and the afternoon will be devoted to the putting over of Scout work.

APPRECIATION

To the Editor:
Will you express through the columns of the Graphic, my sincere appreciation of the support accorded me by the citizens of Newton, at the election November 8th.

ESTHER M. ANDREWS.

skid? What is likely to happen if the right wheels go off the pavement into a soft shoulder? What is the best course of action if a collision is unavoidable?

Registration in the course is open to all interested women at a nominal charge, and may be made at the first meeting of the class. The State Department of Education will award certificates to those who complete the course satisfactorily.

Newton Churches Will Observe Thanksgiving

Early Morning Union Services In All Villages

For the first time in many years the Protestant Churches of Newton are observing Thanksgiving Day with services of worship on mass during the earlier part of the morning. This is the result of action taken by the Newton Ministers' Association earlier in the season with a view to correlating the program of the churches and the High School's celebration of the day. It is hoped that a more general religious observance of Thanksgiving Day will result and a special invitation is extended to the High School students to attend the services of worship in their own community.

At Newton Corner, the service will be held at 9:30 a. m. in the Grace Episcopal Church with the Rev. Harry Belmont Hill, pastor of the Newton Methodist Church, preaching. The Rev. Randolph Merrill, pastor of the Central Congregational Church, preaching. The host, Rev. L. W. C. Emig, pastor of the Newtonville Methodist Church, will assist.

At West Newton, the service will be held at 9:00 a. m. in the Lincoln Park Baptist Church with the Rev. George W. Washington, pastor of the Myrtle Baptist Church, preaching. The Rev. John Shade Franklin, entertaining pastor, the Rev. Herbert Hitchen, pastor of the First Unitarian Society, and the Rev. Boynton Merrill, pastor of the Second Congregational Church, will assist in the order of worship.

At Newton Lower Falls, services will be held at 7:30 and at 9:30 a. m. in St. Mary's Episcopal Church with the Rev. Guy Miner administering Holy Communion.

At Waban, services will be held in the United Church. Rev. Joseph C. MacDonald, pastor, at 9:00 a. m. The Rev. Richard T. Loring, pastor of the Church of the Good Shepherd, will preach.

In Newton Highlands, services will be held at St. Paul's Church, at 9:00 a. m. The Rev. Charles O. Farrar, entertaining pastor, will be assisted by the Rev. William E. Austill, pastor of the Cline Memorial Methodist Episcopal Church. The Rev. Ben Roberts, pastor of the Newton Highlands Congregational Church is to be the preacher.

At Newton Centre, the services will be held at 9:00 a. m. in the Unitarian Church with the Rev. Dr. Woodman Bradbury of the Newton Theological Institution, preaching. Co-operating in this service are the entertaining pastors, the Rev. Albert C. Dieffenbach, the Rev. Dwight Bradley, pastor of the First Church, the Rev. Charles N. Arbutnot, pastor of the First Baptist Church, the Rev. Edward T. Sullivan, pastor of the Trinity Episcopal Church, and the Rev. John Wingett, pastor of the Newton Centre Methodist Episcopal Church.

In Chestnut Hill the services will be held at the Unitarian Church, Rev. Dan H. Fenn, pastor, with the Rev. John S. Moses, pastor of the Church of the Redeemer, Episcopal, preaching. The hour in this case is at 10:00 a. m.

In Newton Upper Falls the observance will be Wednesday evening at 7:30 o'clock in the Second Baptist Church, Rev. Perry Sanders, pastor, with the Rev. G. Vaughan Shedd as preacher.

In Auburndale, the services will be held Wednesday evening at 8:00 o'clock in the Centenary Methodist Church with Dr. Daniel L. Marsh, president of Boston University, preaching. The Rev. W. Sharpe, executive director, with the assistance of the Rev. Ralph H. Rogers, pastor of the Auburndale Congregational Church, and the Rev. Percival M. Wood, pastor of the Church of the Messiah (Episcopal) in conducting the service.

Bacon Gains In Recount; Protest Made

The recount of the votes cast in Newton for the office of Lieutenant Governor was held at City Hall on Tuesday. Gaspar Bacon gained 24 votes in the recount and his opponent, John E. Swift, lost 17 votes, making the net gain for Bacon 41. A protest was entered in behalf of Swift because the ballots were not sealed in blocks of 50. The practice in Newton has been to place each block of 50 ballots in an envelope and then place these envelopes in a larger bundle, which was sealed. The ballot boxes containing the marked ballots are also locked and sealed. Swift's representatives contended that each envelope containing 50 ballots should have been sealed.

New Candidate For Alderman In Ward One

Edward F. Murphy of 324 Adams street, Newton, has announced his candidacy for the office of Ward 1 Alderman from Newton High School in 1925, Holy Cross College in 1929 and Harvard Law School in 1932. He is a member of the Massachusetts Bar and associated with a prominent law firm in Boston.

Farewell Address By Mr. White in Old City Hall

Recounts His Experiences As Alderman

The following address was delivered at the farewell meeting of the Board of Aldermen in Old City Hall a week ago Monday night. The article was not used in "The Graphic" last week because of lack of space. The address follows:

It is not a habit of mine to deal in compliments but after much reflection, I am frankly compelled to admit that the present City Government is the best the City of Newton has ever had—this year—I congratulate them all on the fact that they certainly earn their salaries.

Yet to be really serious, Newton has been fortunate in its long line of distinguished Mayors, the Boards of Aldermen, and may I also pay tribute to its list of competent heads of departments and employees who have been a material factor in the City's progress. It is perfectly safe for a few old patriots to dwell upon eras of the City Government that are so far back in history they are unknown to the present generation and cannot be disputed.

We all remember Lincoln's Gettysburg preamble of four score and seven years ago but mine will have to begin a score and eight years ago I had the good fortune to enter the Board of Aldermen in 1904, after a hectic campaign, and served six years. I reappeared, at the demand of the people of the City after another hectic campaign as a member of the Board in 1922, serving four years, and due to my restless disposition, and again at the insistent demand of the people, I fully expect to reenter the City Government in 1934 in some capacity.

I have decided that a man carries his whole world under his own hat and his world is just as large or just as small as he makes it. On the whole, life consists in the main only of the friends we have and memories.

It was with fear and trembling, after being elected city-wide in 1903 by the tremendous plurality of thirteen votes that I took seat No. 12 at the feet of the Mighty in January, 1904, this being also the start of two-year terms for the Mayor. During my first tenure Mayor Wood governed the City in 1904 and 1905, Mayor Warren, 1906 and 1907 and Mayor Hutchinson 1908 and 1909. Presidents of the Board during that interval were Saltonstall, Carter and Weston, all of whom were experienced and able leaders. Four major accomplishments that must be credited to the original

had either been finished or were in their way—the Washington street widening—the depression of the tracks on the North Side—Commonwealth Avenue Boulevard and the Boylston street widening—South Side. The major accomplishments of the six years following were the Emerson School, the Nonantum School, the Newton Highlands School, the Technical High School and the depression of the tracks on the South Side of the City. Note: Homer street railway tracks taken out. Pay for the laborers changing minimum of \$1.75 to \$2 per day.

In addition to these large matters we, of course, had our sewer, water, street and routine problems.

During the period of 1922-1925 the installation of the Junior High School system came into its own. I hope it has justified the cost. This era included the completion of the Day Junior High School at Newtonville, the Junior High School for the Auburndale and West Newton sections, the Underwood Grammar School, new Newton High School, the final adoption of the zoning law and the impulse which led to the elimination of all trolleys, the effect of which must not be minimized. A determined effort was successfully made to place the budget upon a pay as you go policy and I think the Board during that period proceeded upon the policy that whatever debt was incurred by the issuance of paper had finally to be paid by hard, cold cash. I congratulate that particular City Government for its procedure upon the theory that the political units of the Nation and State must either bring down the burden of taxation or the burden of taxation would bring down the political units. Present conditions, country-wide, show the soundness of that proposition.

Let us continue to move forward and strive for the rights of Liberty and a government of common sense—sometimes called wisdom.

CUNARD AGENTS MEET AT BOSTON

More than a score of trans-Atlantic steamship passenger agents from cities and towns in Greater Boston gathered at a luncheon given Thursday in the Hotel Statler by Charles C. Dasey, passenger manager of the Cunard Line, to complete arrangements for the annual Christmas sailing from Boston to Ireland.

This Christmas excursion to Ireland has become a fixture and is looked forward to by a large number of Irish nationalists here. Each year has seen it grow to greater numbers.

This year the Cunarder Scythia will be used as the Christmas cruise ship, sailing from Boston on Dec. 10 and arriving in Ireland nearly a week before the great holiday. She will call at both Galway and Cobh.

As in former years Frank H. Hannigan, manager of the Irish Department of the Cunard line, will conduct the excursion. At the luncheon, Conductor Hannigan was a guest of honor, explaining in great detail his plans for this year's party. Hon. P. Galway Foley, Irish Free State Consul at Boston, was a special guest. Among the agents present was Edward H. Powers of the Newton Steamship Agency.

Speeches Of Mayor Weeks And Congressman Luce At Dedication Of Newton's New City Hall

Mayor Weeks spoke as follows:

"May I take this opportunity to extend most cordial greetings to all those who have gathered here this day to assist and participate in the dedication of Newton's New City Hall and War Memorial."

"By way of preface and possibly explanation, perhaps a little history might not be amiss at this point. To quote from ex-Alderman Blakemore's excellent address before the present and past members of our city government, who gathered together on last Monday evening for a final meeting in the old City Hall, there commenced in 1830 a bitter and acrimonious debate as to the location of the projected first Town Hall, which Newton was to possess. The dispute raged for nearly fifteen years, and in 1844 a committee finally reported—the majority recommending its erection in West Newton, and the minority urging its location at the geographical center of the town at the corner of Valentine and Homer streets, or practically the spot in which we now stand. A committee of the General Court, to whom the dispute was referred, having been dragged around the town for three days, also recommended that it be placed in the geographical center of the town, in the shaggy wilderness around Bulloughs Pond. The majority report prevailed however and, though the question continued to live on, 88 years were to elapse before the descendants of that minority of 1844 were to prevail."

"At last however, we have our New City Hall, located in the heart of all the Newtons, and coupled to it a War Memorial, dedicated to the heroic dead of all wars—both joined in one great monument to the city we serve and the community we live in. It would be impossible, on the occasion of the dedication of this beautiful structure and its surroundings to ignore the contribution made by the architects, Messrs. Collins and Willis, of the firm of Allen & Collins, by the builders, the C. S. Cunningham & Sons Construction Company, and by those who supervised the landscaping, Messrs. Hubbard and Parker, of Olmsted Brothers, towards the extremely satisfactory lay-out which you see before you today. Their ability and interest have above and beyond the call of duty been primarily responsible for the results achieved, and is deserving of our most sincere appreciation."

"Today our thoughts go back to that day, 14 years ago when, on the stroke of eleven, millions of men laid down their arms and peace reigned once again, after more than four years of warfare and destruction. While we pay due respect to the living, our tenderest thoughts and our choicest tributes go forth today to those 100 odd men of Newton who paid the supreme sacrifice in 1918, and their predecessors, who passed to the great beyond while serving their country in its hours of need. In the words of Robert G. Ingersoll, 'The past rises before us like a dream.' We see again the faces of these men, our friends in the truest sense of the word. We call to mind the scenes of 1917, when they took their places by our sides, and those of 1918 when, one by one, true to their happy memories of the trip to Seattle and of her attendance at the General Federation Biennial, of the one hundred and one Massachusetts women journeying to that gathering, nine were from Newton. Mrs. Brannan's description of this convention gave much pleasure and fully justified the choice of the Federation in its unique group of songs by Mrs. Wallace Wales, accompanied by Mrs. G. Howard Frost, was the musical contribution to the program, and greatly enjoyed. Mr. Frank Grebe, assistant to the pastor of the church, was the first speaker of the program to be introduced, and his helpful suggestions on 'How to Judge a Picture' undoubtedly will further the appreciation of pictures in the homes of his listeners. He thought that study of the lives of artists would give a better understanding, many the best traditions of this great country of ours, they answered the final call, leaving us to carry on with their unselfish sacrifice as our guide and example."

"And today would be ill spent indeed, were we not to draw some lesson from all this. There are some men and women who, truly and sincerely believe that the soldier, and particularly the professional soldier, believes in war, but I say, without fear of contradiction, that the man who has seen war, in all of its terrible aspects, is he who least wants to see it again."

"It is true, to be sure, that men and nations have resorted to arms from unworthy motives, but can we deny the equal truth of the statement, that most human progress has been measured by human sacrifice and that war, though an evil weapon, has been the instrument by which much of the progress of the world, through centuries of unselfish sacrifice, has been secured."

"Through all the ages, fearlessly and unhesitatingly, men have given life itself that civilization might be advanced, and that freedom, great principles, and Christianity itself might prevail. This does not mean that we welcome or condone the use of force, but rather that, until human nature and methods change, we face facts as they are and not as they might be, and that, as a nation, we recognize that preparedness for conflict is the best possible guarantee against it. God forbid that we ever again have occasion to dedicate another War Memorial but should that occasion ever arise, let us pray that my sons and yours may prove once again that Duty, Honor, Patriotism, and

great principles take precedence over life itself."

Mayor Weeks introduced Lieutenant Governor William S. Youngman who spoke briefly and appropriately in behalf of the Commonwealth which he officially represented.

Congressman Robert Luce, the principal speaker of the exercises, was also introduced by Mayor Weeks. His address, in part, follows:

"This edifice has been created in part to enshrine the memory of the dead, in part to meet the needs of the living. These purposes are not out of harmony. The dead gave their lives for the institutions and ideals that the living will here perpetuate. Horace, the Latin poet, sang: 'Dulce et decorum est pro patria mori.' 'Sweet and glorious it is to die for country.' Change but one word and you have a sentiment equally noble: 'Sweet and glorious it is to live for country.' Every public servant in the land, from the humblest street cleaner to the Chief Executive, whether on the roster of town, city, county, State, or nation, is giving of his life to his fellow men."

"We are wont to think of our country as a pyramid, and to keep our eyes on its topmost stone as of the most consequence to our interests. Every four years the whole country devotes itself passionately to the election of a President as if it were the greatest of all concerns. Yet the truth is that the lowest layer of stone in the pyramid is that on which its endurance most depends. With us the fabric of government rests upon our cities and towns. It is the city election that most directly and vitally affects the welfare of the citizens of Newton, not the election of a President and Congress."

"For this reason a city does well to symbolize the dignity of its common interests when erecting such a building as this. Life is largely a matter of symbols. The words I am uttering are sounds that symbolize my thoughts. If printed, they will be symbolic marks impressed upon paper. Every communication is made with symbols. Every painting is a group of symbols. Every masterpiece of architecture speaks something symbolically. This building not only gratifies the eye with its beauty, but also reflects the nature of the city, the character of the citizenship, the beliefs and ideals of the citizens."

"Furthermore, public buildings should nourish civic pride. As good governments breed self-respect, so good public buildings foster public spirit. Still more desirable are they in suggesting the power of the law, in attesting the majesty of government. This consideration alone should suffice to silence the critics who aver that the Federal government is too lavish in these things, and that States and cities should content themselves with the type of structure that meets the need of industry or commerce. Sorry the day when nation, state, city, or church lets parsimony replace generosity, when it is forgotten that public buildings are not merely to shelter and house, but also are of themselves to testify and preach."

"I risk the prediction that the placing of your City Hall at this point will in time produce one important change of far-reaching significance. Yours was a town of villages, eight or ten in number, with independent community interests and neighborhood life. Your city charter gave them little more than official relationship, a sharing of each other's public burdens. Improvement in communication, the telephone, the street-car, and now the automobile with its product, good roads, have knit you together in a real city."

"If presently there should rise around this edifice buildings to house your main activities of city-wide concern, commercial, professional, social, then yours will become a city in the common and full sense of that term. Do you think it is improbable? Let me inform you that less than a hundred years ago, when there was strong demand for division of the town, an advocate of such division, urging it be made by a north and south line passing through the spot where we are now gathered, described this as a long-extended, lonely valley, 'being throughout and almost entire, from the southern boundary and river to the north, a wide expanse of territory, on all sides hilly, or woody, or rocky, or broken, or low in most parts uncultivated or un reclaimed—an extensive solitude.' Today that expanse once solitary is dotted by a thousand homes. What it may be in another ninety years, who dare forecast?"

"Whether the inevitable change will mean net gain or net loss, who can say? The neighborhood spirit is precious. However, the hundreds of attractive dwellings that in the last few years have lessened your vacant spaces, make it reasonably certain that at least this generation will be spared here the apartment house and the tenement house. Long may Newton continue to be a city of real homes!"

"The erection of such a building as this would be justifiable even were it the devices of government involved. How much more the occasion for the best that Art can give when sentiment, noble, pure, deep, is also to be served! That part of this edifice wherein we are assembled is dedicated to the most precious of sentiments—Memory. It is the sentiment that both saddens and rejoices, that brings with it both grief and gratitude, that at the same time pains and consoles. These walls are to assure our own generation and to tell generations yet to come that Newton remembers those of her sons who have given their lives to their country in time of war. The passing years deaden and in time destroy the pangs that Memory brings, and human nature does not let us here individually mourn those who in the time of the Revolutionary War left the town never to return, but the dwellers in the Newton of today may take pride in knowing they live on acres where were a century and a half ago more than four hundred out of thirteen hundred inhabitants to take some part in the winning of Independence. The records within my reach do not show how many of them lost their lives, but it is probable that bitter grief then knocked at the door and entered more Newton homes in proportion to their number than in any war period since."

"Doubtless there were Newton men who did not survive the minor wars that followed, but no loss nor arousing personal memory came until the Civil War, when the death-roll of Newton men numbered seventy-four. Here again Time has wiped away the tears and Memory tells us only to be grateful that brave men put an end to slavery and restored the Union of the States."

"Since the Spanish War a third of a century has passed. Some of us well remember the struggle then of thousands of young men to get the chance to go to the front, and later our dismay because so many of them died by reason of camp and food conditions. If any such men went from homes here, they are not forgotten by those dear to them, and they shall by this memorial share in the public recollection."

"Of course above all those now looms largest in our minds the World War, with one hundred and eight from Newton earning the Gold Star by the sacrifice of their lives. We still believe they have not died in vain, but in many minds the conviction grows that the outbreak of the war ought to have been and might have been avoided. Let us be devoutly thankful that no responsibility for it rests on our shoulders. As to our own entry into the war, we are not yet far enough away for the right perspective. Also the view is clouded by the world-wide wars that have come as the aftermath. Not until this second crop of miseries has been harvested can we form wise judgment. About all we yet know is that the world is worse off than before. The nations seem to have learned nothing from the calamity save as to the need for preparedness, which means armies and armament. Lamentably slow are the steps toward the universal, perpetual peace of which we have dreamed."

"Men have dreamed that dream for centuries upon centuries. It was more than twenty-six hundred years ago that Isaiah prophesied the time would come when the Messiah would judge among the nations and rebuke many a people; and, the prophet said, 'they shall beat their swords into plowshares, and their spears into pruning-hooks; nation shall not lift up sword against nation, neither shall they learn war any more.' Yet men still die on fields of battle. Men still glorify Mars more than the Messiah."

"If it be that civilization has not yet reached the point where swords can safely be beaten into plowshares, if it is gravely probable that our country will some time again take up arms, then this memorial will be more than a tribute to individual soldiers. It will be an inspiration to those who in their turn will have the chance to spring to the defense of home and country."

"For the time being, however, the chief purpose of this memorial is to make fitting recognition of service and sacrifice. Also it is the hope that by symbolizing the solemn pride of Newton the city in her gift to the Nation, those whose heart-strings were wrung by that gift and who will ever mourn the loss of their beloved, may be encouraged to let the record of honorable death bring ever-growing consolation."

"Those who fought in France spoke of death as going West. Toward the setting sun, beyond the dim horizon, was the mighty ocean, trackless, turbulent, frightening, but beyond the ocean were friends and kin and home. Let us dream that those valiant spirits in going West have reached their goal, and that though our eyes may not see them, our hands may not clasp theirs, yet they are here to know that they and their deeds have not been forgotten."

The benediction was given by the Rev. Louis J. Gallagher, S.J., President of Boston College, and the exercises were brought to a close by the singing of the Star Spangled Banner.

Gasoline Tank Not Legally Located

At the meeting of the Board of Aldermen on Monday night a petition was received from Coleman Brothers for a permit to keep and store 500 gallons of gasoline in an underground tank at the corner of Boylston and Ellis streets, Newton Upper Falls. The petitioners are the contractors who are constructing the new Worcester turnpike along Boylston street in this city. A hearing on the petition was assigned for the meeting of the Aldermen on Nov. 28.

Referring to this petition Alderman Temperley of the Newton Falls told the Board that his attention was called a couple of weeks ago to the fact that Coleman Brothers had installed the tank in question and erected a pump on Ellis street. He asked City Clerk Grant about this matter at that time and was told that no application for a permit had been filed prior to the installing of the tank and pump. He also saw Chief Randlett of the Fire Department and that official knew nothing of the placing of the tank and pump. Mr. Temperley commented that the tank and pump located on the street have been illegally placed there and the Aldermen should consider the legal phase of this matter before taking action on the petition.

Noted Japanese To Lecture In West Newton

Will Speak in The Unitarian Church Sun. Evening

Yusuke Tsurumi, one of the most dramatic figures in Japanese Public life, will discuss "Japan at the Crossroads" at the West Newton Unitarian Church on Sunday evening, November 20th, at eight o'clock.

YUSUKE TSURUMI

Mr. Tsurumi occupies a unique position internationally. He is a connecting link between the East and West—an interpreter of Japan to America and of America to Japan. With his tremendous popularity among the rising generation of his own country he has done more than any single other Japanese to present the true picture of America to Japan. Although still a young man he has had unusual experiences, having participated in a number of international conferences, including the Institute of Politics at Williamstown. He is one of the original promoters of the Institute of Pacific Relations and has taken a prominent part in its work.

Mr. Tsurumi was in the Japanese government service for more than ten years and because of his close connection with his father-in-law, the late Count Shimpel Goto, many times cabinet member, he has worked with the inner circle of the high council of Japan.

In 1924 he resigned from the government service and, breaking away from his aristocratic relatives and friends plunged into the fight for democracy. He is already acknowledged as one of the outstanding leaders of new Japan. As an author he has outstripped all other writers, one of his books "Heroic Age" having sold more than 500,000 copies.

Mr. Tsurumi has a perfect command of English and presents his views with humor and candor. The lecture will be preceded by a half-hour organ recital commencing at 7:30 P. M. by Wm. Ellis Weston. The general public are invited to attend.

COHAN AT THE PARAMOUNT

One of the big treats of the season will be George M. Cohan in "Phantom President" which comes to the Paramount Theatre, Newton, next Sunday for four days with a bargain matinee on Monday and Friday. "The Phantom President" is a good picture because of its three leading players. But it is also good because it has a plausible, entertaining story, and its comedy treatment of Presidential campaigns is both timely and pertinent.

It is the story of Theodore K. Blair, who couldn't be elected President because he didn't have enough of the half-fellow-well-met personality—and the story of Peter Varney, a "proprietor" who resembled Blair so closely that he could credibly lend his personality to doing the candidate's campaigning for him. Cohan, of course, plays both roles. "The Phantom President" is as up-to-date as the morning's newspaper, and as funny a comedy as anyone could wish.

On the same program William Powell and Kay Francis will be seen in "One Way Passage" for the last half of the week the showings will be by Lotte Young and Eric Linden in "Life Begins" and Sally Eilers in "Hat Check Girl." Thanksgiving Day the performance will be continuous, beginning at 7:30 P. M.

NEWTONVILLE IMPROVEMENT ASSOCIATION

A meeting of the Executive Committee of the Newtonville Improvement Association was held on Monday evening, November 14th, at the home of F. C. Alexander, of Fair Oaks avenue.

It was voted to recommend to the city that shooting on Bulloughs Pond during the coming winter be restricted to residents of Newton.

Plans for a permanent membership organization for the Association are nearing completion. About forty representatives of the Association will be selected, each one to have charge of a certain small district, with the purpose of acquainting all residents with the public-spirited aims of the Association, of keeping track of arrivals and departures of residents, and of influencing people to join the organization. Dues are nominal, but the association receives its strength through the size and diffusion of its membership. There are now over four hundred members.

The Executive Committee voted to donate one hundred dollars to the Newton Community Chest. A report on the Community Chest campaign was presented at this meeting. It was voted, to ask the authorities to take some action to prevent obstruction of public sidewalks, and of streets, in front of stores by boxes, display stands, and parked delivery trucks.

A vote of thanks to Patrolman William E. Pollex, who has just completed his term of service in the Newton Police Force, was authorized.

Community Will Know Chest Drive Is On

Bells Will Ring and Whistles Will Blow

At ten o'clock on Saturday, all Newton will know that something is going on, for bells will ring and whistles will blow, for a few minutes to announce to the world that the Girl Scouts of the city are starting out to deliver to every house in the city the newest edition of The Newton Community Chest Call.

The second issue will be a smaller paper than the first issue, but will be eight columns in width. The first number was distributed by the Boy Scouts, who made an excellent record of efficiency.

A broadcasting period is being donated to the Community Chest, by Station WBSO this afternoon, and Rev. Herbert Hitchen of the West Newton Unitarian Church is to speak at that time. Music will be supplied for the half hour from 4 to 4:30 by a group of musicians from the faculty and graduates of the All Newton Music School.

It is planned to erect immediately campaign indicators in the shape of thermometers in most of the twelve villages of Newton. These will be placed in prominent places and will register the accomplishment of both village and city towards raising the quota of the campaign.

The "Charter Member" red and white button of the Newton Community Chest campaign is beginning to make its appearance on the streets of Newton. Many municipal employees are wearing it, and it is expected that it will become relatively common before long. Members of the Chest have been asked to wear the buttons to help advertise the campaign and increase the number of givers.

Y. M. C. A.

Round Table Club

The Round Table (Public Speaking) Club held its first banquet meeting of the season at the "Y." Each member present spoke on a current topic of interest and some lively discussions followed. The following members were present: Walter E. Barnes, John S. Chace, W. T. Jones, Lodge, Vito Barriochio, W. T. Jones, Dr. Philip D. Woodbridge, Harold E. Group, Walter S. Bruton, R. V. Hudson, H. G. Boyer, Roy Edwards, C. A. P. Johnson, Fred B. Eastman, Dr. George N. Abbott, John F. Costello, Edward M. Rowe, Thomas Finnigan, J. Ernest Gibson.

Hi-Y Club

Mr. Paul F. Bauder, Secretary of the Newton Community Chest and General Chairman of the Financial Campaign was the Speaker at the Newton Hi-Y Meeting last week. The week Mr. Paul E. Elicker, Principal of the Newton High School, was the speaker.

Camp Frank A. Day
The Camp Committee, at a meeting recently held, outlined plans for the 1933 season at Camp Frank A. Day. The date for the Reunion of Camper and Leaders was set for Wednesday, December 28th. Camp will open on Wednesday, June 25th, 1933. The Camp Committee for the coming year is as follows: C. D. Kepner, Chairman, Frank A. Day, Dr. Harold Giddings, Fred A. Hawkins, Marvin B. Perry, H. W. Bascom, F. D. Fuller, Lewis E. Moore, L. Chase Kepner, Leon E. Smith, Clyde G. Hess.

Track

Four members of the Y. M. C. A. Track Team coached by Henry C. Pierce, former M. I. T. athlete, ran in the annual "Y" Two State Cross Country Run Championship held Saturday afternoon in Fall River. At Jacobs, captain of the "Y" team, finished first for Newton coming in in the eleventh place. Warren K. Lewis, Jr., followed close, finishing thirteenth, John Quirk seventeenth, and Don Olson twentieth. Thirty men ran in the Meet. The Run, won by Lynn "Y," was completed in the record time of twenty-five minutes, forty-four and one-fifth seconds. Newton finished in fourth place.

Next Saturday afternoon the Newton "Y" Cross Country Team will run in the New England A. A. U. Cross Country Run Championship to be held at Franklin Park. These men are entered: At Jacobs, Warren K. Lewis, Jr., John Quirk, Don Olson, Art Linthwaite, Dr. Lawrence Perlmutter, Clifford Boudrot, and Stanley Cullen.

Newton Centre Man Appointed Asst. Comptroller

Horace B. Kendall of 876 Beacon street, Newton Centre has received the temporary appointment as Assistant Comptroller of Accounts at City Hall. This position was recently created to supervise the newly established billing and stenographic department. An examination will soon be held to determine the permanent appointment to this office. Mr. Kendall, a life-long resident of Newton Centre has served as an accountant and auditor with the United Fruit Company, Western Steamship Company and General Motors Corporation.

OCTOBER HEALTH REPORT

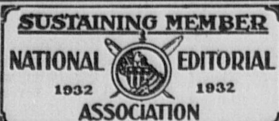

During the month of October there were 42 deaths in Newton; 20 males and 22 females. Cancer caused 2 deaths, cerebral hemorrhage 7, heart ailments 13, arteriosclerosis 2, pneumonia 4. Communicable diseases reported in the month included scarlet fever, 18 cases; diphtheria 1, measles 1, chicken pox 5, lobar pneumonia 1. Inspectors of the Newton Health Department investigated 8 complaints during the month, inspected 90 tenements, 7 barber shops, 74 markets and 9 bakeries.

THE NEW CITY HALL AND WAR MEMORIAL

With military pomp and civic splendor Newton dedicated its new City Hall and War Memorial building on Armistice Day. No day could have been more appropriate. The weather was perfect. The program was both impressive and adequate. It was a most successful as well as historic event in the City of Newton.

The building and its setting will be looked up to with civic pride by the coming as well as the present generations. It is worthy of notice that a hundred years ago, almost to a day, the prospect that Newton's municipal functions might some day be directed from this location, became possible. In November, 1832, the first committee to consider the site of the town government was appointed. As has been stated, this committee, some two years later, brought in its report with the majority favoring the West Newton site and the minority reporting that a site almost identical with that on which the new building stands should be selected. While there are many who may still feel that the new building should have been located elsewhere this feeling will undoubtedly decrease with time and custom.

The new City Hall and War Memorial have no equal in municipal buildings within our knowledge. The building typifies the spirit that has made Newton the Garden City of the Commonwealth. It remains for future generations to uphold the beacon of civic and municipal leadership.

The War Memorial, dedicated to those sons of Newton in all wars, who gave their lives for patriotism, honor and duty to country, embodies their spirit. As Congressman Luce says, if war is to be no more it will remain a monument to Newton war heroes, if war comes again it will be an inspiration.

THE COMMUNITY CHEST

This week the drive for funds for the newly formed Newton Community Chest was begun with a goodly sum announced as preliminary gifts. We trust that the Chest will have the support of every citizen of Newton. It should be remembered that the agencies which make up the Chest are of two distinct types. There are the welfare and relief agencies and there are the character-building agencies. The carrying on of the work of both is of great importance. The burdens of the former are increased in times like those of the present and recent years. This coming winter relief funds and welfare work will find many opportunities to bring aid and cheer to deserving families. With a continuation of the return to employment of the unemployed this type of relief work will, in future years, be reduced to permit of even more attention to the character-building agencies.

But do not let us overlook these character-building agencies, the boy and girl scouts and such organizations. We must protect them and prepare them for their future responsibilities as citizens. A letter in our columns this week adequately explains the importance of character-building agencies at the present time and is worthy of the attention of our readers.

THANKSGIVING DAY

Thanksgiving Day 1932 has somewhat of a parallel in that first Thanksgiving Day of 1621. That year a little band of Pilgrim Fathers gave thanks for their safe passage across the stormy seas. This coming Thanksgiving more than twenty millions of American families give thanks for the sunshine beginning to break through the clouds of economic distress. Both exemplify the courage and fortitude which has made this country what it is today. We look forward to the future with great hope and vision.

AN AMATEUR POET

The following bit of poetry was handed us this week by a local amateur poet inspired by the dedicatory exercises at the new City Hall and War Memorial last Friday:

According to a fellow that I met the other day,
The building of a City Hall never was Childs' play.
Newton has acquired one that is bright and new,
It took us years to get it, but Weeks to put it thru.

Letters To The Editor

CHARACTER-BUILDING AGENCIES

November 15th, 1932.
Editor, Newton Graphic,

Dear Sir:
A short while ago, there was a move on foot in Denver, Colorado, to declare a moratorium, so to speak, on all the character-building agencies and to concentrate all giving on relief work! A national wave of protest stopped that move, very fortunately for that Colorado city.

Recently, we saw a Communistic-stimulated "ganging" in our own city. The agitation of the Communists in this country, while publicly calling for free shoes, free food in schools, and city or public money without end of the coming generation and bring up all those they could reach with their own ideas, destructive to the social and economic structure of our country. We are fortunate in Newton that our citizens are far-seeing so that we do not encourage the short-sighted attitude of wishing to tear down the character-building agencies for a while. The Newton Community Chest, with its leadership and the support which it will unanimously receive,

will prevent any such unfortunate happening in our own city.

(Signed) FORWARD-LOOKING.

FOR FUTURE PROTECTION

Editor, Newton Graphic,

Dear Sir:
Inspired by the beautiful new City Hall and War Memorial of Newton, a proposal is now before the Board of Aldermen to amend the ordinances to the effect that there may be no more filling stations or service buildings for automobiles and other vehicles within five hundred feet of any park, parkway, or playground, or land upon which a church, school, or public building owned by the city is located.

Last evening, in the moonlight, I realized what had been done by my fellow-citizens in creating a group and its surroundings that will be the pride and example for generations to come: a lesson in civic duties to the boys and girls of today, which could come from no ordinary building.

I would also mention especially the wonderful architectural group of Boston College, which first engages our attention as we come from Boston, going west. They, too, are worthy of all the care we can give to preserve the beauty of the setting which they so gloriously adorn.

There are many other equally prideful possessions of our City which should be protected from the commercializing spirit of this period. It is our privilege and duty to foster and provide for the protection of these groups by the passage of an act limiting or prohibiting the building of any more gasoline or filling stations within five hundred feet of these valuable adjuncts to our city. If we act well and quickly now, though our life span here may be short, we shall be blessed by future generations for our far-sightedness in preserving what we have bought and paid for so dearly.

JAMES KINGMAN.

Many Visit City Hall and Memorial After Dedication

(Continued from Page 1)

Approaching the building from the West one is impressed with the beautiful entrance to the Memorial Hall with its symbolic pediment group above the four dignified columns. The central figure symbolizes History, holding in its hand a scroll. On either side are two pylons on which are inscribed the names of the great battles in the various wars. On the left is a figure of Patriotism, a youth wrapped in an American flag and holding a sword. At his feet are grouped various war-like symbols. On the other side is the Spirit of Sacrifice, a shrouded female figure among the crosses of the dead.

Mounting the steps a massive doorway opens into a Colonial paneled foyer and thence into Memorial Hall. The room is dignified, austere, and simple, following Colonial traditions. It is flanked by two sides of Ionic columns whose cornice carries a light cerulean blue barrel-vaulted ceiling.

At night the hall is flooded with soft light from unseen forces which illuminates the vault, disclosing gold stars high above the semi-circular apse where stands the speaker's rostrum. A marble floor of a quiet Napoleon gray blends with the color scheme of the room. Behind the rostrum the colonnades are lighted by chandeliers whose decorative elements are based on patriotic and military symbols. This hall, primarily for gatherings of veterans and patriotic organizations, may also be used for public meetings by social, fraternal or civic groups.

Perhaps from the visitors' viewpoint there was the greatest of interest in the War Museum, which is located in the Memorial building, for in no part of the entire United States are there any action models which compare with the four realistic and spirited miniature models of scenes from America's past wars which are placed there in deep recesses of the walls flanked by trophy cases which tie in with the models by displaying relics of the scenes they depict.

Into the theater of these four battle scenes has gone not only a year's artistic effort, but also painstaking research which included the close study of records in the libraries of Boston and New York and in the Navy and Marine Corps Departments in Washington. In addition, it included a study of the Constitution herself and visits to the historic sites of Valley Forge and Gettysburg.

A camp scene during the hard, bitter days at Valley Forge which Washington and his ragged army of patriots were interned there is faithfully portrayed in the first scene. In the foreground can be seen the tall, erect figure of the Commanding General himself, accompanied by his great drill-master, General Von Steuben, and by the dashing and romantic General "Mad Anthony" Wayne. The three are walking slowly through one of the company streets in Wayne's section of the encampment while a platoon of his Pennsylvanians has been hastily drawn up to attention as they pass.

The second group represents the quarter deck of the frigate Constitution, famous as Old Ironsides during her historic fight with the Guerriere. A broadside has just been fired, and the gun crews are furiously engaged in their various duties, and in servicing the cannonades for another volley. Captain Isaac Hull, the commander, and one of the country's great naval heroes, stands in the center of the scene, giving an order to one of his midshipmen. Near the wheel is the master, the officer in charge of navigation. A wounded marine sharpshooter is being carefully lowered from the main top. "Powder monkeys" are getting fresh supplies from the hole in the deck.

The third set shows "The High Tide of the Confederacy" or the farthest northern point to which the grey clad Southerners penetrated during the Civil War. It was the point reached by the desperate glorious charge of Pickett's division during the third day of Gettysburg, the point where it was stopped dead and flung back by the courageous and stubborn resistance of the Union Army. In the foreground is the left gun of Cushing's battery with the artillerymen hastily abandoning their posts to join the infantry in the furious hand-to-hand conflict. The Confederate General Armistead is shown collapsing, mortally wounded, on the stone wall.

The fourth of the series of model groups was titled "Somewhere in France," and depicts a typical battle scene of the World War, not any specific or actual incident. A French farm, almost demolished by shell fire, organized for defense by the Germans, is being carried by storm by Yankee doughboys. The battered building, the tumbled in trenches, the machine gun emplacements—all are startlingly reminiscent of the scenes all along the Western front. So are the grey-green figures of the enemy, holding out to the bitter end in the face of that on-rushing wave of men in olive drab.

In the construction of these four models, the figures were made of a special composition, of which beeswax is the base. They were all modeled individually so that none of the 200 odd figures are identical, either in posture, figure or face. Each was carefully painted with specially prepared oil paint. The weapons and equipment were all made to scale from actual relics of the periods represented.

The miniature models were designed and executed by Samuel J. Guernsey, Assistant Curator of Archaeology at the Peabody Museum, Harvard University, and Theodore B. Pitman, in their studio in Harvard square, Cambridge, Mass.

Beyond the museum is the Hall of Flags. There on a pedestal of Sienna

marble, recalling the famous Civil War main staircase which adorns the Boston Public Library, is the registry of the dead. It is in the form of a great bronze book, the pages of which are of specially cast copper, plated in gold. Here is preserved for historical record the names and the portraits of Newton's heroes. Here is the city's tribute to those who died fighting for independence, who gave up their lives and fortunes struggling to preserve the Union, and who left homes and families to journey across the vast eastern ocean and there sacrificed their lives on foreign soil in the most devastating war the World has ever known.

Protest Made Against Zoning Changes

(Continued from Page 1)

ed the savings of his lifetime. He said that Newton is known as the Garden City, but the business men of Newton have done their part in making it so attractive.

Herbert J. Kellaway of the Planning Board said he would speak for that body because of the inability of its chairman, Albert M. Lyon to be present. Mr. Kellaway said we have just completed in the center of the city one of the most beautiful sights and aspects in Massachusetts and it should be protected from encroachment by business enterprises. He said attractive old Colonial villages in Newton and elsewhere, had in years past been spoiled when old streets were widened, stately old trees lining them cut down and in some cases beautiful old colonial structures razed. He argued that when a generation hands something attractive over to posterity, this heritage should be guarded and not destroyed. He said old values should be kept and new ones created. He referred to the plan to purchase the land owned by the Middlesex & Boston Street Railway Company off Homer street for a site for a municipal garage and he said that the garage, even though built there, would be more than 500 feet from the City Hall.

Mr. Kellaway read a list to show the zoning of properties surrounding city groups of buildings as they are in the various Newtons. He quoted remarks made by Congressman Luce and Mayor Weeks at the dedication of the City Hall in which they expressed the hope that this site will be preserved from undesirable developments. He referred to the beauty of the Beacon College group and other developments in Newton that should be saved from the encroachment of unsightly buildings, and he said the fear exists that future Boards of Aldermen may let down the bars on zoning.

He stated that some of those objecting to the proposed amendment would also object to a filling station within 500 feet of their homes. He said that it is admitted that in years to come business zones in Newton must be extended, but he said that the surest way to rapidly increase the taxes here will be to admit apartment buildings and to destroy Newton's attractiveness as a community of beautiful residences.

Dr. Edward Mellus, another member of the Planning Board, read a letter written by E. T. Hartmann of the State Planning Board in reply to a query made by Mr. Kellaway. This letter stated that the City of Springfield was the first place to restrict the locating of filling stations and garages from the vicinity of schools, churches and public buildings. Springfield did this because of the fumes, noises and traffic hazards caused by such places. The restriction was also based on the principle that in many places garages and filling stations are nuisances. Mr. Hartmann's letter said that numerous court decisions have upheld this zoning restriction. The restricted distance specified in the Springfield ordinance is 100 feet, in Medford 200 feet and in Lynn, Salem and Walpole 300 feet. In Gloucester the restricted distance is 400 feet. In other parts of the country the distance goes as far as 500 feet.

The concluding paragraph of the Hartman letter says—

"It is obvious that the principle is being accepted as sound by many places and that the principle is being upheld by the courts. The important question comes only upon the distance required. In other parts of the country the distance goes as far as 500 feet. The distance will, in many instances have to be a matter of expediency because it is more difficult to require a greater distance in practically built-up cities and towns. My personal opinion is—that residential cities and towns should never consider distances under 400 feet, and that any place is thoroughly justified in establishing a larger specific distance in individual cases where there are public or private institutions essential to community life, and where the life of that institution itself depends upon this type of protection. It is notorious that we are wasting millions of dollars by destroying community institutions to the extent of being forced to abandon them and erect new institutions elsewhere. In this concrete case it is obviously absurd to erect a million dollar city hall and then allow it to be injured. It makes no difference what type of injury is involved, all types should certainly be prohibited."

BIGELOW JUNIOR HIGH SCHOOL

On Tuesday, five representatives from the Bigelow Junior High School went to the Labrador Bazaar given to raise money for the Grenfell Mission in Labrador. Dr. Grenfell very obligingly answered questions and autographed booklets for them. This was in connection with the study of "Adrift on an Ice-pan" by Sir Wilfred Grenfell.

The program for Armistice Day consisted of selections by several members of the school, and a brief talk by Mr. David Greer. Mr. Greer is a veteran of the World War and told of some of his experiences in France which were most interesting.

About Town

By Edw. H. Powers

Dr. William T. O'Halloran who was chairman of the Medical Committee at the Armistice Day parade has requested us to express his appreciation for the valuable assistance rendered to the Medical Unit by Newton Chapter of the Red Cross. Colonel Thomas Tierney, Surgeon General of Massachusetts; Edward F. Cannon, Superintendent of the Sewer Division of Newton; William Van Buskirk of the Newton News Company, Edward A. Robertson of the Metropolitan Life Insurance Company, Dr. F. J. Bailey of the Boston Health Department and J. Edward Theriault of Bridge street, Nonantum.

The junior footballists of today can purchase rugby footballs that suffice for their games for as little as 35c. In the days when we were kids we had to play "rugby" with a stocking filled with leaves, or somebody's cap. Once in a while some one of the gang would obtain a pig's bladder from some butcher, and this "football" in the rough would serve for a short period. The city didn't provide athletic equipment in those days, and cheap substitutes for the real articles could not be purchased.

Do you remember when you were a boy and you received a new suit of clothes and also strict instructions that you could not play while you were wearing the new suit because you might get it soiled? Well, the Newton Board of Aldermen is in about the same predicament. Last Monday night the Aldermen held their first meeting in the ornate aldermanic chamber at the new City Hall. This chamber, described in the official dedication program as an "elongated square" in shape, is a quite attractive room. One observer of the press likened it to Independence Hall at Philadelphia. Anyhow, it is a lofty room with dignified columns, heavily beamed ceiling, and its walls are finished in mild tones of rose and gray. Suspended from the ceiling are chandeliers holding lamps simulating Colonial oil lamps. The floor of the chamber is real hightoned. It is a teakwood floor. It seems that because the depressed realty yacht building industry and other building activities which use teakwood, the opportunity was afforded to purchase some teakwood at a bargain price. So this ritzy lumber was used for the flooring at the Newton aldermanic chamber instead of the plebeian wood which was specified in the original plans.

When the information was made public about the aristocratic floor which would adorn the meeting place of the aldermen, some of the members of that body were quite pleased at the prospect of having such deluxe boards under their bunions. But, their claxon was lessened Monday night, when they entered the chamber and beheld several signs which read "NO SMOKING." One of these signs was on President Collins' desk; another was at the table where the hard-boiled members of the press sit. The aldermen were forbidden to smoke because the nice teakwood floor would be irreparably damaged if burned by glowing stubs of cigars or cigarettes, or stained by nicotine from moist butts. To make the signs authoritative, the aldermen, before the meeting ended, meekly and unanimously voted to pass an ordinance forbidding smoking in the chamber.

It is a safe bet that at sometime in the future, and not distant future, when the glamour of the new aldermanic chamber wears off, another Board of Aldermen will either rescind the smoking ban, or ignore it. The present Board will not suffer greatly because it has been spending much of its time on meeting nights in committee rooms, and smoking is not forbidden in these rooms.

It would appear that plenty of work can be given city employees cleaning our streets of the large deposits of leaves, not to mention other litter. Citizens should not have to resort to the disagreeable alternative of taking up leaves in front of their homes and burning them, to afflict the neighborhood with smoke and smell.

A resident of Vernon street rightly complains of traffic conditions prevalent on that street. The hall at the Underwood School is used some afternoons for club meetings and on some evenings for lectures. When this occurs automobiles are parked on both sides of Vernon street between Centre and Eldredge streets causing insufficient room for traffic to pass between. Moreover, the long line of parked cars prevents persons residing on Vernon street to have proper approach to their homes or driveways.

This matter was called to the attention of the Traffic Committee of the Newton Aldermen a year ago, but no action has been taken to remedy the condition by restricting parking to a side of Vernon street which is bordered by city owned land and contains no residences.

Talking about the Traffic Committee of the Aldermen. Traffic is one of the biggest public problems of the day and a committee dealing with it ought to be on the job. The writer was a member of the Traffic Committee for four years and this committee was about as active as a dormant snail. Meetings were held so infrequently during those years that they could be numbered on one's fingers, with fingers to spare. This committee is composed of three Aldermen. From a practical viewpoint the Aldermen on this committee should be those members of the Board whose business is in Newton, who are in contact with local conditions daily. Of the three men now comprising the committee, not one is in business in Newton. Ordinarily they are in this city only before they get to work mornings and after they return to their homes evenings.

COMMUNITY CHEST

(Continued from Page 1)

paign of the Newton Community Chest, Inc., got off to a flying start last Wednesday night. The starting gun was a huge mass-meeting of workers at the Newton High School, Newtonville, and it was estimated that nearly 1,400 people were present. Great enthusiasm was shown by the assemblage.

Drawing a moral from the recent riot of unemployed in West Newton, Mayor Sinclair Weeks, first speaker of the evening, pointed out that the time is ripe for disturbances of this kind unless the people who are in need see that a pronounced effort is being made to restore them to a semblance of their former comfort and assurance. He pointed out that the Community Chest campaign, with its tremendous attendant publicity, is bringing home to the unfortunate the realization that the City of Newton is not indifferent, but will do all in its power to solve present economic problems.

Paul F. Bauder, general campaign chairman, spoke of the splendid work that has been done in assembling the army of workers, and paid a special tribute to the Newton children of both public and parochial schools, who have made over 600 posters to advertise the campaign. A number of these were on display at the High School auditorium, and were universally admired.

Mrs. Richard M. Saltonstall, associate general chairman, told of the enlisting of women on teams and the plans of these groups. Henry J. Nichols, chairman of the preliminary gifts committee, stated that the work of this committee had begun a fortnight ago, and after calling for reports from the village preliminary gifts committees, a total of \$97,027 was entered on the big blackboard unveiled at the back of the stage. Mr. Nichols announced that Auburndale with a preliminary gifts quota of \$9,250 had repeated the record made in the Newton Hospital campaign several years ago, and had gone over its quota first of all the villages of Newton.

Ex-Gov. Channing H. Cox, final speaker of the evening, in an optimistic talk, pointed out that the immediate concern is the weathering of this the fourth winter of the depression, and that particular attention must be paid to that problem. After that, he said, all evidences point to the return of better times, and some of the problems that are now so acute may give relief by solving themselves. However, he stated, no prophecies can be depended on at this time, and every community must work out its own salvation in the way that Newton is doing by preparing for the worst, always with the hope that the emergency will be lessened by time. Leon B. Rogers, president of Newton Community Chest, Inc. presided at the meeting, interspersing the speeches with a number of comments on the plans for the campaign, and the work of the Newton Community Chest. The invocation was given by Dr. E. T. Sullivan, rector of Trinity Church, Newton Centre, and Rev. Lawrence W. Slattry, pastor of the Church of Our Lady Help of Christians, Newton, pronounced the benediction.

A fine musical program was given by a large orchestra made up of graduates and students of the All Newton Music School, led by Miss Elizabeth Fyffe. A feature was the singing of "The Battle Hymn of the Community," the words of which—sung to the tune of "The Battle Hymn of the Republic"—were especially composed for the meeting, and dedicated to the City of Newton.

The Eagle Scout Circle and the Sea Scouts of Norumbega Council, Boy Scouts of America, acted as ushers of the meeting. The auditorium was decorated with campaign posters, and on the drop curtain before the stage a huge relief and welfare mobilization poster, twelve feet high and twenty-five feet long, donated by the John Donnelly & Sons Co.

The first report meeting of the villages teams will be held next Monday evening at half-past eight at the Newton High School Auditorium, Walnut street, Newtonville. The campaign is scheduled to last till November 30.

—Twelve ladies from the Methodist Church attended the semi-annual meeting of the Ladies' Aid Union of the New England Conference of the Methodist Episcopal Church at Somerville last week.

—The New Church Young People's League will join with the Cambridge League in a service at the New Church Theological School, Quincy street, Cambridge, Sunday at 7:30.

—The Rev. Dr. William L. Stidger of Atwood avenue was a guest at a luncheon given on Tuesday by the Professional Women's Club of Boston for all actors and actresses now playing in Boston.

—Mr. and Mrs. Carl E. Pickhardt of Highland avenue entertained at a small tea recently in honor of Miss Elizabeth Marshall of Prospect Park whose engagement to Mr. C. Fowler Pickhardt has been announced.

—Dr. Warren F. Cook, Superintendent of the Deaconess Hospital and the Palmer Memorial, will be the guest speaker at the Clafin Club dinner this evening. "The Mysterious Element Called Radium" will be the subject of his address.

—Mrs. D. Brewer Eddy of Kirkstall road entertained at tea, yesterday, for the chairman and their committee of the Hospital Benefit Shop. Mrs. F. Bridgman of Johannesburg, South Africa, spoke of the hospitals there and conditions among South African women.

—Mrs. Elsie Foss, concert pianist and teacher, was guest artist at the Norumbega Council of Religious Education last Monday evening in Newtonville. She will also be heard at a benefit concert for unemployed in Boston on Saturday.

Newtonville

—Miss Mabel S. Riley of Bellevue street, Newton, is the visiting lady for November at the Stone Institute and Home for Aged People.

—The Rev. Randolph S. Merrill of Central Church will preach at the union services in the Methodist Church, Thanksgiving Day at 9 a. m.

—Mrs. Leon Bellamy and her grandson, George Eyleshymer, Jr., of Central avenue returned Saturday from Middle Grove, N. Y. Mrs. Bellamy's daughter, Mrs. George Eyleshymer, is still at the Bellamy summer home in Middle Grove where she is recovering from an appendix operation.

—Miss Frances Carney of 114 Beaumont avenue, who is a student in the Senior Commercial course at the Vesper George School of Art is among those whose work is of such exceptional merit that it is now hung in the exhibition of drawings in the Y. M. C. A., Boston.

—The children of the New Church will enjoy a Thanksgiving dinner guessing party next Tuesday at 4:00 p. m. Each child will represent some article usually found on a Thanksgiving dinner table. Gifts for the Pomeroy Home will be brought at this time, also donations of food and clothing.

Newton Highlands

—Mrs. Hunnack of Concord street is seriously ill at the Newton Hospital.

—Mrs. L. A. Peterson of Neal St. has recovered from a severe attack of the gripe.

—Mrs. A. F. Sisson of Erie avenue was hostess to six tables of bridge on Wednesday.

—Mr. A. B. Kelley and family of Floral street spent the week-end at Dennisport.

—Church Night at the Congregational Church will be held on Dec. 14. Supper will be served by Group 8 with Mrs. E. W. Clark as hostess. The speaker is to be Prof. H. Augustine Smith, assisted by the Choral Art Society of Boston University School of Religious Education.

—The Monday Club will meet with Mrs. John H. McCready, 87 Hillsdale road, on Nov. 21st at 2:30 p. m. A musical program will be furnished by Mary Ingraham of Newton and Boston, pianist and teacher, assisted by Elizabeth Bates Stoddard of Boston, contralto. Both Miss Ingraham and Mrs. Stoddard are well known in musical circles of Greater Boston.

Auburndale

—The Annual Union Thanksgiving service will be held in the Centenary Church on Wednesday evening. Rev. Daniel Marsh will be the guest speaker and the united choirs will furnish special music.

—Mrs. Madison M. Cannon of Hancock street and her daughter, Mrs. William Flyo gave a bridge and tea last week for Miss Rosamond Cornell of New Bedford. Miss Cornell is the fiancée of Mr. Madison M. Cannon, Jr.

Newton Highlands

—Mrs. E. C. Lewis entertained a large group at bridge on Wednesday.

—Thursday evening Mrs. Herbert Gleason of Cornell street entertained her bridge club.

—Hemstitching done while you wait. Call Emma M. Menge, N. N. 4610-W.

—The Misses Woodworth of Hyde street entertained friends at a house party over the week-end.

—Mrs. James Taylor who has been visiting the Beck's of Duncklee street has returned to Brookline.

—Mrs. Flora Colby of Maine is the guest of Mr. and Mrs. Howard Thompson of Lakewood road.

—Mr. and Mrs. Sanford Thompson of Walnut street have returned from an extensive Western tour.

—Mr. and Mrs. Replege of New Jersey, who were the guests of Mr. and Mrs. S. Paul Townsend of Lakewood road, have returned home.

—Mrs. E. A. Proctor of Fisher avenue has returned from a several months' visit with her son in St. Louis.

—Mrs. George Lane of Conway, New Hampshire, is the guest of Mrs. Ernest R. Adams at her home on Saxon road.

—Mrs. Earl Ronler and her sons have been the guests of Mr. and Mrs. Howard Thompson at their home on Lakewood road.

—The Sunday School Guild of St. John's Church will hold a Penny Sale in the Church Hall on Monday evening Nov. 21 at 8 P. M.

—Francis Sullivan of Washington street is confined to the Newton Hospital as the result of injuries received during a football game.

—Mrs. Frederick Johnson of Harrison street was the guest of her son, Mr. Robert Johnson at his home at Southboro, Mass., for a few days last week.

—Mrs. Ernest R. Adams of Saxon road entertained at bridge on Wednesday afternoon in honor of her house guest, Mrs. George Lane of Conway, New Hampshire.

—Mrs. Henry J. Kenderdine and Mrs. Eliot H. Robinson were in charge of the Christmas Card table at the Florence Crittenton Bazaar given at the Copley Plaza this week.

—Mrs. Robert Johnson of Southboro, wife of Mr. Robert Johnson, formerly of Harrison street, is convalescing from an operation at the Baker Memorial Hospital, Boston.

—Mrs. Eliot H. Robinson of Lakewood road was in charge of the "tie-top" table at The Florence Crittenton Bazaar held at the Copley Plaza on Wednesday and Thursday of this week.

—A treasure hunt was given by the Misses Woodworth of Hyde street on Friday last. The hunt began at 1:30 p. m., lasting until 5:30 p. m., when they were entertained at dinner at the Wellesley home of one of the "hunters", followed by dancing.

—Group Three of the Woman's Association of the Newton Highlands Congregational Church will present a program of selected motion pictures in the Church Parlors on Tuesday, November 29, at 2:45 p. m. The pictures will be of interest to both children and adults.

—Elizabeth E. Boit, owner of the Harvard Knitting Mills at Wakefield died on November 14. She was born in Newton Lower Falls 83 years ago and when 18 became timekeeper in the Dudley Knitting Mill here. She later became superintendent of the mill and in company with Charles Winslip started the mill at Wakefield. She was a graduate of Lasell Seminary.

—A four-act comedy was presented by the Parish Players of St. Paul's Church in the parish house Tuesday and Wednesday evenings of this week. The leading role was played by Louise Hawkes and the leading man was Edgar Swail. They were supported by a cast of 15. The Parish Players who have presented plays of every type for the past eight years were recently reorganized. Arthur Logan is director of the group.

Waban

—Mr. Palmer Congdon was a week-end visitor at Amherst College.

—Mrs. Paul S. Mosser and Miss Janice Upham were Lenox visitors this week.

—Mrs. Joseph Congdon of Waban avenue was hostess to her luncheon bridge club today.

—The Samuel La Rhettes of Dorset road spent the week-end at their summer place at Pocasset.

—Tomorrow evening Mrs. William F. Lamont is entertaining her bridge club at her home on Alban road.

—The first formal dance of the season will be held at the Neighborhood Club house on Saturday evening.

—Miss Grace Codman is convalescing at her Chestnut street home after a small operation at the Newton Hospital.

—Mrs. Deane Preston of Metacomet road entertained the members of her contract bridge club at luncheon on Monday.

—Several members of Mrs. Austin G. Bourne's group assisted her at a luncheon at her Mossfield road home on Monday.

—Mrs. Madison M. Cannon of Hancock street and her daughter, Mrs. William Flyo gave a bridge and tea last week for Miss Rosamond Cornell of New Bedford. Miss Cornell is the fiancée of Mr. Madison M. Cannon, Jr.

10:50—Morning Service.
9:30—Upper School.
10:50—Kindergarten and primary.

NATHAN FULLER CHAPTER, D. R.

The November meeting of the Nathan Fuller Chapter, Daughters of the Revolution, was held on the eighth at the home of Mrs. Donald Gibbs, 37 Claremont street, Newton. The regent, Miss Barbara Estabrook, presided and opened the meeting with the salute to the flag.

The corresponding secretary read a letter from Mrs. Harris thanking the chapter for a check which had been sent for war veteran work. The treasurer, Mrs. Richard Brown, reported on the financial success of the bridge party which was held on October twenty-first at the Hunnewell Club. A layette for a baby has been provided by the Americanization committee and they are asking for toys to be used for the children of Mrs. Seaver's Americanization classes.

The chapter voted to accept the recommendation of the executive board that the picture of "George Washington at Prayer at Valley Forge," given by the National Society, Daughters of the Revolution, be framed and presented to the Rice School in Newton Centre. This is to be considered the George Washington Bicentennial work of the chapter. A second recommendation of the executive board that the chapter send boxes at Christmas time to the Newton men in Veterans' Hospitals was accepted by the chapter.

Mrs. Adelbert Fernald, who founded the Nathan Fuller Chapter when she was state regent, told of her interest in the work of the chapter and Mrs. John Dutton, regent of the Sarah Hull Chapter, D. R., expressed her appreciation of being a guest of the afternoon. The regent then adjourned the meeting.

The guests of the afternoon, the officers of the State Society, D. R., and those of Sarah Hull Chapter, D. R., enjoyed the social hour following when the hostess was assisted by Mrs. Henry Cross, Miss Barbara Estabrook, Mrs. Herbert Johnson and Mrs. John Merrill.

Recent Deaths

MR. FRANK W. BARNEY

Frank Ward Barney of 163 Elliot street, Upper Falls, died at the Newton Hospital on November 10. Mr. Barney was born in the farm house at the corner of Boylston and Chestnut streets eighty years ago. He resided there as a boy and later his parents purchased the large estate on Cottage Hill, Upper Falls, where he had lived for many years. He was until recently employed as a bank messenger for the Atlantic National Bank. He is survived by a brother, Herbert R. Barney of Upper Falls, and a stepson, Arthur Anderson of Quincy.

Funeral services were held at the Newton Cemetery Chapel at 2 p. m., Saturday, Nov. 12. Rev. L. W. C. Emig of the Newtonville M. E. Church officiating. Burial was in the Newton Cemetery.

JOSEPH NEVINS

Joseph Nevins, an old-time resident of Nonantum, died on Nov. 14th, at the Holy Ghost Hospital, Cambridge. He was 81 years old. He had resided recently with his son, Frank Nevins at East Lexington. He was a carpenter by occupation and for many years was a call-fireman at Hose 8 in Nonantum. He is survived by his widow, Mrs. Nellie Nevins of Los Angeles, Calif.; two sons, Rev. Joseph Nevins, president of St. Joseph's College, Mountain View, Calif., and Frank Nevins of Lexington; and three daughters, Gertrude and Mary of New York City, and Alice of Los Angeles. His funeral was held Wednesday at Lexington.

MRS. CAROLINE JOLIE

Mrs. Caroline Cole Jolie of 132 Charlesbank road, Newton, wife of Napoleon Jolie, died on Nov. 11. She was born in West Newton 52 years ago. Besides her husband she is survived by one son, Ernest Jolie. Her funeral service was held Monday morning at the Church of Our Lady, and burial was in Calvary Cemetery, Waltham.

NEWTON CENTRE SCHOOL ASSOCIATION

The first open meeting of the Newton Centre School Association was held on Wednesday, Nov. 9, at the Mason School Hall at 3:15. Supt. John Lund spoke briefly. He urged parents to see that the present high standard of education in Newton should be maintained; that no economies should be put through at the expense of our children.

Miss Jewett the only teacher now at the Peabody Home told how she was trying to teach all the children there in her few mornings while working for her degree at Boston University in the afternoons. She asked for help in this work as it was impossible for her to teach one group more than two days a week. There is no money to pay for this work as formerly so that the Home must depend on voluntary workers. Any one who can give any regular time to help these children will find a cordial welcome at the home.

Miss Shannon spoke of the opportunity the children have to learn piano in connection with their school work. The lessons are 25 cents a piece and the methods are the very latest and best. Mrs. Florence Sloan reviewed the latest children's books and spoke of the Story Hour for children. This hour is conducted by trained story tellers with the aim of stimulating in the child a love for our best literature and starting him along the path of appreciation of good books. She also invited all parents to visit her at the Newton Library when they wanted any information or advice about books for their children.

After the talks, tea was served and the mothers and teachers had an opportunity to visit together.

Merchant Charged With Assaulting Police Officer

Charles Scipione, Jr., a constable of Newtonville, entered the fruit and vegetable store at 248 Washington street, Newton on Saturday night to place an attachment on it. William Voutirista of Bigelow street, Brighton, a clerk in the store took from the cash drawer the bills which were in it. Scipione tried to get the money from the clerk and a struggle ensued in which Voutirista's 14 year old son attempted to assist his father. Patrolmen Halloran and O'Donnell heard the rumpus and arrested Voutirista and his boy. In the Newton court on Monday the father was charged with assault and battery on Scipione and the boy with assault. Their cases were continued until November 21.

WILL SPEAK ON ALBANIA

C. Telford Erickson, who spoke before the Society of Inquiry at the Anderson-Newton Theological Institution on November 8 and 9, will speak at the Fessenden School on Sunday morning. Dr. Erickson's subject will be "A Chapter from the Lives of Albania's Boys and Girls." He will tell of America's contribution toward the training of youth in a country which a decade ago had no school system. According to Dr. Erickson, America has established the first school for rural youth in the country, the Albanian-American Institute at Kavaje. Dr. Erickson was the founder of this school, which is maintained as a rural demonstration center by Near East Foundation, of which Dr. James L. Barton, of Boston, is vice-president. The school is also training the first girl village school teachers known in the country.

LEGION AUXILIARY INSTALLS NEW OFFICERS

The new Memorial Hall was the scene of very impressive ceremonies on Wednesday evening, November 16th, at which time the officers of the American Legion Auxiliary, Newton Unit No. 48, were installed. The new officers are: Pres., Mrs. Mary McCarthy; Vice Presidents, Mrs. Helen Henderson and Mrs. Mary Madigan; Sec., Mrs. Catherine Rogers; Treas., Mrs. Helen Miller; Chaplain, Mrs. Edna House; Historian, Mrs. Mary Foran; Sgt-at-arms, Mrs. Nona Kearney; Executive members, Mrs. Corabelle Francis, Mrs. Katherine Powers, Mrs. Virginia Cook.

Mrs. Dorcas Roberts, Vice Chairman of Middlesex County, acted as installing officer, assisted by Sgt-at-arms Mrs. Margaret Fernald, with four members of the American Legion Auxiliary Drum and Bugle Corps as escorts.

The guests and speakers of the evening were: Honorable Sinclair Weeks, Mayor of Newton; Commander Harold Ames, Newton Post A. L.; Reverend John Shads Franklin, Lincoln Park Baptist Church, West Newton; Past Commander Arthur Brollette, United Spanish War Veterans; Mrs. Nellie Manning, President, United Spanish War Veterans Auxiliary; Miss Anna Manion, National Legislation Chairman, American Leg. Aux.; Mrs. Elizabeth Gihlin, State Chaplain, American Legion Auxiliary; Past Commander R. John Henderson, Liaison Officer, Newton Post Amer. Leg.; Past Commander Julius Ramm, Chairman Veterans Council of Newton; Mrs. Sanger, President, Watertown Unit American Legion Aux.; Mrs. Hart, President, Waltham Unit, American Legion Aux.

Vocal selections were given by Mrs. Margaret Rutherford and Mrs. Gertrude Stanton and music was furnished by the Newton Post Band.

A group of small Junior members of the Newton Unit in attractive Auxiliary uniforms was the center of attraction.

Eighteen delightful corsages of roses were the gift of Mr. Feinstein of the West Newton Flower Shop to the retiring President and the new officers.

A beautiful jewel, the Past President's Pin, was presented to the retiring President, Mrs. Frances E. Cannon, by the Unit in appreciation for her splendid work during the past year.

At the conclusion of the exercises the guests were given the opportunity to inspect the new building and delightful refreshments were served.

AUCTION SALE

We would call your attention to descriptive advertisement on page 10 about the auction sale at 96 Jackson road, Newton. Don't forget to attend it at 11 o'clock Thanksgiving morning.—Adv.

Rotary Club

Norman Fradd, Assistant Director of Physical Education of Harvard University, was the guest speaker at the regular meeting of the Newton Rotary Club on Monday at the Woodland Golf Club. He was introduced by Ernst Hermann, our director of Newton playgrounds, who told of the influence of Mr. Fradd's physical education work in the nearby high schools, particularly our own.

Mr. Fradd announced his subject as "Fit or Fat at Forty." "Watch your waist line," he said, "make sure that its girth remains less than that of your chest." When it grows larger, the excess fat slows up the normal functions of the abdomen and cuts down a man's efficiency.

He spoke of his work with the A. E. F. in France where he was put in charge of conditioning men with flat feet or weak backs who couldn't stand the strain of the regular marches with equipment.

On his return after the war he decided to apply the knowledge gained from this experience to conditioning boys in college and high schools. His experience had taught him that correct posture has a tremendous influence on a man's health and comfort particularly as he approaches forty with this in view he examines freshmen entering Harvard and photographs their full length profile showing their natural posture. Then he works with the boys to correct their defects in posture and to impress upon them the value of standing correctly, balanced. It is important to give the lungs proper room as "our energy output is commensurate with our oxygen intake." Mr. Fradd's educational program is being carried out in the Newton High School as far as is possible.

LUCY JACKSON CHAPTER, D. A. R.

The regular meeting of Lucy Jackson Chapter, D. A. R., was held at the Chapter House in Newton Lower Falls on Monday of this week.

Mrs. Parker, the regent, presided. The reports of the various committees were read and approved. Mrs. Macomber gave a detailed account of the disposition of a chest full of old nautical documents found in the chapter house at the time of its purchase by the D. A. R. These papers consisted principally of old bills and lists of supplies for the Frigate Constitution and other ships of that period, about the year 1800. Twenty of these papers were kept by the Lucy Jackson Chapter for their library and the rest have been given to the Massachusetts Historical Society, where they will be available to anyone who cares to see them.

The program for the afternoon was the "Little Shawl Pageant," preceded by a delightful piano solo by Mrs. Holcombe Brown.

The lines for the pageant were read by Mrs. Cunningham. Those taking part in the pageant were: Mrs. Hancaster as Indian Squaw; Mrs. D. Stewart Pope as a Mother, Miss Juliette Glaser; Cello solo, Julia Mathe accompanied by Ellen Wathne; Reading, Jacqueline Banquer; Harp solo, Millison Shedd; Reading, Helen Eyre; Trumpet solo, Maurice Reddy accompanied by Mr. Parker. Paul Salter presided and introduced those taking part. The pupils take great interest in such programs in which their classmates display their skill as concert artists.

The attention of the parents is called to the first meeting of the Parent-Teachers Association on Friday evening, November 18, promptly at eight o'clock. The speakers will be Mr. John Lund and Mr. Frank F. Carr, whose topics have been announced as "Character and the Schools" and "The Junior High School." Selections will be rendered by the Band. Special opportunity will be given the parents for meeting the home room teachers. It is hoped that parents will exert every effort to be present at this initial meeting.

The results of the drive for school savings were most encouraging. After devoting two home room periods to explaining the scheme and suggesting ways of saving, a chart was constructed by a ninth grade mathematics class to stimulate the interest of the pupils in regular savings. It was shown that approximately one-third of the school membership enlisted in the thrift army by depositing pennies, nickels, dimes, quarters, etc., during the campaign week. About one-fourth of the remaining enrollment has indicated an interest in starting a savings account in the future.

The Garden Club of this year is continuing the good work started by the members last year. Last spring the club planted ivy around the building. In spite of the dry spring, the majority of the plants survived and should make a good showing by another year. This fall tulips have been planted in the plot directly across from the front of the building. Gladioli and flower seeds will be cultivated in this plot in the spring. As members are learning the names of the trees and shrubs around the building. Some fifteen varieties are included.

CHILDREN'S MUSEUM

The First Thanksgiving is the subject of an illustrated talk in costume built around early customs of our forefathers and historic events of importance, to be given at the Children's Museum of Boston Sunday at 3 o'clock. An unusually interesting film, "American Desert Animal Life," which gives interesting intimate glimpses of rodents and insects in their native haunts in the most desolate part of the great Colorado Desert, Devil's Playground, will be shown on Sunday at 3:30.

In connection with the 22nd Annual Convention of the Associated Y. M. and Y. W. H. A. of New England at the Hotel Statler, November 12 and 13, an educational exhibit of art-craft and handicraft was held.

TO PAY \$50 FOR FALSE ALARM

Michael J. O'Rourke of 949 Chestnut street, Upper Falls, was found guilty in the Newton court last Saturday of pulling a false alarm from Box 622 on Nov. 9. He was given a sentence of 30 days in prison and this sentence was suspended on condition that he pay \$50 to defray the cost of sending the fire apparatus out unnecessarily. On a charge of drunkenness he was placed on probation for six months.

Kiwanis Club

The regular weekly meeting of the Newton Kiwanis Club was held Tuesday at the Charles River Country Club, President Charles A. Mahoney presided.

The speaker, the Hon. Joseph A. Parks, Chairman of the Industrial Accident Board, told in a most interesting manner the functions of the Board.

Mr. Parks, the father of the Workmen's Compensation Act, explained some of the methods employed in endeavoring to procure funds fraudulently under the Act, and he requested his hearers to assist in whatever way possible to encourage only legitimate claims.

He paid special tribute to the splendid work done by doctors and physicians in assisting workmen injured in their employment, but he condemned in no uncertain terms a small class of doctors and physicians that further claims not honestly founded.

LUCY JACKSON CHAPTER, D. A. R.

The regular meeting of Lucy Jackson Chapter, D. A. R., was held at the Chapter House in Newton Lower Falls on Monday of this week.

Mrs. Parker, the regent, presided. The reports of the various committees were read and approved. Mrs. Macomber gave a detailed account of the disposition of a chest full of old nautical documents found in the chapter house at the time of its purchase by the D. A. R. These papers consisted principally of old bills and lists of supplies for the Frigate Constitution and other ships of that period, about the year 1800. On a charge of drunkenness he was placed on probation for six months.

NORUMBEGA DISTRICT COUNCIL OF RELIGIOUS EDUCATION

A real treat was provided for the Norumbega District School last Monday, when Mrs. Carl M. Foss entertained at the Assembly period. The School is becoming noted this year for its unusually fine Assemblies.

A real effort is being made by many church schools and teachers to encourage home study of the Sunday School lesson by pupils of Junior Repartment age and up. The Home Study posters, prepared by Mr. Paul Leslie Jones, are of great help.

Several ideas as to what constitutes "study" have been discovered. To some this means memory work of Biblical facts and hymns, but to others it goes further into assignments concerned with application of Biblical or other religious "lessons." Practical suggestions as to assignments along various lines will be prepared for church schools in the near future.

The Young People's Conference, under the auspices of the Norumbega District Council, will take place November 25 and 26. Notice of this will be found elsewhere this week in the GRAPHIC.

LUCY JACKSON CHAPTER, D. A. R.

The regular meeting of Lucy Jackson Chapter, D. A. R., was held at the Chapter House in Newton Lower Falls on Monday of this week.

Mrs. Parker, the regent, presided. The reports of the various committees were read and approved. At the conclusion of the exercises the guests were given the opportunity to inspect the new building and delightful refreshments were served.

AUCTION SALE

We would call your attention to descriptive advertisement on page 10 about the auction sale at 96 Jackson road, Newton. Don't forget to attend it at 11 o'clock Thanksgiving morning.—Adv.

CHILDREN'S MUSEUM

The First Thanksgiving is the subject of an illustrated talk in costume built around early customs of our forefathers and historic events of importance, to be given at the Children's Museum of Boston Sunday at 3 o'clock. An unusually interesting film, "American Desert Animal Life," which gives interesting intimate glimpses of rodents and insects in their native haunts in the most desolate part of the great Colorado Desert, Devil's Playground, will be shown on Sunday at 3:30.

In connection with the 22nd Annual Convention of the Associated Y. M. and Y. W. H. A. of New England at the Hotel Statler, November 12 and 13, an educational exhibit of art-craft and handicraft was held.

TO PAY \$50 FOR FALSE ALARM

Michael J. O'Rourke of 949 Chestnut street, Upper Falls, was found guilty in the Newton court last Saturday of pulling a false alarm from Box 622 on Nov. 9. He was given a sentence of 30 days in prison and this sentence was suspended on condition that he pay \$50 to defray the cost of sending the fire apparatus out unnecessarily. On a charge of drunkenness he was placed on probation for six months.

CITY EMPLOYEE RETIRED

Thomas Hanlon, 67, of 137 Standford street, Auburndale, an employee of the Newton Street Department for 35 years, has been retired on a pension. He had been employed in the Lower Falls section as a street patrolman for many years.

Legal Notice

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage deed given by Margaret R. McMullen of Boston, Suffolk County, Massachusetts, to the Norumbega Savings Bank, a corporation duly established under the laws of the Commonwealth of Massachusetts and having its usual place of business in Marlborough, in the County of Middlesex, dated November 8, 1928 and recorded with Middlesex South District Deeds, Book 5298, Page 64, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction at two (2) o'clock in the afternoon on Monday, the twelfth day of December A. D. 1932, on the premises hereinafter described, all and singular the premises substantially described in said mortgage, to-wit: The "A certain tract of land with the buildings thereon situated on the southeast side of the Chestnut Street, known as 'Alvina Road,' in that part of Newton called Chestnut Hill, containing 9,320 sq. ft. and being the premises shown as Lot No. 11 on plan entitled 'Plan of Land in Newton, Mass. Whittman & Howard, Inc., August 1928,' recorded with Middlesex South District Deeds, plan book 325, page 4, and being the same premises conveyed to me by John J. Johnston by deed dated November 28, 1928 and recorded with said Deeds, as No. 243 of last mentioned date, and further bounded and described as follows: Bounded northerly by said Road, measuring one hundred and fifty (150) feet; northerly by Lot No. 10 as shown on plan heretofore referred to there measuring one hundred and twenty-one (121) feet; southerly by Lot D as shown on said plan there measuring thirty-seven (37) feet; southerly by Lot E as shown on said plan there measuring fifty-five (55) feet, and southerly again by Lot F as shown on said plan there measuring seventy-eight and 15/100 (78.15) feet, or however otherwise bounded, measured and assessed, together with the right to use said Alvina Road as shown on said plan in common with the owners thereof for all purposes commonly and properly used in private ways in the City of Newton.

Said premises are hereby conveyed subject to restrictions mentioned in deed from Mary E. Malley to Albert S. Johnston dated May 4, 1928 and recorded with said Deeds, book 4655, page 11, so far as the same are now in force and applicable, and also to existing mortgages.

Said premises will be sold subject to any and all unpaid taxes, tax titles, tax liens, and municipal assessments thereof, if any there be, and also subject to any unpaid water rates.

Terms of Sale: Three Thousand Dollars (\$3000.00) in cash to be paid by the purchaser at the time and place of sale, the balance to be paid by the purchaser in the usual foreclosure deed within ten (10) days thereafter at the banking house of the Norumbega Savings Bank, 12 Mechanic Street, Marlborough, Massachusetts.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale in a certain mortgage given by William Regan to the Western District Savings Bank dated October 8, 1928, recorded with Middlesex South District Deeds, Book 5284, page 64, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction at three o'clock P.M. on Tuesday the fifth day of December A.D. 1932, on the premises, all and singular the premises described in said mortgage, to-wit: "A certain tract of land with the buildings thereon and all the privileges and appurtenances thereto belonging situated in the City of Newton, in said County of Middlesex, called Waban, and being shown as Lot 5 on a plan of land owned by Regan & Co., Inc., recorded with Middlesex South District Registry of Deeds, Book 5284, page 64, and being more particularly bounded and described as follows: NORTHERLY by Wyman Street, ninety-four (94) feet; WESTERLY by Lot 6, as shown on said plan, one hundred five (105) feet; SOUTHERLY by Lot 4, as shown on said plan, one hundred (100) feet; EASTERLY by Chestnut Street, ninety-eight (98) feet, and NORTHEASTERLY by a curved line forming the junction of Chestnut Street and Wyman Street, as shown on said plan, eighteen and 55/100 (18.55) feet.

Containing according to said plan, 11,040 square feet, and being part of the same premises conveyed to me by deed of Mary C. Stephen, dated April 21, 1928, and recorded with said Deeds, Book 5221, page 67.

The foregoing premises are subject to restrictions, conditions and easements of record, so far as now in force and applicable. This conveyance includes all furnaces, heaters, ranges, mantels, gas and electric light fixtures, screen doors, awnings and all other fixtures of whatever kind and nature at present contained in said building and situated thereon. In prior to the full payment and discharge of this mortgage, the premises will be sold subject to all tax titles, unpaid taxes and all other municipal assessments or municipal liens, if any there be.

Terms of sale: \$500.00 to be paid in cash at the time and place of sale; balance to be paid with ten days thereafter at the office of Albert E. Lewis, 44 School Street, Boston, Mass., attorney for the mortgagee. The balance to be paid in full by the delivery of deed in usual form of mortgagee's deed.

WESTBOROUGH SAVINGS BANK,

M., on the TWENTYFIFTH day of DECEMBER, A. D. 1932, on the premises hereinafter described, all and singular the premises described in said mortgage, to-wit: The land, with the buildings thereon, situated in Newton, in the County of Middlesex, and Commonwealth of Massachusetts, being Lot One as shown on a plan entitled 'Plan of Land in West Newton, owned by the Star Realty Trust,' dated June 30, 1927, made by William E. Leonard, C. E., recorded with Middlesex South District Deeds, Book 5282, Page 64, and being more particularly bounded and described as follows: Southwesterly by

MORTGAGEE'S SALE

By virtue and in execution of the statutory power of sale contained in a certain mortgage given by Jess T. Melanson to George Francis dated February 8, 1926 and recorded with Middlesex South District Registry of Deeds, Book 4939, page 146, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, the same was sold at public auction on the mortgage premises hereinafter described at 11 o'clock A. M. on Monday, the 14th day of December, A. D. 1932, all and singular the premises described in said mortgage, to wit:

"A certain parcel of land with the buildings thereon situated in that part of Newton in said County of Middlesex called Newton Center and shown as lot numbered four (4) on a plan of the Denison Estate by Roland H. Barnes and Henry F. Beal, Civil Engineers, dated May 1925 recorded with Middlesex South District Deeds, Plan Book 357, Plan 16, and bounded and described as follows:—

WESTERLY by Pleasant Street, seventy-seven (77) feet; SOUTH-WESTERLY by a curved line forming the junction of Pleasant Street and a private street shown on said plan, twenty-four (24) feet; SOUTHERLY by said private street, seventy-two (72) feet; EASTERLY by lot numbered five (5) on said plan, ninety-seven (97) feet; NORTHERLY by lot numbered one (1) on said plan, ninety (90) feet; CONTAINING eighty-two hundred twenty (8200) square feet according to said plan.

Being the same premises conveyed to me by W. Mark Noyes, dated April 26, August 12, 1925 and recorded with Middlesex South District Deeds, Book 4879, Page 144.

Subject to the restrictions contained in a deed from Henriette E. Denison to W. Mark Noyes, dated April 26, 1925 and recorded with said Deeds, Book 4879, Page 35. NAMELY:

First, that the buildings shall be erected on said premises except single dwelling houses with the usual appurtenances included, private and community garages.

Second, no dwelling house erected on said premises shall cost less than \$8000. above the land.

but excepting therefrom the small portion thereof taken by the City of Newton in connection with the electric street widening as a public way or street, the private way referred to above, now known as Stafford Road, by a line ordered by the Board of Aldermen of said City dated October 1, 1928 and approved by the Executive Department of the City of Newton on October 3, 1928 and recorded in Middlesex South District Registry of Deeds, Book 5289, page 508 (Plan Book 414, page 94) which strip of land was released from the mortgage by, and is more particularly described in the deed from George Francis et al. to the City of Newton dated August 16, 1928 and recorded in Middlesex South District Deeds, Book 5294, page 153.

Said premises will be sold subject to any and all unpaid taxes, assessments, titles and municipal assessments, if any.

Terms of Sale: \$5000 will be required to be paid in cash at the time of sale of the sale. Other terms to be announced at the sale.

Supt. Lund Speaks On 'Childhood and The Depression'

At Meeting of Newton Federation of Women's Clubs

At the meeting of the Federation of Women's Clubs of Newton the principal speaker was Mr. John Lund, Superintendent of the Newton Schools. Mr. Lund spoke in part as follows:

"I have been looking forward to this occasion with deep interest and a full appreciation of the opportunity which is ours to counsel together in the interests of childhood in Newton. Regardless of the breadth of interest which organized women's groups are expressing in politics, economics and general social welfare problems and movements, fundamentally their interest begins with and centers around and radiates from their very natural, deep interest in the child life of America. I need, therefore, offer no apology for addressing you today on the subject of Childhood and The Depression."

"Granting that parents and homes are the most important factors in the child's life, surely the school comes next. The great public school is the one place where all children get the same environment, the same guidance, the same opportunity to unfold, the same stimulation to succeed, the same chance to experience and experiment."

"Society cannot regulate the home but it does insist that, for a few hours every day, the home send its children to school where those things which are fundamental to the welfare of the child and of society may be taught."

"It is with respect to this very social provision for childhood, the public school, that I wish to speak most particularly today. Strangely enough in spite of a strong traditional faith in education on the part of the American people; in spite of long years of generous provision for the support of expanding educational opportunities, in spite of all that we have said and done and believed in the name of education as a people, we now stand ready in some quarters to undo much of it in the name of economy, retrenchment, deflation, liquidation or any other term you choose."

"I have said that we are tempted here and there, in our mad rush to cover, financially to weaken the institution which should be and is our greatest hope, the American Public School. Fortunately the picture isn't as black as that because here and there as a beacon stands the community which has resisted the urge to pay too great a price for folly and mismanagement, the price of their children, their education, their future, their hope."

"Our school organization and procedures represent the cumulative best judgment of all the people since the creation of the first immigrant little red schoolhouse. The public school has slowly incorporated the best results of study and experimentation. Its procedures have been and are under constant scrutiny from within and without and theories, procedures and equipment have changed continuously and consistently just as the social order which it serves has changed."

"I offer this invitation to you, as soon as anyone can bring before the school authorities a suggested change in curriculum or practice that can be agreed upon with any degree of unanimity on the part of responsible public opinion, that change will be made instantly. The trouble is that this unanimity can't be attained and the fact of the matter is that, generally speaking, present educational programs are too often behind rather than in advance of real progressive educational thought and opinion."

"Schools do cost more and will probably continue to cost more for many and sufficient reasons and so does every other branch of governmental service. People expect more from government in general and from school departments in particular. Both public and our private living standards have increased. And yet in 1928, Massachusetts spent of its total income 1.85% on education, less than the national average of 2.74% and much below some other States."

"Those who wish to see big cuts in the cost of government, including education, often dramatize their appeal by stating the cost of government in terms of labor capital or percent of average income. They say to the citizen, 'You are working for the government — days per month, or 'Of your monthly income, — percent goes to the government.'"

"While estimates differ they startle the citizen and create the impression that government is a sort of tyrant demanding tribute. Well, a fair estimate from reliable sources is that \$91 per capita was the cost of all government local and state in Massachusetts in 1931."

"Surely we have had experience enough with the Democratic form of government to know and to realize that when we work for the government we are working for ourselves. It is mischievous to create among citizens the conception that government is master rather than servant. The government, local, state and national, works for us doing things we want done, which we cannot do or prefer not to do ourselves and we pay the bill in taxes. And in no field does government work for us more effectively and more economically, if you please, than in educating our children."

Mr. Lund quoted an article by Alfred E. Smith published in the Boston Globe last January, urging no curtailment of educational facilities which concluded with the following sentences:

"At no time in our history was there greater need for the influence of education upon our future citizens. It goes without saying that at this critical period, it would be a great mistake to weaken the services of any of our educational institutions. On

taxes just can't be collected, debt has accumulated, industries have closed up or moved away? The immediate problem, of course, is to get along in the best way possible. Every community enterprise must suffer in proportion, inevitably, just as every member of a family must suffer when the breadwinner loses his job. However, that does not mean, however, that every community must follow suit in a mad scramble to 'keep down with the Joneses.' It does not mean or more provident, whose financial that other communities more fortunate house is still in order, should just for the sake of economy deny to its children all that in a brighter day it felt was necessary and proper. Nor should the bankrupt city be left entirely to its own resources. Education, after all, is the concern of the State. The State, therefore, has its responsibility and it is not discharged by releasing a city like Fall River from the statutory requirements in the field of education. New sources of income must be found. State aid extended, the whole problem of taxation studied and creative revised. Such studies are now underway. We may expect progress in this direction. The people of America are far from bankrupt, financially or spiritually."

"But," you ask, "are not school programs too elaborate, offerings too varied and expenditures too great? Does not the great American public school need deflation for its own improvement? To some of these questions the answer may well be yes. I would not hazard the statement that educational theory and practice have arrived at a state of one hundred percent perfection. I am a little bit suspicious, however, that much of the viewing of alarm with respect to school practices is not because of any interest in education as such nor is it primarily the reflection of any real interest in the effectiveness of educational procedures."

"I do know this, that when local and state officials begin to go into expenditures for education, they appear much more solicitous about the tax burden than when passing appropriations for paying streets, building court houses or loading governmental bureaus with more clerks. I know that they look upon school costs in an entirely different light from that in which they study other governmental outlays. There are very few, if any, plums to be had out of a decently run school system. If ten new members are to be added to the teaching corps, political leaders are not likely even to be consulted. On the other hand, if three additional street cleaners are to be hired, they have the right to be consulted."

"I am not implying that all the critics of our schools are not acting in good faith. I do suggest that we can well afford to discount much of the clamor that arises in times of financial stress."

"Our school organization and procedures represent the cumulative best judgment of all the people since the creation of the first immigrant little red schoolhouse. The public school has slowly incorporated the best results of study and experimentation. Its procedures have been and are under constant scrutiny from within and without and theories, procedures and equipment have changed continuously and consistently just as the social order which it serves has changed."

"I offer this invitation to you, as soon as anyone can bring before the school authorities a suggested change in curriculum or practice that can be agreed upon with any degree of unanimity on the part of responsible public opinion, that change will be made instantly. The trouble is that this unanimity can't be attained and the fact of the matter is that, generally speaking, present educational programs are too often behind rather than in advance of real progressive educational thought and opinion."

"Schools do cost more and will probably continue to cost more for many and sufficient reasons and so does every other branch of governmental service. People expect more from government in general and from school departments in particular. Both public and our private living standards have increased. And yet in 1928, Massachusetts spent of its total income 1.85% on education, less than the national average of 2.74% and much below some other States."

"Those who wish to see big cuts in the cost of government, including education, often dramatize their appeal by stating the cost of government in terms of labor capital or percent of average income. They say to the citizen, 'You are working for the government — days per month, or 'Of your monthly income, — percent goes to the government.'"

"While estimates differ they startle the citizen and create the impression that government is a sort of tyrant demanding tribute. Well, a fair estimate from reliable sources is that \$91 per capita was the cost of all government local and state in Massachusetts in 1931."

"Surely we have had experience enough with the Democratic form of government to know and to realize that when we work for the government we are working for ourselves. It is mischievous to create among citizens the conception that government is master rather than servant. The government, local, state and national, works for us doing things we want done, which we cannot do or prefer not to do ourselves and we pay the bill in taxes. And in no field does government work for us more effectively and more economically, if you please, than in educating our children."

Mr. Lund quoted an article by Alfred E. Smith published in the Boston Globe last January, urging no curtailment of educational facilities which concluded with the following sentences:

"At no time in our history was there greater need for the influence of education upon our future citizens. It goes without saying that at this critical period, it would be a great mistake to weaken the services of any of our educational institutions. On

WOMEN'S CLUBS

(Continued from Page 4)

The Fall Meeting of the Newton Federation of Women's Clubs again this year took the form of a two session meeting with Round Table conferences in the morning and a program of music and speakers after the luncheon. Held at the beautiful Second Congregational church in West Newton at the invitation of the West Newton Women's Educational Club, on Monday, the 14th, opening at 10.30 a. m., the number of small rooms in the edifice afforded ideal accommodation for the several groups which met to discuss the work of their particular departments. About one hundred and fifty women from the twelve clubs and eight associate organizations composing the Newton Federation were present at the conferences conducted under the direction of the officers, directors, or chairmen as previously announced.

As these discussions were arranged primarily to make opportunity for the various workers in the clubs of Newton to talk of club work within this city, the only guest speaker was Mrs. F. A. Merrill, of Needham, Press chairman of the Twelfth District, who met with the Press and Publicity committee and Bulletin editors, the work of this branch being to a considerable extent uniform throughout the State. Mrs. Merrill was most helpful, and congratulated the clubs on the co-operation of The Newton Graphic which makes available such a splendid department for the publication of club notices, edited by Miss Emma D. Coolidge.

Mrs. C. H. Lippincott, assisted by thirty-five women from the different Social committees served one hundred and thirty-seven members a delicious luncheon at 12.30 o'clock. The tables were attractively decorated with fall flowers, leaves, and yellow candles, and with groupings of small gourds. A principal topic of conversation during this period seemed to be the work of the Newton Centre Club, the clubwoman being connected with this project in some capacity. Mrs. Samuel N. Braman, president of the Federation, took occasion to speak of the wool which is available for knitting sweaters for distribution by the Clothing Chest. Mrs. Frank P. Capron, president of the Newton Centre Club, spoke in an amusing way of the exhibits of table-setting to be held at Jordan Marsh's, and invited all to see and admire the display of her Club, it being the only club from the Newtons to enter this contest. After the luncheon, there was a recess during which time many took occasion to inspect the church, which is so beautiful and complete, a privilege much enjoyed.

At 2.30 o'clock the gathering was again assembled, the working body of the Federation and the delegates being seated in one section, according to the new ruling. The arrangement of decorations, leaves and flowers around the stage was very pleasing, and Mrs. Braman, presiding, spoke with appreciation of the hospitality extended to the Federation by the Hostess Club, which she called the dean of women's clubs in this city.

Earle Brackett, as president of the Educational Club, welcomed the assembly, and after the secretary's report, by Mrs. George J. Murphy, Mrs. Arthur W. Lane, chairman of the Community Service committee, made an earnest appeal for clothing to help relieve the immediate needs of the Clothing Chest is now located in the old city hall building, with entrance from Cherry street, and is open from 9 till 5 o'clock, Saturday.

Sweaters and men's trousers particularly are in demand at this time, as well as children's clothing. The results of the subscription work in this regard of Community Service merits the generous support and assistance of everyone able to contribute, as the need is most urgent. Any contributors desiring an acknowledgment should have name and address attached to the bundle. Mrs. Albert S. Hutchinson asked for co-operation in the raising of funds for this movement, and a plea was made, as well, for response to the sale of Christmas seals, the returns from which do so much good in this city in the fight against tuberculosis and in the furnishing of milk to undernourished school children.

The president next expressed her pleasure in being the Federation representative in the dedication of the new City Hall, and the Memorial, after which she shared with the audience

the other hand they should be strengthened, no matter what the drain may be."

"Here is a message, directed to communities everywhere, especially to those which face trying financial problems. With how much greater force must it come to such a city as ours, fortunate indeed in times like these to find itself with credit unimpaired, enjoying a tax rate lower than it was last year, thanks to efficient management and prudent stewardship. Surely there can be no doubt as to the future of our children so far as present provision for education is concerned. Surely we can expect that Newton will stand as she always has, an inspiration, holding the torch of education high, pointing the way to communities less favored."

"We were all impressed on Armistice Day as our new and beautiful War Memorial and City Hall were dedicated."

"May I express the hope that long may this building stand as a symbol of our civic conscience, a pledge to those who have gone and to those that are to follow, that the torch of civic responsibility shall be held high and that our greatest obligation to the child life of our City be discharged with vision and with courage, for without these, in the words of the prophet—'The people shall perish.'"

The program for the afternoon was then opened by Mr. John Wiggins whose recitation of the piano was received with much applause, and Mr. Wiggins was obliged to respond with an encore.

At an informal reception following the program, Mrs. Clifford B. Whitney, Mrs. George W. Taylor, Mrs. Frank Morris, Mrs. George Tracey, Mrs. Frank Winsor, and Mrs. Fred Blanchard assisted the president, Mrs. Blair, in greeting the Club members and guests. The Hospital

times, of the message intended to be conveyed by the picture, and advised the use of more of the beautiful masterpieces in the making of homes.

Contrary to the custom of the politician, Mr. John Lund, superintendent of the Newton Schools, makes his public appearances after he is elected. Mr. Lund, intensely interested in child life in America, used as his topic "Childhood and The Depression." He spoke of having followed with admiration the school system in Newton for a period of about twenty years, Newton holding the torch to others less fortunate. For the Newton Educational Creed, he would adopt the Children's Charter of President Hoover, from which is quoted here: "For every child in Newton protection of his constitutional right to an education. For every child an understanding, competent teacher—instruction and practice in how to become a competent citizen—training and guidance to do some part of the world's work well—activities for the development of worthy home membership, health, wise use of leisure time, culture, and character."

The next open meeting of the Federation will be on January 26th, at the Underwood School, Newton, when the Newton Community Club will be Hostess.

(Note. The entire text of Mr. Lund's address, being of interest to every Newton parent, and to all citizens, since he is Newton's new superintendent, will be found elsewhere in this paper.)

Mr. Lund's interesting talk ended an instructive and enjoyable program, and reflects great credit upon the fine management of Mrs. Victor P. Ratzburg and the members of the Program committee.

The next open meeting of the Federation will be on January 26th, at the Underwood School, Newton, when the Newton Community Club will be Hostess.

Woman's Club of Newton Highlands

Tuesday, November 15th, was a very full and interesting afternoon for the Club. Mrs. Louis H. Marsh, all presented most appealingly the obligation to the Red Cross of every member in spending one dollar for membership in the annual drive. Mr. John J. Cape, instructor in Economics at Boston University, School of Business Administration, explained briefly and concisely the organization, purpose, and workings of the National Economy League.

Mrs. William Whitney, a new member, gave much pleasure in a group of three songs, for which Mrs. Raymond A. Simonds was accompanist. Mrs. T. Grafton Abbott, Clinical Psychologist at the Judge Baker Foundation in Boston, kept her audience spell-bound for an hour. A forceful, rapid speaker, she presented some of the dangers in personality development and the possibilities of changing the aspect of oneself and enlarging the personality by increasing the interests. She mentioned as the four fundamental things all wish to have: desire for recognition, desire for response, desire for security, and desire for new experiences. In closing, Mrs. Abbott quoted from Yash Young's "Let's Start Over Again," and Henry VanDyke's "His Philosophy of Work."

—Latest sheet music at Newton Music Store. Advertisement.
—Mr. and Mrs. Charles A. Barba returned last week to their home on Willard street after a season at Gloucester.
—Mr. Charles H. Olcott, Jr., returned Monday to Yale University after a week-end at his home on Grasmere street.
—Prices are lower on painting. Let us estimate. Established 1881. George S. Noden & Sons, tel. N. N. 2950, Mid. 4058-J, Mid. 1754-M.—Advertisement.
—Mrs. Clarence E. Allen was present at a tea held for the parents of the students of the Rivers School at the home of Mrs. Charles D. Russell of Brookline, this week.
—Mrs. Maria Teccia of 845 Allison street, Nonantum, widow of Michael Teccia, died on Nov. 10. She was born in Mirabella, Italy, 64 years ago and had resided in this city for 17 years.
—Patrick J. Monaghan of Pearl court died on Nov. 10. He was born in County Heath, Ireland, 63 years ago and had resided in this city for 40 years. He was employed by the Newton Street Department. His funeral was held on Monday at the Church of Our Lady and burial was in Calvary Cemetery, Waltham.

ACCUSES FRIEND OF STEALING \$150

Michael Sanderian of 32 Chandler place, Newton Upper Falls was arrested Tuesday night after he had been accused by Joseph Savilonis of 24 Sullivan avenue, Upper Falls of stealing \$150 from the latter. According to Savilonis he cashed an insurance policy on Tuesday to get money with which to pay his taxes. He then went on a little party with Sanderian and then went to his home, retiring at once. When Savilonis got out of bed he discovered that his \$150 had disappeared from a pocket in his trousers. Sanderian was arrested in the Newton court on Wednesday and his case was continued until November 23.

GIVE SOCIAL SERVICE PROGRAM

A very interesting Social Service Program was given at the afternoon meeting of the Woman's Association of Central Church on November 9. Mrs. G. D. Auryansen led a short devotional service, after which Mrs. John E. Cox sang with fine feeling and expression, "The House by the Side of the Road" to a very appreciative audience. She was accompanied by Mrs. Merrill.

The first guest speaker, introduced by Mrs. Decatur, the chairman, was Miss Bertha Allen, Superintendent of the Newton Hospital. She gave a short history of the Social Service Department, the hospital since its beginnings in 1913.

Mrs. Steven Wilson, head of the committee for younger girls in the Boston Y. W. C. A., told of the work that organization is doing in its various departments.
The last speaker was Miss Annis Sturges, in charge of special classes in the Newton schools. These classes, nine in number, located in four different centers, have been formed to meet the needs of physically and mentally handicapped children. There is a sight-saving class with special books and teacher, and also a lip-reading class. Small classes are formed of those whose rate of learning is about the same. Over two hundred children are enrolled in these classes.
Mrs. Edwin P. Crawe's group were hostesses for the tea and social hour that followed the program.

NEW FUEL COMPANY

Mr. Albert Walker who has been active with the Brackett and Metropolitan Coal Companies is now the Newton Manager of the Walker Fuel & Coal Company.

Associated with him is Mr. Henry M. Walker, formerly Service Manager and Manager of the Fuel Oil Division of the Metropolitan Coal Company and previously president of the Stetson Coal Co. of Boston.

"Highgrade coal, coke and fuel oil ready for immediate delivery in Newton and by a Newton organization," says Mr. Walker, "will be welcome by friends and customers who will appreciate the personal supervision now made possible by the Walker Fuel & Coal Company."

This personal interest and the opportunity to fill the individual requirements of each customer will result in greater economy and satisfaction for Newton folks.

MRS. ALICE D. MCKENZIE

Mrs. Alice D. McKenzie, mother of Mrs. Florence A. Mansfield of 11 Gray Birch terrace, Newtonville, died on Nov. 26. She formerly resided at 579 Centre street, Newton, and was a member of the Newton Methodist Episcopal Church. Her funeral service will be held this afternoon at 2:30 in the upper chapel at Mount Auburn Cemetery. Rev. J. West Thompson of Winchester will officiate.

Police News

Freeman Higgins of Washington, D. C. was fined by Judge Brown in the Newton court on Monday for driving while under the influence of liquor. A bottle of liquor found in Higgins' car was produced as evidence. His attorney called attention to the fact that this bottle was full when found in the car. Judge Brown ruled that Higgins was also somewhat full, apparently from another bottle.

In court the same day Victor Knish of Mt. Auburn street Watertown was fined \$10 for passing a car on a curve with the view obstructed.

Two filling stations at Newton Highlands were visited by burglars late Sunday night. At the Socony station, 58 Winchester street entrance was effected by breaking the glass in the office door. The loot at this place consisted of but 18 cents; the thief missing \$18 which had been placed in a cabinet nearby. At the Colonial station, 94 Winchester street, an attempt was made to force a window, but as there were two locks on it, the attempt failed.

Guido Drenzo, 19, of 14 Adams terrace, Nonantum was in the Newton court on Tuesday charged with being a stubborn child. Patrolman Jud Sartwell who arrested the boy on a warrant obtained by the youth's father testified in the defendant's behalf. He told Judge Bacon that the youth had been mistreated at home, had been cared for by neighbors and that the father ought to be haled into court. Judge Bacon released young Drenzo on condition that his friends continue to provide for him.

In the Newton court on Wednesday two autoists were fined for speeding and both appealed. Isadore Drobrish of Norwell street, Dorchester, was fined \$10 and Ward Schoenfeld of 15 Clark street, Newton Centre, was fined \$25. Schoenfeld has been in the Newton court before when a car driven by him hit an elderly woman on Walnut street.

George L. Ellsworth of South Main street, Sherborn, was fined \$10 in the Newton court yesterday for driving a car without a license. His car was in an accident at Newton Centre square. Ellsworth, a lawyer, asked that he be allowed to plea nolo, and was denied this privilege by Judge Bacon. He told the judge that his license expired in March, but he had filled out the application for a renewal and supposed his wife had taken care of the procuring of the license.

George D. Strachan of 80 Waban Hill road, Chestnut Hill, was fined \$100 in the Newton court on Monday by Judge Brown for driving a car while under the influence of liquor; \$10 for drunkenness; \$5 for driving without his license and \$5 for driving without his registration. He appealed without his registration. He appealed on October 23rd by Patrolmen Slavin and J. P. Murphy.

DAMON HALL

On Sunday Damon Hall sent delegates to the Junior Choral Festival held in the historic Old Ship Church in Hingham at which the dramatic story of the old meeting house was told by Rev. J. Harry Hooper, minister of the church, Monday was "Damon Hall Day" at the Grenfell Mission Bazaar, at the Copley-Plaza in Boston, for the student body. Tuesday the students attended the Table Setting Contest sponsored by the Massachusetts State Federation of Woman's Clubs, at the special invitation of Pres. Mitten of the Jordan Marsh Company. On Wednesday afternoon the student body made a study of the collection of masterpieces of Rembrandt, Hals, Murillo, de Credi, El Greco and others in the Naumburg gallery of the Fogg Art Museum, as a part of their work in Appreciation of Art.

Rev. George L. Paine, Executive Secretary of the Greater Boston Federation of Churches, addressed the student body on Thursday morning. His subject was "Conditions as I Have Seen Them in Europe."
The students will attend this evening the Ensemble by the Stradivarius String Quartet in the court of Fogg Museum at Harvard. A great event of the week will be the illustrated lecture by Dr. Raymond L. Ditmars on "Strange Animals I Have Known" to be given in the Stetler Ball Room.
On Wednesday the students in the course in Interior Decoration will make a collection of sketches of the more important pieces of furniture in the much discussed Tyler Collection at the Boston Museum of Fine Arts. The Music Appreciation lectures and recitals this week are upon the life and works of the composer Wagner, concluding with the "Symphony in D" by the Damrosch radio symphony orchestra on Friday.

BENEFIT CONCERT

The Newton Centre Neighborhood Club will present this year for the benefit of its scholarship fund, the Ensemble by the Stradivarius String Quartet in the court of Fogg Museum at Harvard. A great event of the week will be the illustrated lecture by Dr. Raymond L. Ditmars on "Strange Animals I Have Known" to be given in the Stetler Ball Room.
On Wednesday the students in the course in Interior Decoration will make a collection of sketches of the more important pieces of furniture in the much discussed Tyler Collection at the Boston Museum of Fine Arts. The Music Appreciation lectures and recitals this week are upon the life and works of the composer Wagner, concluding with the "Symphony in D" by the Damrosch radio symphony orchestra on Friday.

MRS. FRANCES H. CARLISLE

Mrs. Frances H. Carlisle of 51 Oakwood road, Newtonville, widow of John Carlisle, died on Nov. 13. She was born in Malden 89 years ago and had resided in this city for 31 years. She is survived by two nieces, Frances V. Lund of Newtonville, and Mrs. John Leahy of New York City; and a nephew, Charles P. Lund of Hartford. Her funeral service was held on Wednesday. Raymond Lang officiated. Burial was in Cambridge Cemetery.

Noted Violinist At Sunday Eve. Musical Service

The special Sunday evening musical services held at the Newton Methodist Episcopal Church, corner of Centre and Wesley streets, Rev. Harry Belmont Hill, pastor, continue to grow in interest. This is a communi-

MARJORIE POSSELT

ty service and all Protestants irrespective of denominations are invited to attend. This coming Sunday evening, Nov. 20, 7:30 o'clock, Miss Marjorie Posselt will be the visiting artist.

Miss Posselt is a well known concert violinist, teacher and radio artist. At present she is the leader of the Neapolitan Dutch Girls, broadcasting from WEEI. She has been a featured violinist soloist on Sunday evenings over WEEI for the past two years.

Miss Posselt has been soloist with the Berlin Symphony, Germany; and the People's Symphony, Boston. Last year she made a four months' tour of South America, where she appeared notably with Wagnerian societies of Argentina and Brazil. She was formerly well known as "Marge" of the Friendly Maids. The pastor, Mr. Hill, will preach the third of his series of book sermons, based on the immortal masterpiece, "Romola," by George Eliot. Mrs. Arthur Flinn will sing solo numbers. These services afford a rare opportunity to music lovers.

100TH ANNIVERSARY PAGEANT

A very beautiful Historical Pageant was given by members of the congregation of the First M. E. Church in honor of the "One Hundredth Anniversary of the Church Society". The pageant, which was entitled "Stones Most Precious," was written and coached by Mrs. Evelyn Grant Horsley of Cambridge. There were six episodes, illustrating incidents that took place in the first fifty years of the church's history.

Episode II, "The Stone is Laid in Faith," illustrated the purchasing of the church in 1832 by the First Methodist Episcopal Society. The purchase was made possible by Mr. and Mrs. Marshall S. Rice of Newton Centre, who mortgaged their home that the building which was built by the Unitarian Society in 1828 and was offered for sale in 1832, could be owned by the Methodist Society. This episode, Rev. C. Vaughn Shedd, pastor of the church, invited Mr. William H. Rice, President of the Newton Centre Savings Bank, to the platform. Mr. Rice, who is the grandson of Mr. and Mrs. Marshall S. Rice, was presented with a beautiful bouquet of roses by Mrs. Rice in behalf of the members of the First M. E. Church. Mr. Rice thanked the members for his invitation and the gift and told how his grandfather, who was principal of a Boy's Private School in Newton Centre, and also a surveyor, would journey with the family to Upper Falls to worship. The lunch was packed in a basket and three sessions of church, morning, afternoon and evening, were held before they returned to their home.

Mr. O. E. Nutter was general chairman; Production committee: Mrs. Thomas E. Lees, Mrs. Samuel F. Oldfield, Mrs. James McNeely; Musical Director, Mr. Allan D. Fraser; Organist, Miss Margaret Hartshorn; Technical Director, Frank G. Mordo; gowns and costumes, Mrs. James McNeely.

The pageant was given on Thursday and Friday evenings and was enjoyed by the hundreds of people. Mr. and Mrs. William H. Rice presented a large basket of chrysanthemums to the First M. E. Church on Sunday, November 6, in memory of their grandparents, Mr. and Mrs. Marshall S. Rice.

This beautiful gift was placed in the entrance to the church that all who entered might enjoy the beauty of the floral gift which was symbolic of the beauty and love of the lives of Mr. and Mrs. Marshall S. Rice.

A. O. U. W.

The officers of Gen. Hull Lodge No. 123, A. O. U. W., were installed on Nov. 4th at the regular meeting held in the O. O. F. Hall, West Newton.

D. D. G. M. W. Mansen R. Bent and suite of Garden City Lodge installed the following officers for the ensuing year: P. M. W., Jas. H. Chandler; M. W., Robert A. Proctor; Foreman, E. J. McGrath; Overseer, W. W. Jonah; Recorder, M. E. Beardsley; Treasurer, D. G. Freeman; Financial, C. E. Kimball; Guide, H. K. Birck; I. W. C. A. Jonah; Trustee, 3 years, M. E. Beardsley; Rep. to Grand Lodge, D. G. Freeman; Alternate Grand Lodge, C. E. Kimball.

A large number of members were present including quite a delegation of old friends from Waltham Lodge. Grand Lodge officers present were: J. G. M. W., John O'Connor and G. I. W. Bro. Pendergast. After speeches by visitors, refreshments were served and a general get together enjoyed.

Escaped Convict Caught in Newton

Shortly before noon yesterday W. M. Lauf, captain of the guards at Norfolk State Prison, accompanied by Serg. Meehan and Patrolmen Duncan and Dennis Murphy of the Newton police went to the home of George Hewitt at 23 Emerald street, Newton and captured Charles T. Mills, 21, of East Canton street, Boston, who had escaped on Wednesday morning from the prison. Mills was found hiding under the cellar stairs. Mills is said to be a member of a notorious South Boston gang and had been sentenced to serve from 8 to 10 years for robbery. He had been a good prisoner and would have been eligible to parole in 18 months. Yesterday morning the prison officials received a tip that he was hiding in the Emerald street house in this city and Captain Lauf came to police headquarters at West Newton to obtain the assistance of the Newton police.

Mrs. Hewitt told the police that Mills was brought to her home on Wednesday night by Charles (Kid) Phippen of West Newton. Phippen, who has a local reputation as a pugilist, was recently released from the prison and according to Mrs. Hewitt he introduced Mills as Charles Casey, told Hewitt that "Casey" was on his way to Worcester and asked the Hewitts to give him lodging for the night. The Hewitts said they did not know that Mills had escaped from the prison.

ATTEMPT BURGLARY IN NEWTON STORES

Shortly after midnight yesterday morning a car containing five youths drove to the store of Pearl and Gardner streets. The occupants of the car alighted and broke a window in the store. Neighbors awakened by the crash telephoned the police. The would-be burglars must have realized that they had been detected because they fled before the police arrived in a crashing car.

Early yesterday morning a window in the rear door of Fox's Drug Store on Watertown street, Nonantum, was broken, but iron bars on the door foiled the attempt of the burglars to enter the place.

ACCUSED OF DRIVING AWAY AFTER CRASH

A car driven by Patrolman Charles Walker was in collision with another car at the corner of Lexington street and Rumford avenue, West Newton on Tuesday night. The other car was driven by Antonio DeVito of 47 Lexington street, West Newton. According to Walker's report DeVito continued in his car along Rumford avenue until Tony Casella of 103 Lexington street forced him to stop by driving his car across the road in front of DeVito's car. DeVito stated he stopped voluntarily after the collision. Walker reported that he received injuries about the body in the accident.

Marriages

Pays Tribute To Former Aldermen And City Officials

Fred M. Blanchard Reminisces Of Men Who Served City

One of the features of the final meeting held in the Aldermanic Chamber at the old City Hall on November 7th was a talk by Ex-Alderman Fred M. Blanchard of Newtonville in which he recalled many of the former members of various Boards of Aldermen and city officials who had served Newton long and faithfully.

"It is mighty pleasant to once more preside over this (more or less) distinguished body. Thinking of the past, we realize that as far back as 1910 this old world was uneasy and the city governments of the following ten years were destined to serve through trying, depressed times of falling banks and roads—closed factories and mills, and great unrest, to terminate in the terrors of world conflict.

"During those interesting, but serious, years Newton became indebted to such finance chairman as Alderman Bemis, Pratt and Winslow to whom we should be grateful for their earnestness in keeping the lid down and appropriations at a minimum by insisting on answers to their question 'WHY?'

"That was one of Newton's most constructive periods. 'Alderman Early started in this room on his ascent to the Legislature as did Alderman Rice to the Senate, and after many years of training we finally fitted Alderman Hollis for the Senate where he is now one of its most active and important members.

"John Brimblecom, clerk of committees for many years, also graduated to the Legislature—a further tribute to this school. 'Mayor Hatfield, the maker of so many Mayors, Governors and possibly Presidents, became so imbued with financial affairs as to make him eligible for his present important post of County Treasurer.

"In those days a Childs did lead us and he continues today in giving his life and energy to making the 'City Physician Lowe continues his invaluable service to the City. Our funds still remain safe in the hands of Treasurer Newhall, and Sealer of Weights Prior is still the ogre for dishonest merchants.

"We cannot forget John Daboll, that fine earnest gentleman, our first Comptroller, and now a Minister of the Gospel, or the service of that splendid character, City Solicitor Slocum.

"Little doubt exists that the fine decisions of City Solicitor Bishop were influential in his elevation to the Bench where he has made an enviable record and he has been ably followed here by the present City Solicitor.

"How well we recall Alderman Joe Bartlett, who was then a Democrat, in his earnestness, his lack of fear to differ, his grasp of detail, his mind always capable of a decision—his mask-like countenance, showing absorption in the task at hand, but when that was completed, the softening of every line and brightening of the eyes as his face became wreathed in that genuine wide-hearted human smile and laugh which endeared him to every one of us. May he live long to serve this city as ably as in the past.

"Charles W. Ross gave us the best streets in Massachusetts (in those days) and his work has ably been carried on by our present Street Commissioner Stuart who has his understudy.

"No one knew fire fighting better than Walter Randlett who evidently bred it into his son's veins and Chief of Police Frederick Mitchell won the respect and affection of all who came in contact with him.

"Aldermen come and Aldermen go but may Frank Grant go on forever. Officiating for 22 years—always willing, efficient and pleasant—anxious to do a bit more than is expected of him. No city in this Commonwealth has a better City Clerk.

"No one ever presided over a committee in a fairer manner than Walter Barker. Tom Sullivan never shirked a duty.

"After Grosvenor Calkins finished disrupting this Board, an advanced (or declined) to the School Board which he continued to disturb.

"Albert Bemis gave us to us from the results of his varied and colorful business successes and how pleased we were to note by last Thursday's paper that he saved enough from his Alderman's salary to make such a substantial contribution for the restoration of the old cathedral in Lincoln, England.

"How well we recall the picture of that friend of all of us, John Murphy, who now does such creditable work on the Board of Assessors.

"This Board and City are deeply indebted to the knowledge and clear thinking on finance of Frank Richardson who continues to take any public spirited burden on his shoulders and is treasurer of all drives.

"And speaking of finance, how lucky we were to have had the association

of Herbert Cole, who now heads Boston's Financial 'Digest.'

"Those Boards never would have been complete had they missed the services of Leverett Bentley. His ready wit saved many a serious situation, and today his grasp of municipal and state affairs is plainly evident from his reporting of State House activities. When Leverett was absent or had a sore throat, how George Cox would jump into the fray at the slightest provocation. What satire and vehement sarcasm. He loved an argument and presented many constructive ideas.

"We hear once more those weak, feeble tones of Justin McCarthy and recall the sincerity of Will Allen's handling of the Finance Committee.

"What a shock it would be if Harry Cabot failed to be around the polling booths each election. He has been there every time since he was 21—a long, long time.

"We then knew Henry Harriman in his characteristic earnestness which has not only carried him to great business achievement but called him to be President of the Boston Chamber of Commerce, that of the Chamber of Commerce of the United States; in fact, probably President of more things than most any ex-alderman,—and still going strong.

"This splendid meeting was the creation of George Pratt. During six years' active service his ascension to the honorable position of Chairman of the Finance Committee, then President of this Board, evidently imbued in him so thoroughly the value of honest municipal service that never since has he lost touch with vital matters in Ward 6 or in the City. To him we are all indebted for this privilege of meeting old associates, of recalling forgotten activities and progress and learning of matters which have escaped our attention. We will all be more interested from now on. This closing activity in this old building is a credit to him and may it be to our successors an inspiration and an example, that such fellowship and work in the hands of the high type of men that served in the past may help and inspire those into whose hands shall in the future be placed the welfare and Government of this Garden City."

Capacity Audience Enjoys 'Command Performance'

Dramatic Club Opens Season Successfully

A capacity house greeted and enthusiastically applauded the presentation of "The Command Performance" by the Newton Dramatic Club recently given in the Newton Centre Woman's Club House. Both the stage setting and the work of the cast was fully up to the standard announced in the Graphic two weeks ago.

The setting represented rooms in two palaces with their beautiful draperies and rich furniture and formed a fitting background for the romantic action and wooing of the Princess. Mr. Currier's voice and emotional appeal was fully matched by Miss Harris' sympathetic portrayal of the Princess Katrina. Major Hitchcock as the Chancellor was notable for his suave and finish, and Mr. Suller made a hit as Comedy King. The Baroness Von Tappelskirch and Mrs. Ellis Spence were regal and charming as the queens, and the role of Masoch was admirably carried by Mr. William Davenport.

Mrs. Everett W. Varney was in charge of the production and the following served on the Properties Committee: Mrs. Charles Norton, Mrs. Farrar Cobb, Mrs. E. A. Dickstader, Mrs. William Anderson and Miss Victoria Daloz. Mr. William Rice made the entrance speech.

A reception followed the play for those who wished to meet the cast at which Mrs. Albert Meuther, Mrs. Howard North and Mrs. Gardner Walworth were hostesses.

CITY EMPLOYEE RETIRED

Thomas Cody of 28 William street, West Newton, has been retired on a pension, having reached the age limit of 65. He was employed on the Street Department for 26 years.

26th Annual Christmas Seal Sale Open Today

Citizens of Newton Again Are Asked to Join in National Health Campaign

The 26th annual Christmas Seal Sale for the fight against tuberculosis starts today in the Newtons under the auspices of the Newton Federation of Women's Clubs, which organization has successfully conducted the sale for many years. Besides the President, Mrs. Samuel M. Braman, the committee in charge consists of Mrs. Charles A. Riley, chairman; Miss Elizabeth P. Bartlett, co-chairman; Mrs. B. E. Taylor, in charge of publicity, and Mr. Frank L. Richardson, treasurer.

In a circular issued by the local committee it says, "More urgently than ever before we must appeal to your generosity to help fight the battle for health which a fourth hard winter will present." The circular further says that the public may rest assured that receipts from the sale will be spent most carefully to prevent tuberculosis in Newton. The following is the statement regarding the purposes for which the money is spent locally each year:

For care of children in summer camps.

The District Nursing Association for bedside nursing of tubercular cases.

For equipment of patients going to sanatoria.

For milk given to undernourished children, which between Jan. 1 and Oct. 1, 1932 amounted to \$1,082.60.

For miscellaneous items of relief in tubercular contact families.

After the money has been raised each year by the Federation of Women's Clubs, it is turned over to the Newton Welfare Bureau to be expended under the direction of its

(Continued on page 6)

Red Cross Drive Lags; City Quota Is Far Behind

Many May Believe Red Cross In Community Chest

The City of Newton has been asked to meet its quota of 6000 members in order that it may do its part in the Red Cross program for the coming year.

Up to the present time but 3192 people out of a population of 65,000 in Newton have joined.

This unusually backward showing has been due undoubtedly to the fact that many people who ordinarily join the Red Cross have not done so up to the present moment, assuming that a contribution to the Community Chest carries with it Red Cross membership.

This is not so for the Red Cross is not a member of the Community Chest. It does not participate for reasons already given in these columns.

For many years the Red Cross has conducted its Roll Call from Armistice Day through Thanksgiving Day, appealing to every man, woman, and child to enroll by paying a membership fee of \$1.00. This year the Roll Call will be extended until the quota is met. In every one of these past Roll Calls the people of Newton have responded wholeheartedly.

Remember that the Red Cross is a peace time as well as a war time organization. Its work on the battlefield does not need to be explained for that is spectacular. Its peace time work on the other hand is quiet but it is vitally essential; it is a program of education, health protection, and disaster relief. At the moment the Red Cross organization is bending every effort toward helping the unemployed.

The Red Cross membership fee is (Continued on page 6)

Community Chest Fund Reaches One-Third Mark

Next Meeting of Workers on Monday Evening, Nov. 28

One-third of the \$375,000 objective of the Newton Community Chest campaign had been raised at the meeting on Wednesday night which marked the mid-point of the campaign. The meeting, which was well attended by an enthusiastic crowd of workers, was held at the Newton High School Auditorium. Leon B. Rogers, president of Newton Community Chest, Inc., presided.

The third report meeting—the most important of the campaign—will be held next Monday night at the Newton High School Auditorium, Newtonville, and Former Mayor Edwin O. Childs will be the speaker. An effort is being made to get out every member of the campaign organization, so that all may unite in the plan to carry the campaign to success before its conclusion, November 30.

Early in the week, huge indicators of the progress of the campaign were unveiled in nine of the villages of Newton—Auburndale, Newton Corner, Newton Centre, Newtonville, Newton Highlands, Chestnut Hill, Nonantum, West Newton and Waban. The indicators take the form of twin thermometers, one showing the progress of the undertaking in the village, and the other in the city.

The meeting on Wednesday, which brought the campaign total past the \$125,000 mark, was the second report meeting of the week, the first being held on Monday at the Newton High School. Paul F. Bauder, campaign general chairman, presided, and Rev. Herbert Hitchen, pastor of the West Newton Unitarian Church, spoke. Rev. William L. Stidger, professor of homiletics at Boston University, spoke at the Wednesday night meeting.

Aldermen Argue About Gravel Pit Permits

Refuse Another Gas Station Permit at West Newton

The Newton Board of Aldermen held a special meeting on Monday night. The meeting was called for the purpose of certifying the results of the election on November 8th, but several other matters were acted upon.

The Board sustained the recommendations of the Licenses Committee in rejecting applications of Amedeo DeSimone for a license to operate a taxi at 20 Lincoln street, Newton Highlands, and Frank Vincenzo for a gasoline station permit at 1105 Washington street, West Newton. Incidentally, 20 Lincoln street, Newton Highlands, is the address where Vincenzo conducts a shoe repairing shop. It was the latter's second attempt to get the filling station permit at 1105 Washington street. His first application was rejected only a couple of months ago. The locus is in a residential district and there is strong opposition to any filling station there.

A hearing was assigned for Dec. 5th on the petition of the Standard Oil Company for a permit to alter the building at 552 Commonwealth avenue, Newton Centre, so that a modern filling station may be established there. A similar petition was recently turned down by the Aldermen.

The Board voted to renew for 6 months the permit of the Highland Sand & Gravel Company to operate its gravel pit at Oak Hill, off Dedham street. The owner of this company, George Wilbur, had asked for a year's extension. He is now operating on properties adjoining the locus of the first pits excavated. Alderman Holden opposed the extension, stating that a firm stand should be taken against further despoliation of this

Only Those Adapted Should Go To College

Prin. Carr Outlines Six Criteria As Guide in Decision

In speaking before the Parent Teacher Association of the Weeks Junior High School last Friday evening, Principal Carr stressed the need for serious study of each child's abilities and aptitudes before his or her teachers and parents definitely decide whether college is the best thing or not. He said that the decision should only be rendered after his class standing, his aptitude for books, his speed and other abilities in reading and by his degree of self mastery have been clearly determined. The talk follows:

Perhaps the most difficult question we have to settle as parents and teachers is, Who Can Go To College?

One of the major tasks of the Junior High School is to throw light on this question and furnish parents and teachers with some intelligent basis for answering this question.

An impersonal evaluation of a pupil's work in the Junior High School gives, I think, as definite an answer as it is possible to get at this time. It is, however, sometimes difficult for us as parents to be impersonal in this evaluation of the work of our own sons and daughters. The signs may be very clear but we may not choose to read them. If this refusal results in an effort on our part to force a boy or girl through that highly selective machine called "Preparation for College" when the pupil has neither the particular talents nor abilities required, we may make life somewhat of a nightmare, not only for the youngsters, but for ourselves as well.

Our attitude I think should not be, "that he or she must go to college," but should be, "Let's find out for what this boy or girl is best fitted."

Huston Brilliant In 66-0 Victory Over Brookline

Newton Wins First League Title in Ten Years

In as brilliant an exhibition of football as one could ever hope to see Captain Warren Huston led his mates on the Newton High School football team to a 66 to 0 swamping of the Brookline High eleven at the Dickinson Stadium yesterday morning. The victory brought with it the Suburban League championship of 1932, the first for the orange and black in a decade. In the other league games of the day Rindge Tech edged a favored Somerville eleven, 13 to 12, to gain second place. The Newton runaway was the largest score ever run up in a Newton-Brookline meeting and displaces the 1917 Newton win of 44 to 0 as the high-scoring game of the series which extends back to 1894, with but one interruption of four years beginning in 1896. Practically every player on the Newton squad got a chance in the game for a few plays at the least with Captain Huston and Charlie Thompson the only players remaining in for almost the entire game. Huston left the game late in the fourth period nursing a knee injury a play or two after Thompson had been replaced by a substitute center.

Early in the game it became apparent that Brookline was in for a severe drubbing but despite the fact that it became a runaway thrill after thrill was furnished the crowd of nearly 6000 spectators. It seemed that almost every time that Newton took possession of the ball a touchdown would follow. Sometimes it came at the end of a long march, other times it came with a suddenness that left the spectators gasping as Huston would break loose into a broken field for a long run. It was (Continued on page 2)

THE WEEK IN NEWTON SPORTS

HUSTON BRILLIANT IN 66 TO 0 VICTORY FOR LEAGUE TITLE

(Continued from Page 1)

not the weakness of the Brookline tackling that stood out in these latter instances as much as it was the clever running and swaying hip-motion that carried the Newton leader beyond the reach of would-be tacklers. Personally accounting for five touchdowns and aiding materially in five others Captain Huston closed his schoolboy football career with an exhibition that will be long remembered by Newton football enthusiasts. Two of the touchdowns by Huston were on runs of 46 yards each, another was of 41 yards and the other two of 28 and 13 yards respectively. In addition he kicked three goals for points after touchdowns to bring his day's total to 33 points and passed to Flag for another point after. In other touchdowns drives his forward passing was true to the mark to send his backfield mates off for goodly gains. The ten Newton touchdowns, four points after and a safety brought the Newton total to 66 points. Two touchdowns came in the first period, three in the second, two more and the safety in the third, and the three others in the fourth was the manner in which they were chalked up.

The game was hardly begun when Newton had its initial tally, six plays after the kickoff, which Newton received having won the toss. The first play Newton dug down into its bag of tricks to win the old move-outon "dead Indian" play with an end lying flat on the ground near the sideline. It worked for a 27 yard gain with Finberg playing the role of the "Indian," and took Newton deep into Brookline territory. A few plays later Palmer York had crossed the line on a 23-yard end sweep for the first score, his speed enabling him to outdistance the Brookline secondary.

Another Newton score was staved off on the 5-yard line as the orange and black just failed to make a first down. A 50-yard runback of a Brookline punt by Palmer York had put Newton within scoring distance on this occasion. A few plays later from the 25-yard line Huston took the ball on a spinner, got into the Brookline backfield, sidestepped, dodged, and whirled his way across the goal.

The third Newton tally wound up a 67-yard march. Near the end of the first period Newton had taken possession of the ball on a punt to the Newton 33 yard line. Five consecutive first downs had brought the ball to the Brookline 13 yard line two plays after the second period had begun. Huston went through right tackle, cut to his left and in a few strides was over the line unmolested.

Midway of this same period Huston tossed a short pass to "Red" McCarthy who made a shoe-string catch of the ball just beyond the line of scrimmage. Whirling around towards the goal he straight-armed two Brookline tacklers, raced over towards the sidelines and romped 33 yards for a crisp score. The fifth tally was a 41-yard run by Huston with his mates opening up a hole at left tackle. Once through the opening it was his own effort that produced the score as his interferers had been left by the wayside. As the half drew to a close, Newton was again on its way but on the final play of the half, Thatcher was downed on the five-yard line after receiving a short pass from Huston. He just missed getting free for the score by inches.

After the opening kickoff in the second half it took Newton just two plays to make its sixth touchdown. Receiving the kickoff, a Huston to Finberg pass on the first play put Newton into Brookline territory. Huston again got loose on a 46-yard scamper for the score.

Newton's next points were chalked up by means of a safety. Huston had been forced to make his first kick of the afternoon shortly after the preceding touchdown and Brookline had the ball on their 20-yard stripe. A holding penalty set them back 15 yards to the 5-yard line and a kick was in order. Finberg blocked Lewenstein's punt and the ball bounded off the field of play for an automatic safety.

Newton's seventh touchdown was scored by Bob Whitney, the only first-team back who had not then scored. Newton had taken possession of the ball previous to this occasion on their own 35-yard line on a Brookline kick. Four consecutive first downs, each on individual gains of more than the necessary ten yards by Huston, York, McCarthy and Huston, carried the ball to the Brookline 12-yard line. A 9-yard gain by York took it to the 3-yard line and Whitney plunged through.

Behind second and third string linemen and, with the exception of Huston, second, third, and fourth string backs, the Newton team kept on rolling. Huston intercepted a Brookline pass late in the third period and ran it back 25 yards to the Brookline 32-yard line. The march continued as the game went into the fourth period and soon the ball was on the 1-foot line with John Kulesza taking it over.

Shortly after the ensuing kickoff Charlie Thompson nearly added his name to the Newton scorers. He intercepted a Brookline pass intended for Captain Schwartz and had a clear field ahead for the goal about 65 yards away. He made about 20 yards of it when the Brookline leader caught up to him and dropped him with a neat tackle from behind. But Huston took up the cause again on the next play with another brilliant run of 46 yards for the ninth Newton touchdown.

Midway of the final session Thompson recovered a Brookline fumble on the visitors' side of midfield. With the reserves still in the game Huston piloted them to the 18-yard line with a 9-yard gain of his own and his

pass to Dutton for about 10 more. Still another pass, this time to Miller, was completed and the Newton back was tackled a foot from the goal. He got his chance to carry the ball on the next play, however, and over he went.

As a parting salute the Newton first team came back into the game at this juncture and was soon on its way down the field again. Brookline had received Thatcher's kick on its 21-yard line. Thatcher had replaced Huston whose knee was injured a few plays before. Incidentally this was the second Newton punt of the game. Failing to gain Brookline prepared to kick. Kevorkian blocked the ball and Thompson missed scooping the ball up for a touchdown run by an eyelash. The ball eluded his grip, however, and rolled outside at the 15-yard line. Newton's ball at that point but two plays ended the game before much headway had been made.

The score by periods:

	1	2	3	4	Total
NEWTON	12	19	14	21	66

PLAY BY PLAY STORY OF GAME

First Period

Newton won the toss and chose to receive the kickoff, which was taken by McCarthy on his 35-yard line and run back but 5 yards. Finberg played the old "dead Indian" game by flattening himself on the ground near the Newton sideline. The play worked successfully and he took a pass from Huston for a 27-yard gain and a first down on the Brookline 33-yard line. Four line plays with McCarthy and Huston each carrying twice picked up just 10 yards for a first down on the 25-yard line. York took the ball on a sweep around his left end for a touchdown in the corner of the field. Huston's try for the point by drop kick was wide.

Huston kicked off to Conaty, who was downed on the Brookline 34-yard line after a 19-yard runback. Lewenstein gained nothing on an utility line play, and the four extra players. Newton opponents this past season draw six of the positions. They are Collura of Waltham, a guard; Moss of Everett, at centre; Schwartz of Brookline, an end; Grovo of Arlington, a halfback; Adams of Rindge, at fullback; and Pini of Everett, one of the utility backfield positions.

No Newton players are selected on the Post second team with five positions going to players on teams opposed by Newton. This group include Parker of Waltham, end; Furness of Everett, guard; Arheene, Somerville, halfback; Bleakits, Waltham, fullback; and Luciano, Somerville, utility line.

Charlie Houghton, Newton tackle, earns a place at tackle on the third team with Manoli of Arlington as utility line player, that only other choice whom Newton fans have seen this season. Honorable mention is given to Palmer York as a halfback.

NAME HUSTON AND KEVORKIAN FOR PLACES ON ALL-TEAM

Captain Warren Huston and Alexander Kevorkian, Newton high football stars, were named for the quarter back and tackle positions on the first of the annual series of All-Scholastic teams announced this year. The team was that comprised of Greater Boston high school players and selected by "Doc" Mooney of the Boston Post.

The Post writer picks both Huston and George Ford of Belmont for the quarter back berth, stating that it would take a better judge than he to choose between them and anyone who tried it would be doing an injustice to the other lad. "This pair are the coach's dream of fine football players."

Kevorkian gets one of the tackle positions along with Stanton of Malden.

Fifteen lads are chosen for the team including the regular eleven players, a utility line player, two utility backs and the tie for quarter back, making the four extra players. Newton opponents this past season draw six of the positions. They are Collura of Waltham, a guard; Moss of Everett, at centre; Schwartz of Brookline, an end; Grovo of Arlington, a halfback; Adams of Rindge, at fullback; and Pini of Everett, one of the utility backfield positions.

No Newton players are selected on the Post second team with five positions going to players on teams opposed by Newton. This group include Parker of Waltham, end; Furness of Everett, guard; Arheene, Somerville, halfback; Bleakits, Waltham, fullback; and Luciano, Somerville, utility line.

Charlie Houghton, Newton tackle, earns a place at tackle on the third team with Manoli of Arlington as utility line player, that only other choice whom Newton fans have seen this season. Honorable mention is given to Palmer York as a halfback.

SPORT NOTES

Linberg Plays For Tufts

Gordon Linberg was declared eligible to play for Tufts in last Saturday's game against Mass. State which the Jumbos won by a field goal margin. The former Newton lineman played a strong defensive game when sent in as a reserve.

Gilligan Plays For Jayvees

Joe Gilligan played an end position for the Jayvees in their annual tilt with the Harvard Jayvees last week.

Huston went through left tackle, cut back into clear territory and was off on a 41-yard romp for another touchdown. Huston's try at goal was wide. Huston again kicked off, with Broadhurst running the ball back 15 yards to the Brookline 33-yard line. On second down Lewenstein tossed a long pass which Schwartz gathered in for a 30-yard gain and a first down on the Newton 33. A high pass from centre over Lewenstein's head was recovered by Finberg of Newton as Grethe and Kevorkian smothered the Brookline back. Whitney made 4 yards at left tackle and Huston 6 at right for a first down. Three plays by McCarthy and Thatcher, who had replaced York, gained seven yards. Huston tossed a pass to Finberg, who was almost free but finally nailed on the 12-yard line after a 20-yard gain. Forbes hit right tackle for 2 yards and Huston 9 at left tackle, but on the latter play Newton was penalized 5 yards, there being a back in motion before the ball was passed. Huston tossed a pass to Thatcher which was completed on the 5-yard stripe for a 10-yard gain as the half ended. Newton 31, Brookline 0.

Third Period

Lewenstein of Brookline kicked off. York fumbled and recovered the ball but was downed after a 5-yd. runback to the Newton 20-yd. stripe. This time both Newton ends, one on each side of the field, tried the "dead-Indian" game though both were noticed by Brookline. Huston again tossed a pass which Finberg eluded for a 23-yard gain to the Brookline 46-yd. line. Huston split left tackle and was into a clear field for a 46-yd. run and Newton's sixth touchdown. Huston placed-kicked the goal with York holding the ball. Huston's kickoff to the Brookline 20 was run back 20 yards by Conaty. Schwartz was nailed on an end-reverse play for a 4-yd. loss. Conaty was smothered for another 4-yd. loss and Lewenstein kicked to the Newton 24 where Adams nailed York by one foot. A short Huston to McCarthy pass sent the latter away on a 17-yd. run. A Huston to York pass was incomplete and then McCarthy split right tackle for 14 yards. Huston carried outside for no gain and after York and Whitney had been stopped at the line of scrimmage on two plays Huston made a quick kick. The ball was downed on Brookline's 20-yard stripe. Lewenstein was stopped dead and on the next play Brookline was penalized 15 yards to their 5-yd. stripe. Lewenstein dropped back into the end zone to kick. Finberg came tearing and blocked the kick, the ball bouncing back out of the field of play for an automatic safety and two points for Newton. Brookline punted from their 20-yard line and Huston ran it back 20 yards to the Newton 45 where, when about to be tackled, he tossed a lateral to York who gained another 10 yards but fumbled as he was tackled. Brookline recovered the ball near midfield. An outside play lost two yards and then Schwartz was smothered for a 5-yd. loss by the whole Newton line. An incomplete pass was followed by a kick which Thompson almost blocked. Lewenstein's punt went outside on the Newton 35-

(Continued on Page 6)

WINS TENNIS TITLE AFTER FOUR ATTEMPTS

Carolyn Whitaker, Newton High School senior, showed herself to be possessed of a never-say-die spirit in capturing the annual fall girls' singles tennis championship at the high school this week. It was her fourth attempt. As a freshman she was eliminated by Grace Thompson and as a sophomore by Helen Chase. Last year, when a junior she met and was vanquished by Eleanor Stearns. Though rated as a dark horse in this year's tournament she conquered all opposition in straight sets. In her final match she defeated Lillian Mancini, who had previously eliminated Constance Ober, number one seeded player.

One hundred and twenty six high school girls were entered in the tournament at its start. When the quarter-final round had been reached the eight survivors were C. Whitaker, Phyllis Stafford, Constance Ober, L. Mancini, Barbara Foote, Florence Green, Harriet Morgan, and Lena Curtin. Miss Whitaker turned back Miss Green, 6-2, 6-2 to gain the semifinal round where she met Miss Stafford, number two seeded player. The latter had defeated Miss Foote, 6-4, 5-7, 6-3 to gain the semi-final round. In the upper bracket of the tourney Miss Ober defeated Miss Curtin, 6-3, 8-6, to reach the semifinals to meet Miss Mancini who disposed of Miss Morgan, 5-7, 8-6, 6-0.

Miss Mancini defeated Miss Ober, 6-4, 1-6, 6-1 to reach the final round and Miss Whitaker won two sets at 6-4 each to earn the right to play for the title.

The final round match was played in the cold of Wednesday with Miss Whitaker turning in a 6-2, 6-3 victory.

Caroline Everts, who reached the semifinals of the 5-2 State tournament a while ago was put out by Constance Ober in one of the hardest fought matches of the tournament.

The Misses Foote, Stafford, Mancini and Ober played on the girls' team of the Cabot Tennis Club this past summer and had a successful season. The girls are looking forward to the next summer's play when the team will be further strengthened by Miss Whitaker.

SPORT NOTES

Furdon Scores

Henry Furdon, former Newton high football player, now playing for the Middlers team at Northeastern University scored the only touchdown of the game with the Juniors last week Friday to enable his mates to win 7 to 0. The victory was the fourth straight for the Middlers and gave them the interclass championship.

City Club Ties

The Newton City Club and the Malden Town Team battled to a scoreless tie last Sunday on the West Newton Common before a large crowd. The locals had several opportunities to score but failed to produce the final punch.

Took Part in Play Day

Anna M. McPhee of Newton was one of the girls who took part in the annual volleyball play day held at B. U. College of Liberal Arts on Monday by members of the Women's Athletic Association.

Losses by An Eyelash

George Lamb of Newtonville lost first place in the cross-country run with Mass. State last week by an eyelash in a stirring finish with Caird of Mass. State. Caird set the pace all the way, closely followed by the former Newton track star now a sophomore at Northeastern University. Lamb, who often put on a finishing kick to bring him through to victory while in high school events, made his bid and came down the stretch shoulder to shoulder with the State runner with the latter barely succeeding in fighting off Lamb's stirring finish. Newton won the race by a 20 to 42 point score.

Plays for All-Boston Team

Lucille Burnham, girls' gymnastic teacher at the high school, played right fullback for the All-Boston Field Hockey Team in the Northeastern tryouts this week.

Hemeon in Last Game

Melbourne Hemeon of Newton Lower Falls wound up his football career at the University of Pennsylvania yesterday and was no small factor in Penn's 13 to 7 victory over the strong Cornell eleven. Hemeon, who plays left end, was continually in on many plays to stop the Cornell attack. In the final period drive for the deciding score it was he who started Penn on its way. He broke into a Cornell lateral pass and grabbed the ball as it was touching the ground. His 58-yard jaunt over the goal was called back as the officials ruled the ball had touched the ground. It was the Quaker's ball, however, and the touchdown march began. Reaching the 35-yard line three short passes, one of which Hemeon received, gained a total of 32 yards and the score was soon chalked up giving the Quakers a 12 to 7 victory and concluding an erratic season.

Pesky Gets Letter

Carl Pescosolido, whose runback of a kickoff to give Harvard a victory over Dartmouth will always be remembered as the highlight of his career, got into the game with Yale last Saturday, thereby earning his first football letter. Pesky is considered a likely prospect for the regular left halfback berth to fill the vacancy left by the graduation of Jack Crickard, on the 1933 eleven. He will have plenty of competition, however, as the freshman team is sending up a number of prospective backs. Francis Gleason, who made his first football letter in the Yale game last year, is a probable regular fullback on the '33 team.

Gets Vermont Numerals

P. M. Andrews of Newtonville, a freshman at the University of Vermont, has been awarded his 1932 numerals as a member of the freshman cross-country team.

Y. M. C. A.

Annual Wrestling Meet

The Fifth Annual Open Wrestling Meet of the Y. M. C. A. will be held Saturday evening, December 3rd. The meet is promoted by the Wrestling Team under the direction of Coach Dr. F. E. Simm and Warren Storer, captain.

Entry blanks for this event which usually attracts around one hundred contestants, have been sent to thirty-five Y. M. C. A.s, colleges, and clubs. Seven weight classes will be contested: 125-lbs. and under, 135-lbs. and under, 145-lbs. and under, 155-lbs. and under, 165-lbs. and under, 175-lbs. and under, and heavyweight.

Some of Newton "Y's" wrestlers who will probably compete are Captain Warren Storer, Joe Arsenault, Henry Vachon, Leo Cormier, Leonard Morrison, Ray LaRossa, Wesley Curran, Arthur Boughan, Joe Santillo, Robert Young, Henry Parkinson, Charles Basle, John Barnes, and John Ruff.

Track

The Y. M. C. A. Cross Country Team which is coached by Henry Pierce, ran in the Annual New England A. A. U. Cross Country Run Championship held Saturday at Franklin Park. Newton's first man to finish was John Quirk who ran the six mile course in 39 minutes. Art Jacobs came in next in 39 minutes and 26 seconds, Warren Lewis in 41 minutes and 45 seconds, Donald Olson in 42 minutes and 45 seconds.

On Thursday, Thanksgiving Day morning, Don Olson and John Quirk are to run in a Cross Country run held in Providence by the Y. M. C. A. there. Olson will run over a course of five miles and Quirk two miles.

Volley Ball

The games between the teams of the Business Men's Volley Ball League at the Y. M. C. A. started on Monday evening. The schedule of games will run to January 6th when a new league will be organized. The roster of the teams is as follows:

Lions—Wayland P. Blood, Captain, Maynard L. Moody, J. B. Rockwell, Russell S. Broad, Norcross Teel, Marvin B. Perry, and W. B. Beale.

Henas—Kenneth C. Bond, Captain, Walter W. Grobe, Warren E. Glancy, H. B. Smith, D. Craig Work, Joe Mulineaux, and Dr. Lawrence B. Perlmutter.

Tigers—W. R. Thomson, Captain, W. A. Hitchcock, Morton E. Bunker, Rev. Richard G. Preston, W. E. Weston, Bernard Fullman, and S. Shriberg.

Jacksals—Frank V. Jones, Captain, Charles B. Floyd, Edwin Newdick, Albert N. Walker, Edward Rigby, and E. L. Bacon.

Boys' Division

On Friday morning at 9:30 a group of boys will leave for a hike to Cedar Hill where they will cook their lunch and return during the early part of the afternoon. Saturday afternoon at 2 p. m. will find another group leaving the "Y" to pay a visit to the Aquarium at City Point. Both the hike and the Aquarium trip will be under the direction of Mr. Andrew of the Boys' Department.

Boys' Supper

The first Boys' Supper of the season was held on Friday evening, November 18th at 6 p. m. Fifty-six boys set down to a supper consisting of salmon loaf, mashed potatoes, creamed peas, ice cream, and cocoa. After the supper, announcements were made regarding plans for the Thanksgiving vacation. Following this, motion pictures supplied through the courtesy of the General Electric Company were shown and then the scene of activity shifted to the swimming pool where there was a grand splash as the majority of the group entered the water. The party ended with a period of story telling around the fire place, and the boys left for home at nine o'clock.

Boys' Clubs

The Stamp Club which has been growing each year, met Friday afternoon at 4 p. m. This club will continue to meet on Saturdays and will provide the opportunity to exchange stamps and also to learn more about their values and methods of collecting.

There is also a model Aeroplane Club which meets every Tuesday afternoon under the leadership of Edwin Foster. This group plans to make both scale and flying models during the winter months.

Hi-Y Club

The Newton Hi-Y held their Annual Dad's night on Tuesday, Nov. 22nd. The Dads came out in large numbers to enjoy the supper and entertainment provided by their sons. "Bill" Cunningham, sports writer, was the speaker.

Rotary Club

The Newton Rotary Club informally observed the ninth anniversary of Rotary in Newton last Monday at the regular meeting at the Woodland Golf Club. William T. Halliday, founder and honorary president of the Newton Rotary Club, spoke briefly of the occasion. The guest speaker was George H. Barry, Ph.D., teacher of Hebrew and Hebrew history at Colgate-Rochester Divinity School of Rochester, New York, who is in charge of the Old Testament department. He was introduced by Rev. Raymond Lang.

Dr. Barry gave some interesting experiences of his visits to Palestine, a country which appears barren to the tourist but is found to be extremely interesting to those who prolong their visit. Though the hills are almost entirely rocky and barren there is an abundance of flowers and varied color in the landscape following the winter rains. The people of Palestine are interesting as one gets to know them. Archeology in recent years has brought Palestine into prominence as much as has the Bible. The scientific diggings have brought interesting results and have linked together history of the ancient world.

The Arabs are a simple, pleasant people and the Bedouin songs and dances provide delightful entertainment to the Westerner.

Contrasting present-day methods of transportation, the speaker told of the 525-mile trip across the desert from Damascus to Bagdad, which in former days took 40 days by camel train but is now covered in less than two days by motor cars and trucks.

In Palestine there are about 700,000 Mohammedans, about 150,000 Jews and 30,000 Christians. The Jewish population has doubled in the past ten years. Because it is essentially an Arab country the Christians are racially Arabian of both Latin and Greek religion. The people of Palestine are very superstitious. Christians and Mohammedans in some instances worship the same saints.

They segregate themselves in their own villages, so that one village will be entirely Christian, another Jewish and another of Mohammedans, which is a distinct characteristic of the Palestine country.

Council Rally

"Rain or shine" were the words of instructions sent by the Scout Commissioner, Mr. G. D. Marcy, in his notices to Newton Troops concerning the Council Rally, held last Saturday in the Lowell Avenue (Newtonville) Playground, as the "old quarry" is now known.

At 2:15 there began to gather the Patrols and Teams who were the winners in the various District Rallies, held as elimination contests. The weather was cold and cloudy, threatening rain or snow, but about 200 Scouts and Scouters were on hand. The old quarry itself, a secluded, flat area, with a high wall of rock rising on one side and short, gentle slopes, surrounded by trees on the others, made an ideal location for a Scout gathering.

First off, the Chief Judge gathered his forces, consisting of himself, Mr. F. W. Gilcrease, Chief Judge, with Messrs. James B. Melcher, District Commissioner; Lowell D. MacNutt, Deputy Commissioner; John Dodge, Jr., and Henry White, Scoutmasters from the Wellesley District; Maxwell F. Gaddis, District Commissioner, serving as Starter and Timer; and Scout Commissioner Marcy, Executive Officer of the Rally.

Promptly at three o'clock the Clerk of the Rally, the Scout Executive, lined up the Troops by Districts, called forward the Scouters in charge for their final instructions from Mr. Marcy.

Signalling was the first event and just as it started, down came the rain in a flood. Everyone stuck on the job and agreed it was a clear indication that Norumbega is playing the Scouting game out-of-doors for which it really is intended. All got damp, but none suffered, either during or afterwards, from the rain. Flags flapped, wet and clinging, but Troop 4A came in first in this event; with Troop 18 second and Troop 7C third. Next the teams for fire-building and water-boiling lined up and started, with two logs apiece and two matches. Despite the rain, two of the four teams got fire and in a comparatively short space of time, fires were blazing briskly, showing that Scouts can build fires in rain as well as in fair weather. Troop 21, Centre, won this event; with Troop 7B second. One would hardly believe it possible to get fire by friction in rainy weather outside, but the next events proved that it could be done. Troop 4A's entries came first and second with Troop 11's third.

The next event was to cut a log in half and then split those halves into quarters. Axes swung and knives whittled away at maple wedges and Troop 4A won this event, with Troop 18 second and 7B third.

The closing event was the knot-tying rescue race, won by Troop 11, with Troop 4B second and Troop 18 third. Results of the Rally were: Quinobiquin District (Upper Falls, Waban and Highlands) first with 21 points; Sachem District (Troops 5, 18, 19, 20 and 21) second with 12 points; Squanto District (Newton, Nonantum and Newtonville) third with 6 points, and Viking District (West Newton and Auburndale) fourth with 5 points.

Coming Council Events

Several Troops are working to get together Thanksgiving dinners which are given through the Newton Welfare Bureau.

A Patrol Leaders' Training Course for the Green Bar men (boy leaders) of the Troops of the Squanto and Quinobiquin and Wellesley Districts will be held at the Nobscot Reservation on the week-end of December 3 and 4. For a preliminary session Wellesley leaders are to report at the Legion Home in that town on November 30th at 3:15 P. M., and the leaders of the other Districts at the Council Office on December 1st, at 3:30 o'clock.

A session for Candidates for rank of Certified Examiner in Fourteen Mile Journey, Pace, and Tracking will be held at the Nobscot Reservation on Saturday afternoon and evening, December 3rd.

The Swimming Meet will be held at the Y. M. C. A. Pool on Friday evening, Dec. 9th. Vice-Commanders Morgan Harris and Mr. Clyde Hess of the Y. M. C. A. staff form the Committee. Several Troops are having practice now, through the courtesy of the Y. M. C. A.

Troop 6, Newtonville, meeting at the Frank A. Day Junior High School, will hold its Charter Night on Thursday, Dec. 8th. Dr. Waldo Walker is the Chairman of the Troop Committee; Mr. Chester Hill, the Scoutmaster, Mr. W. B. Gove, the Assistant Scoutmaster and Eagle Scout Lloyd Walker the Senior Patrol Leader.

On Dec. 16th, the Fall Court of Honor will be held at the Weeks Junior High School, Newton Centre. Features will be awards, a rope-climbing and whip-snapping stunt by the "Cowboys" of Troop 24, Boston; a very unusual fire by flint and steel by a Patrol from Troop 3, Winchester; and a special stunt by a Patrol from Troop 4A, Newton Highlands.

W. C. T. U.

The monthly meeting of the Newton Woman's Christian Temperance Union will be held on Thursday, Dec. 1st, at 2:30 P. M. at the Newtonville Methodist Episcopal Church, Newtonville avenue, Newtonville.

Mrs. Grace M. Hamilton, President of the Middlesex County, W. C. T. U., will speak on "Youth and Prohibition." All women interested in this vital subject are cordially invited to attend.

Weeks Junior High

The pupils have been keenly interested in the preparation of Thanksgiving baskets which have been distributed to needy families in Newton. Each home room offered to furnish a complete dinner. This meant twenty-six families had a more pleasant and complete Thanksgiving as a result of the spirit of sharing which has been alive throughout the student body.

At the first meeting of the Parent-Teachers Association on Friday evening, approximately five hundred parents and friends responded to the invitation to attend. After the program of the evening, which consisted of an address by Mr. John Lund on "Character and the Schools" and selections by the Band, Mr. Carr spoke on the functions of a home room teacher. At this point the parents were given an opportunity to meet these teachers in their rooms.

To stimulate the interest of the pupils in urging the attendance of their parents, a contest was suggested for the purpose of discovering the home room with the largest representation of parents. The honor was won by Room 207 with Miss Barbara Dow as teacher with thirty-three parents attending. Room 316, Miss Dorothy Haskins as teacher, ran close second with thirty parents.

Edwin O. Childs, for many years mayor of our city, delivered the Thanksgiving address at the assembly on Wednesday morning. John Tomlin introduced the speaker.

The Junior Red Cross Club is answering the needs of the less-fortunate in many helpful ways. At the present they are making undergarments for women and children in Newton. Christmas boxes are already speeding toward foreign shores. Other projects include favors sent to the Peabody Home for Crippled Children and envelopes of jokes made to cheer the veterans at their Bedford home.

D. A. R. BRIDGE LUNCHEON

Lucy Jackson Chapter, D. A. R., will hold a competitive Bridge Luncheon at the Unitarian Church in West Newton, on Wednesday, November 30, at 1 o'clock.

This luncheon has many novel and attractive features, one of them being the decoration of the tables. Each table seats ten guests, including the hostess for that table, and a prize is offered for the most attractive table. A card party will follow the luncheon and it is expected that about 150 will be present.

The hostesses for the luncheon are Mrs. Ethel Schofield, Mrs. Edward Parker, Mrs. William G. Starkweather, Mrs. Alton D. Adams, Miss Nella J. Pearson, Mrs. Ernest F. Dow, Mrs. John Parker Holmes, Mrs. Arthur S. Tucker, Mrs. Sarah R. Comer, Mrs. Alex D. Sallinger, Mrs. Charles J. O'Malley, Mrs. George F. Howland, Mrs. Amos R. Wells and Mrs. Walter E. Holden.

BUFFET LUNCHEON BRIDGE

Mrs. J. W. F. Kennedy of Chestnut Hill and Mrs. Otto A. Lawton of Newton are directing the Buffet Luncheon Bridge to be given at the Commonwealth Country Club, Chestnut Hill, on Monday, November 21. They will be assisted by Mmes. Marshall B. Hall, Whitney E. Harmon, S. J. Hallahan, all of Newton and Mmes. Charles A. Hanley, O. Glenn Hopper and F. J. Wells of Boston and Brookline. As in former years, the families of disabled veterans will benefit by the Buffet Bridge.

Warren Jr. High

Assembly

At the assembly this week Basil Babcock played a clarinet solo following which, a play was given by Home-room 117 stressing the uses of "shall" and "will." Between the first and second acts we had a piano solo by Mary Ellen Rogers.

Boys' Athletics

The activity for the week was a soccer game between the Warren Varsity and the Day Varsity at Cabot Park, on Monday. Here Warren suffered her first defeat of the season, the score being 1-0. From the start our team was handicapped by the loss of three members, and that, combined with the wonderful passing of Day's forward line was the cause of the defeat.

Transmitter Staff Entertained

On Friday ten members of the Transmitter Staff attended a meeting of the League of Junior High School Publications at the Southern Junior High School in Somerville. Mrs. McDonald, Mr. Penny, and Mr. Johnson furnished transportation. After the business of the meeting was finished, a delicious supper was served, following which we were entertained.

Pictures

Monday morning pictures were taken of the girls' and boys' soccer varieties, and the members of the Transmitter Staff.

Thanksgiving Baskets

The Warren Junior High School filled 26 baskets of dinners which were distributed to needy families of the district, each home-room taking the responsibility for one family.

Jake Stafford, Magical Detective. On Thursday afternoon we were entertained by Jake Stafford, the magical detective.

At the end he gave two prizes. One a jigsaw puzzle was given to a small boy attending the meeting. The other which appeared by magic, a small fuzzy, black bunny was given to Lois Cawley.

CORCORAN MADE LIEUTENANT IN FIRE DEPARTMENT

John E. Corcoran of 30 Moulton St. Newton Lower Falls, has been appointed a Lieutenant in the Newton Fire Department and assigned to Engine 3 at Newton Centre. He was appointed as a substitute call fireman on November 1, 1912 and in 1916 he was appointed a permanent fireman and assigned to Engine 1 at Newton. He enlisted in Battery B, 101st Field Artillery, in 1917 and served in France with the 26th Division. Most of his service since the war has been with Hose 6 at Lower Falls. Before transferring to his new duties he was tendered a reception by his former comrades and friends at the Lower Falls fire station and presented with an electric clock.

NEWTON LODGE OF ELKS

Newton Lodge will hold a memorial service at the lodge room on Sunday, December 4th, at 8 o'clock, Francis J. DeCelles of Cambridge, will deliver the address.

Newton Lodge will hold a "Poverty Party" on Wednesday, December 7th, in Elks' Hall, Newton. There will be both old time and modern dancing.

WE'VE HAD THESE APPLIANCES

Up our Sleeve

Many's the time we've been on the verge of telling you about them, only to be admonished, "You can't advertise merchandise until it's in the stores!" Quite true, of course. But now the day has come! These appliances have arrived—in our stores—at other dealers, too. Ask to see them demonstrated.

NEW EUREKA
—In competition with dozens of other vacuum cleaners, this new Eureka took the Grand Prize. Combines a motor-driven brush with high vacuum, removes deep dirt or surface lint with equal ease—is powerful, light, very quiet. Turn in your old electric cleaner for this new Eureka on a liberal allowance. Price, \$54.50.

NEW EASY WASHER
—A grand new Easy—\$45 less than any other damp-drier Easy ever made. No twisting or wringing—the damp-drier whirls the water out. A drain board; full-size porcelain tubs; sturdy, quiet mechanism. Price, \$119.50.

NEW SUNBEAM
—This new Mixmaster has a chopper and grinder attachment. Chops vegetables neatly, uniformly—grinds meat keeping the juices intact. Also comes with can opener and knife sharpener attachments. And the very latest model has a removable base so it can beat and stir for you at the range, in the pantry, where you will. Price, \$19.50 (Attachments extra).

NEW G. E. HAND IRON
—This iron's name is "Feather-weight" and do women love it! Weighs but three pounds, but gives the heat and steam of a much heavier iron. Skim through your hand ironing with it! Has button nooks, thumb rest, heel stand and, being automatic, it never gets too hot or too cold. Price, \$5.95.

And here's a thought—these appliances would make lovely Christmas Gifts!

THEORETICALLY A GOOD MOVE

The planning board has petitioned the city for a change of ordinance prohibiting the granting of permits to install additional gasoline stations, repair shops, and the like within 500 feet of public buildings, parks and other such properties. The request also will prohibit the enlargement of present places of such character. The Aldermen, after a public hearing recently, have taken the matter under consideration by the proper committees. While the principle may be a good move from a theoretical standpoint we doubt if it would work out to practical advantage. We do not favor in the least any encroachment of business into residential districts, but a five hundred foot zone around our present public or semi-public places would cover a large part of our present business zone. In addition the restriction against the enlargement of present business affected would militate against the development of Newton in a business way. It would seem to us that the city could be more properly protected from the intrusion of business into such sections as our new city hall site by further restrictions upon the present method of granting permits and change of zones without a blanket prohibition such as the 500-foot zone would create.

COMMUNITY CHEST—LET'S GO!

The report meeting of the Newton Community Chest drive on Wednesday evening revealed that one-third of the desired funds has been pledged. It is understood that there is still considerable ground to be covered before everyone has been canvassed. In 1917 the people of Newton got behind the local Liberty Bond drives to carry them over the top and back our boys abroad. With but five more days to go before the campaign officially closes it is up to each and everyone to make every possible contribution to the effort to win the present war at home against depression and unemployment. Let's go!

VOTING HOURS

At a recent meeting of the Aldermen it was voted to have the polls at the coming City Election next month open for the same hours as at the recent State primary and National election, namely, 7 a.m. to 8 p.m. A change in the previous election hours, 6 a.m. to 4:30 p.m. was instituted this summer. The change worked out admirably in a number of ways, but experience showed that the closing hour could be advanced somewhat with no disadvantage to the voting public. We believe that after the election next month that for future elections a closing hour of 6:30 or 7 o'clock would be advisable.

When you receive your Christmas Club check plan to do your Christmas shopping in Newton.

Join the Red Cross—Do It Now!

Photograph Exhibition At Auburndale

An exhibition of pictorial photography will open Monday, Nov. 28, at the residence of William Lawrence Tisdell, photographer, 6 Rowe street, Auburndale. Mr. Tisdell is the Boston Globe reporter covering Newton and Watertown.

Mr. and Mrs. Tisdell and their two and one-half-year-old daughter, Laurel Hasford Whittier Tisdell, have recently moved to Auburndale from 80 Bruce road, Waltham.

Mr. Tisdell's photography includes portrait, pictorial and commercial work. He is a craftsman member of the Society of Arts and Crafts of Boston, and belongs to the Boston Young Men's Christian Union Camera Club, one of the oldest groups of the kind in the country. He is listed in "Who's Who in Pictorial Photography." His prints have been exhibited in salons both in this country and abroad.

SECOND BAPTIST CHURCH HOLDS REMEMBRANCE SUNDAY

Rev. Perry O. Sanders of the Second Baptist Church held a Remembrance Service at the morning service Sunday, Nov. 20. Mrs. Annie K. Thompson, the oldest member of the church, Mr. Charles Powell the oldest member in years in the congregation and Mr. Eugene Fanning who has served the church the longest number of years all had a small part in the service. Mrs. Thompson was presented a bouquet of yellow chrysanthemums by her family which she placed on the altar of the church during the day for the enjoyment of the congregation.

VETERANS OF FOREIGN WARS INSTALL OFFICERS

Installation of officers of the Eugene J. Daley, Jr. Post, 2384, V. F. W., will be held at the West Newton Armory Wednesday, Nov. 30, 1932, at 8 p.m. There will be a dance after the installation. The public are cordially invited to attend. The officers will be installed by State Dept. Junior Vice Commander Chesley McKenzie and his degree team.

Police News

Mario Corsi of 324 Wood avenue, Hyde Park, was sentenced to 70 days in the Middlesex County prison by Judge Bacon in the Newton court last Friday. He appealed. Sixty days of the sentence were for driving away after hitting a child with his automobile, without revealing his identity. The other 10 days were for driving after his license had been revoked.

Mrs. Sarah Kiley of 1329 Walnut street, Newton Highlands, was arrested at 4 a.m. on last Friday by Patrolmen O'Connor and J. P. Murphy purchase gasoline at wholesale ostensibly for use other than in vehicles on public highways, and then fuel their trucks and automobiles with gasoline so purchased, with the resultant savings of 4c on each gallon.

In court on Friday William Voutirisa of Bigelow street, Brighton, was fined \$10 for assaulting Charles J. Scipione, Jr., a constable, when the latter entered a fruit store conducted by the defendant at Washington street, Newton Corner to place an attachment on the place. Voutirisa seized money from the cash drawer to prevent the constable from obtaining it and when Scipione tried to grab the money, the defendant resisted.

Paul Crowley of Cheriton road, Wollaston, was arrested Friday night by Special Officer Feeley on the charge of driving a car while under the influence of liquor. He was arrested in the Newton court on Saturday and his case was continued to Nov. 26. He was arrested in front of police headquarters when Feeley went out to question him regarding a case in which the car had been involved. A girl companion of Crowley's had previously been questioned at headquarters.

Enos Thatcher of 129 Walnut street, Wellesley, was in the Newton court Monday charged with attempted criminal assault on Mrs. Rose Reske of 204 Concord street. The woman told Judge Bacon she was awakened early Monday morning to find the defendant in her room. Albert Reske, her husband, testified that Thatcher and another man had been visiting at his home Sunday night and had left the house early Monday morning. After walking a short distance, Thatcher left his companions, according to Reske's testimony. Thatcher was held in \$2000 bail for the Grand Jury.

Thomas Hurley, formerly of 332 Elliot street, Newton Upper Falls, was in the Newton court on Tuesday charged with assault and battery on James McKinley of that address. Hurley boarded with McKinley and last April the latter told his boarder that he owed \$75 and it was time to pay something on account. Whereupon, Hurley handed McKinley, not money, but a poke in the mouth that knocked out one of the landlady's teeth. Hurley then vanished and the police did not nab him until Monday.

Hurley told Judge Bacon that he had only owed \$27 for board and that he is willing to make a settlement with McKinley. The case was continued until Wednesday.

On Monday the police were notified that Evelyn Sullivan, 20, of 24 Garland road, Newton centre, had left her home on Sunday and had not returned. The police were asked to locate her.

John J. FitzPatrick of Maguire court, Newtonville was in the Newton court on Monday charged with breaking the door of a house at Carle street, Newton Centre when its occupants refused to admit him. Judge Bacon gave him a 30 days sentence in the county prison and suspended it on condition that FitzPatrick pay for the damage he had caused.

Serafino Troiani of 359 Washington street, Newton was in court on Monday charged with assault and battery on his wife. He was given a suspended two months sentence.

Patrolman William E. Fuller, who has been day patrolman at Newtonville for many years, was retired on a pension this week. He has been a member of the department for 38 years and has reached the retirement age of 65.

Rocco Lochiatti of 59 Crafts street, Newtonville, was fined \$35 in the Newton court on Wednesday for refusing to reveal his identity after having damaged property. Lochiatti was charged with driving a car which had collided with one car on Gardner street, Newton, and with another car near Nonantum square, and with refusing to give his name and address after these collisions.

Thomas Hurley of Cortez street, Boston, was sentenced to serve 30 days in jail by Judge Bacon in the Newton court on Wednesday. Hurley had waited James McKinley of Elliot street, Upper Falls, when the latter asked him to pay a \$75 board bill. He had promised to pay this sum, but could not raise the amount.

FREE TRIFLE PRIZES AT RANDALL'S

Unusual interest is being shown in the Free Radio, Turkeys, and candy being given away by Randall's Candy Shop at Newton Corner. The Radio and Candy are on display in Randall's Shop Window at 301 Centre street.

During the approaching Christmas season, every purchaser of twenty-five cents in merchandise at Randall's will be given a Free Prize Ticket. This applies to the candy, luncheon and ice cream departments. Every additional twenty-five cents purchase will include a prize ticket.

The Free Prize Drawing will take place in Randall's Store at 9 p.m. Dec. 23, 1932.

FIRE RECORD

Box 61 at 319 p.m. Saturday was for a fire at the home of Katherine Reynolds, 31 Forest street, Newton Highlands. The fire was caused by a painter's torch and the damage was slight.

About Town

By Edw. H. Powers

There was a considerable falling-off recently in the receipts from the State gasoline tax. It isn't all due to less use of automobiles on our highways. According to literature distributed by some of the big gasoline companies there has been much bootlegging in gasoline to avoid payment of the tax. Under the present method of collecting the tax what is there to prevent an individual or company possessing a large gasoline tank to purchase gasoline at wholesale ostensibly for use other than in vehicles on public highways, and then fuel their trucks and automobiles with gasoline so purchased, with the resultant savings of 4c on each gallon.

J. Pierpont Morgan arrived in New York last week after a four months' visit to Europe. Of course there was no connection between Mr. Morgan's trip to Europe and the recrudescence of the whining on the part of France, England and the other "friendly nations" who want to sneak out of paying their debts to the people of the U. S. A.

If the open joints along the lanes of concrete roadway on Washington street between Newton Corner and West Newton are not filled in with tar or some similar material before the winter sets in, water may seep through during the coming months, and then when the frost gets in its work it will be just too bad for the nice, new surface of Washington street.

When you see an automobile around your neighborhood for several days bearing registration plates issued in another State, you infer that someone is visiting. But, when you see an automobile on the streets of this city regularly for months being operated with registration plates issued in another State it is reasonable for you to infer that the owner of that car is evading the compulsory insurance law supposed to be enforced in Massachusetts.

Our dear ally, France, which would have been conquered by Germany in 1918 but for the aid it received from this country, continues to welch on the payment of its huge debts to the people of the U. S. A. France, which has been and is spending hundreds of millions of dollars in acquiring military supremacy, France, which has loaned and is loaning hundreds of millions to other European countries to win their friendship, France, which gave the U. S. A. the accolade in 1917 and 1918, and which has been using savate on us since. Vive la France.

We have been informed that the locations of the street lights along the Worcester turnpike at Newton Upper Falls and Newton Highlands have been determined. Possibly the State officials and our city officials may now co-operate, have these lights installed without undue delay, and afford some measure of protection to the harassed residents along Boylston street who have to journey to and from their homes over a torn up street, and in utter darkness.

Talking about Boylston street. The job of laying the city water main along this street is not proceeding with noticeable speed. And the open trench continues to menace residents of the district. Possibly this is one of the advantages resulting from giving contracts for public works to very low bidders.

Headline in a Boston paper yesterday—"THREE BANDITS WHO STOLE \$50,000 GET LONG TERMS. One Given 10 to 15 Years, Two Sent to Reformatory For Six Years." And big time thieves who steal millions, wreck banks and reduce thousands of persons (many of them old) to suffering and poverty are not sent to prison for even one day. We again quote Balzac: "The law is a spider's web. The big flies break it, the little flies are caught and held." And some folks wonder why racketeering is on the increase.

The "poison plot" alleged to have been perpetrated "The Reds" at the Superior Court in Cambridge, this week reminds one of the dramatic and much advertised preparations made annually the past few years by Ernie Hultman and Mike Crowley to defend Boston against the Reds on May Day.

Keep on yapping about the increased number of automobile fatalities. And keep on building faster and faster automobiles, increasing the legal speed limits and fixing cases for drunken and reckless drivers. We're smart, snappy race, not slow like the oldtimers. Even thousands are killed in our country monthly as human sacrifices to the ladies and gentlemen who like to show off by stepping on the gas!

The Amateur Athletic Union has adopted the metric system for all track events. We suppose that when the Volstead Act is modified light beer will be sold by the liter.

Letters To The Editor

WOMEN'S CLUBS THANK THE GRAPHIC

My dear Mr. Brimblecom: At the conference of Press Chairmen of the clubs composing the Newton Federation of Women's Clubs, held in West Newton, November fourteenth, a vote was passed that a letter be sent to you as managing editor of the Newton Graphic, expressing the sincere appreciation of that department for the splendid co-operation of your paper in the work of the clubs.

May we express to you also our realization of the helpfulness and friendliness of Miss Coolidge.

With best wishes,
Sincerely yours,
GERTRUDE M. G. BOWEN,
Press Chairman Newton Federation of Women's Clubs.

ONE THING AND ANOTHER

By L. D. G. Bentley

That long distance call you missed while out walking yesterday afternoon was probably a reminder from Santa Claus. Never mind, he'll phone again shortly.

Oddments

To tell the truth I was pleased at the nice things Fred Blanchard said about me at the reunion of aldermanic "hasbeens". Of course Fred is a great joker but he is also thoughtful and a real friend. I can in all earnestness assert that he was as efficient a presiding officer as I have ever seen in action and that goes for the National capitol, the State House and many other important bodies.

About this time every year I have a strong desire to take part in a candy-pull. You know, the old fashioned gathering in the kitchen when we boiled molasses, some of it flavored with peppermint, and then when it was getting cool and not too hard we started changing its shade from dark brown to shining gold. Drawn out in long strips we snipped it off, as evenly as we could, and then had a pan of crisp lumps. How good they tasted! Other kinds of plain candy were sometimes included. One was made of plain sugar and water. The ancient name was "vinegar candy", derived, I suppose, from the dash of vinegar that sort of offset the extra sweetness. Those plain home-made confections always delighted me and I sometimes wonder if they passed out altogether.

Making popcorn balls was another pastime that hasn't slipped my memory. That, too, was a lot of fun. Popping the corn, boiling the molasses and finally putting the two together in as near a globular formation as was possible—ah, those were the sticky days!

If you've followed Ring Lardner, the humorist, who writes "Over the Waves" in the New Yorker you will see that in all seriousness he is striving to prove to radio artists that suggestive songs and wisecracks are not desirable. All readers of this column will agree with him. It is rather a satisfaction to note that the programs he described and definitely named did not originate in any Massachusetts broadcasting station.

"Hay foot, straw foot"

Have you ever paraded? Perhaps I should explain this query for fear you may draw the wrong inference. It is not intended to question you as a thoughtless moment when your pride in the possession of a new ensemble—sartorially speaking—may have caused you to prance. Nor do I refer to making your way up and down a church aisle in your gladdest raiment. What I have in mind is a procession headed by a band of musicians over a route including the principal streets and before the eyes of spectators along the sidewalks and grouped at other points. You get the idea, I'm sure.

Not long ago in Boston I observed the turning out of several thousand in as picturesque and altogether pleasing spectacle of the kind as could be desired. Viewing the parade was an ex-army officer and my place alongside enabled me to learn some of his impressions. They differed from mine. There were numerous gaps in the line of march. Not being critical, at least not at that time, I thought little of the great open spaces. But my companion was severe. Said he, "Those fellows have been in the service; they should know better than to drag the parade out like that. These breaks are terrible." I endeavored to show a spirit of sympathetic understanding while he proceeded to explain the true art of marching. It was then I realized for the first time that processions, like other displays of human activity, can and should be more or less "peppy". My military friend remarked, "All processions should be conducted with few halts as possible. Given a definite route to cover the marchers should pass over it without interruption, if possible."

As I nodded agreement he went on, adding that which was even more informing. "When you march right straight along you are less tired at the finish," was his declaration. "But if you make frequent halts and have to stand around you are certain to become weary. Marching isn't half as tiring as stopping every now and then. Keep at it and you'll become exhilarated. Any other way is not so good."

This excellent advice is not entirely wasted on me. Although I never expect to march in a procession I do like walking—with the right companion.

"Look Pleasant, Please"

It is merely coincidental, I suppose, but I have gazed upon more photographs lately than ordinarily are encountered in the average doings of an average person. It seems that many people have decided to obey the command, "Live your vacation over again" by having printed a complete collection of snapshots taken during their recreation days of the past summer and fall. One man reeled off for me a dozen films he had made with his motion picture camera and if I were in the line of business I should try to persuade him to let me exhibit them in connection with a sales talk. He had successfully photographed mountains, lakes, stretches of seacoast, the ocean itself, people, animals and about everything encountered on his travels through our own State, Maine and New Hampshire.

Other good friends have interested me in their camera achievements, less pretentious but nevertheless worthy of the painstaking effort required. I am sure one must have a knack for this thing or at least be able to study the methods that produce the best results. The possession of such a collection means something, not only to the amateur photographer but his subjects. Strangers or near friends, I have found, are inclined to be a trifle indifferent. It may be they are envious in a small way. The customary observation, I have found, is, "O, did you take these? Aren't they wonderful?" Then the observer runs through the pile of prints, saying, "There, that's very good" or, "I should never have known that was a picture of you."

At one of these impromptu exhibitions the man who had taken many snapshots was a trifle impatient when the callers repeated the same old words of admiration. When one enthusiastic lady declared, "How marvelous," the man groused, "Yeah, it's a gift."

"The Place for My Savings"

THANKSGIVING DAY SERVICE

On Thanksgiving Day a well-attended service was held at First Church of Christ, Scientist, Newtonville.

The First Reader read the Thanksgiving Proclamation written by the President of the United States and Scriptural selections taken from Psalms: 107-112-113.

The congregation was then requested to join in a few moments of silent prayer, followed by the audible repetition of the Lord's Prayer with its spiritual interpretation as given in the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The subject of the Lesson-Sermon was "Thanksgiving," the Golden Text being from the Psalms: "I will praise the name of God with a song, and will magnify him with thanksgiving" (69:30).

One of the Scriptural passages contained in the Lesson-Sermon was from the sixty-seventh Psalm: "Let the people praise thee, O God; let all the people praise thee. Then shall the earth yield her increase; and God, even our own God, shall bless us."

One of the correlative passages from the Christian Science textbook was as follows: "The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is the man who seeth his brother's need and supplieth it, seeking his own in another's good" (p. 518).

Following a solo entitled "Now is come Salvation and Strength"—by Young, brief testimonies expressing gratitude for healing, regeneration, and spiritual growth as a result of the application of Christian Science were given by members of the congregation.

A closing hymn, after which the First Reader read the Scientific Statement of Being from the Christian Science textbook (p. 468) and the correlative Scripture according to I John 3:1-3 and the benediction from Psalms 117: 1-2 concluded the service.

SPECIAL MEETING OF ALDERMEN

(Continued from Page 1)

city by sand and gravel pits. Alderman Grebenstein, speaking for the Claims & Rules Committee stated that this committee favored extending Wilbur's permit because the latter has kept his agreement with the city to refill such parts of the excavated area which was below grade, and the trucking nuisance on Brookline street has been abolished. Alderman Temperley replied that while truck nuisance on Brookline street has been ended, it has been transferred to Dedham street.

Despite a long plea made by Alderman Ball, the Board refused to shorten the hours of voting by closing polling places at 7 o'clock in the evening instead of 8 o'clock. Mayor Weeks had sent a recommendation to the Aldermen asking that \$3600 be appropriated for the Health Department for the prevention and care of disease. This money is wanted primarily to pay for the care of scarlet fever cases at the Newton Hospital. There have been many cases of this disease in the city during this year, and it is still prevalent. The Board of Health favors sending children with the disease to the hospital to stop its spread. The cost of such patients in the hospital is quite high. The Finance Committee on Monday night did not take favorable action on the Mayor's recommendation. The committee desired to deliberate on this matter at further length.

clined to be a trifle indifferent. It may be they are envious in a small way. The customary observation, I have found, is, "O, did you take these? Aren't they wonderful?" Then the observer runs through the pile of prints, saying, "There, that's very good" or, "I should never have known that was a picture of you."

At one of these impromptu exhibitions the man who had taken many snapshots was a trifle impatient when the callers repeated the same old words of admiration. When one enthusiastic lady declared, "How marvelous," the man groused, "Yeah, it's a gift."

—Yesterday Mr. and Mrs. Allan J. MacQuarrie of Brookside avenue gave a dinner party to Mrs. MacQuarrie's brother-in-law and sister, Mr. and Mrs. George A. Goodnow and their two daughters of Thaxter road, and Mr. MacQuarrie's brother-in-law and sister Mr. and Mrs. George Pingree and their daughter of Watertown, also Mr. MacQuarrie's niece and husband, Mr. and Mrs. Louis Carter and daughter of Belmont.
—The second in a series of progressive luncheons being up on by the Woman's Association of the Methodist Church will be held Wednesday of next week. The members of the Executive Board were hostesses at the first luncheon when each one invited one paying guest. At the next luncheon these guests will play the role of hostesses to another group and to the members of the Executive Board who will then be paying guests. The plan is to ask each woman of the congregation to act once as a guest and once as a hostess.

Auburndale

—Mrs. William P. DeWitt will entertain the Review Club at her home on Central street on Tuesday morning.
—The mystery play "The Thirteenth Chair" by Bayard Veiller will be produced by the Auburndale Club Players under the direction of Mrs. Herman Krueger on Monday and Tuesday evenings.

Waban

—Mrs. Ira Roe of Beacon street entertained at a dinner party on Tuesday evening.
—Mrs. Guy B. McKinney is entertaining her bridge club on Monday at her Crofton road home.
—Mr. and Mrs. Chester A. Banton of Hempstead, L. I., called upon Waban friends last Saturday.
—Mrs. Earle E. Conway of Windsor road is spending the holidays with her parents in Hartland, Wis.
—Mr. and Mrs. William R. Ewing and son of Hillcrest circle spent the holidays with relatives in Monclair, N. J.
—Mr. Carleton McLellan of Collins road attended Theta Delta Chi fraternity banquet at Hanover last Saturday evening.
—The new occupants of the Frederick G. Marsh house on Chestnut street are the Ray Browns, formerly of West Newton.
—Miss Charlotte Thompson of Durham, N. H., spent Thanksgiving with the John T. Croghans at their Chestnut street home.
—Miss Natalie North of Neholden road was hostess at a dinner party preceding the first Brae Burn assembly Thanksgiving evening.
—Mrs. Charles Cotton and small daughter, Anne, spent last week with Mrs. Cotton's parents, the Charles W. Brooks of Pilgrim road.
—Mr. and Mrs. Benjamin D. Miller and daughters of Collins road attended the Brown-Colgate game at Providence, Thanksgiving morning.
—Mr. and Mrs. Harold W. Cheney, Barbara and Billy spent Thanksgiving in New Haven, guests of Mrs. Cheney's mother, Mrs. Clara Mendell.
—Dana Dutch came home from Columbia University on Wednesday to spend Thanksgiving with his parents, Mr. and Mrs. Dana M. Dutch of Waban avenue.
—Georgie Roberts, young son of the George N. Roberts, is convalescing at his home on Pine Ridge road after an appendix operation at the Newton Hospital.
—The Second Junior Assembly will be held at the Neighborhood Club house this evening, with Mrs. Maurice Feather and Mrs. A. B. Root serving as matrons.
—Mrs. R. E. Clements and sons, Dick and Harold of Larchmont, N. Y., have been spending a few days in town, guests of Mr. and Mrs. Robert J. Hamilton.
—The Orville W. Fortes were hosts at a dinner party at their Windsor road home on Tuesday evening in honor of Mr. and Mrs. Milton Theller of California.
—In the passing of Mr. Linwood A. Linscott, whose death occurred quite suddenly last Friday at his Neholden road home, the sympathy of the entire community is extended to Mrs. Linscott.
—Mr. and Mrs. John P. Harvell of Carlton road were hosts at a most enjoyable dinner party, followed by bridge last Saturday evening. Out of town guests attending were Mr. and Mrs. Carter of Lexington.
—"Bud" and Tom Hamilton came down from New Hampton and Miss Virginia from the Mary C. Wheeler School in Providence to spend Thanksgiving with their parents, the R. J. Hamiltons of Wamestat road.
—Mr. and Mrs. J. Earle Parker entertained at Thanksgiving time Miss Marjory Burdett of West Hartford, Conn., and Mr. Carleton Burdett of New Jersey, also Miss Agnes H. Smith of Middletown, Conn.
—The girls of the Junior department of the Union Church school held a social at the Church vestry on Friday Nov. 18. This group has recently supplied the children of the Peabody home with kindergarten toys and work-shop tools.
—Mrs. Frank W. Rane, formerly of Waban, returned from Florida and Asheville, N. C., on Monday and was greeted by many of her old friends at the home of Mr. and Mrs. Cyrus F. Jeness on Moffatt road. En route Mrs. Rane visited her daughter, Janet, in New York, and then in Ithaca, N. Y. While in the north Mrs. Rane will be entertained by her many Newton friends.
—The Heman J. Pettengill of Windsor road entertained at a large Thanksgiving party with their sons, Heman Pettengill, 3d, and Alling Woodruff, came up from Yale and their daughter Miss Virginia came home from Dana Hall, accompanied by a college friend, Miss Lucretia Gilbert of New Haven. Others attending were John Reigeluth and Heaton Robertson of New Haven and Mrs. Mildred Alexander of Boston.

—Many Waban people are stirring themselves in their homes in the Merrimack to be held at the Union Church Vestry, Wednesday, Nov. 30, from 10 A. M. to 10 P. M. All home-headers are expected to replenish their household necessities in the various market places; and gifts seekers will be able to do Christmas shopping. Every room in the household will be represented. The library is in charge of Mrs. Wellington Rindge; the conservatory, Mrs. William H. Ryan; the men's den, Mrs. Frederick D. Nichols; Mother's room, Mrs. E. A. Hall; bath, Mrs. John C. Codman; Children's Nursery, Mrs. W. R. Ewing; dining room, Mrs. P. R. Dunbar; kitchen, Mrs. H. A. Haney; pantry, Mrs. A. A. Pollan. There will be gifts for children in charge of Mrs. Austin G. Bourne; and Mickey Mouse Movies under the management of Mrs. Oliver Ames Lothrop. Ice cream cones will be taken care of by Newton High School boys; and the young women of Waban under the leadership of Miss Adelaide Simpson will give a style show at three o'clock in the vestry. Mrs. Louise Arnold is in charge of a luncheon at noon, and a simple supper at 6:30. The general committee is composed of Mrs. D. M. Dutch, Mrs. Vernon Durbin and Mrs. J. E. Parker. The proceeds of this Merrimack will be used toward reducing the church mortgage. There will be games, fortune telling and very interesting side events.

THE SECOND CHURCH IN NEWTON

Recent Deaths

THOMAS W. WATTERS

Thomas W. Watters of 478 Waltham street, West Newton, died suddenly of heart failure on November 18. He was born at Newcastle, New Brunswick, 52 years ago and had been a resident of this city for 10 years. He conducted a drug store at 1271 Washington street. His funeral service was held Monday morning at St. Bernard's Church, West Newton, and burial was in St. Joseph's Cemetery, West Roxbury. He is survived by his widow, Mrs. Marie Watters; his father, William Watters and a brother, George Watters of West Newton. He is also survived by a second brother, Benjamin Watters of Moncton, New Brunswick.

MRS. FLORENCE DOUGLAS ADAMS

Mrs. Florence Douglas Adams of 693 Commonwealth avenue, Newton Centre, wife of Charles Z. Adams, died on November 20th, as a result of a cerebral hemorrhage. She was born in Somerville 45 years ago and had resided in Newton Centre since her marriage. She was a member of the First Church and the Newton Centre Women's Club. She is survived by her husband; a daughter, Priscilla Adams; her mother, Mrs. Florence Douglas of Boston; and a brother, Edward P. Douglas.

MRS. BLANCHE HARTMANN

Mrs. Blanche Lyons Hartmann of 241 Greenwood street, Oak Hill, wife of Arnold Hartmann, died on November 19th. She was born in Farmington, Maine, 48 years ago and graduated from Radcliffe College in 1904. She had been a resident of the Oak Hill district for the past 19 years. Her funeral service was held at the Forest Hills Crematory Chapel on Tuesday morning, Rabbi Harry Levi of Temple Israel, officiated. She is survived by her husband; one daughter, Rosalie Hartmann; a son, Arnold Hartmann, Jr.; and a brother, Myron Lyons of Brighton.

MRS. MINNIE D. HARDY

Mrs. Minnie D. Hardy of 91 Grasmere street, Newton, died on November 22. She was born in Nova Scotia 53 years ago and had been a resident of this city for ten years. She is survived by her husband; one daughter, Rosalie Hardy; two sons, Dorothy and M. Helen Hardy. Her funeral service will be held this afternoon at her late home.

MISS FLORENCE B. PETTEE

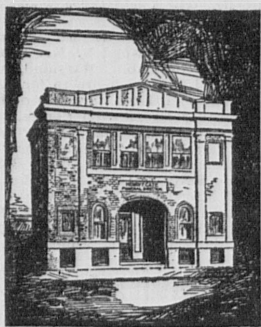

Miss Florence Bird Pettee of 42 Pennsylvania avenue, Upper Falls, died suddenly at her home on Monday, November 21. Miss Pettee was in her 84th year and was the youngest daughter and the last surviving member of the late Alderman George Pettee and Mrs. Della (Wetherell) Pettee, who were of families long connected with the growth of Newton.

Miss Pettee has made her home continuously in Upper Falls and her passing is felt as a distinct loss to the community. Funeral services were held from her late home on Wednesday, November 23, at 2:30 p. m. Rev. Charles O. Farrar, of the St. Paul's Episcopal Church, Newton Highlands, officiated. Burial was in the Newton Cemetery.

FORMER RESIDENT DIES IN CALIFORNIA

Willard C. Chamberlin, formerly of Newton Centre, died on Nov. 20th in San Mateo, California. He was born in Waltham 47 years ago, the son of Samuel K. and Mary (Crans-ton) Chamberlin. He moved to Newton Centre when a boy and graduated from Harvard in 1908. He became vice-president and general sales manager of the Standard Sanitary Manufacturing Company of Pittsburgh and resided in that city for six years. For the past four years he was a resident of San Mateo. He is survived by his widow and two children; his mother; a brother, Morgan Chamberlin; and a sister, Marion Chamberlin; the three latter residing at 76 Sumner street, Newton Centre.

MICHAEL BURKE

Michael Burke of 304 California street, Nonantum, died on November 20. He was born in Cape Breton 69 years ago and had resided in this city for 29 years. He is survived by his widow, Mrs. Louise Burke, and two sons, Joseph and Simon Burke. His funeral service was held Wednesday morning at the Church of St. Jean Evangeliste and burial was in Calvary Cemetery, Waltham.

Girl Scouts

In spite of the bad weather, nearly 700 Girl Scouts who had volunteered to deliver the Community Chest "Call" started out from their respective meeting places at 9:30 last Saturday morning and carried this news sheet to approximately 18,000 homes in Newton. The preliminary work of dividing the areas, distributing districts, and allotting streets (a big job in itself) was done by the troop committees and Girl Scouts Captains.

Many of these women also used their autos in carrying girls to the districts and the girls themselves had the fun of delivering the papers as well as the satisfaction of knowing that they had been of real service in the Community Chest Campaign.

In spite of careful planning, some homes may have been missed. The Girl Scouts would deem it a privilege to deliver the "Call" to any home where it was not received.

The Girl Scouts, as usual, have done their part toward making this a real Thanksgiving season by contributing food and clothing to the Welfare Bureau for distribution. Almost every troop has taken part in this community service.

Plans for the December rally are well underway. "From East to West by Song Way" is causing much speculation as to the nature of the entertainment. About 200 Girl Scouts will take part in the program and those who are not taking part, as well as their friends who will attend the rally, are looking forward to it with much interest.

Newton Couple
Observe Golden
Wedding Day

Mr. and Mrs. Charles R. Cogswell of 12 Barnes road, Newton, celebrated their Golden Wedding anniversary on Tuesday at the home of their son, Charles T. Cogswell, Prospect Hill road, Lexington. Both are natives of Haverhill and were married there on Nov. 22, 1882. Mr. Cogswell is 73 and his wife 70. He has been employed for 45 years in the technical department of the Boston & Maine Railroad. The couple have been residents of Newton for the past 15 years and are members of Eliot Congregational Church.

Y. W. C. A.

Misses Gertrude Lockwood of Clark street, Newton Centre; Harriet Hale of Larch road, Waban; and Maud Wright of Lincoln street, Newton Highlands, are members of the committee sponsoring the "Carnival of Nations" which is to be held at the activities center of the Y. W. C. A., 140 Clarendon street, on Saturday, December 3. Miss Lockwood and Miss Hale are interested in "Germany" which is the doll and baby article table; and Miss Wright has as her special interest the jelly and food table, or "America."

Tea will be served during the afternoon, the Bazaar opening at two o'clock and continuing until ten. From six to eight a Chinese supper will be a special feature.

The Carnival is open to the public. Miss Olive Burrison of West Newton is president of the Business Women's League, a large club of business and professional women, who meet weekly at the Y. W. C. A. An inspirational meeting is held in the Meditation chapel under the leadership of clergymen in and around Boston. Supper follows the program chairman then introduces the after-supper speaker.

Recent Engagements

Mr. and Mrs. Ralph S. Marshall recently announced the engagement of their daughter, Miss Elizabeth Marshall to Mr. C. Fowler Pickhardt, youngest son of Mr. and Mrs. Carl E. Pickhardt, of 302 Highland avenue. Miss Marshall is a talented violinist. Mr. Pickhardt graduated from a preparatory school last June and has business interests in Chicago, where the young couple will make their home.

Marriages

FEELY-HARTLEN: on Nov. 2 at Nashua, N. H., by Arthur Cyr, J. P.; Harold Feely of Waltham and Kathleen Hartlen of West Newton. CIAMPA-BUCCHERI: on Nov. 21 at Waltham by Rev. Leo Sella; Frank Ciampa of Boston and Mary Buccheri of Decatur st., Newtonville.

DELANEY-MCDONALD: on Nov. 20 at Newton by Rev. Russell Haley; Timothy C. Delaney of 80 Charlesbank road, Newton and Ann McDonald of 14 Whitshire rd., Newton. SAMPSON-ODDARIO: on Nov. 12 at Woodbury by Rev. Joseph Sullivan; John Sampson of 233 Adams st., Newton and Mary Oddario of Woburn.

DELLICKER-PEARSON: on Nov. 11 at Newton by Rev. C. A. Drummond; Henry H. Dellicker of 42 Hollis st., Newton and Ruth Pearson of 132 Church st., Newton.

GOODMAN-STANTON: on Nov. 12 at West Newton by Rev. M. J. Danahy; Charles J. Goodman of Brookline and Mary Stanton of 3 Wauwinet road, West Newton.

WORTHEN-SECORD: on Nov. 11 at Newton by Rev. Newton A. Meritt, Jr., Shirley E. Worthen of Brookline and Edwin O. Secord of 133 Newtonville avenue, Newton.

NORUMBEGA DISTRICT COUNCIL OF RELIGIOUS EDUCATION

Attendees at the Norumbega District School last Monday evening enjoyed a Christmas story, delightfully told by Mrs. Warren P. Powell, one of the instructors at the school.

The District Board of Education is arranging for a series of rallies and departmental conferences for church school superintendents and teachers, on the subject of temperance education, with special emphasis on how to present this subject to various age groups. The first of these will be in January. The subcommittee in charge consists of Everett R. Johnson, Rev. Edward A. Estaver and Miss Lullona Barker.

YOUNG PEOPLE'S CONFERENCE

The Norumbega District Young People's Conference, which is taking place this week Friday and Saturday in the Waltham Congregational Church is an interdenominational event.

Registration will begin at 4:30 this afternoon, with Leighton Harris of Newtonville in charge, assisted by Jack Arnold of Newton Highlands.

A brief opening assembly at 5 o'clock will be in charge of the president, Miss Constance Dyer of West Newton after which a social period and opportunity to get acquainted will be provided, led by Mr. E. W. Kuebler of Newtonville.

Supper will be served at 6 p. m. and at 7:15 will come the evening session, at which Dr. Edwin Booth will speak on "The Jesus of History." He will follow this at subsequent sessions Saturday by talks on "Jesus and the Rules of Life," and "Jesus and the Heights of Christian Experience." Fellowship in music and worship will open each session, in charge of Mr. J. I. Davis and Mr. Frank H. Grobe.

The drama "Brother Sun" is to be given at the Friday evening session. Two of the participants for this drama are John Graham and Webb Wright of the Eliot Church. In this drama about Francis of Assisi is shown in his meeting with the Sultan as he presents Christianity in a unique way to this ruler during the days of the Crusades.

RED CROSS MEMBERSHIP DRIVE

(Continued from Page 1)

small—only \$1.00—but this \$1.00 goes a long way!

Of the workers in the Newton Chapter of the Red Cross, there is but one full-time paid worker and but one half-time paid worker. This means that your Newton Chapter is operated for the most part by volunteers—people who give their services.

If you have not already joined the Red Cross will you not do so by sending your membership fee to the Newton Chapter of the American Red Cross, 12 Austin street, Newtonville, or by leaving it with your name and address at any of our Newton banks.

In order to economize on postage the Red Cross is making the sending of receipts to those who have enrolled and takes this opportunity of acknowledging the memberships already received.

THE WEEK AT DAMON HALL

On Sunday the students were privileged to enjoy two unusual events. One of these was the address by Yusuke Tsutsumi, Japanese Statesman, leader of the Youth Movement in Japan and a recital by Marjorie Posselt, noted violinist.

On Monday afternoon the student body attended the Russian Exhibit at the Harvard School of Business Administration. Monday evening was the beginning of the course of lectures by the eminent English Scientist Julian Huxley. Tuesday was the opening day of the annual Lewis Appleton Barker Lectures delivered this year by President Damon, making use of the unrivaled collection of colored lantern slides on Heraldry presented to Damon Hall by the estate of the late Mr. Barker.

LASELL JUNIOR COLLEGE

The Wednesday morning Assembly was under the direction of the Missionary Society. At that time the students presented their Thanksgiving offerings and boxes were sent to the Morgan Memorial, Salvation Army and the Newton Welfare Bureau. On Friday evening, Nov. 25, Dr. Leon Vincent gave a lecture to the students. His subject was "American Humor, from Artemus Ward to Mark Twain."

Mr. Harold Schwab of the Music Department has planned a "Musical Vespers" for Sunday, November 27 at 6:15. The artists are: Ralph Johnson, Flute; Oscar Tourtellotte, Oboe and English Horn; Harold Schwab, Pianoforte and Organ. At the recent Northeast Hockey Tournament in Wellesley, Massachusetts, MacClelland, head of the Physical Training Department, was chosen a member of the first team which will represent the Northeast Section and will play in the National Tournament in Greenwich, Connecticut, this week.

NEWTON BOY HONORED

Mr. H. Russell Keller, Jr., son of Commander Harold R. Keller of Oxford road, Newton Centre, is among the winners of the Autograph contest just announced by Waterman Fountain Pen Co. Over 150,000 letters and girls of the United States and Canada entered this contest. His collection of autographs is being retained by the Waterman Company for exhibition purposes. Upon its return, the collection will be shown in a local drug store window. Young Keller is an honor student at Noble and Greenough School in Dedham.

WHO SHOULD GO TO COLLEGE

(Continued from Page 1)

We may have a deep seated wish that college shall be the immediate goal beyond the high school, but before deciding let us as Al Smith says, "look at the record," and see if the work now being done in Junior High School indicates the possession of those abilities which he or she must have to be successful in college life.

Max McCann, Dean of Lehigh University, sets forth in the September issue of the Parents' Magazine certain criteria which can be applied by parents and taken in conjunction with the judgment of the Junior High School teachers will enable one to arrive at an answer based upon knowledge rather than hope.

Professor McCann says, "It was taken for granted formerly that every boy and nearly every girl whose parents could afford it should go to college, but, unfortunately, it has become apparent that our colleges as they are, are by no means good places for every boy and girl. For a considerable majority they are very kind of a place, where, to one particular type, worthwhile opportunities. To all other types they offer virtually nothing, and much worse than nothing, namely, frustration and discouragement."

The best way of learning is undoubtedly by living and doing and the second best way is probably by talking with those who have lived and done. But the existing college method of learning is almost exclusively bookish. Consequently, a young person who is "college material" should be in some fair degree definitely bookish.

The first criterion, therefore, set up by Professor McCann is that he calls bookish aptitude. Professor McCann calls attention to the fact that there is another peculiar talent which he calls personal relations aptitude. "The aptitude of charm and tact, which enables certain attractive youngsters to make friends with everyone and who deal with other people with striking success. This is, of course, priceless in personal relationships; and in business under the existing economic system it is worth more in dollars and cents than the highest intelligence of any other kind. But according to experience it has no clear correlation with bookish ability. It is almost invariably assumed that these youngsters are good candidates for college; but scores of young men and women of this type are dropped from colleges in February and June for hopeless inaptitude at bookish tasks."

Professor McCann sets forth as his second criterion the standing of a pupil in his class at school. He says that a student who ranks in the upper third or upper 2/5ths of his class is a reasonably good college prospect, but if he ranks below this there is some real danger that he may not be able to meet even the minimum standards in college.

The third criterion is that a pupil be at least up with his age grade. According to the educational statistics a boy or girl who finishes high school at 18 is a fair college risk. One who finishes at 17 is an excellent risk, and one who finishes at 16 will probably win honors. Conversely, one who does not finish until 19 is a slightly dubious risk.

The fourth criterion is rapidity in reading. Professor McCann sets forth as some length the now generally recognized thesis that the more rapidly a person reads the more effectively he grasps and retains what he reads. The professor feels that a really good college prospect should be able to read before entering college at a rate of 300 words a minute of ordinary reading matter.

His fifth criterion is that a youth should be possessed of a full vocabulary, that he should be able to read aloud a non-technical article in such a magazine as Harpers or the Atlantic Monthly with practically no stumbling over the pronunciation or meaning of words.

The sixth and last test is that a person who expects to go to college must have a fairly high degree of self-mastery and this "arises from the fact that the colleges throw their students almost wholly upon their own responsibility." "How can parents tell in advance whether a particular student meets this criterion? Does he manage his small weekly allowance with some discretion? Does he on the whole choose his friends wisely? When he has home work to do does he get at it himself and stay at it until it is done? If the answers to the foregoing questions are favorable then this boy is probably ready for college on the score of sufficient self-mastery."

Time does not permit me to pursue this subject further this evening but I have made it a bit easier for any boy or girl who should not go to college but who is now being pushed in that direction, then I shall be satisfied.

CHRISTMAS SEAL SALE

(Continued from page 2)

Health Committee. The personnel of this committee is as follows: Cecil W. Clark, M.D., Chairman; George M. Curtis, M.D., Board of Health; Miss Calista Schuchman, Department; George F. H. Powers, M.D., and Guy M. Winslow.

The chairman of the village Seal Sale Committees are as follows: Mrs. E. S. Johnson, Auburndale, Miss Miriam Drury, Newton, Mrs. Thomas B. Bin, Newton Centre, Mrs. Herbert H. Hale, Newton Highlands, Mrs. Hamilton Harlow, Newtonville, Mrs. Thomas E. Sears, Newton Upper Falls, Mrs. R. Jackson Cram, Waban, Miss Margaret Jewett, West Newton, Mrs. Elsie Spear, Jr., Newton Centre, Mrs. P. Clarence Baker, Newton Lower Falls.

FRENCH COURSE BY STATE DEPARTMENT OF EDUCATION

On Monday, November 28, Miss Emily Chamberlain of the State Department of Education will open a course in Conversational French at the Newton Centre Public Library. The charge will be \$5.00, textbook extra.

AUTO ACCIDENTS

SEVERAL INJURED IN AUTO ACCIDENTS

Anthony Kulezka and George Bernard of Worcester were injured Saturday morning when the car in which they were riding skidded on Commonwealth avenue near Islington rd., Auburndale, and hit a tree. They were taken to the Newton Hospital. Jack Langlois, 9, of 106 Dexter road, Newtonville, was slightly injured Sunday when the bicycle he was riding hit an automobile driven by Eva Rogers of 28 Lenox street, West Newton. The accident happened on Walnut street, near Otis street.

Cars driven by Peter Pappas of Warwick street, Watertown, and Edward Elaser of the Naval Hospital at Chelsea collided Saturday night at Commonwealth avenue and Hammond street, Chestnut Hill. Pappas reported that he and his wife, his two year old child, and two other occupants of the car received injuries.

A car driven by Lawrence Barry of 949 Centre street, Newton Centre, got out of control Sunday night when the steering gear broke, crashed through a fence on Albemarle road, near Crafts street, Newtonville, and just escaped toppling into Cheese Cake Brook.

CHILD HIT BY AUTO

Friday morning last David Pierce, 6, of 21 Winona street, Auburndale, was hit at Commonwealth avenue and Ash street by a car driven by Harry J. Lovell of 20 Commonwealth Park, Newton Centre. The boy was taken to the Newton Hospital where it was found he had received a fractured leg, concussion of the brain and a probable skull fracture. His name was placed on the danger list.

CAR HITS POLE. TWO WOMEN INJURED

Sunday night a car driven by Ella Sisto of Priscilla road, Brighton, crashed into a pole on Washington street, Auburndale, near the Woodland Golf Club. Miss Sisto received injuries to her head. Her sister Jane, who was riding with her, had her nose fractured. They were taken to the Newton Hospital.

Socialist Local
Organized In
This City

The Socialists of Newton have organized a local and elected officers at the first meeting held in the home of Samuel Grinspoon, 70 Austin street, Newtonville. The officers are: Organizer, Leo DiGiovanni of Newton Centre; Recording Secretary, Lillian Stollow of Newtonville; Corresponding Secretary, Ella DiMatteo of Newton Centre; Financial Secretary, Florence Grinspoon of Newtonville; Literature Agent, Frederick DiMatteo of Newton Centre; Educational Director, Samuel Grinspoon; Naturalization Agent, Achilles DiMatteo.

The speakers at the first meeting were John Brooks Wheelwright of Cambridge; Robert Warner and Benjamin Grossman. Meetings will be held each Monday night which will consist of talks by well known Socialists, round table discussions on civic matters, law and justice. Among the speakers scheduled to address the meetings are: George E. Brown of Boston, Clint Trimble, Rev. James Mitchell of Cambridge and Prof. Harriet Boyd Hawes of Wellesley.

PARAMOUNT—NEWTON

What promises to be a very fine program for the entire week at the Newton Paramount, opens Sunday with "The All American," said to be the one great football story which has had the approval of every big college football team in America, the story is full of thrills and a beautiful romance running through between Richard Arlen and Gloria Stuart, this picture also features the All American team selected from the best players of the big colleges in America. On the same program will be George Raft, the new idol of the screen in "Night After Night" with Constance Cummings and Wynne Gibson in support, this is not a gangster picture as one might think from the title but a romance full of heart throbs and pathos. The last half of the week John Barrymore and Billie Burke will be seen in "Bill of Divorcement", this is a play in picture form as great as the star John Barrymore, Billie Burke needs no introduction to either stage or screen, hailed as the queen of the past stand out and place her on the pinnacle of stardom, the story is one of much power and brilliancy. On the same program Jack Oakie will furnish the comedy in "Madison Square Garden" with Marion Nixon and Zasu Pinn. If you have never witnessed a sporting event in Madison Square Garden, New York, it will pay you to come and see this one. Bargain Matinees as usual on Monday and Friday.

Waban Resident
Attacks Edison
Company Methods

Frank Sullivan of Neshobe road, Waban, appeared before the State Department of Public Utilities on Tuesday to protest against the practice of the Edison Company of furnishing lamp renewals without charge to customers. Mr. Sullivan charged that the Edison Company is allowed to charge customers one-half cent per kilowatt hour because it renews the lamps without charging for them, and that this method gives the company an annual profit of \$1,000,000. He also charged that the Edison Company has discontinued giving its customers 50-watt bulbs substituted 60-watt bulbs and thereby increased the consumption of electricity 20%, with resultant expense to the customers.

NEWTON SPORTS

PLAY BY PLAY STORY

(Continued from Page 2)

yd. stripe. Huston hit left tackle for 13 yards and York right tackle for 10 more. A Huston to Cusumano pass was almost complete, the latter dropping it after apparently having caught it cleanly. This did not stop Newton though as McCarthy ran right end for 11 yards. He was hit three times by tacklers but shook them off and managed to keep his feet. McCarthy went outside on a 3-yd. gain and Huston hit left tackle for 13 yards and a first down on the Brookline 12-yd. line. York fought his way to the 3-yd. line on a back-yard pass from Huston and Whitney plunged over the Brookline line for the touchdown which brought Newton's score to 45 after Huston had missed the point on a plunge thru the line. Huston's kickoff was run back by Van Dam to the Brookline 32. Kevorkian nailed Lewenstein for a 6 yard loss and after an incomplete pass a line play gained back 4 yards of it. Lewenstein kicked and Huston ran it back 17 yards before being downed on the Brookline 47. A Huston to Houghton pass was incomplete and after McCarthy had picked up two yards running across the field on an end run Broadhurst intercepted a Huston pass to give Brookline the ball on the Brookline 35-yd. marker. Broadhurst was smothered for a 12-yd. loss on an attempted forward pass. A long pass to Schwartz was batted out of his reach into Huston's hands and the Newton captain ran it back 25 yards to the Brookline 32 before he was tackled. Shea hit the line for a five yard gain as the period ended. Newton 45, Brookline 0.

Fourth Period

Huston hit right tackle for 13 yards and a first down on the Brookline 14-yd. line. Kulezka, who had come into the game with a number of other Newton substitutes, made 11 yards at 5 more and first down on the 3-yard line. Huston plunged to within a foot of the goal and Kulezka crashed over. Huston kicked the goal. Thompson kicked off with the ball going to a Brookline linesman who was downed on his 42-yard line. A DuBrel to Broadhurst pass was complete for 15 yards gain and Brookline's third and last first down of the game. Thompson intercepted the next Brookline pass and ran it back 20 yards to the Brookline 6 where Schwartz nailed him from behind. Thompson had a clear field ahead and but for the Brookline captain's clean tackle would have gotten away on a 60-yard romp. Huston hit left tackle and once more was loose on a 46-yard touchdown run. A pass from Huston to Flagg was good for the point. Huston's kickoff was taken by DuBrel and run back 15 yards to the 33-yard line. An incomplete pass preceded a 7-yard gain by Van Dam. DuBrel fumbled and Thompson recovered for Newton on the Brookline 45-yard marker. Drowne gained 4 yards and Miller three more as Newton subs continued to pour in to the game.

Every player on Coach Sanborn's squad had gotten into the game for a few plays at least. Huston hit left tackle for 4 yards and a first down. Newton was penalized five yards for taking too much time but after a long pass had fallen incomplete Huston hit right tackle for 9 yards and a Huston to Dutton pass was good for 10 more and it was first down on the Brookline 18. A Huston to Flagg pass was completed with Miller being stopped inches from the goal. On the next play Miller crashed through the line for Newton's tenth and final touchdown. Huston's try for point was wide but the play was ruled out and the Newton captain had another chance. He made good to add the 66th point. The Newton first team came back into the game for the final minutes of play. On this time nearly every player on Coach Sanborn's squad had gotten into the game for a few plays at least. Huston hit left tackle for 4 yards and a first down. Newton was penalized five yards for taking too much time but after a long pass had fallen incomplete Huston hit right tackle for 9 yards and a Huston to Dutton pass was good for 10 more and it was first down on the Brookline 18. A Huston to Flagg pass was completed with Miller being stopped inches from the goal. On the next play Miller crashed through the line for Newton's tenth and final touchdown. Huston's try for point was wide but the play was ruled out and the Newton captain had another chance. He made good to add the 66th point. The Newton first team came back into the game for the final minutes of play. On this time nearly every player on Coach Sanborn's squad had gotten into the game for a few plays at least. WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

COMING EVENTS

Newton Federation

There will be an Executive Board meeting of the Newton Federation of Women's Clubs on Monday, November 28th, at the Newton Library. Those who plan to attend are asked please to note that the hour is 10 o'clock. At this meeting the reports will be read of all the members of the Executive Board who conducted conferences at the Fall meeting. The budget of the Federation will also be presented for adoption.

Newtonville Woman's Club

Mrs. Wallace C. Boyden will be in charge of the Literary Afternoon at the home of Mrs. Charles A. Richardson, 17 Clafin place, on Monday, November 28th, at 2:30 p. m., the subject being "Sir Walter Scott." The Education committee extends a cordial invitation to new members to join with them and enjoy these literary afternoons.

The Annual Scholarship Dramatics will be presented on Friday evening, December 9th, at 8:15, in the Newton High School auditorium. "As Husbands Go," by Rachel Crothers, is the comedy selected as this year's offering, a lively story of a middle-western wife who returns from the gay life of Paris to a drab existence in her own home. There are many humorous situations supplemented by clever and witty lines. Rachel Crothers is found at her best in this play.

The Ways and Means committee in planning this evening's pleasure deserves the support of all Club members, and in all other projects that they offer for the benefit of the Club's philanthropies.

Newton Highlands C. L. S. C.

The Newton Highlands C. L. S. C. will hold its regular meeting on Monday, the 28th, at the home of Mrs. William E. Leonard, 25 Chestnut road, Newton Highlands. Members are asked to note change from meeting place as shown on program.

The subject, "Background of International Relations," by Charles Hodges, will be presented by Miss Cora Stanwood Cobb, and Current Events will be discussed by Mrs. R. Earle Thinkham and Mrs. Sanford E. Thompson.

Auburndale Review Club

Mrs. William P. DeWitt will be the hostess for the Auburndale Review Club at its fifth meeting on Tuesday, November 29th. The program of the morning will be appropriate to Thanksgiving.

Newton Federation

Clubwomen and all citizens are reminded of the excellent work being done at the Clothing Chest, now located in the old city hall building, with entrance from Cherry street, in supplying the urgent need for clothing. Sweaters, men's trousers, and children's clothing are particularly in demand, and any who can contribute to this cause will find their generosity giving much happiness to those who are suffering through no personal fault. The Clothing Chest is open daily from 9 to 5 o'clock, except Saturday. The Community Service committee of the Newton Federation is giving much time and effort to this splendid cause.

Social Science Club

A program of German music will be given at the regular meeting of the Social Science Club, on Wednesday, November 30th, at 10 o'clock, in the Channing Church Parlor. The hostesses will be Miss Eugenie F. Bradshaw and Mrs. Steven B. Wilson. Guests may be invited.

Community Service Club of West Newton

The Community Service Club of West Newton, of which Mrs. Frank S. Tower is president is anticipating with pleasure the privilege of presenting to the citizens of Newton a rare treat on November 30th, at 8:15 p. m., in the Newton High School auditorium. The names of Guyas Williams, Edward E. Whiting, Neal O'Hara, and Dr. Cecil W. Clark, each with a pronounced reputation for his ability to provoke merriment, insure an hour of amusement when they debate the question "Resolved: Are Women People?" The afternoon session, beginning at 2 o'clock, will include addresses, a musical program, and Club Institutes. Reservations for the luncheon, which will be served at one o'clock, should be made by November 26th, of Mrs. Sanford D. Leland, 6 Arlington road, Wellesley Hills, tickets 75 cents.

needs. That the Bazaar will attract the eye as well as the purse is forecast in that the arrangement and decoration of tables is under the direction of Mrs. Walter H. Dietz, president of the Newton Centre Garden Club.

Mrs. Austin Benton will have charge of a table of books, book-ends, and victrola records. "Thrifty" art treasures and all sorts of handicraft work, together with Christmas gift wrappings, will be found on Mrs. Maurice E. Goldberg's table. Mrs. Walter Hartstone combines flowers, fruits, and vegetables for a colorful display. All the latest gadgets for modern kitchens are being assembled by Mrs. Ralph E. Houghton. Mrs. Vincent P. Maloney will sell gift novelties and bridge accessories. At two tables of edibles, Mrs. Stanley P. Lovell will have candy and Mrs. Oswald W. Labdon will sell all kinds of home-cooked foods, also jellies, jams, pickles and preserves.

At 3 o'clock on Thursday, Mrs. Edith Goodell, of Belmont, will put on a Fashion Show. Mrs. Harold R. Jacques will furnish the music, and Mr. Hassler Capron will have charge of the lighting. The following Club members under the direction of Mrs. Sherman Ward will model the gowns and costumes: Mrs. Edward A. Andrews, Mrs. Douglas Francis, Mrs. Harry C. Gibson, Mrs. Gordon W. Herdman, Mrs. F. Fern Hollis, Mrs. Harry E. Moore, Mrs. George J. Murphy, Miss Betty Nickerson, Mrs. John R. Perry, Mrs. William H. Raye, Mrs. Alden H. Speare, Mrs. Thomas E. Shirley, and Miss Martha P. Wight.

Mr. John H. Brandt (A Club husband) has selected from his stock suitable fur accessories for Mrs. Goodell's models, both keeping in mind that thrift is the watch-word.

Mrs. Richard Norton has charge of grubs for the children.

At 6:30 o'clock, a good old-fashioned turkey dinner will be served, under Miss Elizabeth Bartlett's capable supervision, for the small charge of 65 cents—a real community supper of which all are invited to partake.

After dinner, games and midway attractions will be the order of the evening.

On Friday the Bazaar will open at 10 a. m. Mrs. Annie L. Eastman and Mrs. John W. Merrill will serve a cafeteria luncheon at 12:30, and at 2 o'clock the Bridge Party, which is in charge of Mrs. Harold R. Keller, will begin. Arrangements have been made with Mrs. Thomas F. Lyons, a competent contract bridge instructor, to be present, her advice and counsel at the disposal of the players.

There will be a prize for each table. For information of all interested Clubwomen it is announced that \$3 is the price per table, and admission to the Bazaar on Thursday, for adults is 10 cents and for children 5 cents.

Hostesses for Thursday include Mrs. Arthur C. Badger, Mrs. Elias B. Bishop, Mrs. William Claxton Bray, Mrs. Morgan L. Cooley, Miss Edith Gammans, Mrs. Charles E. Kelsey, Mrs. Henry H. Kendall, Mrs. Lorenz F. Muther, Mrs. Frank A. Schirmer, Mrs. William E. Shedd, Mrs. Charles L. Smith, and Mrs. Frank H. Stewart.

Twelfth District

CONFERENCE. In the Congregational Church, Washington street, the Wellesley Hills Woman's Club will be hostess to the Fifth and Twelfth Districts on Tuesday, November 29th, with Round Tables following the morning session which opens at 10 o'clock. The afternoon session, beginning at 2 o'clock, will include addresses, a musical program, and Club Institutes. Reservations for the luncheon, which will be served at one o'clock, should be made by November 26th, of Mrs. Sanford D. Leland, 6 Arlington road, Wellesley Hills, tickets 75 cents.

State Federation

PRESS CONFERENCE. The last in the series of Press Lectures will be held at the State Federation Headquarters at 687 Boylston Street, Boston, on Monday at 2 p. m. (Note change in time). There will be an open forum questioning hour and Mrs. Leuben Gleason, Jr., State Press Chairman, will serve tea at the conclusion of the meeting. Preceding the lecture all are invited to meet at 12 noon at the office of the Boston Herald for an inspection of the Herald Building.

RADIO. Mrs. Thomas J. Walker, first vice-president, will speak to the topic "For Those Who Read to Remember," on the broadcast of Saturday, December 3rd, during the half-hour arranged by Mrs. Charles L. Fuller, Radio director, from 11:30 to 12 noon, over WBZ. Miss Ada E. Baldwin, director, will speak on what "Working Together Is Progress" had made noteworthy in the Third District. The Martha Washington Quartette with Martha D. H. Churchill of Lunenburg, directing, will give the musical interludes. The program for Saturday, November 26th, has already been announced. Mrs. Fuller, whose voice is remarkably pleasing over the radio, gives each week interesting personal touches by mention of club women who have become members of the Tribe of Abou Ben Adhem through contributions of stories or poems.

Newton Centre Woman's Club

The Newton Centre Woman's Club will give a two-day Thrift Bazaar and Card Party on Thursday, December 1st, and Friday, December 2nd. The Ways and Means committee, under the able chairmanship of Mrs. Ellis Spear, Jr., has been working enthusiastically to make thrift a watchword all along the line. Tables of low-cost articles are planned to solve the Christmas gift problem as well as personal

RECENT EVENTS

Newton Federation

(Note. Due to typographical error, a paragraph describing several pleasing features of the program of the afternoon session of the fall meeting of the Newton Federation of Women's Clubs, held November 14th, was omitted last week. The paragraph is given herewith, with regrets for the unfortunate error.)

After expressing her pleasure in being the Federation representative in the dedication of the new City Hall and War Memorial, Mrs. Samuel N. Braham, the president, shared with her audience her happy memories of the trip to Seattle and of her attendance at the General Federation Biennial. Of the one hundred and one Massachusetts women journeying to that gathering, nine were from Newton. Mrs. Braham's description of this convention gave much pleasure and fully justified the choice of the Federation in its delegate.

A unique group of songs by Mrs. Wallace Wales, accompanied by Mrs. G. Howard Frost, was the musical contribution to the program, and was greatly enjoyed. Mr. Frank Grobe, assistant to the pastor of the church, was the first speaker of the program to be introduced, and his helpful suggestions on "How To Judge a Picture" undoubtedly will further the appreciation of pictures in the homes of his listeners. He thought that study of the lives of artists would give a better understanding, many times, of the message intended to be conveyed by the picture, and advised the use of more of the beautiful masterpieces in the making of homes.

Auburndale Woman's Club

At the first meeting of the International Relations group of the Auburndale Woman's Club, Miss Harriet Whittier, a speaker from the League of Nations Association, 40 Mt. Vernon street, talked on "Present Day Problems." Miss Whittier is a forceful, logical speaker, whose magnetic personality dramatizes her subject until it is as thrilling as a play. No one could hear her without realizing the need of becoming "international-minded."

Community Service Club of West Newton

At the meeting of the Community Service Club of West Newton held on Wednesday afternoon, November 16th, in the Second Church, the president, Mrs. Frank S. Tower, made a plea for the success of the sale of Christmas seals, of which Miss Margaret E. Jewett is chairman for the Club; and prophesied the pleasure which she felt sure the entertainment sponsored by the Club for November 30th would give to all who attend. She then introduced Mrs. Andrew J. George, well-known lecturer and traveler, who spoke briefly on the scope and aims of the National Economy League, which she characterized as a national coalition of all parties and of all kinds of people working for reduction in government costs and taxes.

The speaker of the afternoon was Rennie Smith, recently a member of the British Parliament and a student of international affairs, just returned from Russia, speaking appropriately on "My 1932 Estimate of Russia." He brought out that travellers in Russia generally see only what they are allowed to see; and the great difficulty in getting authentic news, since the Secret Service, being the backbone of power in Russia, one may not, even in casual conversation, make comments or statements freely, agents in plain clothes being everywhere, and Siberia or death may be the penalty for chance remarks. Among his other important statements were: The Five-Year Plan is a monumental thing; Russian industry is lower this year than last; Russia's greatest asset is the ingenuity of American engineers who are the linchpins of Russian industry; Russia is interested in mass life and there is no home life, families living in one room, and three rooms are considered a luxury; organized religion is on the way to disappearance, and anti-god institutions supplant the churches, with a militant atheist organization of eight million young people.

Mr. Smith predicted a desperate winter among the Russian peasants from the point of keeping alive, the harvest having been reduced by one-half.

A social hour followed the program. Tea and coffee were served by a committee headed by Mrs. Percival F. Brundage. Mrs. Robert Loomis and Mrs. W. A. Gallup presided at the tea table, which was beautifully arranged with candles and a harvest centre-piece of luscious fruits.

Monday Club of Newton Highlands

The Monday Club of Newton Highlands met with Mrs. John H. McCready on November twenty-first. It was a Guest Afternoon and the Musical Program was presented by Mary Ingraham, a pianist and teacher of Newton and Boston, and Mrs. Elizabeth Bates Ingraham, contralto, of Boston. There was a large number present who listened with great pleasure to the music given forth by these artists.

Woman's Club of Newton Highlands

Dr. Miriam Skirball lectured to the Drama Reading Class on Friday afternoon, November 18th, at the Workshop, taking as her subject "The Drama of Protest." Dr. Skirball mentioned a few writers of this kind of drama in the last forty years in England, and then the birth of the drama containing protest in the United States.

CITY OF NEWTON MASSACHUSETTS

NOTICE TO DEALERS

Sealed proposals for furnishing school
supplies required by the School De-
partment of the City of Newton will be re-
ceived at the office of the School Com-
mittee, Technical High School, Elm Road,
Newtonville, Massachusetts, until 2:30
p.m. December 2, 1932.

Proposals must be plainly marked on
envelope "Proposal for Supplies."
Proposals must be accompanied by a
check for the sum of two hundred and
fifty dollars (\$250.00) payable to and
to become the property of the City of
Newton if the proposal which it accompa-
nies is accepted and the bidder neglects or
refuses to execute the contract within
six days (Sundays excepted) from the
date of the notification of acceptance of
proposal.

Proposal made hereunder shall be open
for acceptance by the City any time
within sixty (60) days of the date of bids.
A surety bond for the faithful perform-
ance of the contract in a penal sum equal
to one hundred per cent (100%) of the
accepted bid will be required.

Specification can be obtained at the
office of the School Committee, Technical
High School, Elm Road, Newtonville,
Massachusetts.

Any alteration or addition to the terms
of the specification and form of contract
will be considered by the City as a cause
for rejection of the bidder's proposal.

Quantities shown on specification are
approximate and are used for comparison
of bids only.

Samples of each article upon which
prices are quoted must accompany this
bid.

Quality and price will be taken into
consideration in the awarding of contract
and the Department reserves the right
to accept or reject any and all bids or
parts of a bid, and to award the con-
tract entirely in the best interests of the
City.

SEALED COPY OF ALL PROPO-
SALS MUST BE DEPOSITED WITH
THE COMPTROLLER OF ACCOUNTS,
CITY HALL, NEWTON CENTRE, MASS.
By George H. Tracy
Chairman of the School
Committee.

Newton High School,
Newtonville, Mass.
Nov. 18, 1932.

MORTGAGEE'S SALE

By virtue and in execution of the Power
of Sale contained in a certain mortgage
given by James H. Woods to Luther G.
Paul, Harriet O. Paul and Irving C. Paul,
dated May 4, 1931, recorded with Middle-
sex County South District Registry of
Deeds, Book 5546, Page 484, of which the
undersigned are the present holders, for
breach of condition thereof and for the
purpose of foreclosing the same, will be
sold at public auction upon the premises
described in the said mortgage deed and
therein described as follows:

"A certain estate situated in that part
of Newton called Newton Centre, be-
longing to the Devises of Luther Paul,
Harriet O. Paul and Irving C. Paul, dated
February, 1932, to be recorded herewith.
For my title see deed to me from the
grantee of the above described premises
to be recorded."

There is excepted from the above de-
scribed premises so much of the same
as was released from the said mortgage
by the mortgagors Luther G. Paul,
Harriet O. Paul and Irving C. Paul, dated
October 2, 1931, recorded with Middle-
sex County South District Registry of
Deeds, Book 5599, Page 86, which parcel
is bounded and described as follows:

"A certain parcel of land situated in
that part of Newton called Newton
Centre, being Lot 13 shown on a plan
of Land in Newton Centre, belonging to
Nathan Stiles," dated October 8, 1931,
recorded with Middlesex County South
District Registry of Deeds, Book 5599, Page
86, which parcel is bounded and described
as follows:

SOUTHWESTERLY by Oxford Road,
land of the City of Newton, to the
Southwesterly line of said parcel, a
distance of 124.9 feet; then North-
westerly by said parcel, a distance of
124.9 feet; then Northwesterly by Paul
Brook as shown on said plan sixty-three
(63) feet; then Northwesterly by lot 2 as shown

Newton Couple
Observe 40th
Wedding Day

Mr. and Mrs. William H. Haynes of 269 Church street, Newton, observed their 40th wedding anniversary on Thanksgiving Day, November 24th. They were married in 1892 at Highlandville (now Needham Heights) by Rev. John Gleason of the Needham Congregational Church. Mr. Haynes is a native of Birmingham, England and Mrs. Haynes, who was Nellie A. Jones, was born in Needham. They have resided in this city for the past 16 years and Mr. Haynes has been employed during that time at the Newton Y. M. C. A. They have three children—Mrs. Ernest H. Brown of West Newton, Mrs. Walter J. Colby of Dedham and Arthur E. Haynes of Newtonville. They also have three grandchildren.

The wedding anniversary was attended by about 60 relatives and friends and the couple received many gifts, including a purse of gold.

NEGRO QUARTET
TO FEATURE
MUSICAL SERVICE

The Mansfield Singers, the best Negro Quartet in Boston, will give a program at the Newton Methodist Episcopal Church, corner of Centre and Wesley streets, Rev. Harry Belmont Hill, minister, this coming Sunday evening, Nov. 27, at seven-thirty o'clock. Virginia, Bermuda, New Jersey and Maryland are represented in the Mansfield Quartet. The organization is named for Mansfield the first tenor, who acted in the capacity of manager during their years in college. These boys first met at Prince Ann Academy, Maryland, in 1927, where they organized and sang under the name of that school. Later they went to Claflin College, Orangeburg, South Carolina, where they were given scholarships for their singing, and while there were known as the Claflin Quartet. After singing their way up and down the Atlantic for two and a half years in the interest of that college they came to Boston where they furthered their studies in music. During the six years together, their concert work has been in great demand. Their popularity in New England has been unusual. Besides numerous concerts, they have appeared as guest artists of the Chromatic Club of Boston, the New England Cokes Radio Program, and the Fox Fur Trappers' broadcast. They have been heard over stations WNAE, WAAB, WBZ, WEEL of New England. They have also broadcast from Stations in New York City, Philadelphia, and Atlantic City.

Rev. Mr. Hill will continue his series of Book Sermons, using for this week, Robert Louis Stevenson's masterpiece "Dr. Jekyll and Mr. Hyde." Interest in these special Community Sunday evening services continues to grow. Last Sunday's audience was the largest to date. All Newton residents are cordially invited to attend.

Bigelow Junior H. S.

Last Saturday evening several members of the Dramatic Club, chartered by Mrs. Gillespie, attended the presentation of "She Stoops To Conquer," by members of the Newton High School and was thoroughly enjoyed by all.

Now that the soccer schedule is over, the Bigelow supporters are turning their attention to the basketball games which are beginning their practice immediately after Thanksgiving. The members of both teams are very enthusiastic and hope to make as good a record as that of last year.

Wednesday, Bigelow Junior High held Thanksgiving exercises in the auditorium. The Governor's Proclamation was read by Barbara Drake of the ninth grade. Following this Mr. John Cronin, of the Newton Free Library told an interesting Thanksgiving story.

Following is the Honor Roll for the first quarter:

Ninth Grade—Myron Burnes, Harriette Church, Harriet Conel, Jane Dennis, Edna Fernald, Ruth Finke, Helen Ford, Laura Gallant, Barbara Hansen, Edward Hennessey, Rene Kiley, Marcella Kittredge, Doris Marshall, Jean Patterson, Marian Perry, Harriet Romey, Mary Sanguietti, Betty Tobey, Sam Wyatt.

Eighth Grade—Virginia Cotton, Francis Donovan, Leonard LeSourd, Leon Lipson, Betty Lloyd, Catherine McCarthy, Jack Perry, John Ryan, Anna Sanguietti, Stuart Stern, Barbara Vannah.

Seventh Grade—Joan Apeler, Peggy Byrne, John Cody, David Dolan, Jean Johnstone, James Keating, Patricia Peterson, Virginia Romland, Irene Sampson, Albert Schaaf, Theres Thomas, Eugenie Waller, Richard Weber.

Newton Highlands

—Mrs. J. A. Albott of Carver road is entertaining her nieces, Miss Alice and Dorothy Hurst of Waltham for Thanksgiving.

—Mr. and Mrs. Frederick T. McGill of New York are to be the guests of their parents on Fisher avenue for Thanksgiving.

—Mrs. Louis Heber of South Manchester, Conn., is the guest of her daughter Mrs. Everett L. Bunker of Lakewood road.

—Mr. Albert E. Robinson of Lakewood road returned from Colby College on Wednesday last to spend the holidays at his home.

—Mr. and Mrs. Osman Buttolph of Niles road are joining their family for a Thanksgiving party at the Hotel Sheraton in Boston.

—Mr. Elliot H. Robinson of Lakewood road returned home from Williams College on Wednesday last for the Thanksgiving holidays.

—Mrs. E. A. Proctor of Fisher avenue was the guest of Mrs. Ada Benson of Kenmore, N. Y., for two weeks on her return trip from St. Louis.

—Mr. Frank W. Celand former dean and professor of theology at Boston University filled the pulpit at the Cline Memorial Church on Sunday last.

—Prof. E. L. Perry and family of Williamstown and Mr. Perry's mother of Reading were guests of Mr. A. B. Kelley and family of Floral street this week.

—Mrs. Earl Rottler and her children of North Andover, who were the guests of Mr. and Mrs. Howard Thompson of Lakewood road have returned home.

—Miss Betty Townsend of Lakewood road who is a student at Westtown School in Pennsylvania will spend Thanksgiving day with relatives in Philadelphia.

—The sympathy of the many friends of Mrs. E. L. Bunker of Lakewood road is extended to her in the loss of her father at the family home in South Manchester, Conn.

—Harold C. Banks, son of Mr. and Mrs. Charles W. Banks of Standish street, has been initiated into Phi Sigma Kappa at Wesleyan University where he is a freshman.

—Youth Sunday which will be celebrated at the Cline Memorial Church will be devoted to the young people. The evening service will be under the auspices of the Epworth League.

—Mr. and Mrs. Arthur E. Skillings of Hyde street and their daughter Phyllis were the guests on Thanksgiving Day of Mr. and Mrs. Benjamin Squire at their home in Milton.

—The topic for the Young People's League at the Congregational Church last Sunday evening was "The Soviet Attitude Towards Religion." Doris Badger and Alan Roberts were the leaders.

—A fair will be held in the vestry of the Cline Memorial Church on Wednesday afternoon and evening, November 30th. Supper will be served and an entertainment will be enjoyed afterwards.

—Parents will be interested to know of the motion picture program on Tuesday at 2:45 P. M. at the Congregational Church. The pictures have been carefully selected and will be instructive and interesting to most children and adults.

—Mr. Stanley Cody of Aberdeen street, who was a student in the commercial course at the Vesper George School of Art, is among those whose work is of such exceptional merit that it is now hung in the exhibition of drawings in the Boston Y. M. C. A.

—The Newton Welfare Bureau is ready to open its Clothing Room except for the fact that there is not enough clothing on hand to justify doing so. They have a long list of families who need clothing badly, so can we not respond generously to their request for second hand clothing and leave what we have for them at 12 Austin street, Newtonville.

NEIGHBORHOOD CLUB CONCERT
BY M. I. T. MUSIC CLUBS

Miss Elizabeth Pratt will be head usher at the Newton Centre Neighborhood Club concert to be given by the Massachusetts Institute of Technology combined musical clubs on Saturday evening, December 3, to be followed by dancing. Burglar Caught
At Auburndale
Gas Station

Early Wednesday morning Patrolmen Charles Jenkins and J. B. Foley captured Alfred Cove, 21, of Worcester, after the latter had broken into the Norumbega Park Filling Station on Commonwealth avenue, Auburndale. The police observed an automobile at Commonwealth avenue and Auburn street and caught it after a short chase. In it they found a number of automobile tire tubes and some lamp bulbs. They recognized the tubes as a brand sold by the filling station, and so took their captive to that place. There they found a window forced open and inside a quantity of accessories had been piled up ready to be carried from the building. Cove confessed that he had been scared away from the station when a light bulb dropped on the floor and exploded. In the Newton court on Wednesday he was sentenced to serve six months in prison.

Guzzi To Run
Against Farrell
In Ward 3

Alfred V. Guzzi of 8 Magne place, West Newton, who had announced his candidacy as Alderman-at-Large from Ward 3, has changed his candidacy so that he will run for Ward Alderman from Ward 3. He will oppose Bernard D. Farrell, Jr., of Cherry place, who has been Ward Alderman for the past year.

AMERICAN LEGION AUXILIARY

The Middlesex County Council will meet on Saturday, November 26th, at the Congregational Church, Reading. Luncheon will be served at one o'clock and the meeting will be called to order at two o'clock.

Mr. Edmund Gross, Manager of the Disabled Ex-Service Men's Exchange, will be a guest of the county and articles from the Exchange will be on sale.

Delegates from the Newton unit are Mrs. Mary McCarthy, President, Mrs. Helen Henderson and Mrs. Mary Wiczorek. The alternates are Mrs. Nona Kearney, Mrs. Catherine Rogers and Mrs. Agnes Henriks.

TO PRESENT PLAYS

An exciting mystery play, "The Thirteenth Chair," by Bayard Veiller, is the first of a series of three plays to be presented this season by the Auburndale Club Players. It will be given Monday and Tuesday evenings, November 28 and 29 at the Auburndale Club at 8:15.

The plot is absorbing and challenges solution. Thirteen people around a table during a seance,—the man in the thirteenth chair is murdered. Who killed him? It must have been done by one of those present, for all the doors and windows had been locked before the medium began her seance. The life and love of two young people depend upon the outcome of the police investigation, but not until the last minute of the play is the murderer revealed.

"The Thirteenth Chair" will be presented under the direction of Florence Krueger, well-known to Newton audiences from her many appearances on Newton stages. A large cast of ten men and seven women will create the proper atmosphere. Leading parts will be played by Mary Gray, Edna White, Samuel Evans, Robert Hayes, Clifford Pacher and Robert Haddon. They will be ably supported by Geraldine Fisher, Constance Briscoe, Katherine Braithwaite, Mary Palmateer, Dorothy DeWitt, Joel Nichols, Cedric Valentine, Robert Van Patten Steiger, Thomas Foss, Raymond Gelinis, and Theodore Fowler.

Membership in the Auburndale Club Players is confined to residents of Auburndale. All Newton people who are interested will be welcomed as members.

Ernest Braithwaite is chairman of the Auburndale Club Players for the coming season. John Starkweather is business manager.

Coffee and cigarettes will be served in the Club lounge during intermission.

Woman Riot
Leader Gets 30
Days In Jail

Alice Ward of East Newton street, Boston, who was the leader of the riot in front of the City Hall at West Newton on October 26th, was found guilty by a jury in the Superior Court at Cambridge on Monday and sentenced by Judge Hobson to serve 30 days in Middlesex County prison. She had been sentenced in the Newton court to serve six months in prison and took an appeal.

Larry Visco of 258 Nevada street, Newtonville, who was one of the ten persons arrested with Miss Ward on the day of the disturbance by the unemployed, and who demanded a separate trial and subsequently took an appeal when found guilty in the Newton court, was tried before a jury in the Superior Court on Tuesday. He was found not guilty.

NEWTON HIGH CLUB AT
NORTHEASTERN

Graduates of Newton High School have formed a Newton High Club at Northeastern University. Kirkwood B. Brown, of Neshobe road, Waban, was elected president at a recent organization meeting. He is a sophomore in the school of Engineering, was elected vice-president. Robert A. Claffee, of 14 Trowbridge street, Newton Centre, member of the middle class in the engineering school, was elected to represent the Newton Club in the Interclub Council at Northeastern. Robert G. Davis, Beethoven avenue, Waban, was elected secretary-treasurer of the Club. Among the fifteen charter members of the Newton Club are Herbert W. Gallagher, N. U. Letterman in baseball, hockey, and soccer, and Robert Buell and Francis Tischer, members of the freshman football squad.
